

January 9, 2021
A Fast-Starting Year.
China's Down Fall

People, including myself, often question God for being slow to show resolutions. In maturity, The Judahite seeks a better understanding of Why? Different from wanting to see expectations realized and becoming disappointed when there is an unexpected delay.

The year 2017 completed Jeremiah's seventy-year prophecy. 2022 should be a time for re-contemplating the LORD's Words:

Incorrect Timing!

"For they prophesy falsely to you in My name; I have not sent them, says the LORD." Jeremiah 29:9

The Correct Timing!

"For thus says the LORD: **After seventy** years are completed at Babylon, I will visit you and perform My good word toward you and cause you to return to this place." Jeremiah 29:10

To the left, The Correct Timing brings historical clarification, a vital point of clarification to the Congregation.

The LORD sent Gabriel to Daniel to give him skills to comprehend Jeremiah's seventy-year prophecy. This fact alone stands as a lighted billboard sign directing the Congregation's attention to our timeline of history, a Babylon thousands of years into the future.

Daniel had a problem understanding Jeremiah's seventy-year prophecy because he saw no signs of repatriation after seventy-two years.

Daniel took steps to contact King Cyrus regarding his appointed role in history. Daniel drafted all the royal Decrees regarding repatriation and the re-building of the Temple.

Punishment is associated with Jeremiah's seventy-year prophecy.

The Judahite refers to Jeremiah again.

- ^{25:12} ***And it shall come to pass, when seventy years are accomplished, I will punish the king of Babylon.***

(The king represents the Pope. King is a title position of authority. The role of power is the crucial point. The king is the same as a monarch. In either case, the situation is hereditary. So, the king is a title position of sovereignty. It is common for a specific person to hold multiple crowns at the same time over different nation-states. Or one monarchical title over many nation-states, which

is called an empire. Many words to say, prophetically, the black spirit and white spirit fighting each other during the fourth Gentiles' kingdom represent the Pope or the Vatican.)

and that nation, (The Queen of Britain kissed the Pope's ring of authority, a sign of a monarch.) saith the LORD, for their iniquity, and the land of the Chaldeans, (the U.S.A. inclusive of imperialism) and will make it perpetual desolations."

In a different presentation, The Judahite examined the Vatican's (Rome) interrelationships, including London (the United Kingdom's banking empire), Washington's might of arms, and Beijing's manufacturing center. Thus, four empires with interlocking relationships.

Declaratory Judgments from the High Court of Heaven

^{25:13} And I will bring upon that land all my words which I have pronounced against it, even all that is written in this book, which Jeremiah hath prophesied against all the nations.

"Before your very eyes I will repay Babylon and all the dwellers of Chaldea for all the evil they have done in Zion," declares the LORD. Jeremiah 51:24

"Raise a banner in the land! Blow the ram's horn among the nations! Prepare the nations against her. Summon the kingdoms against her--Ararat, Minni and Ashkenaz. Appoint a captain against her; bring up horses like swarming locusts." Jeremiah 51:27

**Jeremiah identified the nations under his judgments.
In a different presentation, The Judahite will examine them.**

Jeremiah is being used herein as a time marker, allowing for Isaiah to give his oracles on end times events. We want to make sure the accurate prophecy is in the proper river, according to Isaiah's timeline. Jeremiah sent Baruch, his secretary, to Babylon to read his book:

- “when you finish reading this book to the people, then tie it to **a rock** and throw it into the Euphrates River.”
- And say, “This is what will happen to Babylonia—it will sink, and she shall not rise up from the affliction that I will bring upon her, and she shall be utterly destroyed. And her people will grow weary.’ Here end the words of Jeremiah.” Jeremiah 56:63 &64

**Isaiah's prophecy is in synchronicity with the heavenly High Court
Order regarding China's demise.**

The High Court of Heaven issued its Order on January 9, 2022, regarding planned scheduled events for the Dragon's demise.

Isaiah's Statutory Preamble Regarding the Serpent and the Dragon's Demise

^{27:1} “IN that day the Lord with his hard, and great, and strong sword shall visit leviathan the bar serpent, and leviathan the crooked serpent, and shall slay the whale (**container ships or the dragon; see image below.**) that is in the **see.**”

^{27:2} “When that time comes, sing about a delightful vineyard! (**the Festival of Lights.**)

^{27:3} “I, the LORD, am its keeper; I water it every moment. So that no one will damage it, I guard it night and day.

One hundred miles per hour winds came on short notice. Simultaneously when the winds commenced, the Elohim directly sent a concrete illustration of what was happening in the Gulf of Mexico to The Judahite.

- ^{27:1} “IN that day the Lord with his hard, and great, and strong sword shall visit leviathan the bar serpent, and leviathan the crooked serpent, and shall slay the whale (container ships or the dragon; see image below.) that is in the see.”

Weeks before, Ever Given cargo ship got stuck in the Suez Cannel. Isaiah foretold the introduction of the events for all to SEE. What's coming next will be a continuation of the same.

Punctuating January 8th's summation, the armies of heaven wasted no time on January 9th, giving **directly** The Judahite confirmatory of the Dragon's demise.

Indeed, The Judahite received direct notification of China's pending collapse. The Executive Body of Israel will bring a renamed China under its direct jurisdictional authority.

Planning Ahead

The Executive Body of Israel will establish targeted goals for the end of each two hundred years until the millennium. After which time, people will be resurrected and judged. Those of salvation will possess new DNA and transition to a world with no darkness. A place prepared by Yeshua, the King of Righteousness. The armies of Heaven will destroy our galaxy.

Billions of light-years ahead, the hosts of heaven possess the technology to instantly rearrange the physical form of an atom structure as seen everywhere. Consider languages spoken on earth; the Elohim immediately changed ONE language into many. The Chinese still don't understand this fact. Jesus walked on water. The three Judahites went into a fiery furnace and walked back out.

Asteroid on January 18, 2022

- “And a mighty angel took up a stone like a great millstone, and cast *it* into the sea, saying, thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.” Revelation 18:21

The incoming asteroid on January 18 is not expected to hit the earth. If not on January 18, when?

At any time and place, the hosts of heaven can make things happen. Biblically, we all know that the celestial bodies of heaven will move from their orbits as a sequential move to bring about Yeshua's theocracy on earth. When? Yeshua tells us to be watchful and pray. With 100% certainty, we are in the season and period for the shaking of heaven and earth. Truly, earth's vibration can occur at any time; be prepared for the great millstone, asteroid, to hit.
