

Calendar Review and Updates June, July, and August 2024 Received June 22 & 23, 2024

As a congregational team of Israel, we have a significant responsibility. We've been entrusted with two crucial feature dates for June 14 and 16. These dates are not just for review but for in-depth study. Your role in this process is pivotal. More details will follow, later, but let's review what transpired on the feature dates and incorporate the summary outline into our daily practice.

- ❖ When faced with transitional tasks, the prophetic agenda states that in the end times, to form the Commonwealth of Labor for the returning exiles, it's essential to approach them with devotion.
- ❖ Critical for us to conceptualize sacred geometry and practice the science of our daily lives.
- ❖ Always try to uphold one's responsibilities and personal obligations.
