2 The testimonial depositions herein support the Mosaic Cruses 'extirpation as of July 1, 2022,
3 under the mandate of the Feast of Trumpet. Despite the many prophets and servants of the Elohim telling the
4 Northern Kingdom to repeat, they did not and were eventually scattered worldwide. The Southern Kingdom of
5 Judah likewise refused to make corrections, as pointed out by the prophets.

6 Moses delivered the Manifesto of Blessings and Curses to the entire nation of Israel. In time, the
7 Manifesto's contents were repeated in all aspects of daily life so that people could grasp the Curses' implications.

8 Returning to Egypt in ships notes the rise of capitalism that rested exclusively on Judah's labor for
9 capital accumulation. The Mosaic Manifesto evolved in sync with Daniel's Man Image Model of the Gentiles' four
10 social systems, making it easy to track the legal evolution imposed on Judah and the Ten Tribes.

11 Since 2017, the Israelites have reached a critical mass of knowledge about their biblical identities
12 and now looking up to the Throne of Heaven. They have come to consciousness and now realize that they followed
13 religious practices that were totally outside traditions established by the five books of the Bible and the Age of the
14 Apostles.

15 Today, the true spirit of God is inside the Israelites who want to live under the jurisdiction of the
16 Executive Body of Israel to fertilize the seed of faith in Yahawah by constructing a living Tabernacle according to
17 the New Covenant.

18 This Petition seeks to certify the Mosaic Curses' expiration date as July 1, 2022, which is
19 congruent with The Judahite's July 7, 2017, Declaratory jurisdictional reoccupation of Israel and all Lands of
20 Promise. Therefore, the modulating sounds of Trumpet demand date certification for taking advantage of Trumpet's
21 declared allotments.

22 Codifying the expiration date is a legalized procedure that first acknowledges the depositions in
23 support of the Mosaic Manifesto. Next, as promised, the way is cleared to fully establish an authoritative jurisdiction
24 over all Lands of Promise by the Executive Body of Israel.

25 The eternal value of Trumpet's certification is not having to verbally repeat and listen to how
26 badly congregational members were and are treated by different social groups within the system of political
27 economy. In contrast, many social groups are not subject to the Mosaic Manifesto and can continue making claims
28

1 and complaints without involving the Congregation. God's wrath protects the Congregation without allying with
2 anyone.

3 Trumpet's Certification forever allows the Congregation to look forward to the promised future of
4 joy and happiness. Our forefathers are to blame for our current day misery. They thoroughly understood the
5 Manifesto's Curses.

6 The depositions in jurisprudence format are much more comprehensive. The signatories appear as
7 the 144k in the Roll Call on June 16, 2022. They entered testimonials to the Court of Heaven:

- 8 1) Threat of bodily injury.

- 24 17) Conversion
- 25 18) Intrusion on Seclusion
- 26 19) Public Disclosure of Private Facts.
- 27 20) Fraudulent Misrepresentation
- 28 21) Racketeering

- 22) Robbery & Burglary
- 23) Searches & Seizures
- 24) Sexual Abuse
- 25) Sexual exploitation & Abuse of Children
- 26) Stolen Property
- 27) Obstruction of Justice

- 32) Assault
- 33) Wire & Electronic Communications Interception & Interception of oral communications.
- 34) Pen Registers & Trap & Trace Devices.
- 35) Surveillance.
- 36) Trespass to Real Property

The victimized testimonials are not exhaustive but sufficient in scope to grant the Petition for extirpating the Mosaic Curses.

PRAYER

By granting Trumpet's Certification for codifying the Mosaic Curses' extirpation date, Judah and the Ten Tribes move proactively according to the Abrahamic Covenant to take physical control of monetary assets for constructing the Commonwealth of Israel.

Respectfully,

The Judahite
