

333 Programmatic Knocking Approach For Learning of One's Tribal Identity

**The Atonement Conference August 20 & 21, 2021
Held to organize mission focus-working-groups**

**August 20 & 21, 2021 Atonement Conference
To organize mission working groups**

Herein is a program outline as a work-in-process. Contents will be added in developmental phases without structural changes because the dates come as the Feast of Atonement.

Consider herein the information consist of a packet of information or data points to enrich one's testimony at the testimonial groups on 8/20. However, 8/21 follows the exact outline of 8/20, but the contents are contextually within the Commonwealth of Israel. In a word, the design moves from the individualized level to the generalized level.

From 8/21, the Archangel extended the Feast of Atonement to another date, 8/22/21 confirming the actual prophetic date with the 2017 solar eclipse across America, a divine proclamation of a nation under judgment.

The Atonement's principle of disassociation involves complex operational procedures

- Mental
- Psychological
- Theological

A good model for explaining transitional delays.

Israel's forty-years purification wondering or delay is a good application model for understanding the purpose for disassociating. The old generation would have attempted to perpetuate old habits in the new land. Such would have been an unnecessary waste of time. Starting with a clean slate enabled the new generation to focus on driving the inhabitants from the territory while at the same time forming new institutions—no room for internal enemies within one's own family.

Thus, the transitional period allows enough time for sorting out and discarding moral impurities per the Promised Land's jurisdictional statutes.

As a substantiative idea to sharpen focus, one should consider delays for adequate preparatory work. For example, if one wins the lotto, acquiring tens of millions of dollars overnight, one's life changes in an instance. Often is the case of winning the lotto; one had not prepared for the riches of life. However, herein, time is adequately given to prepare. For example, relationships much change, i.e., family relationships, streamlining relationships among family and friends; removing those that are not positive for one's godly walk in the New Testament.

One of the highest priorities during the preparation phase is protecting one's mind. One's essential core, the mind, must remain steadfast in the light of Jesus. If one's mind is covered, then one's heart desires are within the expression of constraints.

Look, it is common for people to file for bankruptcy after having won millions playing the lotto. Why? The principalities of the Second Heaven specialize in spiritual deprivation, driving one to self-destruction by feeding one's dark side. In the principalities of the Second Heaven, the adversary's 24/7 mission is to preserve darkness in one's life.

Mission Focus Working-Groups (MFWG)

Procedures

1. What is the purpose of the Mission Focus Working Groups? People are coming together to find mutual interest in all fields of endeavors and at all levels to learn, educate others, participate, and share with others the outlined Six Provisions within the Stone Kingdom. There are no limitations on working groups, though each group must have a mission focus.
2. From the outset, each person introduces him and herself by telling each other one's present and futuristic goals for self, family, community, and nation.
3. The number of persons composing the MWG is determined by time to allow each person to give a qualifying statement of goals.
4. Considering the locations or venue could be in one's backyard, park, or any conducive place for maximum interaction. Thousands of working groups will be in assembly for one day to form specific mission focus groups and their associates.
5. At MWG's closing, after hearing each other's testimony, either one should have gained an impression about one's tribal affiliation or reinforced knowledge of tribal affiliation.
6. MWG's primary outcome is to form expressions of commitments to fulfilling the Six Covenant Provisions.

Tribal characteristics are guidelines for determining and directing one's personalized mission.

Of paramount importance to learn one's tribal affiliation; prioritized efforts during the day and night must be given to the search, for one's mental and psychological wellbeing depend on balance walking in these troublesome times.

Take a look at one outlined identity search. There is a territorial tagline for some tribal members of Judah to ascertain biblical identity. Slaves who embarked from the Congo and Angola directly to the shores of America composed 95% of Judah. The so-called Negro, African American, and the blacks refer to tribal Judah. Additionally, the five civilized Indian nations of North American were considered civilized. Joseph of Egypt transported colonies to North America per Ephraim and settlements to the East; that is the tribal nation of Manasseh.

