

## Milestones within Date Formula.

### A Clarification

On July 7, 2019, Elohim earmarked his announcement of Judah's jurisdictional restriction expiration after four hundred years. Enslaved Judah arrived at Jamestown, Virginia, on August 20, 1619, to completely subdue the Western Hemisphere, South, Central, and North America.

Before the eyes of The Judahite, a car in tow, pulled with a chain, broke. The chain stood in an anti-gravity position, earmarking lifting tribal Judah's 400 years of jurisdictional restriction.

- *And it was said unto him: Know thou beforehand that thy seed shall be a stranger in a land not their own, and they shall bring them under bondage, and afflict them **four hundred years**. Genesis 15:13*
- *And God said to him: That his seed should sojourn in a strange country, and that they should bring them under bondage, and treat them evil four hundred years. Acts 7:6*

July 7, 2019, ended Judah's bondage of jurisdictional restriction. The **affliction** or social oppression of the Ten Tribes would come on May 25, 2020.

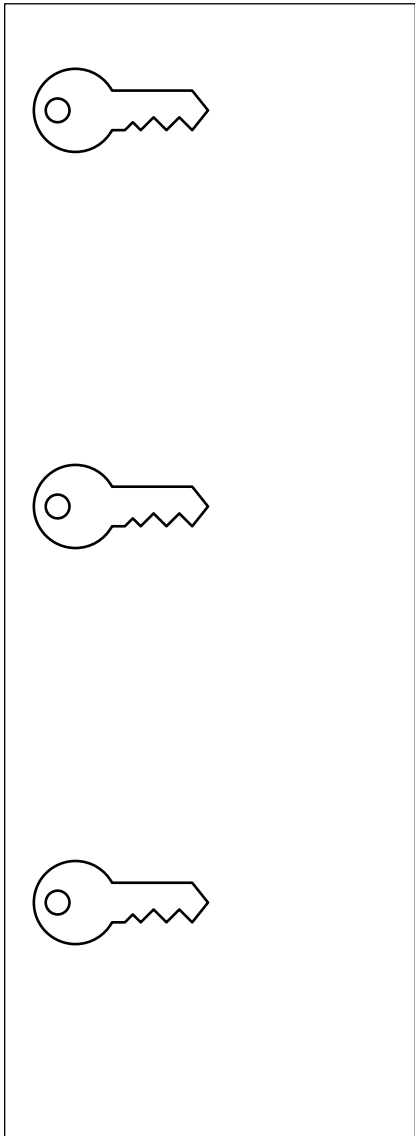

## Fourth Generation

Vs.

400 years

- *And in the fourth generation they shall come hither again: for the iniquity of the Amorite is not yet full. Genesis 15:16*

There are three keys for understanding the fourth generation.

According to Jeremiah's Seventy-years Prophecy,  
The Judahite exercised prophetic jurisdiction  
over the land of Israel when he sent his envoy  
as a service of process to Jerusalem in 2017.

Before the service of process,  
The Holy Spirit certified The Judahite as  
the remnant of Judah by water soaking his  
carpet rug supernaturally.

Hence, the fourth generation covers the  
Queen's Seventy years reign.

U.S. President Biden visited Israel on July 13, 2022  
Under the **Jerusalem Declaration** for regional integration.

President Biden visited Saudi Arabia to sign economic  
and security agreements with the expectation that the  
Saudis would increase oil production.

July 15, 2022, President Biden attended a nine-nation  
Middle East Summit in Jeddah.

The Summit foretells, according to Isaiah when the Executive  
Body of Israel in Exile will take possession of the

Middle East Nations.

Queen Elizabeth II reigned for 70 years as head of  
biblical Babylon. She died in September 2022 to  
make way for the King of Babylon.

Jeremiah foretells Babylon's fall at the time  
when the Judeans were taken captive in Babylon.  
Seraiah, a captive, read Jeremiah's book in Babylon  
to the captives about all the curses that would fall  
on Babylon in the latter days. After reading, Seraiah tied  
a stone around the book and threw it into the  
Euphrates to validate his Prophecy.

## The Amorites' evolving growth of Iniquity.

The LORD's foundational milestone is for Abraham's descendants to return to their homeland after the Amorites reach an evolutionary growth stage of wickedness, as seen promoting the LGBTQ agenda worldwide, especially in Africa.

