

Contributing To the Commonwealth of Israel's Construction

In recent weeks, the Executive Body of Israel in Exile announced an invitation worldwide to members of the ten tribes of Israel and Judah with skills to contribute to the construction of Niger and other countries deemed to be a member of tribal Judah. Truly, not all African countries have membership in tribal Judah. Moreover, not all regions within the nation hold tribal membership within Judah.

The Judah-Gathering-Repentance Movement is about gathering scattered Judah from the world's four corners per the end times prophecy. The Gathering Movement presupposition rests on the Feast of Unleavened Bread that embodies the Feast of Passover, Unleavened Bread, and Firstfruits.

Due to the wickedness and evil committed and passed down by our ancestors and transgenerationally perpetuated, voting on the Referendum and Plebiscite to rejoin biblical Judah will be a statement of repentance and commitment to walk in the New Testament Covenant. It is illogical to think that the Judah-Gathering Movement allows NO demonstration of intent to do right after rejoining Judah to share in the abundance of life offered within the Commonwealth of Israel.

The Movement aims to separate Judah from Gentile nations to allow Judah to concentrate on planting feet on solid ground in prophecy and to meet end times requirements for entering lands of promise to start Commonwealth construction.

Territorial lands will be given to tribal Judah, separating him from others. Once completing the separation, those Gentiles who genuinely embrace the God of Israel will be allowed to integrate within the religious Congregation of Israel.

Knowing they will have to surrender authority to the Man-child through the representation of Judah's Executive Body of Israel in Exile, the thought of the Executive Body of Israel in Exile is causing mental and political problems for Africa's heads of state that have been called members of tribal Judah,

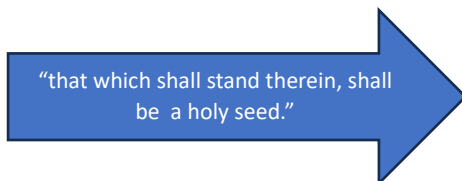

Imagining that reality is hard to grasp, judging by inaction, the picture is clear that the leaders don't know future events, though they have faith in the old pattern—looking for hand-outs and aid. Factually, China's imperialistic system is irreversibly in decline. Indeed, heads of state are trapped spiritually, always looking for ways to become trapped.

Like it or not, Judah-America is in control and will work its plan in the interest of the masses and according to prophecy. Still, the Executive Body of Israel encourages the Ten Tribes and Judah worldwide to become members of teams ready to contribute to reconstructing Judah-Africa in totality, no longer piece-meal approach.

The Executive Body of Israel recognizes people and NOT names of countries. Just like the Europeans, they had the power and used it to carve Africa up per their national jurisdiction in 1885. Today, the Executive Body of Israel in Exile comes with a simple plan to pull the tribal nation of Judah into one camp and other tribal nations into their camp.

A Review of Judah-Africa, his Historical Predicament

Because tribal Judah was so wicked, he progressively degenerated economically. The White and Pale Horses served their missions, sealing Judah-Africa's fate. As a cursive pattern, he would always make two steps forward and three steps backward—he would break free once he joined the Judah-Gathering-Repentance Movement.

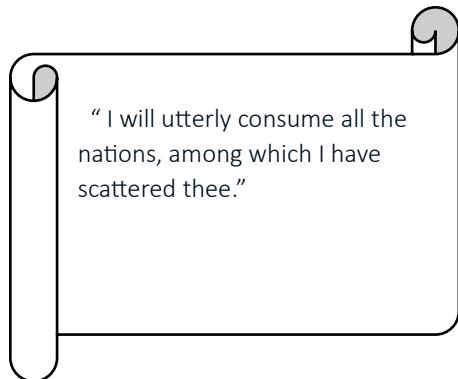

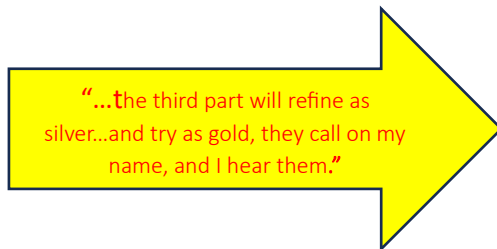

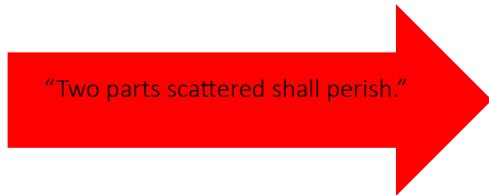

- For I will no more pity the inhabitants of the land, saith the LORD: but, lo, I will deliver the men everyone into his neighbor's hand, and into the hand of his king: and they shall smite the land, and out of their hand I will not deliver. Zechariah 11:6
- Therefore, will I number you to the sword, and ye shall all bow down to the slaughter: because when I called, ye did not answer; when I spoke, ye did not hear; but did evil before mine eyes, and did choose that wherein I delighted not. Isaiah 65:12
- And there shall be still a tithing therein, and she shall turn, and shall be made a show as a turpentine tree, and as an oak that spreadieth its branches: that which shall stand therein, shall be a holy seed. Isa 6:13

**The end of territorial boundaries to serve nationalistic economics.
The Commonwealth of Israel in Exile exists under
the Stone Kingdom—planetary jurisdiction.**

Like it or not, there will be no compromises on the LORD's command to integrate Judah-Africa into Judahtocracy under the Stone Kingdom. Judah-America has been uniquely conditioned for his vanguard role to lead the Messianic people. It is assumed Judah-Africa “stand therein, shall be a holy seed.” Therefore, for what reason would Judah-Africa reject Judahtocracy?

