

A Review of April 27, 2023

April 27 appeared on a timeline of dates preceding and succeeding it. However, when April 27 appeared, so did April 23 on the same timeline. When comprehending the ramifications of this hexahedron date, April 3 appears as the developmental date that indexes April 27 with ramifications expansion.

Being mindful, the given calendar dates fall within a sequence of evolving dates related to the Babylonian's and the Chaldean's dethroning. In a word, the calendar dates relate to Judah's restoration correlate with the simultaneous collapse of Babylon's imperialistic system. The antithesis, Judah vs. the social system of capitalism, in which Judah overcomes are componentized elements helpful in constructing Israel's Commonwealth.

For a quick examination, our attention turns to April 3.

The Magistrate Convoked the commanding field staff of military operations in The Judahite's presence.

- *Set ye up a standard in the land, blow the trumpet among the nations, prepare the nations against her, call together against her the kingdoms of Ararat, Minni, and Ashkenaz: appoint a marshal against her; cause the horses to come up as the rough cankerworm.* Jeremiah 51:27

During different times on April 3, the functional signs of corroboration endorsed the prophecies against Babylonians and the Chaldeans, as stated by the three major Old Testament prophets. The endorsements:

- In motion or in real-time, the operational procedures for organizing enemy forces per Jeremiah 51:27
- Lands of Promise to be possessed. Consider 'TEKEL and PERES' statutory applications.

THEN: "TEKEL; thou art weighed in the balances, and art found unfulfilled."

NOW: TEKEL; thou art weighed in the balances and found in default.

JOB ATTESTS

Let me be weighed in an even balance, that God may know my integrity. Job 31:6

Instead of decreasing the societal rate of killing, stealing, and morally destroying the fabric of civilization, Babylon became an agent to increase the curses of society for thousands of years.

THEN: "PERES; thy kingdom is divided and given to the Medes and Persians." Daniel 5:28
 NOW: PERES; the Babylonians' and the Chaldeans' lands are given to tribal Judah to divide with the Ten Tribes.

- c. Funding the Abrahamic Covenant Bank Account cannot be repealed, as the bank account is currently being funded. Because the Medes/Minni, a tribe of Japheth, is relevant today, so is the prophecy of Daniel.

"Therefore, O king, establish the decree and sign the document so that it cannot be changed—in accordance with the law of the Medes and Persians, which cannot be repealed."
 Daniel 6:8

"So, Daniel prospered in the reign of Darius, and in the reign of Cyrus the Persian."
 Daniel 6:28

- d. The Executive Body of Israel in Exile is procedurally in motion to rule with an iron rod through policies and laws in the interest of the theocratic Commonwealth.

"For He has broken down the gates of bronze and cut through the bars of iron."
 Psalm 107:16

"Every valley shall be lifted up, and every mountain and hill made low, the uneven ground Will become smooth, and the rugged land a plain. Isaiah 40:4

- e. Multi-phased operations. The fight against the Babylonians and the Chaldeans is on different fronts and levels. Thus, the war is simple and complex. Still, there is one objective among the Executive Body of Israel in Exile to ensure Babylonia's existence is wiped from the face of the earth, never to appear.

"I, the king, have spoken; I am the LORD of Armies."

Daniel modeled the super-structure of capitalism and its imperialistic extension when he became a target of the Chaldean's death conspiracy.

one: *"And I will make drunk her*

two: *National Officials and advisors,*

three: *Men of Wisdom national security departments*

four: *Governors and deputies*

five: *Army forces/soldiers.*

six: *And they shall sleep a perpetual sleep and not wake.*

seven: *I, the king, have spoken; I am the LORD of Armies."* Jeremiah 51:57

The height of arrogance usually manifests in psychological drunkenness of the illusion of power and might. Consider:

- *In their heat I will make their feasts, and I will make them drunken, that they may rejoice, and sleep a perpetual sleep, and not wake, saith the LORD. Jeremiah 51:39*
- The valiant lie plundered; they sleep their last sleep. No men of **might could lift a hand.** Psalm 76:5

The Sleep of Death is the biblical answer to the illusion of power and military might. Consider the 185,000 died. In modern times, the **Sleep of Death** will claim millions who think they have some **form of power in society** and are protected by the military.