Over the centuries, the prophets have given us updated characteristics of the Amorites that match the four Gentiles' social systems illustrated by Daniel's Man-image Statute.

The Amorites have two pathways toward their destinies. The anti-Law of Moses drives a moral pathway. The other one is defrauding by financial regulatory practices wherein anyone can play at any time and place.

The Judahite used Joshua as a milepost for fighting the Amorites simultaneously on two fronts, morally and financially.

*On the day that the LORD gave the Amorites over to the Israelites, Joshua spoke to the LORD in the presence of Israel: "O sun, stand still over Gibeon, O moon, over the Valley of Aijalon." Joshua 10:12*

<p><b>The LORD gave Israel a spiritually protected Environment to evolve according to the Law of Moses.</b></p> <p><b>a.</b></p> <p><i>He committed the most detestable acts by going after idols, just like the Amorites whom the LORD had driven out before the Israelites. 1 Kings 21:26</i></p> <p><b>b.</b></p> <p><i>"Since Manasseh king of Judah has committed all these abominations, acting more wickedly than the Amorites who preceded him, and with his idols has caused Judah to sin. 2 Kings 21:11</i></p> <p><b>c.</b></p> <p><i>Instead, he walked in the ways of the kings of Israel and even sacrificed his son in the fire, according to the abominations of the nations that the LORD had driven out before the Israelites. 2 Kings 16:3</i></p>	<p>After driving the Amorites out of Israel, the Israelites adopted their religious practices.</p> <p>As a perpetual pattern, Judah and the Ten Tribes surpass the wickedness of the Gentiles.</p> <p>Children sacrifice, burning children alive to the Canaanite god. Currently, children sacrifice continues in different parts of the world.</p>

Moreover, Manasseh shed so much innocent blood that he filled Jerusalem from end to end, in addition to the sin that he had caused Judah to commit, doing evil in the sight of the LORD. 2 Kings 21:16

## Part Two

### A description of the Amorites

a.)

*Yet I cast out the Amorite before their face: whose height was like the height of cedars, and who was strong as an oak: and I destroyed his fruit from above, and his roots beneath. Amos 2:9*

b.)

*Behold, the Lord GOD of Hosts will lop off the branches with terrifying power. The tall trees will be cut down, the lofty ones will be felled. Isaiah 10:33*

c.)

*So, you are to tell them that this is what the Lord GOD says: 'Will it flourish? Will it not be uprooted and stripped of its fruit so that it shrivels? All its foliage will wither! It will not take a strong arm or many people to pull it up by its roots. Ezekiel 17:9*

Manasseh knew better due to his upbringing. He shed innocent blood by permitting demonic spirits to command his intellect and rational knowledge over and against the Torah and the Ten Commandments.

## Part Two

- A dual prophecy within the land of Israel and among the current Israelites worldwide.
- A metaphor: the Amorites are as tall as cedars and strong as oak trees.

The method of eliminating the Amorites inside and outside the Congregation of Israel:

1. Causing their roots to dry up.
2. And the branches above wither. (Job 18:16)

The metaphor: the LGBTQ community has society's institutional support (oak) and political support at the highest levels of government (cedar height).

Per Ezekiel, they will not have offsprings, all attempts to do good will wilt, and family life will wither. Many communities will pull them up by the roots, driving them out.

"O sun, stand still over Gibeon, O moon, over the Valley of Aijalon."  
Joshua 10:12

The Judahite used Joshua as a milepost for fighting the Amorites financially. At the right place and time, according to Joshua 10:12, the moon disappeared from the sky before The Judahite, a certification move for entering the final phase of warfare with the Amorites.

On July 7, 2019, tribal Judah's jurisdictional restriction ended. The **affliction** or social oppression of the Ten Tribes would come on May 25, 2020.

With Soundwave25 and ORDER24J, the Executive Body of Israel in Exile has continued to witness the realities of the decomposition of the old system and the formation of the Commonwealth of Israel.

Be mindful that there is an order in transitioning, so be mindful of calendar dates.

**July 7, 2023**

Arrived at 7:30 am, The Judahite received from the Magistrate the message: the signs of festive joy, the planted seeds are now beginning to grow into their own as pledged. And start seeing and harvesting more rice seeds—a time of celebration.

While the signs came with unambiguity, it is appropriate to reference Luke 8:11 not to be discouraged because the Word of God will always find the best environment to grow and bear the first fruits.