These are clues to lead one's search for one's tribal affiliation. The aid of the spirit will continue to work on different levels to lead tribal members to the truth; yet, despite being scattered to the four corners of the earth and by the spirit of truth will reconnect Judah will all the tribes after departing America.

Repeating, the Executive Body of Israel and The Judahite have no priority interest in determining tribal affiliations. Today is the time for all to go to the Holy Spirit for guidance to locate one's tribe. Remember, not knowing carries consequences.

You must ask about your tribal identity.

^{33:2} The LORD, who made the earth, who formed it and set it in place, spoke to me. He whose name is the LORD said,

^{33:3} Call to me, and I will answer you; I will tell you wonderful and marvelous things that you know nothing about. Jeremiah 33.

(See the footnote at the end and follow the procedures)

Working off the Benchmark of New Covenants

It is no longer adequate to quote Scripture without the outlines given by the Executive Body of Israel and presented by The Judahite. Many ministries must conform to the requirements of the 144k and the ongoing waves of Firstfruits, pushing wider the gulf of disassociation from the laws and rules belonging to the social system of capitalism and imperialism. Using the shotgun approach to Scriptures is a distraction because there is only one gateway that all must pass through before entering the Promised Lands. The biblical feast days are now pushing events so fast that many are saying the wrong things at the wrong time, hence the need to be in sync.

Not fully aware of the season, Jacob's tithing blessing to the Gentiles has expired. Yet, many ministries implicitly promote resuscitating the Beast System and Mystery Babylon.

Consider, each of the twelve tribes has a particular theology for advancing humanity's evolution. For this reason, the LORD told Jacob that his seed would be a blessing to the world. The Gentiles' kingdoms have come to an end; there is no future. Although the images remain standing, they will soon fall to the ground.

Minutes before Jacob's death, he gave a cosmological presentation to each of his sons, telling their status in the latter days, which started during the formation of the American colonies. Moses expands upon Jacob by assigning an operational property value to each of the tribes. Next, Daniel came and gave an enlarged view of all the Gentiles milestones empires, including the fourth and final social system of capitalism/imperialism. The fourth empire would be different from all others and subdue all others by regrowing the tree of global prosperity from the tree trunk banned with iron and bronze during the reign of King Nebuchadnezzar.

Daniel received the image of a man statue for educational purposes to guide the prophetic revolutionary process, a period taking thousands of years that culminates when a stone falls off the mountain, without the aid of human hands, striking the feet of the man statue causing it to fall over. Thus, Daniel gives the operational sequences of global events and the biblical numbers indicating the start of the Stone Kingdom, the new commonwealth of Israel.

Deuteronomy 30: 3-9 composes the Mosaic Economic Treatise.

The Economic Treatise predicates Moses's assigned theological property value to each tribal member, which is imperative to know one's tribal affiliation.

At the end of the 8/21/21 Conference, The Judahite acknowledged Mosaic Economic Treatise with time to expand or upgrade its contents, not in principle. Immediately, the LORD granted the request.

The Judahite's request made in prayer and received incorporates the negated Mt. Sinai Covenant due to the Children of Israel's infractions. Also, the Abrahamic Covenant has been theoretically fulfilled. So, considering the new changes, the Feast of Atonement mandates different associativity of integrity aligned with the New Covenants, in disassociation with the tithing blessing for the Gentiles.

THE TAKEWAY: Yeshua will establish the Stone Kingdom's placement and priorities, enabling the operational divisions within the Treatise. Sequentially, after the seven seals and seven trumpets' sounding, then, the Executive Body of Israel would have received specific sanctioning to design the economic blueprint according to Yeshua's theocratic governance.

Recasting the economic order

The Executive Body of Israel will recast the Mosaic Economic Treatise through the modifications of each of the tribal theological property-value, which refigures the associativity relations of integrity to serve the interest of the Commonwealth that will drive the global economy according to a blueprint design.

But first, after opening the seven seals and hearing the seven trumpet sounds, the sanctioning priorities for blueprint design will become more apparent.