Never, never be confused about those rejecting the Judah-Gathering-Repentance Movement. First, they are not faithful members of tribal Judah—not of the holy seed of Judah.

- ^{13:8} And it shall come to pass, that in all the land, saith the LORD, two parts therein shall be cut off and die; but the third shall be left therein. Zachariah.

^{13:9} And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, it is my people: and they shall say, The LORD is my God. Zachariah.

- For I *am* with thee, saith the LORD, to save thee: though I make a full end of all nations whither I have scattered thee, yet will I not make a full end of thee: but I will correct thee in measure and will not leave thee altogether unpunished. Jeremiah 30:11

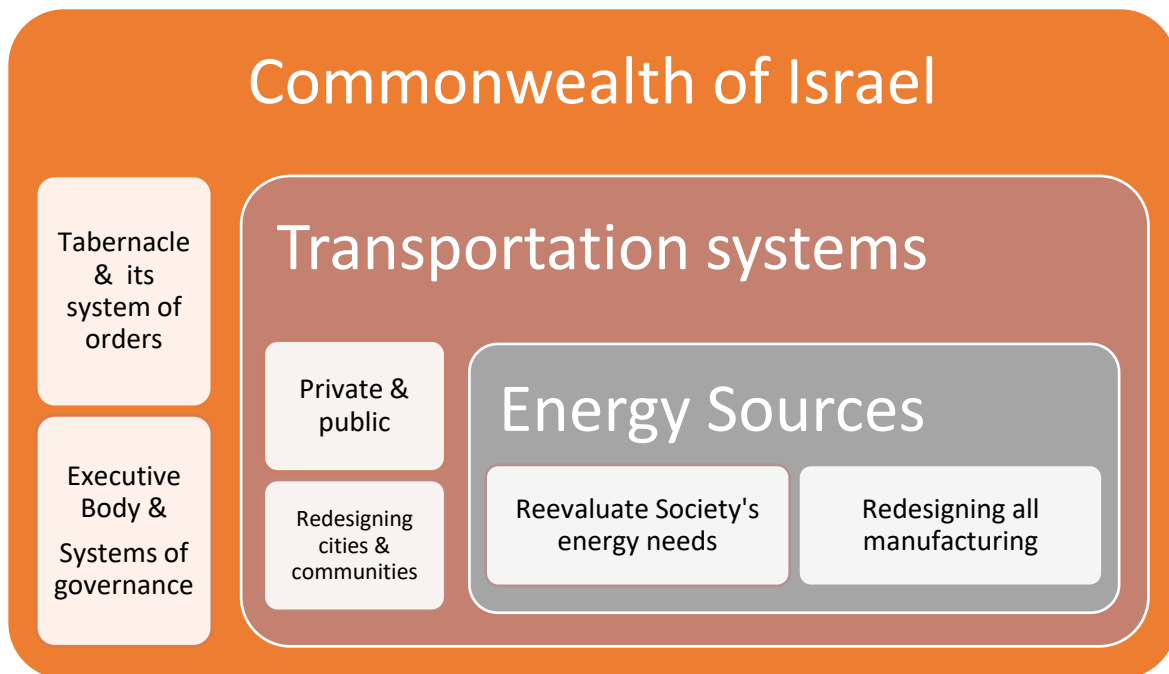

Multidisciplinary Approach

Dr. Leon Sullivan gave African Americans an interdisciplinary approach as a contributing answer to some of Africa's problems. In the 1990s, Dr. Sullivan, the convener of the African-African American Summits, charted the map for African Americans to follow in the search for opportunities. We are indebted to Dr. Sullivan.

The graphic below is a partial example of an integrated multidisciplinary approach. The entire society will be incorporated, eventually becoming self-automated.

Thousands of industries will be added to the graphic model. Again, the Executive Body of Israel in Exile (EBIE) seeks those with skills and knowledge to make an evolutionary contribution as we begin formulating systems for the Commonwealth of Israel in Exile.

Individuals should work on a draft where they best fit in, what industry and subindustry. Soon, the EBIE will post priority industries for forming teams. Still, those with skills should continue working alone or in groups until the EBIE certifies disciplines that will become components within the Commonwealth of Israel. Likewise, invited people must be empowered.

What is next?

Judah-Gathering-Repentance Movement has yet to register either by state or state regions. Again, people are expected to vote per city and area within each state. The end of December 2023 is set for register voting to determine resource allocation in 2024.

For the record, Sierra Leone, the Congo, and Francophone countries are first in line to register as members of the Judah-Gathering-Repentance Movement, which will continue in 2024.

First come, first serve. Preferably registered will be placed on a resource allocation running list.

In summary, the registration placement on the list will drive resource allocation.

November 27 & 28, 2023

In general, November 27 and 28, 2023, Re-verified the benefits within Joel 2:3-27; in particularity, the Judah-Gathering-Repentance Movement holds excellent rewards for those who are pro and for those anti-Judah-Gathering-Repentance Movement, the consequences also re-verified.

The Second Heaven Re-verified the active state of the Red Horse and monetary resource allocation. The 2nd Heaven re-affirmed the voting registration procedures for brotherly affiliation with the Judah-Gathering-Repentance Movement. Indeed, the 27 and 28 revealed:

- “And I will strengthen the house of Judah, and I will save the house of Joseph, and I will bring them again to place them; for I have mercy upon them: and they shall be as though I had not cast them off: for I *am* the LORD their God and will hear them.” Zechariah 10:6

The EBIE fully understands the Herculean effort and resources required to reconstruct Judah-Africa. For this reason, the Armies of Heaven will render nations powerless to prevent the necessary transfer of assets for construction. On the other hand, a few nations will offer their services and resources on a need basis.
