

The Executive Body of Israel in Exile Takes Heirship over the Ammonites or the Palestinians.

Throughout biblical history, the Second Court of Heaven passed down rulings for the appointed Magistrate of the Earth to adjudicate. Ezekiel functioned in the earthly Court as a Magistrate, and so did Daniel; likewise, herein, The Judahite.

The Magistrate, Ezekiel, received a Timed-phased Ruling against the Ammonites from the Second Heaven Court.

A. The Ammonites received Judicial Notice of their coming divine judgment.

Denunciatory Prophecies

For possession, you will be delivered to the Children of the East (Kedem Genesis 25:15). They will occupy your territory as a foreign force. Ezekiel 25:4.

- a. They will use the land for sheepcotes,
- b. They will eat your fruits/crops,
- c. They will drink the milk from your animals,
- d. Rabbah, the capital city, will become a camel stable,
- e. The Children of the East will convert your country into a sheep farm.

Judgmental Justification

^{25:6} Because you clapped *your* hands, stamped your feet, and rejoiced in heart with all your disdain for the land of Israel.

B. The Requit Order ONE.

1. Plunder. The Ammonites were given to different nations.
2. Social isolation and imposed restrictions. The Ammonites' temperamental disposition causes self-imposed social limitations due to always seeking confrontational conflict with different nationalities in showing loyalty to their deities.
3. Therefore, **a.)** an imposed prohibition on interracial relationships, particularly with the Israelites; **b.)** infertility—population decreasing. The aim: perish by social attrition.

C. Retribution Order TWO. The Requit Ruling was substantially fulfilled before the birth of Jesus. For clarity, Ezekiel's Requit Ruling is like Jeremiah's Dispensational Ruling yet different because the Magistrate's Orders reflect different periods in the Ammonites' history. Thus, there is judgmental overlap in Ezekiel, Isaiah, Jeremiah, and Zephaniah prophecies regarding the Ammonites.

- *"Therefore, behold the days come, saith the Lord, and I will cause the noise of war to be heard in Rabbath of the children of Ammon, and it shall be destroyed into a heap, and her daughters shall be burnt with fire, and Israel shall possess them that have possessed him, saith the Lord."* Jeremiah 49:2

Retribution Order Two.

4. The LORD caused an alarm to be heard in Rabbah.
5. The result: the capital city became a desolate heap.
6. Symbolically, the daughters (religions) and daughters (cities) literally will burn by fire. ^{49:3}
"O daughters of Rabbah! Put on sackcloth and mourn; run back and forth within your walls." Such came about.

7. As a captive of the Ammonites, Israel was foretold the table would turn thereby the Ammonites would become their servants.
8. Eventually, Israel captured its territory west of the Jordan River and took the Ammonites captive.

**The 1947 United Nations Resolution 181
sanctioned the partition of “Palestine/Israel” into two separate states, Arab and Jewish.**

In review, WWI and WWII resulted in the removal of Islam’s dominant hand of power from the Middle East. Additionally, the Wars created the most favorable condition for the Balfour Declaration, which stood as an agreement in principle for forming the Jewish State between the Zionists and the British government. The Principle of Agreement rested on the moral plea to prevent ongoing Jewish persecution.

Since 1922, Palestine had been a British colony, a relationship actualizing the two states within the land of Judea per Resolution 181.

Arriving in their home state, the Zionists and the Palestinians start fighting with the intent of mutual annihilation. The fighting continues to this current day and hour.

**D. DIVISION C
Retribution Order Three.**

- *Therefore, I will stretch forth my hand upon thee, and will deliver thee to be the spoil of nations, and will cut thee off from among the people, and destroy thee out of the lands and break thee in pieces: and thou shalt know that I am the Lord.*
Ezekiel 25:7

United Nations Resolution 181 resolution passed.

The map below Britannica copyright 1947 depicting the UN partition plan for Israel and Palestine.

Days after arriving at their home state, fighting between the Zionists and the Palestinians and her allies neighbors became one of mutual annihilation, one of which continues to this current day and hour.

Since 1948, while fighting, Ammonites/Palestinians have gained international support for an independent sovereign state, instead of being a Mandate Palestine.

E.

DIVISION D Dispensation Constitutes the Final Four-phased Order.

The Ten Tribes of Israel were not involved in negotiating the Israeli State formation.

However, Judah played a prophetic role in WWII, directly contributing to destroying the Ottoman Empire and breaking Islam hold over the land of Israel. WWII opened the international door for Judah to introduce himself. Tuskegee, Alabama, became the location for training black air fighters.

Correcting a historical misconception. When interpreting Daniel's calculations of years, weeks, and days, the black air fighters of Judah aided in the creation of Israel. As a rule, the prophetic character of a historical subject is seen first in the abstract, an ideal, before evolving into a whole reality. Thus, the Israelis stand corrected as they did not actualize the spirit of prophecy.

Thousands of years ago, Jeremiah's Seventy Years prophecy marked signatory clarity about Israel's rebirth in the year of 1947, though Dan in America, the Jesuits, was inside the circular sign of prophecy enabling Judah's participation in WWII. Still, the Zionists are credited for the groundbreaking construction of their state per Belfour Declaration converted into Resolution 181, yet they are on a restrictive lech, border locked, don't have full access to the full territory of Israel. Little by little, the Israelis have used different means to expand their control over more territory.

