

A partial review of February

One of the significant highlights of February is assigning the prophetic date of May, from which comes its prophetic amplification.

This year, 2024, February came with a full agenda of occurrences visible and hidden or seen without discernment. The Judahite will note a few from a list of occurrences.

12th

As an intermediary date, the Second Heaven Court reaffirmed in an interactive illustration that The Judahite saw in the sky on February 12 the economic and financial systems going backward due to (a) the lifting of the Mosaic Curses from the Ten Tribes and (b) the expiration date of Jacob's tithing blessings to the Gentiles—the interactive illustration per Isaiah 38:7-8.

20th

Two electrical transformers exploded as an act of God carrying the sound throughout the community. As pre-planned, Angel Raphael actualized awareness in procedural acts throughout the day, including when the lights came on in the evening, went back off for over two hours, and came back on—the expectation long-awaited all day.

Angel Raphael brilliantly illustrated the conceptualization of 10 and 20, compelling The Judahite to allot time to explain.

Biblical ten is one of the Divine order of perfection. Decimal 10 completes the first counting [1,2,3,4,5,6,7,8,9,10=ordinal numbers] cycle. Representative of a whole counting cycle, 10 is inclusive and complete, and everything is present. 20 is a double of 10 + 10=20.

Moreover, the Ten Commandments hold conceptual indexes: testing, plagues, struggles, and curses. Additionally, 10 represents those who have survived the vicissitudes—they come out as the REMNANT.

Examples:

- a. Daniel and his three Associates were given a ten-day dietary trial to see if they would be healthy by eating fruits and vegetables.
- b. The LORD separated the ten tribes of the North from the two tribal nations of the South, thus ending Solomon's reign over the United Kingdom.
- c. The parable of the ten virgins (ten tribes of Israel) to stay alert for the second coming of Yeshua.
- d. Ten spies sent to Canaan came back with bad news. They all died, excluding two: Joshua and Caleb.
- e. The Ten Disasters of Egypt.

Twenty

- f. Jacob was at odds for 20 years with his autocratic father-in-law Laban.
“I've been with your household 20 years now. I worked for you 14 years for your two daughters and 6 years for your flocks, and you changed my wages ten times.” Genesis 31:41
- g. Samuel served as a judge for 20 years.
- h. Elisha fed 100 men with 20 loads of bread. 2 King 4
- i. Men over 20 were expected to go to war. (Numbers 1:3)
- j. Samson judged Israel for twenty years. (Judges 15: 20)

Electricity shutting down

On the 20th of February, there were no clouds in the sky; it was a bright, sunny day. The weather conditions led everyone to expect a whole routine of daily activities. Then, the electrical transformer explosion was heard throughout the community, followed by the loss of electricity. Everyone expected the electricity to be restored soon; what a false hope. After six hours, another electrical transformer blew, making the same loud explosion sound. Many voiced concerns about refrigerated food becoming spoiled.

When the electricity goes out, the question is how long it will be before restoring power. It is common for people to be without electricity for a day, a week, or longer. As the unknown factor of time, everyone's anticipation grows stronger every hour.

Without electricity, there are many consequences, such as not having hot water, major household devices becoming nonoperational, and certain types of medicines becoming unusable. Some leave their houses and units and go where there is electricity.

Biblical twenty drove our anticipation for starting a new cycle—electricity coming back on. Late evening, the lights came on, and everyone expressed complete joy, getting back to normalcy. Minutes later, the lights went out again for over two hours.

The resultant?

TESTING

Not only replacing the electrical lines, but the workers also had to test things as a matter of course to ensure all was working. Likewise, everyone had to test and restart those things required after a power outage. In short, it is testing and getting ready for a new tomorrow.

Recasting:

Order of Procedures

After restoring the electricity, the lights came back on. As a milestone in prophecy, The Judahite received a new proceduralize Order:

- A. Putting God first. Each congregational member is responsible for becoming a spiritual lamp shining in darkness.

You are the light of the world. A city seated on a mountain cannot be hid.

Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all *who are* in the house. Matthew 5:14-15.

- B. Each person radiates glowing morality of godliness as a lamp, enabling others to see works combined with the Scriptural Words. Indeed, works without faith are dead, for deeds and the words of the Scriptures must combine for the desirable outcomes.

- No one lights a lamp and puts it in a cellar or under a basket. Instead, he sets it on a stand, so those who enter can see the light. Luke 11:33
- So, if your whole body is full of light, with no part of it in darkness, you will be radiant, as though a lamp were shining on you." Luke 11:36
- so that you may be blameless and pure, children of God without fault in a crooked and perverse generation, in which you shine as lights in the world. Philippians 2:15

- C. Archangel Raphael re-validated Daniel 5:27-28 statutes. The Judicial Statutory Stencil is assigned only to earthly Magistrates as it mirrors the 2nd Heaven Magistrate Court. The earthly Magistrate, Daniel, used it to adjudicate the King of the Chaldeans; also, Ezekiel, an earthly Magistrate, used the Judicial Statutory Stencil. At hand, the Gentiles' fourth social system is now being adjudicated with specificity. As legal outcomes, Judah and the Ten Tribes of Israel have claims to the accumulation of wealth.

D. The Judahite recorded ORDER24J issued from the Second Heaven as a formula for assessing Judah's return on investment in the social system of capitalism. ORDER24J is an expressive form of a formula with numerical value underpinnings. Now, as an order of procedure, the **Executive Body of Israel in Exile under ORDER24J:**

- “Blow the trumpet in Zion, sanctify a fast, call a solemn assembly: (Joel 2:15-17)
- gather the people, sanctify the congregation, assemble the old men, gather the children, and those that suck the breasts: let the bridegroom go forth of his chamber, and the bride out of her closet.
- Let the priests, who minister to the LORD, Weep between the porch and the altar; Let them say, “Spare Your people, O LORD, And do not give Your heritage to reproach, That the nations should rule over them. Why should they say among the peoples, ‘Where *is* their God?’ ”
- And you, O children of Sion, rejoice, and be joyful in the Lord your God: because he hath given you a teacher of justice, and he will make the early and the latter rain to come down to you as in the beginning. Joel 2:23

22nd

The Second Heaven reaffirmed on February 22 the legitimacy of the Commonwealth of Labor, the ending of private means of production.

Often not realizing there are many different processes in motion simultaneously. Naturally, it is understandable that there is no concern about outcomes if one is not directly involved in a process. In this regard, the **Second Heaven announced** to The Judahite on February 23 to prepare for an active phase of the Tabernacle's designed construction.

24th

On February 24, Second Heaven issued a statutory declaration, reasserting that Judah and the Ten Tribes would be made whole financially.

“And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you.” Joel 2:25

While writing, a 5/8” roll of pulp, soft and sticky, represented by what the locust, the cankerworm, the caterpillar, and the palmerworm have eaten, fell from The Judahite’s ink pen onto his paper. Yes, the pulp fell from or out of the ink pen. A milestone. Joel clearly says what is coming next.

25th

What a significant day. The Judahite will say more in another post. For now, 25 is the prophetic day for May 2024.

Other days.

For now, The Judahite is revisiting the prophecy coming after February 2024. In a church service in France, the parishioners saw Jesus unnailed coming down from the Crucifix. Next, they say bloody footprints.

As said in a different post, The Judahite can vouch for the unnailed Jesus and the blood footprints. The overarching theme is the second part of the Edenic Adjudicated Decree, stating the time to immobilize the Serpent. Indeed, it is a sign of Jesus’ Second Coming and to cut the Serpent’s heels. For the Congregation of Israel, Jesus has redeemed congregational members. Yes, the Crucifix has significance, yet it is a touchstone of Adam’s joy, he rejoiced, knowing he would be redeemed, and restored to communion in direct conversation with Elohim.

As far as what Jesus told the person about the coming of WWIII after February, The Judahite takes the position since he can vouch for the first two signs, then the alert must be valid.
