

## December 30 The Festival of Lighting Ends.

December is an alleluatic months that will always fill our **mouth** with solemn praises to the Holy Trinity for having recovered our tribal identifications. There are two interrelated parts to December. First, the Feast of Dedication **II** and, secondly Festival of Lighting.

On December 6, 2017, the Holy Trinity announced to The Judahite knowledge about his membership in the tribe of Judah by moving the bedroom carpet rug for several nights, leading to the announcement that the U.S. Embassy would relocate to Jerusalem, a move that officially recognized the Israelis' sovereignty over the city, which Islamic leaders disputed for decades.

Prophetically, The Judahite and Judah gained prophetic jurisdictional control over the land of Israel in 2017. Because after thousands of years, Judah regained authority over his homeland. Jeremiah's Seventy-year prophecy fulfilled in 2017 relegated all claims over Jerusalem mute.

The Festival of Lighting multiplies the December 6's remnant spirit throughout the entire Congregation. Alleluia! More and more people have gained consciousness about their triable affiliations, a necessity of knowing as we go into 2023.

The essential thrust of December is to give alleluatic praises to the Holy Spirit for bringing timely consciousness to Judah and the Ten Tribes of Israel. In the interest of time, brief highlights on the Festival closing follow.

- a.) The adversary consistently attempts to prevent full knowledge about tribal affiliation.
- b.) The time for inner tribal collaboration is now at hand.
- c.) Starting soon, the movement to relocate and planting seeds for a new planetary civilization—the Stone Kingdom.
- d.) Re-affirming the Abrahamic Covenant's fulfillment.
- e.) Per statutes, Judah is entitled to additional monetary assets.
- f.) The systems of capitalism and imperialism have a finalized destruction season.

The above were reaffirmed on the 30th by the office of the Magistrate. Now, consider the supporting prophecy.

*Then he told them about many things in parables, saying: "A farmer went out to sow his seed. Some other seeds fell where thornbushes grew up and choked the plants.13:7  
But some seeds fell in good soil, and the plants bore grain: some had one hundred grains, others sixty, and others **thirty**." Mat.13:8*

- *Let both grow together until the harvest: and in the time of the harvest, I will say to the reapers, Gather up first the tares, and bind them in bundles to burn them: but gather the wheat into my barn. Mat 13:30*

## **December 31st**

On the last day of 2022, a supernatural appearance of a pistachio nut in a measuring cup came to The Judahite with the message of mutuality, give, and receiving according to productivity and value.