The Outcomes from Atonement

The Mosaic Economic Treatise allows the Congregation to focus on the implementation of the Six Provisions with upgrades.

Each person has the responsibility to determine their tribal affiliation with the assistance of Jeremiah 30:1-2.

No longer will a person be referred to their nationality within the Commonwealth, only by tribal identity. For example, black or African American, or South Americans. For those outside the Congregation, you should continue using whatever nationalistic description of your choosing. The global amalgamation will intermix people from different countries per tribe.

The procedure for intermixing. First, each tribal nation will have its own state like in the United States. In the first phase of relocation, the woman of marriage will have the option of going with her husband or registering with her father's tribe. Children twelve years and older have the right to select the tribe of their father or mother. Under twelve, the children are assigned to the father unless he decides otherwise. Once registration is fully complete, people are free to relocate, but always citizens of their home state.

The institutionalized pledge

When eating a slice of the Rainbow-colored cake, the pledge is renewed to remove all LGBT-Q persons from the Congregation in blood. As a statute, The Judahite finger touch the edge of a packaged rainbow-colored cake while in the refrigerator and bleed with pain.

Tonic water and or carbonated

MWG, 8/20, incorporates six glass shots, or six oz glasses, or six bottles of 6 oz water in toasting for having learned one's tribal identity to qualify as the beneficiary for the Six Mosaic Covenant Provisions. Through the MWGs, the associativity of integrity relations serves the interest of the Commonwealth.

Lemon Water

At the Conference, the six bottles of lemon water represent ever-flowing water of life as the agent of productivity incorporated in the Six Mosaic Covenant Provisions.

Pork loin roast. Pork appeared within the original Americanized Feast of Atonement, established by the Asherite. Of the two occasions where pork meat is incorporated into the service before the LORD, the Archangel Raphael directly sanctioned the meat consumption. Unlike in days of old, when pigs were free to run free and ate any and everything. Commercial pig farms control what

hogs eat. Please take these two points: (1) Pork remains on the menu for the two named occasions. (2) eating or not eating pork remains an individualized choice in daily living.

August 22, 2021

In the closing prayer of the 8/21/21 Conference's Convocation, the archangel delivered a message within seconds saying to watch for an appendix.

On 8/22/21, the rider appeared while burning the Sabbath's weekend scented candle. The Judahite for many years burn scented candles every Sabbath's weekend for environmental conditions to uplift the body, mind, and spirit to the maximum levels of harmony. The scented aroma not only penetrate the biological cells and affect the pineal gland, the scented aroma acts as a net to restraint evil spirits.

Implied by action, The Judahite uses the scented glass candle as a semi-altar to assist in radiating wholistic godly thoughts of joy and happiness, pleasing to the Elohim.

In the third hour of burning the scented glass candle in conjunction to listening to the video of the coming famine and wars, a swirling white smoke cloud travel about 27 inches pass the sitting The Judahite and beyond. The rider to the Atonement Conference is clear. The events must take place before or alongside Judah's organized departure.

Later in the fourth hour, The Judahite stood in the areas on 8/21 where he received notice of the appendix and witness white smoke above the candle flame floating upward. There is no confusion about the signs, although the Elohim works on different levels at the same time to bring maximum clarify for his actions. (a. the Atonement Conference Convocation and prayer have been accepted as the sign of the floating white smoke. (b. the rider promised and received, telling of the pending disassociation that will allow the Congregation to relocate in peace.

The Rapture

The notice of appendix and the rider, the floating white smoke from the left to the right in conjunction with the video telling of famine, wars, and pestilence, implies the rapture. The Congregation's disassociation from the Beast System, Babylon the Great, and the land of the Chaldean is the sign of the rapture.

There are two schools of thoughts on the Rapture. One being, God's elect will be taken from earth and all others will be left to survive the best way possible. The other school being, God will take all true believers from the earth, and all left behind will die.

