## The High Court's Obligation To Act On its own Judicial Notice.

This presentation is a topical discussion on Malachi 4 and Psalms 90:10 derived from August 18 through 23, 2024, from the enlightening pedagogical approach of Angel Raphael that revealed the essential.

It's important to note that The Judahite was aware of the milestone significance of August 18, 2024, which marks the conclusion of the Church Age. Furthermore, the arrival of the 1335 days on August 19 is a testament to the faithfulness of the Elohim to his words. Alleluia!

In the next post, more will be said about the ending of the Church Age.

**"I am Malachi. And this is the message that the LORD gave me for  
Israel." Malachi 1:1**

Over the years, The Judahite has stressed the importance for the conscious Ten Tribes of Israel to seek their tribal affiliations, and similarly for the other tribal nations, by removing the political masks, a shortcut, imposed by the science of political economy. The importance of eliminating political labels is motivational toward self-discovery, which leads to finding our astrotheological roots. Once grounded as an astrotheologian, many personal relationship issues would automatically dissolve.

The imperative to do so is a shortcut to avoid many social issues belonging to the Gentiles' science of political economy. Continuing to give time and energy to find answers to social and financial problems is a fruitless effort. Still, we must continue to be engaged with issues impacting our daily lives. However, the newly adopted approach **MUST** relegate the effects of daily life to the level of secondary importance; otherwise, no time will be available to think about a **NEW** social system called the "Stone Kingdom." Use your time to think about creative things to do in the Stone Kingdom.

What a difference tomorrow will look like when placed the daily realities in a subordinate position once having discovered one's patriarchal family. The exilic Israelites have a prophetic threshold to cross before claiming their spiritual inheritance under the Abrahamic Covenant. Each tribal member must turn to their patriarchal fathers, the males who are oriented toward family and embrace their children.

(1) Judah, (2) Reuben, (3) Gad,  
(4) Asher, (5) Naphtali, (5) Manasseh,  
(6) Simeon, (7) Levi, (8) Issachar ,  
(9) Zebulun, (10) Ephraim, (11) Benjamin,  
and (12) Dan.

Which one is our tribal family?

The children must turn and embrace their fathers.

The Elohim acknowledges the apocalyptic effects on the children of Israel. Many tribal families have become stalks throughout history as subjects to the four Gentiles' social systems. Even today, many Israelites are becoming stalks, cut off from their patriarchal family due to the robust marketing media industry, established for directing subconscious thoughts to invert all godly moral standards to sub-standards social behavior, i.e., evil is now socially accepted as reasonable.

For such times as our current world realities, within the six and seven seals of Revelation, Malachi chapter four portrayed what is pending for the wicked Israelites acting and behaving alongside the wicked Gentiles.

## Malachi Chapter Four

### 4:2

Today, the sad truth is that many Israelites have no fear of God's Name. The outcome is a certainty, as the heavenly courts are about to Issue its Order for the furnace of Justice to burn the root and branch of those who favor Wickedness.

*The healing wings see Psalm 90:10*

### 4:5

A time marker, AD 70,  
When Judah and the other  
Israelites fled their fatherland  
to escape Rome's invasion  
of Judea. John/Elijah, baptism paved  
the way Yeshua's ministry.

### 4:6

Yeshua's Mission Statement  
Announces healing and repairing  
the apocalyptic effects of the four  
horses.

4:1 For behold the day shall come kindled as a furnace: and all the proud, and all that do wickedly shall be stubble: and the day that cometh shall set them on fire, saith the Lord of hosts, it shall not leave them root, nor branch.

4:2 But unto you that fear my name shall the Sun of righteousness arise *with healing in his wings, and you shall leap as calves of the stall.*

4:3 And ye shall tread down the wicked; for they shall be ashes under the soles of your feet in the day that I shall do this, saith the LORD of hosts.

4:4 Remember ye the law of Moses my servant, which I commanded unto him in Horeb for all Israel, with the statutes/precepts and judgments.

4:5 Behold, I will send you Elijah, the prophet, before the coming of the great and dreadful day of the LORD:

4:6 And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.

## **A Time for Israel to Fly Away.**

**It can be interpreted as passing away, but the reality is taking transitional steps to the Promised Land.**

“The days of our years in them are threescore and ten years (70).  
But if in the strong, they be fourscore years (80): and what is more  
of them is labor and sorrow. For mildness comes upon us: and  
we shall be corrected.” Psalms 90:10

Biblical prophecy in Revelation is given astronomically from within time dimensions specified by the Zodiac constellations. For easy understanding, prophecy is tied to a spiritual clock. Throughout biblical history, the Elohim has given specific or definitional dates for calculating milestone dates. For many, predicting or stating specific dates has been hit-and-miss. Yet, with the unfolding of time, there might not be a particular occurring event but rather an introduction to a season. Yes, we often misread the biblical prophecy lineally and cardinally.

For example, the children of Israel are scheduled to return to Israel in the fourth generation with large sums of monetary wealth according to the Abrahamic Covenant.

We know two absolute occurrences related to the exilic Israelites' departure or the Transitional Movement back to Israel. First, in December 2017, correlational to Jeremiah's Seventy-year prophetic letter, the remnant of tribal Judah and The Judahite were certified to take prophetic jurisdiction over Israel.

On July 7, 2019, tribal Judah's jurisdictional restriction expired. Regardless of our expectations be they founded or ill-founded surrounding the 400-year expiration date, “in the fourth generation” still holds.

When the definition of time and time and a half-time is used, we have a time measurement of seven equated with seasons or generations. 7 and 70 represent a cycle of completion. Daniel's Seventy Weeks underlines the significance of a completed cycle.

Since 2019, Judah still possesses jurisdictional freedom, yet the social system of capitalism/imperialism remains intact, though on the decline. Therefore, mobility is no longer a problem in pursuing commercial goals; the restraint requires more capital resources, which is a secondary issue. The main problem is not adequately knowing one's tribal nation, which will solve secondary problems.

*“But if in the strong, they be fourscore years (80): and what is more  
of them is labor and sorrow. For mildness comes upon us: and  
we shall be corrected.”*

Indeed, we move transitionally from being weak to sufficiently strong and fly away to the Promised Land under the Covenant.

### **Updated Time.**

Going beyond the constraint of weakness, The Judahite sees the progression of the Transitional Movement at prophetic 85 and gaining strength under the healing wings.

*And that very night, the angel of the LORD went out and struck down 185,000 men in the camp of the Assyrians. When the people got up the next morning, there were all the dead bodies! 2Kings 19:35*

While it is insightful to see prophetic 85 equates to 185K, our happiness is knowing we arrived at 1335 days.

*“Blessed is he who perseveres and attains the one thousand three hundred and thirty-five days.” Daniel 12:12.*

On August 19, 2024, The Judahite recorded the 1335 days Gabriel gave Daniel. There is nothing but goodness associated with 1335 and progressing beyond prophetic 85 for those who fear the name of God.

## **August 25, 2024**

The Judahite received a warning of a pending supernatural global event from Second Heaven on August 25, 2024. The first notice was received a week ago. Today the confirmation came from the Second Heaven in association with Malachi 4 and Psalms 90:10.
