

Esau/Edomite's Destiny Twin brothers with opposite world outlooks.

The brothers were predestined to be at odds with each other. Rebecca went to the LORD to ask why the twins were restless, always kicking her in conflict.

**"And the LORD said to her: "Two nations *are* in your womb, Two peoples shall be separated from your body; *One* people shall be stronger than the other, And the older shall serve the younger."
Genesis 25:23**

Over time, Esau became a hunter and hunted, finding no game. He came to his brother's tent and said feed me, or I will die of hunger. The transactional account:

- *"Swear to me first," Jacob said. So, Esau swore to Jacob and sold him the birthright. Genesis 25:33*

**The LORD decreased the efficiency of Isaac's biological systems,
putting him close to his death, prompting Isaac to release his blessing.**

Isaac called Esau, his son, to bless him. Being in the right place at the right time, Rebecca overheard the conversation and quickly went to Jacob to masquerade as Esau to claim the title to his blessing. At a higher level of perspective, Rebecca represents the doctrinal theology of the Congregation. She fully understood the distinction between Abraham's seed and the Canaanites' because she came from Mesopotamia and understood not to form marital relationships with non-Shemites.

It should be remembered that one of the Holy Men visiting Abraham on their way to Sodom was Shem, the King of Selem. She knew the outcome of Sodom and Gomorrah and Lot.

Rebecca knew the Canaanites' culture and the consequences of Esau's Canaanite wife, the children from the union, would corrupt the prophetic bloodline of Abraham and Isaac. Knowing the historical facts, Rebecca acted quickly. Remember, Rebecca already knew the destinies of her two sons. Thus, by faith, she worked quickly to Make It Happen. The younger one would automatically compel the elder to obey the theocratic authority of the LORD.

Isaac was blind and could not see. He, too, acted out of faith; no need to know because he heard the voice of Jacob, Not Esau. Yes, he was uncertain for a moment. Still, the voice belonged to the person meant to receive his blessing.

Upon command to come closer to kiss Isaac, Jacob obeyed, and Isaac smelled the fragrance of the outdoors attached to the **garments**. Remember, the fields, the forests, and the seasonal air don't belong to anyone, yet to be enjoyed by all. Still, the theology holds. Esau was not a person to cultivate the ground, and he did not appreciate doing garden work to see seeds produce abundance.

- *He came near and kissed him. And immediately as he smelled the fragrant smell of his garments, blessing him, he said: Behold the smell of my son is as the smell of a plentiful field, which Lord hath blessed. Genesis 27:27*

Jacob's Blessing	Vs.	Esau's Blessing
<i>"And may God give thee of the dew of heaven, and of the fatness of the earth, and abundance of corn and wine. And let peoples serve thee, and tribes worship thee: be thou lord of thy brethren, and let they mother's children bow down before thee. Cursed be he that curseth thee: and let him that blesseth thee be filled with blessings." Genesis 27:27-28</i>	"Isaac answered: I have appointed him thy lord, and have made all his brethren his servants: I have established him with corn and wine, and after this, what shall I do more for thee, my son?"	And Isaac his father answered and said to him, Behold, thy dwelling shall be of the fatness of the earth, and of the dew of heaven from above. Genesis 27:39 And by thy sword shalt thou live, and thou shalt serve thy brother; And it shall come to pass when thou shalt break loose, that thou shalt shake his yoke from off thy neck. Genesis 27:40

A Misconception as to How Rebecca Orchestrated the Divine Blessing Transfer to Jacob.

For the record, the words of Esau:

"But he said again: Rightly is his name called Jacob; for he hath supplanted me lo this second time: my first **birthright** he took away before, and now this second time he hath stolen away my **blessing**. And again, he said to his father: Hast thou not reserved me also a blessing? Genesis 27:36

Esau confesses he needed help understanding the spiritual nature of a birthright, for the birthright **automatically confers blessings**. Thus, Esau misspoke and created confusion. For correction, he received his approved gift. Later in life, when Jacob returned home to his father land, he gave Esau hundreds of heads of animals to validate Esau's blessing.