The Judahite holds to the position, regardless in heaven or on earth, the select and the saved will be protected from temptation in the hour of darkness.

The wedding feast

The Judahite holds to the position that the Rapture and the Wedding Feast are different. The Wedding Feast will be in Heaven by invitation only.

Antichrist (666)

A definitive Antichrist working model has been given for all times. One is required to go back and study the history during the named episodes that shaped the model. (1) The high priest Caiaphas' interactions with Jesus; (2) the payment to Judas; (3) the death of Stephen are notable factors in the formation of Caiaphas' Antichrist Model.

Over thousands of years, the same model has been used in varying degrees. Still, widespread confusion exists today about what is and who is the Antichrist. Again, in the first place, Caiaphas Antichrist Model is a political-strategic tool that uses manufactured doctrines to maintain political positions of power with the direct support of the principalities of the Second Heaven.

The 666 Mark

“The second beast was given power to give breath to the image of the first beast, so that the image could speak and cause all who refused to worship the image to be killed. He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads.” Revelation 13:16

The Judahite has discussed the First and Second Beast Systems elsewhere. For a short review, the First Beast was the Holy Roman Empire led by the Pope. After the American Revolution, the Pope's authority was overthrown in a conspiracy planned by the Jesuits and the Freemasons. Through the death and imprisonment of Popes, Pope Pius VII received the option to relinquish his temporal powers (civil authority) or transfer governmental powers to the Black Pope, the Jesuits, and live.

The decision to do so marked the historical moment of the rise of the Second Beast. Note the historical circumstances: (a. the Jesuits were very much a part of the American Revolution, noticing the signature of the Declaration of Independence that led to the formation of Washington, DC—the federal capital; (b. the banking class of Dan possessed control over England Central Bank and control over the European banking system; (c. at Vatican Rome, the Black Pope manages the White Pope through policies endorsement.

The Jesuit actively organized the Inquisitions to purge those posing a problem for the new co-regency between the Black and White Popes. Contrary to the cover story about conflicting doctrinal issues within the church, the Inquisitions served as dragnets to catch all forms of expression in opposition to the Second Beast-system. According to one estimate, the purging and consolidating procedures lasted over five hundred years, claiming over fifty million people. Thus, Caiaphas Antichrist Model is a political-strategic tool using manufacturing doctrines to maintain political power.

The three divisions of Tribal Dan.

As a reminder, the American tribal Dan of the ten tribes is held as a ransom to assure Dan's place in the Congregation. In contrast, Dan renounced his tribal membership and is now considered a Gentile. So, the Gentile Dan has **three centers of power in the city-state of Washington DC (the military and the economic); the city-state in the City of London (global banking); and the city-state Vatican (a contrary view of the Holy Trinity of the Father, Son, and Holy Spirit).**

The Stage of Imperialism, 666, and Beijing

The Second Beast System comprises Gentile tribal Dan, who plays the leading policy role in all three city-states.

The banking class of Danites incorporated Beijing into its Empire when America moved off the gold standard, a signatory imprint of Dan's ideological property value. **Tribal Dan**, like Judah, received unique gifts from the LORD for constructing the Tabernacle. Next, the Danites transitioned the world to the Petro-dollar or the Petro currency. Finally, the Danites are transitioning the Americans to a cashless society where Beijing will play a significant role in the new world order under its electronic technologies.

666 vs. 333

666 represents man's system of wisdom; his creation occurred on the 6th day of creation. Caiaphas and his associates acted through political reasoning to separate from Jesus in part because they belong to the ethnic lineage of the Idumean, making it difficult to accept the spiritual teachings of Jesus. Though they were knowledgeable of the Old Testament, they could not comprehend the spirit of the prophets telling of Jesus' mission.

The mark of the Beast. There are countless views on precisely what is the mark of the Beast. Given John's descriptive definition, the mark of the beast is a financial system.

Using John's definition, the global Central Bank System already determines the supply and flow of international currency. Buying and selling goods and regulating the amount of cash in circulation have been in use for hundreds of years. Another clue for understanding John is that the world is now off the gold standard, making it easy to transition to a cashless society.

