## March 13, 2022 Progress Report

As a review, March 9 and March 11, 2020, are dates for announcing COVID-19 as a pandemic, God's plague.

Now, two years later, March 9 and March 11, 2022, The Judahite sought a similar global phenomenon as a pledge to accelerate the exilic return to the Land of Promise.

The Judahite went before the Magistrate Court of Heaven to present Conditions Precedent for requesting the actualized stage of organizational development for the Commonwealth of Israel.

As of today, The Judahite has received notification confirming the process is now underway. In this presentation, a few mileposts will be shared.

### **The major prophets of the Old Testament Foretold about the evolving framework of interdependency.**

The long process in the breakdown of interdependency is about Israel and Judah's spiritual, mental, and organizational separation from the existing order of society. In focus, Judah pushes the motivational movement of independence toward creating the Commonwealth of Israel.

For many in the Congregation, this motivational movement has been long in duration, and at the same time, the Congregation has yielded to **misplaced** disappointments because the 144k, as required, has not effectively communicated The Judahite's presentations about the plumb line for constructing the new Temple. The Judahite is under the tutelage of Scriptures and the armies of Heaven.

Yes, it is easy for some people to become disconnected from the multi-dimensionality of our priorities. You should liken this current period to the forty years Israel spent in the wilderness to stay connected. Then and now, the Congregation learned the **required governing systems for a cohesive civilization under the theocracy of Yahawah. NO, NO! We will not enter the Land of Promise disorganized as allowed any and everyone to bring harmful views to the theocracy.**

Several componentized systems have been put into place, and more are coming for constructing the new Temple. Everyone should be on the same page as we move to eliminate unnecessary confusion.

**As a universal procedure**, please take notice that the new order emerges with a pre-mandate that defines its purpose for existing. The new order of society doesn't compromise, for it follows that social and economic laws are negated sequentially for birthing the new social system's character. **NO**, there is nothing by chance in bringing forth a new social order.

On the morning of March 9, the Court of Heaven preemptively addressed the primary problem facing The Judahite before the 10 pm Court appearance to present Conditions Precedent for immediate action.

The Court of Heaven acted quickly due to taking Judicial Notice on adjudicated prophetic questions and matters. Again, look at the Conditions Precedent below.

- 0000. The supernatural water-soaked rug bestowed certification upon The Judahite as the representative of tribal Judah.
- 0001. Cross-referencing Scriptures at the stage of confluency, Apostle Paul referenced how Trump would be elected as he signals the Feast of Trumpet. Indeed, The Judahite cast the pre-determined vote for Trump's presidential win at the last minute.
- 0002. 2017 came as Jeremiah's Seventy-year prophecy.
- 0003. August solar eclipse across America.
- 0004. The Revelation 12 sign. The Judahite witnessed the birth of the Man-child.
- 0005. Supernatural rug movement days before President Trump announced moving the U.S. Embassy to Jerusalem.
- 0006. President Trump was elected to be a prophetic envoy for The Judahite to deliver service of process at the Wailing Wall, whose precipitation came in the rebellion led by Mattathias, the father of the Maccabee family, and later by Apphulus, his son. The Wailing Wall because the prophetic Courthouse where the LORD stipulated the Wailing Wall existence through his sub-Order given to Elijah at the Magistrate Court of Heaven.
- 0007. Once delivered, The Judahite assumed jurisdictional control over Israel as the Man-child.
- 0008. July 4 came as a first-time celebration in Washington, DC. It foreshadows the Ten Tribes receiving their governorship.
- 0009. July of 2019 came as the year of Judah's 400-year jurisdictional lifting per the Abrahamic Covenant. An iron chain supernaturally broke before the eyes of The Judahite.
- 0010. In July, Lady Naphtali died by suffocation, the pre-announcement for the Ten Tribes to prepare to throw off social oppression.
- 0011. The blackout in New York City, the financial center of America. The heat forced people to sleep outside.
- 0012. 0008 through 0011 counts as elements within the Abrahamic Covenant.
- 0013. At the end of July, Jubilee revealed itself. For thousands of years, the date of Jubilee faded from Judah's consciousness. On that day, the milk flowed supernaturally from The Judahite's grocery bag. Praise God. The milk flowed all over the city, accompanied by The Judahite. Consider Jubilee incorporates the entire package.

0014. February 25,2020, Yeshua sent his Mission Statement to The Judahite via sound wave technology by shattering the glass lid for the skillet. Hence, Soundwave25. It would energize and galvanize the Congregation around the Mission Statement.
0015. G. Floyd's death completed the triangulation of understanding the end of the social order of oppression.
0016. The 2020 May spirit of **Pentecost** established the baseline of 27 million dollars to compensate the Floyd family.
0017. The **LORD** established a new Covenant in 2021 with the Congregation. Consider: the New Covenant and its ratification; Abraham's birthday February 27; The Judahite announced 27 trillion dollars take away due Judah and Israel for the past two thousand years.
0018. Calculating Jubilee. Look. 49 years + 1 year=50 years. In the fiftieth year, The Judahite saw money appearing out of thin air at the same location in 2019. The Judahite now has a dollar amount to work with for constructing the Commonwealth of Israel and the Stone Kingdom.
0019. At the same place in 2019 that certified The Judahite and the tribe of Judah to receive the promised date of Jubilee, The Judahite appeared on January 24, 2022, in the same place for recertification.
0020. On the same day, the Magistrate Court of the Second Heaven issued an enforceable Order granting The Judahite authority to collect the Abrahamic assets for constructing the Commonwealth of Israel.
0021. The Judahite received illustrations on how the imperialistic system will collapse into the Commonwealth's operational plan. The major countries will collapse first. Whereas the fragile countries will quickly become supportive of the Commonwealth out of necessity. (7:07 pm 3/10/22)
0022. The war in Ukraine is now forcing a realignment of economic interest. Overnight, people are being hit where it hurts the most—pocketbook. Supply chains are now being cut; therefore, don't expect to see fully stocked shelves. Regardless of the perspective of current events, the world economy doesn't look good at all.
0022. In light of the amount of work to be done, it is now necessary to remove all restraints from the Executive Body of Israel.