Acting through Faith is the hallmark of Abraham, Isaac, and Jacob.

Likewise, Rebecca took the first step to realize the declaration she received from the Elohim. Remember, depending on the Scriptural illustrative purpose, a woman represents either a religious body or the natural person.

Rebecca's FAITH Preserved the Intention of Issac's sacrificial death illustrated, Ensuring the actual birth & death of Jesus.

Rebecca switched the spiritual track of history when she acted in the interest of Jacob's predestined bloodline to realize the sacrificial lamb--Jesus.

- **Don't think that there is no truth in the scripture that says, "The spirit that God placed in us is filled with fierce desires." James 4:5**

Isaac willingly understood his obedient role to his father and did not object. Indeed, it is a teachable lesson. Man sees and understands the physical world through emotional senses. Faith overrides the physical limitations of sensory. Predestined, Isaac knew the LORD would preserve his life.

Man's number is SIX because he was created on the sixth day. As such, man appeared within the Earth's harmonic network system of gravity, having its own laws of physics. The law of divine physics overrides earth's physics by manifesting when and where appropriate according to the Scriptures.

Rebecca's Engineering Schema

1. Embrace the Elohim's Futuristic Declarations.
2. Inform the key player or players.
3. Prepare to act at the right moment.
4. At the right time, all players concerted to transfer the proclaimed spiritual gift.
5. Once the divine gift is in the hands of the owner, the engineer removes the earthly veil for all to see the planned synchronicity effectuating the milestone.
6. Heaven opens again to the anointed for making or reaffirming the covenant, after which the heavenly door closes again, and the earthly vile falls back into place.
7. Rebecca's Engineering Paradigm rests on the principles of the Tabernacle, continuing its onward and upward evolutionary development as declared by the Tree of Life.

**Transgenerational hatred between the two families
emerged due to an incomplete definitional understanding of birthright.**

- *Esau held a grudge against Jacob because of the blessing his father had given him. And Esau said in his heart, "The days of mourning for my father are at hand; then I will kill my brother Jacob." Genesis 27:41*

**An outline showing the historical interaction
between the two prophetic pathways of Destiny.**

- i. The Children of Israel departed Egypt after 430 years. At Mt. Sinia, Israel became a nation with a theocratic constitution.
- ii. Esau or Edom's descendants were well established in the land. Eliphaz, Reuel, Jeush, Jalam, and Korah. Eliphaz's sons were Teman, Omar, Zepho, Gatam, and Kenaz.
- iii. Once back in their land, the children of Israel engaged in military conflict with Edom and other nations. The Edomites' time of destruction in the Middle Eastern land declared to Ezekiel, not the final destruction in Europe and North America.

Therefore, thus saith the Lord God: I will stretch forth my hand upon Edom and will take away out of it man and beast and will make it desolate from the south: and they that are in Dedan shall fall by the sword. Ezekiel 25:13
- iv. During the era of the Maccabees, the Edomites entered the long transitional road of being cut off as an independent state—breaking down their independence.
 1. The rise of the Maccabees came from the Hellenistic attempts to replace the God of Israel in Judea. Many Edomites and the spiritually weak Levite Priests were willing to conform to Greek authority by replacing Yahawah with the deity Zeus, which triggered the civil war and rebellion against the Seleucid Empire. Israel would have become a historical footnote had Hellenism taken root in Judea.
 2. What an irony. Ammon, Moab, Edomites, and others formed a confederation to erase the name of Israel from the pages of history.

For they have consulted together with one consent: they are confederate against thee. Psalm 83:5-9
 3. The rise of the Roman Empire. Rome supported the Maccabees dynasty, known as the Hasmonean.
 4. Like other tribes of the plain in northern Arabia, the Romans forced the Edomites to convert to the God of Judah. They became known as the Idumeans.

