

Calendar Updates For February Received on January 17 & 19, 2025

Under the new system, Calendar Updates received twice or more within a day will be organized into separate files, as demonstrated in this post. This change is designed to streamline the tracking process and make it easier to manage frequent updates.

Updates received twice or more within a day are not just routine notifications. They are resolute indications of the emergence of new elements, which are now forming their constituency as we move into the millennium or the Messianic era.

The Executive Body of Israel strategically utilizes calendar dates to identify and select righteous Gentiles for inclusion in the Stone Kingdom. This kingdom symbolizes a progressive social system intertwined with the exiles' empire, referred to as the Israel Commonwealth of Labor, which aspires to unite and uplift the world.

- *And in the days of those kings shall the God of heaven set up a kingdom, which shall never be destroyed, nor shall the sovereignty thereof be left to another people; but it shall break in pieces and consume all these kingdoms, and it shall stand forever. Daniel 2:44*

Judah's constituents are pre-determined. For example,

- *The LORD says to Israel, "The wealth of Egypt and Ethiopia will be yours, and the tall men of Seba will be your slaves; they will follow you in chains. They will bow down to you and confess, 'God is with you—he alone is God. Isaiah 45:14*

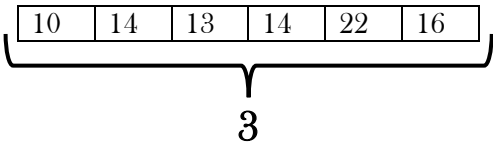

Not all, though some calendar dates signal the timing to include others in the Transitional Movement's biblical formula. Isaiah 45:14 gives insight into the constituent formula.

In a momentous decree, the Second Court of Heaven designated **December 1, 2024**, as the beginning of the Fourth Generation under the Abrahamic Covenant. This period, the 4th Generation, plays a crucial role as it signifies when Judah and Israel will settle their accounts with Dan's Coalition Colleagues in preparation for their departure.

As per the Abrahamic Covenant, the oppressive nation will face divine retribution in the Fourth Generation. The 2024 and 2017 solar eclipses indicated the LORD's wrath and was a stark warning. All witnessed the holy sign of judgment over the modern-day Babylonian Empire. Solar eclipse 2024, foretold by many prophets, is in sync with the Day of the LORD, hastening the Transitional Movement towards the Stone Kingdom. This event requires no human intervention, *"but it shall break in pieces and consume all these kingdoms, and it shall stand forever."* Daniel 2:44

Consume all national governments have the same meaning as kingdoms of the world.