- *“Then the angel of the LORD went forth and smote in the camp of the Assyrians a hundred and fourscore and five thousand: and when they arose early in the morning, behold, they were all dead corpses.”* Isaiah 37:36

Since WWII, efforts to dominate air superiority through technological systems have continued with no end in sight. By that, as it may, weapon systems are useless as the enemy forces have been foretold that Archangel Michael has the authority to destroy the weapon systems. Take careful notice: Michael will head the offensive. No matter how the enemy forces look at the situation, the national armed forces will be liquidated instantly.

- Though Babylon should mount up to heaven, and though she should fortify her strong height, **from me** destroyers (**Michael**) would come upon her, says the LORD. Jeremiah 41:53

The Era of Imperialism

A grievous vision is told me: he that is unfaithful dealeth unfaithfully: and he that is a spoiler, spoileth. Go up, O Elam, besiege, O Mede: I have made all the mourning thereof to cease. Isa. 21:2

Isaiah warns Judah not to be taken in by the change of tactics in the latter days.

Woe to you who plunder, though you have not been plundered; And you who deal treacherously, though they have not dealt treacherously with you! When you cease plundering, You will be plundered; When you make an end of dealing treacherously, They will deal treacherously with you. Isaiah 33:1

A Different Operational Method. The Whirlwind.

Behold, the tempest of the LORD, even his fury, is gone forth, A continuing whirlwind. It will fall violently on the head of the wicked. Jeremiah 30:23

The Lord will not turn away the wrath of his indignation until he have executed and performed the intents of his heart: **in the latter days you shall understand these things.** ^{30:24}

A Summary of April 27, 2023.

The magistrate convoked Jeremiah 51:27 assembly and displayed functional signs corroborating endorsed prophecies against Babylonians and the Chaldeans as stated by the three **major** Old Testament prophets. The endorsements are listed above.

When comprehending the hexahedron date's ramifications, April 3rd appears as the developmental date that serves as April's 27th index ramifications expansion far beyond the 27. There are other layers to the evolving elements within the concept of transitioning from departure, replanting, and growing the theocratic Commonwealth of Israel.

The endorsements have subject matter layers with overlap on different statutes. More to be said as calendar dates unfold.

Finally, an inclusionary prophecy pertaining to Dung.

The Bible references dung as the legal punishment for one's violational behavior against an ordinance.

Denoting equivalence expressions, dung= **excrement, feces, manure, poop, stool, waste, BM, and cow pies**. Within the context of terms, not all people react similarly to the pungent odor. Biblically, dung is associated with dead bodies when blood has ceased flowing to biological cells; hence, the stench when the heart stops pumping blood.

The Bible tells when human corpses will become like dung from one end of the world to the other. How do you know that you have qualified to become dung? The Elohim gives advance notices. For example,

Ezekiel laid on his left side for 390 days, symbolically bearing the iniquity of the Ten Tribes, Israel's sins, and eating food cooked with cow dung. On his right side for forty days, symbolically of for Judah's sins. Jonah went to Nineveh to preach repentance. The message: in forty days, Nineveh would be overthrown. Isaiah walked naked for three years.

The outcomes: the Ten Tribes of Israel were forced by armed might to scatter to the winds of the earth. Judah was taken captive and went to Babylon for seventy years. Nineveh repented but, in time, was destroyed because it reverted back to sinning more so than ever. Hundreds of years later, Judah fled Judea to save his life. Being on the run, the Judeans walked naked for three hundred years, not having the means to make clothing. Today, Jeremiah tells of the dung smell, which means the people will become dung.

Like days of old, people's response to pending death and destruction is the same. As in the case of Nineveh, when people heard the injunction, they repeated. Why? The people remembered what happened to the Egyptians during the exodus. They knew that God doesn't play games.
