April 13

On April 13, 2023, the Magistrate approved Jeremiah 51:27, as The Judahite summoned Ararat, Minni, and Ashkenaz to take up their Field Operations Post to attack the Babylonians and the Chaldeans.

After this, the Magistrate sent The Judahite another date calendar, though the dates were familiar. The dates amplify a) confirming Updated Version 2nd Reporting April 9, and b) the season to announce Babylon's financial capture.

Declare among the nations and proclaim, set up a banner and proclaim, do not conceal it, say: Babylon is taken, Bel is put to shame, Merodach is dismayed. Her images are put to shame, her idols are dismayed. Jeremiah 50:2

The incoming amplified dates confirmed existing dates for April. However, the dates overlap with a) and b) above.
