## A Restatement Elijah's Court Order Contributes to Reformatting The New Covenant.

### Introduction

Common to each returning exilic period, the LORD mandates standard practices in captive countries discarded, belonging to the popular culture. It took the Israelites forty years in the wilderness to birth a nation with constitutional, theocratic laws, and as such, the Israelites possessed a nationalistic identity. After forty years in the wilderness, the adults in the Exodus died out except Joshua and Caleb, giving the new generation freedom from Egyptian baggage.

Like the Egyptian Exodus that led the Israelites to the Promised Land, the Babylonian exiles followed prescribed guidelines upon returning to Judea. Nehemiah imposed a very stringent policy on the Levites' lifestyle because of their inclination toward multi-culturalism. Ezra, too, actively participated in fashioning the new criteria for those to advance the reconstruction efforts. Finally, the LORD called Haggi and Zachariah to inspire the Temple's reconstruction as fast as possible despite hostilities from neighboring nations that made attempts to sabotage construction efforts.

The Israelites differ from other nations because the LORD's Temple is central to daily life. The Temple represents the Israelites' national identity. For example, the Judeans were always hungry, not having enough food, for decades until they completed the Temple.

### A Dual Prophecy

Speak to Zerubbabel, governor of Judah, saying: 'I will shake heaven and earth.

I will overthrow the throne of kingdoms; I will destroy the strength of the Gentile kingdoms. I will overthrow the chariots And those who ride in them; The horses and their riders shall come down, Every one by the sword of his brother.

I will overthrow the throne of kingdoms; I will destroy the strength of the Gentile kingdoms. I will overthrow the chariots And those who ride in them; The horses and their riders shall come down, Every one by the sword of his brother.

In that day, saith the LORD of hosts, will I take thee, O Zerubbabel, my servant, the son of Shealtiel, saith the LORD, and will make thee as a signet: for I have chosen thee, saith the LORD of hosts. Haggi 2:21-23

For our times, the LORD is designating this transitional period for establishing social guidelines of interaction, new commemorative days of celebration, and enriching elemental contents in the Feast of Tabernacle, the perpetual Feast, includes the Israelites and all nations. Yes, all nations will come to Jerusalem to worship per Haggi 2:21-23.

Today, we follow the same outlined process as previously exiled returns to the Holy Land with adjusting variations due to fulfillment of the appointed Feast Days. Moreover, we have the makings of a New Covenant with subdivisions, including the Commonwealth of Israel in Exile.

The current war in the Middle East serves as the semi-back backdrop of this presentation because the prophetic war is front and center of the world's attention, as the effects are causing commercial trade shipping delays.

With each passing week, WWIII outlines all the participants' motives for advancing the war.

**From December 19 to 23, 2023,**

**The Judahite interacted with Angel Raphael to Restate the codes in Elijah's Template and to validate the Feast of reDedication and the Festival of Lights on December 25, 2023.**

In this presentational episode, The Judahite returns to the conceptual basis of the Magistrate's ruling at Mt. Horeb, where Elijah delivered his Complaint before the Second Heaven Magistrate.

The Judahite often refers to the interaction between the earthly Magistrate and the Second Heaven Magistrate. The Judahite is not the first servant of the LORD who has appeared before the Second Heaven. Adam, Eve, and the Serpent were the first, followed by others. Moses appeared and later Elijah, Daniel, and others.

Like Moses, Elijah appeared before Second Heaven in the exact location.

### **The Second Heaven Magistrate Court**

For those who have not appeared before the Courts of Heaven, understandably, one cannot comprehend the comic dimension of the heavenly Courts. Elijah walked 40 days to reach the Court.

**Upon arrival, Elohim** introduced Elijah to the Magistrate Court of Heaven by instructing Elijah to "go out and stand on the mountain before the LORD." The LORD uses natural weather systems to synchronize time, so Elijah knows he stands in the Court of Heaven; additionally, the LORD uses supernatural means to open legal proceedings.

Consider what is and is not the non-location of the Magistrate Court of Heaven. Elijah looked at the mountains, earthquakes, and wind to locate the Magistrate and could not get a visual because the

courtroom is interdimensional. Upon realizing he stood within the actual courtroom, Elijah covered his face.