5. The Idumeans consolidated their transgenerational conspiracy to cut off the name Israel from the Land on a two-frontal attack. One, take over the religion internally; externally, conspire with Israel's adversaries.
6. The Hasmonean dynasty cultivated solid diplomatic ties with Rome, forming several treaties on mutual interest against the Grecian Empire.
7. After the Maccabees established the transitional pathway to cut off the Edomites from the Land, the Maccabees faded from history in a killing conspiracy that removed most experienced family members from the political life of Judea, giving rise to the Herodian dynasty. Herod the Great controlled the religious order in all of Judea. Although the Levite priesthood operated as usual, it was subordinate to King Herod's Chief Priest, a political appointee.
8. Following the Hasmonean's footsteps, the Idumean's Herodian dynasty cultivated a lobbying base in Rome among the Senate.
9. After the fall of Jerusalem in AD 70, the Idumeans and the Edomites were cut off, never to return to their homeland in the hope of making a land claim. However, their transgenerational conspiratorial plan went into high gear, pushing the campaign to feed the Christians Judeans to the lions through sports entertainment and heavy religious repression that created the Underground Church.
10. What an unexpected twist in history: the Roman Edomites co-opted the Christian movement in Rome by emerging pagan Rome into the Christian Movement.
11. After the fall of Imperial Rome, the Idumeans assumed governmental authority over Western Europe by default. Known by the Church of Rome, the Idumeans would remain inferior to the Christian Eastern Orthodox Religion because Western Rome remained backward compared to the striving Byzantine Empire, the first European Christian-based Empire.
12. The Church of Rome emulated the Eastern Orthodox Church. WHY? Simple to understand, they had little to no understanding of the Apostles' doctrinal Traditions practices in the New Testament of Christ.
13. The foundation of the Church Age was shepherded by the Byzantine Empire and Eastern Orthodox Christianity, foundationally resting on the Apostle Age. The East and West Christian traditions steadily expanded apart. In contrast, the Western Roman Empire rested solidly on Rome's pagan tenets. The Church of Rome observed all major Pagan and Christian festivals.
14. The Idumeans, having gained political strength and in conspiracy, made the break from the Byzantine Empire, known as the Great Schism, in AD 1054. The Idumean had finally gained maturity, able to exercise its own political policies to best meet suitable social objectives without doctrinal constraints from the East. The Great Schism: a clear statement of Esau's political philosophy will always be self-serving.

The Little Horn

Daniel gives an account of how the Little Horn would emerge. By default, the Idumeans evolved their power after the fall of Imperial Rome. Out of necessity, they salvaged the governmental structure from Imperial Rome to govern the people. The fall of Rome left the population with a secure food source and an economy in its primitive state for hundreds of years. The Little Horn emerged relationally to the Byzantine Empire.

Looking back over history, we see how the prophets used the metaphorical name, Esau noting the phases of his life. Esau, Edom/Edomites, Idumea/Idumeans, Mt. Seir, and Holy See to know Esau is in Europe and the Pope/Vatican as the Little Horn.

Esau's Name Metamorphosis portrays the whole prophetic cycle, embedding destruction.

- *For I have sworn by myself, saith the LORD, that Bozrah shall become a desolation, a reproach, a waste, and a curse; and all the cities thereof shall be perpetual wastes. Jeremiah 49:13*

Although the actual state of Edom no longer exists, the Edomites' sentimental bedrock is still relational to Israel. Once outside the Middle East, the Idumeans fashioned negative sentiment against Israel into a political philosophy of hatred, as many nationalities share.

In the early stages of the Church Age, the Idumeans' political philosophy transformed into a standardized policy for hating religious doctrinal beliefs associated with Israel. To confuse matters more, Judaism enters the mix with its stand against Yeshua as the Son of God.

Thus says the LORD: "For three transgressions of Edom, and for four, I will not turn away its punishment, Because the Edomites pursued brother with sword; they refused to show any compassion to them. Their anger was unstoppable. And perpetually exercised his wrath. Amos 1:11

Mt. Seir (three transgressions of Edom) and the Holy See/Vatican (four offenses)

The Idumeans' political-religious philosophy innately relegates the New Testament to a subordinate position. Mt. Seir notes the Edomites' territorial jurisdiction. Likewise, the Holy See/Vatican is a mental name substitution for realizing Esau's global blessing given by Isaac.