The land issue in Israel is not clear-cut on the surface as first appears. Mandatory Palestine involves the Hashemite Kingdom of Jordan linked to or annexed territory on the West Bank from the Jordan River and the land interest of the Kingdom of Egypt linking the Gaza Strip under "All-Palestine Protectorate."

While multiple real estate interests exist, the Abrahamic Covenant's 400 Years real estate clause precedes all claims because the territory is deeded to Abraham's descendants. Moreover, Jeremiah's Seventy Years prophecy overlaps with the Ammonites' re-captivity and the fall of Babylon.

F.

Dispensation Order

involves breaking the Ammonites into pieces in the final four-phased Order.

- *Therefore, behold I: will stretch forth my hand upon thee, and will deliver thee to be the spoil of nations, and will cut thee off from among the people, and destroy thee out of the lands, **and break thee in pieces**: and thou shalt know that I am the Lord.*
Ezekiel 25:7

In 2017, the Israeli government received notice of Judah's pending return per Jeremiah's Seventy Years Letter. In 2022, the Palestinian Authority in Bethlehem received information on Judah's pending return via the United States President Biben. The moon stood still for three hours on the night Biben won the election. Consistency, Elohim arranged in December 2017 for the remnant of Judah to convoke Jerusalem's service of process in 2018, announcing Judah's prophetic jurisdiction over the lands of Israel as stated in Jeremiah's Seventy Years Letter.

Thus, The Judahite exercises prophetic jurisdictional authority over the land of Israel that trumps Resolution 181. As the Executive Body of Israel in Exile prepares to return to establish the millennium kingdom, the Exile government views both camps' land claims as illegitimate.

The Ammonites/Palestinians will never constitute an independent state.

G. There needs to be more clarity about Ammonites' final solution. Although in history's stages of a long enduring process, it is understandable to attach relativity with the finality of the Ammonites and the Moabites. Moses placed a dated curse on the two brothers.

Overall, the Ammonites' history has been one of national destruction, captivity, and reversal. Palestine is a landmark name that notes the latter days of which we understand where we are standing in the movement of history. As such, Balaam's Appellate Rulings from the Second Heaven Court regarding Moabites and the Ammonites are still valid, meaning the captivity Appellate Rulings cannot be reversed.

1. And afterwards I will cause the captives of the children of Ammon to return, saith the Lord. Jer 49:6
2. And now, behold, I go unto my people: come *therefore*, and I will advertise to you what this people shall do to your people in the latter days. Numbers 24:14-18

H.

Action Planning

“The remainder of My nation will dispossess them.”

As part of administrative planning, the Executive Body of Israel in Exile will disperse the Palestinians among tribal nations of Israel to be men and maiden servants in civil society. Not necessarily for housekeeping work!

| | | |
|-----------|-------------|--------------|
| 1. Judah | 5. Naphtali | 9. Issachar |
| 2. Reuben | 6. Manasseh | 10. Zebulun |
| 3. Gad | 7. Simeon | 11. Joseph |
| 4. Asher | 8. Levi | 12. Benjamin |

Conditional instructions:

- One. Select a tribal nation that you identify with.
- Two. Form a group with people who have the same association.
- Three. At this time, people should not be concerned with accuracy.
- Four. Later, membership validation per tribal nation will come from the 2nd Heaven Court.
- Five. Each tribe has a right to decide whether to submit a proposal. If so, formulate a tentative proposal regarding the employment percentages of the Palestinians/Ammonites.
- Six. In the proposal, each tribal nation requests the number of Palestinians and details about their use.
- Seven. The Executive Body of Israel will not accept a Usage Proposal from tribal Judah. In a word, Judah will not submit.
- Eight. Hold proposals until asked to submit them.
- Nine. Usage Proposals require careful Research on the Ammonites.

I.

Following Presentations

Under the 2nd Heaven statutory orders, Moab's presentation follows. Other nations, including Africa, will be highlighted in coming presentations.

Declaration Under Penalty of Perjury

1. I, The Judahite, certify under penalty of perjury that the foregoing is true and correct.
2. The Judahite is competent to make this affidavit.
3. Facts:
 - a.) On September 5, 2023, The Judahite received Indicants from the Second Heaven Court.
 - b.) As commissioned, The Judahite in the Office of the earthly Magistrate received Ezekiel's chapters 24, 25, and 26 to continue the final phases according to Ezekiel's adjudications.
 - c.) On September 7, 2023, The Judahite received appropriate legal techniques for adjudicating from the Court of the Second Heaven as a direct follow-up from September 5.
4. The Judahite displays his knowledge of the facts presented because most of Ezekiel's contestant parties have litigated under the Second Heaven Court's Order and found their pre-determined resolution at each historical stage. Within Jeremiah's Seventy Years Letter, The Judahite appeared with prophetic jurisdictional authority over the territory of Israel. As such, the earthly Magistrate now displays the continuity of consistency from one Magistrate to the other, operating under the same Order from the Heavenly Court.

EXECUTED on September 10, 2023.

The Judahite