- “and behold, the LORD passed by, and a great and strong wind tore into the mountains and broke the rocks in pieces before the LORD, *but* the LORD *was* not in the wind; and after the wind an earthquake, *but* the LORD *was* not in the earthquake; and after the earthquake a fire, *but* the LORD *was* not in the fire; and after the fire a still small voice.
- So it was, when Elijah heard *it*, that he wrapped his face in his mantle and went out and stood in the entrance of the cave. Suddenly a voice *came* to him, and said, “What are you doing here, Elijah?”

The Second Heaven is only operational in real-time, allowing cosmic dimensions to open during interactivity. Such is the protocol. Again, the heavenly courts are interdimensional. Gabriel told Daniel that he was detailed for twenty-one days in the Second Heaven in a legal proceeding instigated by the principality over Babylon to answer Satan’s complaint.

As humans, we cannot comprehend many things about the spiritual realities of our world. But the comic interdimensional world is confirmed as the most advanced in Israel and Judah. Consider Apostle Philip and the Ethiopia eunuch; Philip was transported to a different location after he baptized the eunuch. Apostle Paul expressed his ambivalence, unsure if he was dreaming or physically on location in the comic dimensions of heaven. The three Judahites placed in Nebuchadnezzar’s fiery furnace is another example of convoking the Court of Heaven against the Chaldeans’ conspiratorial injustice.

### Second Heaven is only operational in real-time

Another instance of the Second Heaven's comic dimension is when over a hundred people were trapped inside a cave, then came the Seleucid's army and stuffed it with wood and burned the Judeans alive. Those self-sacrificed ensured their death validated the stipulation in Elijah's Court Order.

Immediately, the Magistrate appointed **Apphus** (an encryption code) explicitly given to the Maccabees to act from a defense to an aggressive offense to defeat the Greeks. The Magistrate gave the other code (Apphus) to The Judahite by name.

Symbolically, the Second Heaven Court House represents the Wailing Wall. Antiochus' Fort in Jerusalem covered all Judea in operations. Thus, the atrocities of war were within the parameters of the Fort, where those who sacrificed submitted their **Judicial Notice** before the Magistrate while being roasted alive with their animals inside a cave.

Apphus is a divine encrypted code holding Elijah's bodacious fire and Elisha's time markers' prescriptions for executing Elijah's Court Order.

#### **The Court House of Justice (the Wailing Wall) has a tie-in with**

- a.) "And I saw three unclean spirits like frogs *coming* out of the mouth of the dragon, out of the mouth of the beast, and out of the mouth of the false prophet." Revelation 16:13.
- b.) Judah/The Judahite's prophetic jurisdictional presence over the Promised Land, as foretold in Jeremiah's Seventy Years prophecy. The two-Apphus represent encryption keys for Tabernacle. The Maccabees and The Judahite encryption codes were combined in 2018 to open the final phase in Elijah's Court Order. The man with the inkhorn and ink pen wearing linen is still in commission to mark the forehead of those with spiritual discernment to know the differences between what is socially wholesome and what is not.

