

**As of February 28, 2022, the Relative Positions
Between
The Executive Body of Israel
Vs.
Named Enemies per Jeremiah 25**

On the morning of February 28, 2022, The Judahite received, before 7 am, a communicative pictograph of twelve. In previous presentations, The Judahite has emphasized the importance of biblical twelve as a cosmic number representing governance, i.e., the twelve Zodiac systems, the twelve months of the year, the twelve apostles, the twelve tribes of Israel, and at age twelve, Jesus taught in the Temple about himself and gave the interpretative meaning of each teaching of the prophets concerning the Redeemer and his re-statement of his universal doctrine on his First and Second comings.

All-day on Feb. 28, The Judahite received pictographic communications until 10:11 pm.
Regarding the Trinity Date February 28, Daniel reminded The Judahite:

- “The matter is by the decree of the watchers [**Magistrate** *]. So then, let all people everywhere know that the Supreme God has power over human kingdoms and gives them to whomever he chooses—even the least important.” Daniel 4:17

The Judahite works in reverence under the sovereignty of the Elohim. As a lesson for the day, the Archangel provided a self-illustrative study of rulership for The Judahite and the Executive Body of Israel: always follow a given plan, **do not make substitutions.**

Throughout the day, The Judahite received equations and formulas yet to process. Consider: Moses spent eighty days on Mt. Sinai to process data given and its conversion into the Torah. In a similar vine, The Judahite puts the architectural elements lasting a thousand years in place.

Moses’s laws are being superseded because the LORD is making a New Covenant with the Ten Tribes of Israel. The laws of morality will be placed inside the sexual organs, making it unnecessary for anyone to say, “do you remember this, or that is a sin.” Once sinning, it would be unnecessary for a trial or a hearing.

Attention to Details

The Judahite is fully aware of how our culture conditions the mentality for seeking immediate satisfaction of desires because just about all industries and services cater to being fast, faster, and fastest. Therefore, The Judahite’s presentations target the 144k because they have been certified

by the Holy Spirit to receive coded information, being on the same page. Being in accord like the Apostle during Pentecost Sunday, the 144k transmits received data to the rest of the Congregation and the righteous Gentiles. Both embrace 144k's ministration and are called Firstfruits.

Not every one of today has the patient for details. Hundreds of years from now, the details become essential for a deeper understanding of this period in history. For example, the current generation desires to know how America made its social transformation. All the little details that seemed insignificant at the time became taglines for future researchers. Another example, many of us in leadership positions have a deep appreciation of Daniel's period of history. Again, the details unfold in real-time are not for everyone to digest. Without Daniel's conceptual model of human history, there would be NO coherency in human history.

February 28's Assertions Extends to March and beyond

Throughout the years, The Judahite has given many preview samples to alert the Congregation about the seasons we are in and to act accordingly. Those who have discernment can see and understand the previews. As Apostle Peter said: never think God will not deliver on his words by associating God's thinking with man's.

UKRAINE

Two Weeks ago, who could have imagined such scenes?

Still,

A large part of the world's population has no Discernment of the Times.

The Judahite received a definitive confirmation from heaven on February 28, 2022, of the wine cup on its way per Jeremiah's prophecies.

NO! Do not expect normalcy to return to Ukraine. Many in the U.S.A. cannot see themselves imaging the Ukrainians. Yet, like the Ukrainians, hundreds of thousands and a million people will be on the march overnight looking for safety. **As foretold, we see the next level of global conflict unfolding, pulling other countries into the conflict directly and indirectly or intentionally and unintentionally.**

Again, the Elohim gives previews of the future. This time, events will continue to unfold, engulfing many nations at an accelerated pace as Judah prepares to depart for home. The Judahite saw a streak of lighting passing before his eyes from left to right, meaning events would move quickly.

A Look Back to March 11, 2020

On March 6, 2020, The Judahite sent out notices to selected places worldwide to expect a spike in COVID-19 on March 11, 2020. The World Health Organization (WHO) announced a global pandemic on that date

Task Assignment

The Judahite will continue to work on the given equations and formulas for governance in the restoration per Covenants. Expect forward movement on all levels, seen and unseen.