1. *Behold, thy dwelling shall be of the fatness of the earth, and of the dew of heaven from above. Genesis 27:39*
2. *And by thy sword shalt thou live, and thou shalt serve thy brother; And it shall come to pass when thou shalt break loose, that thou shalt shake his yoke from off thy neck. Genesis 27:40*

Preparing the conditions to host Jacob's Tithing-blessing to the world As Seen in Daniel's Regrowth Prosperity Tree.

The Church of Rome emulated the Byzantine Empire. Thus, from inception, the Vatican/Holy See and the Pope wore two masks, switchable masks of the wolf and the sheep, and sheep and the dragon's voice.

7

The Holy See/Idumeans Co-opted Jacob's Divine Blessings.

Let peoples serve you, And nations bow down to you. Be master over your brethren (Abraham's sons), And let your mother's sons bow down to you (all Esau's descendants). Cursed be everyone who curses you, And blessed be those who bless you!" Genesis 27:29

The Idumeans Use Genesis 27:29 as the Mechanism to Extracted Jacob's Divine Blessings.

Esau used his political blessing to confine Israel like a cow—captivity to milk his benefits. While true, **they could not co-op** Genesis 27:28 because it rests on the Abrahamic Covenant, divinely earmarked to Jacob's descendants.

The Americas represent the New World Combined with The Four Horses of the Apocalypse per Revelation.

Pope Alexander VI advanced the decree for colonizing the world known as the "Doctrine of Discovery." In 1493, the Pope declared west 50 degrees W longitude to Spain, all lands assigned to Spain, and lands east of that line belonged to Portugal.

The rush was on for Western Europe to colonize the world. All explorers signed a charted agreement with the Monarchs to share a percentage of all riches in all lands that the explorers planted the Monarch's national flag. The Church of Rome played a central role in colonizing the world. The Pope's authority, indirectly and directly, approved the kings and queens of Europe.

The Little Horn received a fatal blow in France From the Fall, The American Empire arose.

- *For my sword hath drunk its fill in heaven: behold, it shall come down upon Edom, and upon the people of my curse, to judgment. Isaiah 34:5*

The Jesuits and Freemasons, collaborative partners, broke the Office of the Pope, known as the Little Horn. Under life or death, Pope Pius VII agreed to give up the Pope's claim of Temporal Power and focus on Ecclesiastical matters of Catholicism.

The Jesuits and the American Empire.

- And I saw another beast coming up out of the earth, and he had two horns, like a lamb, and he spoke as a dragon. Revelation 13:11

The biblical administrators, tribal Asher, illustrated America's destiny pathway. Often confused, the Pope and the Vatican run on different historical tracks from Babylonians.

Prophetic Milestones, signaling the time for Judah to act.

Jeremiah's calculations per his Seventy Years Letter prophecy came in three milestone dates. Next, the Four Hundred Years prophecy to end Judah's jurisdictional restriction and the Israelites' social oppression have partially been fulfilled; the other parts are now in the making to be realized per the Abrahamic Covenant and replanting Israel in the Lands of Promise.

When linked to the milestones named above and later days' prophecies, Esau's co-optation of Jacob's blessings must come to an operational end!

- Behold, thy dwelling shall be of the fatness of the earth, and of the dew of heaven from above. Genesis 27:39
- And by thy sword shalt thou live, and thou shalt serve thy brother; And it shall come to pass when thou shalt break loose, that thou shalt shake his yoke from off thy neck. Genesis 27:40

Isaac did not give a duration for Edom's domination. Isaac said Esau would take Jacob's foot off his neck, implying the Idumeans would be free to act at will without any accountability to Israel's religious principles because Esau would have obtained dominance. Still, the omission means Israel's descendants would again impose responsibility upon the Idumeans after Israel's 400 years of captivity.

A History of Supernatural occurrences particular to the Catholic Church.