### Judicial Notice of Adjudicative Facts.

The movement for exercising jurisdictional rights in independency had ripened; therefore, no need to bring questions before the Court. However, the Court of Heaven knew the pressing problems facing The Judahite and acted preemptively on March 9. Definitively stated, statutory judgment is coming to waste the adversaries of the Executive Body of Israel.

Granted the Court on its initiative taking Judicial Notice in propriety heard, The Judahite's motion on numeric notations of seven operational specifics under three headings for detailed clarification because the umbrella statutory judgments authorized by the Court is all-inclusive.

The motion recognizes the timing sequence of judgment and, therefore, seeks to correlate the headings with execution progression.

#### March 11, 2022

The Judahite received alert notices. The Judahite did not expect a grand sensationalized event. Since society is complex with many operational divisions, The Judahite expected to see and hear signs of execution progressing.

#### March 12, 2022

The Judahite expected to see and hear an outlined scope of governance. Indeed, the opening and closing of each process require certification directed by the Elohim.

After Sabbath prayer service, The Judahite acknowledged a small shot of cognac before the celebratory Day, March 12, imaging events that emphasize doctrinal philosophy underpinning.

Several events occurred with a theme. But only two occurrences are highlighted as milestones. One. The Judahite, on the way from shopping, saw a **white** hearse in an empty church parking lot, as two men carrying a wreath each walking toward the church's entrance. About twenty-five feet down the road, **The Judahite purchased Pine Sol 48 Fl OZ on the bottle read "Kills COVID-19 Virus," supernaturally spilled into the handbag. The Judahite re-screwed the bottle cap.**

The events occurred in synchronicity with an unmistakable message: the end of COVID-19. Just as the world took notice two years ago of COVID-19's rise, the world will again take notice of COVID-19's death. Look. March 11, 2020, and March 12, 2022, the beginning and end.

The Pine Sol symbolically has another purpose, an enduring purpose, to wipe non-anointing germs from the Congregation.

**Two.** The next occurrence is complicated, as it has a particular international scope. The entire accounting omits some details. Still, the message lacks nothing in meaning.

Around 5 pm, **The Judahite decided to make a hot toasted chicken sandwich. About eating two-thirds of the sandwich with a Strawberry Daiquiri, the top and bottom teeth smashed with significant pressure on a hard object. The results: the jaw felt fractured. The teeth and gum were in pain and very sore. Over twenty-fours of pain and soreness are still present but with low inflammation.**

What was the hard object? Logic says a bone, but no bone was found. **After the investigation turned up no bones, automatically the attention turned in search for the biblical meaning.**

### Questions of importance

- a) Should attention be placed on the **object**?
- b) Should attention be placed on the teeth?
- c) Should attention be placed on the food?
- d) Should attention be placed on any words?
- e) Since striking the object caused the pain, what is and was the object?

The Judahite proceeded from the actual day of March 12 as the acknowledged day of governance to understand the allegory. **The Archangel suggested The Judahite take some cognac for governance celebration.** Indeed, before going shopping, the Archangel knew the days' events. Praise God. COVID-19 is now dead.

Yes, cognac/orange liqueur shot is appropriate for the thanksgiving celebration regardless of location. If in a church's community center, only two drops on the tongue.

### **Gnashing Teeth**

When The Judahite gnashes his teeth, he feels a low intensity of soreness after two days, progressively on the mend, however. By default, the teeth became the focus. Accordingly, The Judahite used his situation as a prototype for guiding his research. Consider the following biblical passages:

- And shall cast them into the furnace of fire: there shall be weeping and **gnashing of teeth**. Matt. 13:42
- Then the king said to the waiters: Bind his hands and feet and cast him into the exterior darkness: there shall be weeping and **gnashing of teeth**. Matt. 22:13
- For thou hast struck all them who are my adversaries without cause: thou hast broken the teeth of sinners. Psalm 3:7
- I broke the jaws of the wicked man, and out of his teeth I took away the prey. Job 29:17
- O God, break their teeth in their mouth, Break down the jaw-teeth of young lions, O YHWH. Psalm 58:6
- The wicked roar and growl like lions, but God silences them and breaks their teeth. Job 4:10

### **Summary**

The gnashing of teeth has been certified. Living in outer darkness and now experiencing burning fire are occurrences we should come to expect.

Moreover, teeth symbolize punishment, the inability to eat food that allows others the opportunity to claim food resources. Expect to see instances of repeating prolonged death by starvation because of anti-Israel Commonwealth offensive acts.

## TRIBAL JUDAH Stands in Contradiction to the Summary

### Judah

As foretold, Judah's latter-day descendants will possess the following traits:

“His eyes are more beautiful than sparkling dark wine, and his teeth whiter than milk.”

*Gen. 49:12*

Judah's eyes are spiritually delightful because they are awe-inspiring. His teeth are white as milk to nourish emotional growth by observing Sabbath's Covenant.

The Magistrate will utter words of justice aligned with the **RIGHTEOUS ONE**, Yeshua's principles of theocracy.