John emphasized the mark of the Beast or the absolute control of the financial system.

So, what is John's point? Why? First, consider the historical importance of Daniel in the creation of the Babylonian super-banking system. Daniel defined the capital value as the ratio 1:20. The Gentiles banking and financial industries cannot go beyond the ratio given by Daniel. The point is

that financial transactions for goods using money and loan making have been in practice long before John.

It is clear by logical deduction that John speaks of the stage of imperialism that includes Beijing's role in the cashless society control by the banking class of Danites.

The electronic infrastructure is already operational for a cashless society. Over a decade ago, a working prototype existed. Now with 5g technology from China, the system is ready to be rolled out.

When considering all the conditions in the world today, the timing is perfect for a rollout. Yes, the rollout can take place any day and hour. Come to expect any day, a super-level operating computer system controlling one's cash. One should expect to be locked out of all computer applications until one becomes chipped or received a new identification identity. As planned, many people will be rubbed out of existence during the implementation of the mark of the Beast. Such eventuality is no make-believe.

There is no secret regarding the intent of total control over society. The secret society has promoted its plan for an ideal world for decades, believing the world's population must be reduced because the technologies under its control have rendered many people useless.

333

Ok, we now know that famine, wars, and pestilence are coming. The logic says that the Congregation will be self-isolated, unaffected by the opening seals and trumpet sounds. Further reasoning deduction, the Beast's mark will be some form of implanting chips in those left behind until its final hour of destruction.

The Judahite's view runs counter to logic. How so? Once the separation, rapture, occurs, the Executive Body of Israel and the Congregation will be busy putting operational systems in place for the Commonwealth. Thus, the dead will be left to bury the dead.

333 represents the number of divinity, completion for the Executive Body of Israel. A time of salvation and joy to all Israelites and Firstfruits. Accordingly, 333 is a divine decree, the good news of salvation for those who have genuine faith in Yeshua.

Caiaphas Antichrist Model stands in contrast to what is essential for ascending into the heavenly realm. Nimrod stands forever as a testimony that man's artificial systems will crash and burn.

Footnote

By following the instructions, you will learn of your tribal identity. Before petitioning, you, yourself, must knock on anything, each of three petitioning times.

- Asher 1; Dan 2; Gad 3; Issachar 4; Naphtali 5; Reuben 6; Simeon 7; Zebulun 8; Judah 9; Benjamin 10; Levi 11; Joseph 12. Joseph's sons: Manasseh 13; Ephraim 14.

Knowing one's tribal identity is imperative for the Executive Body of Israel's relocation administration. Therefore, from now on, the EBI will be speaking in general terms and individualized tribal terms for process administration.

First-step-first, knowing one's tribal affiliation will start one's registration processing. Next, one is assigned to a territorial location. The Promised Land includes the Middle East, Iran, and Egypt. Satellite states are also included. Thus, an orderly transition demands necessary paperwork for hundreds of millions of people. Do not expect an easy relocation without having the required paperwork.

Electronic systems will aid in tribal registration.

As a priority, you must follow the confirmation instructions immediately to obtain your identification, which qualifies you to move on to more required processing.

333. You will receive three knocks from the Spirit of revelation to your question.

"And so, I say to you: Ask, and you will receive; seek, and you will find; knock, and the door will be opened to you." Luke 11:9

- I sought the LORD, and he heard me, and delivered me from all my fears... Psalm 34: 4-10
- God says, "At the right time I heard you. On the day of salvation, I helped you." Listen, now is God's acceptable time! Now is the day of salvation! 2 Corinthians 6:2
- "Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. Matthew 7:7
- 'Behold, I stand at the door and knock; if anyone hears My voice and opens the door, I will come into him and will dine with him, and he with Me. Revelation 3:20 [The soundwave 25)
- But Peter continued knocking; and when they had opened the door, they saw him and were amazed. Acts 12:16