Many prophecies talk about various episodes of the Church's history. There is one prophecy that details the names of all Popes and the last Pope with specificity. As in all instances, the question is, do you believe it? Or, what do individual members do?

Standing outside of the Catholic Church's politics, an objective observer sees how God rules in the affairs of man.

For example, lightning struck St. Peter's Basilica twice during Pope Benedict XVI resignation. The sign: ready or not, it is time to rearrange situations according to God's plans.

Catholicism's Prophecies.

The Judahite doesn't endorse any prophecies regarding Catholicism except the ones in the Holy Bible that allow sound footing to advance Jacob's blessing. Still, The Judahite doesn't offer any position to invalidate the supernatural messages given to Catholics.

- *And may God give thee of the dew of heaven, and of the fatness of the earth, and abundance of corn and wine.*
- *And let peoples serve thee, and tribes worship thee: be thou lord of thy brethren, and let they mother's children bow down before thee.*
Cursed be he that curseth thee: and let him that blesseth thee be filled with blessings."
Genesis 27:27-28

**History runs on two main tracks at any given time.
Consider the tracks on which The Judahite entered
History.**

The State of Missouri served as a theater in which the issues of the Protestant Reformation were introduced to tribal Judah in the new world by the Ashkenaz Lutherans.

Judah was not in Europe during the Crusades and the Protestant Reformation, leading to the Thirty Years War. Moreover, the Spanish Inquisition was tasked with rooting out hardcore paganists. On the other side, the Inquisitions, many over five hundred years, targeted people for political, financial, and doctrinal reasons.

The King James Version of the Bible appeared out of the conflict between King James I, the Asherite, and the doctrine of Catholicism that recognizes the Pope as Jesus' representative on Earth.

Due to the Mosaic Curses, tribal Judah had no historical appreciation for the doctrinal disputes over the New Testament.

Since the first day of existence, the Church of Rome adopted Imperial Rome's administrative model to control Europe's population. Although no one applies the term **fascism** to the Church of Rome's political-economic system, it is a model that best fits the evolution of the Little Horn—rightly called the beast system. John of Revelation talks about the beast of the 2nd Little Horn that possessed the operational character of the First Beast.

Martin Luther, a German, translated the New Testament Latin into German enabling the common man to read the Bible. Once, the population learned that God gives grace and salvation freely to those who want it by believing in Jesus and receiving baptism massive rebellion against Rome could not be quell until the Europeans found their own religious denominations based on their own interpretation of the Scriptures.

America

Appeared in history to give weight to the New Testament.

America/Ephraim predestined to be the greatest country on earth through nurturing Jacob's Tithing-blessing. Joseph brought the Ten Tribes to North and South America during his co-regency in Egypt. Tribal Judah would come last in big waves as enslaved people. The Vatican played a significant role in translocating tribal Judah to the Americas.

The Vatican and the Jesuits supported the South during the Civil War. Gettysburg was a turning point in the Civil War. The Union victory at Gettysburg prevented the Confederates from capturing Washington, DC. Parts of real estate at Gettysburg belong to the Ashkenaz Lutherans.

In principle, Gettysburg was a re-enactment of the Diet of Worms in 1521. Martin Luther was summoned to the Diet, the Imperial Assembly, for Luther to renounce or reaffirm his salvation by faith doctrine.

The Civil War allowed the productive forces to expand their productivity in all areas of commerce. Indeed, the War could have continued for many years, but Judah went on a regional general labor strike that ended the Civil War.

Rebecca's Engineering Schema

John's seven letters to the Churches guided the Church Age approach to expanding the Church by providing desperately needed education to the ex-enslaved people of the South.

Educating ex-enslaved people was monumental because the population lived predominantly in an agricultural economy. It took dedication and commitment for white missionaries to come South and serve the educational needs, a transgenerational commitment.