## Elijah

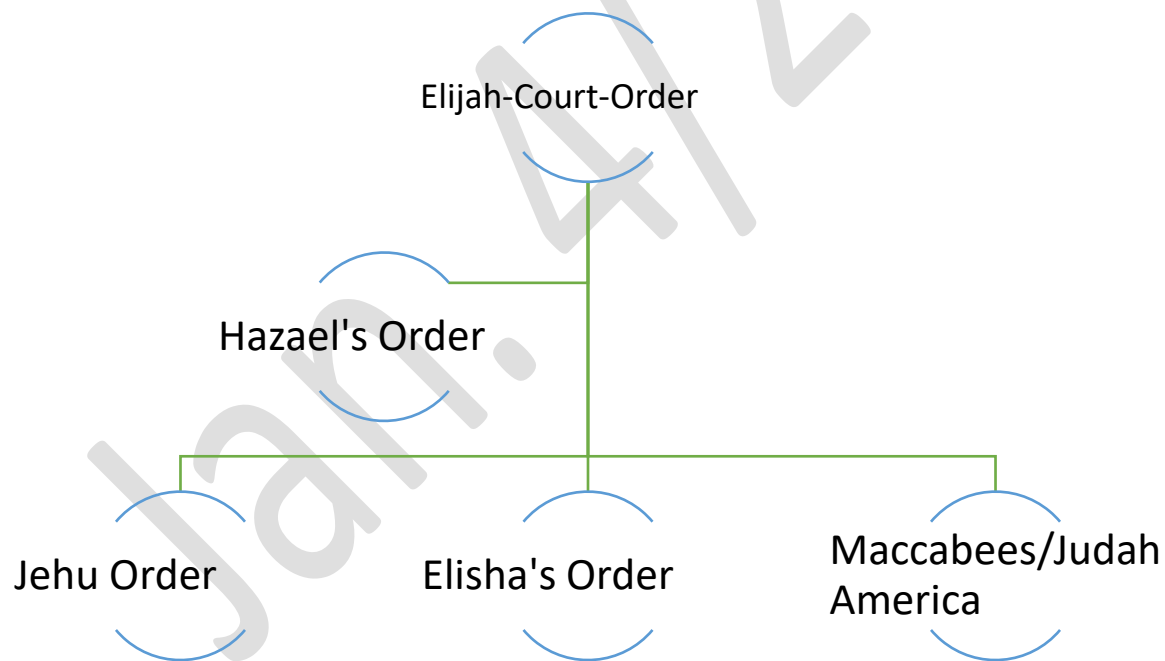

After the Children of Israel broke the Mt. Sinia Covenant, Elijah walked forty days without food and water to Mt. Horeb to appear before the Magistrate Court of Heaven on the Complaint that Israel had broken the Mt. Sinia Covenant by willfully killing the LORD's prophets. He alone stood confrontationally against idol worshipping and those who practice the anti-Mosaic Law.

- *And he said, I have been very jealous for the LORD, the God of hosts; for the children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, even I only, am left; and they seek my life, to take it away. 1 kings 19:14*

The Law of Moses still stands. Under the New Testament, Yeshua's grace tempers the Law of Moses, allowing Law violators to seek forgiveness in Christ's name and repent.

### The Court Order:

- Then the LORD said to him: "Go, return on your way to the Wilderness of Damascus; and when you arrive, anoint Hazael *as* king over Syria. 1 Kings 19:15
- Also, you shall anoint Jehu the son of Nimshi *as* king over Israel. And Elisha the son of Shaphat of Abel Meholah you shall anoint *as* prophet in your place. 1 kings 19:16
- It shall be *that* whoever escapes the sword of Hazael, Jehu will kill; and whoever escapes the sword of Jehu, Elisha will kill. 1 Kings 19:17
- Yet I have reserved seven thousand in Israel, all whose knees have not bowed to Baal, and every mouth that has not kissed him."

## Elisha

He requested Elijah to give him a double spirit-weight from which to issue Declaratory Judgment against injustice and godliness throughout the end times.

Elijah lived a bodacious life, constantly substantiating his weight of measure against the Israelites' practices of injustices and ungodly behavior as they imitated their neighbors' customs of heathenism.

**A few episodes in fashioning Elijah's Template and the use of his Template:**

- a. Elijah certified his standing before the Court of Heaven. "If I be a man of God, let fire come down from heaven, and consume thee and thy fifty. And there came down fire from heaven and consumed him and his fifty." King Ahaziah sent another captain and fifty soldiers, and the same thing happened. A third time, the King of Judah sent a captain and fifty servants to request Elijah to come down, but the captain did not repeat the King's request; instead, he begged for his life and those of his fifty servants. Granted. 2 King 1:10-13. One hundred and two men died without any value because the king could not offset his sins. King Ahaziah disrespected his God by seeking advice from pagan gods.
- b. At Mt. Carmel, the priests of Baal failed to prove their claim to possess supernatural powers. After their contest failure, Elijah took his term and proved his standing as a servant of the LORD, as the people were vacillating between Baal and the God of Israel. The LORD supernaturally accepted Elijah's offering to end the three and half years famine. The people of Israel fell and worshipped their God of Israel.
- c. And Elijah said to the Israelites, "Seize the prophets of Baal! Do not let one of them escape!" So, they seized them; and Elijah brought them down to the Brook Kishon and executed them there.  
 And Elijah said to them, "Seize the prophets of Baal! Do not let one of them escape!" So, they seized them; and Elijah brought them down to the Brook Kishon and executed them there. 1 Kings 18:40. 450 prophets of Baal and 400 priests of Asherah in all 850 killed. Justified because they killed the LORD's servants and prophets.
- d. Elijah and the widow of Zarephath. The LORD commissioned Elijah to go to Zarephath during the three and half years of famine. During this period, the widow's meal and oil fed Elijah and her family. The widow's son died during Elijah's stay.