A Negro woman wrote to Booker T. Washington requesting a Tuskegee educational facility for her community in a rural county in Alabama. Such a request came across the desk of Mr. Washington every day. The educational needs of the people were significant. Mr. Washington had limited resources, just enough to manage his location. Washington was a good administrator, cautious not to overextend his resources. Instead of writing back without a no answer, Mr. Washington registered the lady, giving her a resource contact at the Lutheran Church Missouri Synod. She wrote to the Lutheran Synod for help. After meditating on the New Testament, the spirit moved those in charge to honor the request. An investigative team went down to locate the would-be site mission. Upon an investigation, the Synod decided to establish an education mission in Selma that would serve the statewide needs of all.

The Judahite of Selma emerged as a recipient, giving thanks to the Germans who managed the facility. Later, the education facilities would serve as the backbone of Selma's civil and voter rights movement.

Dr. King

Dr. Martin Luther King Jr., a Levite, adopted the name Martin Luther from the German leader of the Protestant Reformation. Dr. King challenged the Idumeans' two-faced mask. Additionally, the German Lutherans established church missions in Birmingham and in Jefferson County. Out of Birmingham came the Civil Rights Act, and out of Selma, the Voter Rights Act.

Geroge Washinton Carver

George Washinton Carver was born in Missouri and played an evolving role in Tuskegee Institute. A German family influenced Dr. Carver's life, leading to his studies and research. His agricultural research dethroned cotton as king of the South by creating the industry of cash crops, putting money in farmers' pockets.

The Judahite of Selma.

In continuing the fight with the 2nd beast system, the Jesuit priest trained in Alabama under The Judahite's authority per Judahcracy to lead an armed uprising against the Idumean Vatican. Missouri became one place for The Judahite's operations.

- *The vision of Obadiah. Thus, saith the Lord GOD concerning Edom: We have heard tidings from the LORD, and an ambassador is sent among the nations, saying, Arise ye, and let us rise up against her in battle.* Obadiah 1:1
- *Behold I have made thee small among the nations (Vatican City-state): thou art exceeding contemptible.* Obadiah 1:2
- *The pride of your heart has deceived you, You who dwell in the clefts of the rock, Whose habitation is high; You who say in your heart, 'Who will bring me down to the ground?'* Obadiah 1:3

In the late 1970s, the national authority intercepted The Judahite's intention to bring Edom down to the ground while in Missouri. The Judahite sent out two encrypted keys: one, Crimson, and the other, Scarlet. Indeed, the crimson key of renewal evolved to the stage where the quantum leap occurred.

In 2023, the scarlet key has been turned, marking Edom's legal proceeding. The Israelites will start to reclaim their full blessings.

'Who will bring me down to the ground?'

The Judahite commenced the renewal cycle in the late 1970s. Currently, **a new process is now in motion.**

- *And I will lay my vengeance upon Edom by the hand of my people Israel; and they shall do in Edom according to mine anger and according to my fury: and they shall know my vengeance, saith the Lord GOD.* Ezekiel 25:14

Consider the non-corruptible body of Sister Mary Wilhelmina, who died on May 29, 2019.

The finger from the Second Heaven came to The Judahite on **September 20, 2023**, confirming the incorruptible declaration of the LORD regarding the Idumean and the beginning of the New Cycle. The Judahite was elated when the finger pointed to Sister Wilhelmina's body below.

Sister Mary Wilhelmina of St. Louis, MO, founded the Benedictine of Mary, Queen of Apostles, and died on May 29, 2019, in Gower, Mo--Incorruptible body in 2023.

Resolution: The Holy See/Idumeans.

On September 17, 2023, the Second Heaven convened the judicial proceedings involving the Idumeans. The latter-day prophecy regarding the Idumeans is official. Holy See and the Vatican will separate from the Israelites' resources. Their financial resources and real estate holdings will all come under the authority of the Executive Body of Israel in Exile.

The Future Restoration of Israel

On September 16, 2023, the 2nd Heaven sent a confirming order a day before Edom's legal proceeding to The Judahite accounting for Edom's assets distribution and Israel's Restoration. In short, the illustration depicted great abundance. Ezekiel chapter 36 foretells Israel's Restoration.