- e. Elijah took the dead body—cold—from the mother’s arms and went to his upper room where he was staying and laid him on his own bed. Then, he cried out to the LORD and said, “O LORD my God, have You also brought tragedy on the widow with whom I lodge, by killing her son?” He stretched himself out on the child three times and cried out to the LORD and said, ‘O LORD my God, I pray, let this child’s soul come back and to him.’” 1 Kings 17:17-24

In a mini summary, Elijah’s ministry fashioned a template for Elisha to follow. In the larger picture, Elijah gives a graphic illustration of his ministry as John the Baptist. The scattered Ten Tribes and the Gentiles too were offered salvation if they repented and followed Jesus and received baptism in the name of the Son, Father, and Holy Spirit.

The non-Israelite woman of Zarephath is an example. On the other hand, Jezebell of Phoenician came into Israel with her false deities and priests and opposed Elohim.

Elijah returned to the Earth as John the Baptist to give all the holy water of baptism to those who repented and stood in opposition to Baal and deities belonging to heathen cultures.

#### **Elisha Receives a double portion of Elijah’s Spirit.**

“And so it was, when they had crossed over, that Elijah said to Elisha, “Ask! What may I do for you, before I am taken away from you?” Elisha said, “Please let a double portion of your spirit be upon me.” And so it was, when they had crossed over, Elijah said to Elisha, “Ask! What may I do for you, before I am taken away from you?” Elisha said, “Please let a double portion of your spirit be upon me.”  
1 Kings 2:9

Elisha requested and received a double-spirit-weight for which to measure injustice and issue Declaratory Judgment, and on the other hand, to ensure perpetual oil and meal to those who have demonstrated their trust in the LORD God during seasons of famine.

- Then Elisha spoke to the woman whose son he had restored to life, saying, “Arise and go, you and your household, and stay wherever you can; for the LORD has called for a famine, and furthermore, it will come upon the land for seven years.” 2 Kings 8:1

**Elijah's Court Ruling Stipulates those dedicated to  
the Mt. Sinia's Covenant will never bow to  
Idolatry.**

Page | 9

Ezekiel's prophecy intersects with Elisha's ministry, substantiating the stipulation. Their ministry came into congruence when the Maccabees took offense against those converted to the faith of the God of Israel. The Maccabees fought against all traitors, causing a civil war. On the other hand, they had to fight against Antiochus IV's attempt to conquer Judea.

Had not Mathias Maccabee, the father, arisen to war against the weak Levites and a tiny percentage of Edomites and the Pharisees, Hellenism would have absorbed the Judeans' religious culture; thus at stake, cultural annihilation.

Hellenism objectives: 1) to remove the Sabbath; 2) to end circumcision; 3) institutionalizing public nudity in sports; 4) substituting or giving an alternative to the Holy of holies by sacrificing swine/hog through the worshipping of Zeus; 5) burning all literature on the Torah and prohibited reading **the Torah, as related to the Ten Commandments. Hellenism as a precept is anti-Ten Commandments.**

Antiochus IV, the Seleucid ruler, aimed to Hellenize Judea into paganism. Elisha foretells Antiochus IV's inhuman cruelty toward the Israelites. **The Wailing Wall in Jerusalem is what remains of the Seleucid's Fort**, as the soldiers would leave the Fort and kill many Israelites who refused Hellenization. The people refused to give up Sabbath worship.

After destroying the national religion, Antiochus IV knew people would follow Zeus. In his atrocities, he conditioned the civil war among the traitorous Judeans.

**Hellenism is a precept philosophy opposed to the Ten Commandments.**

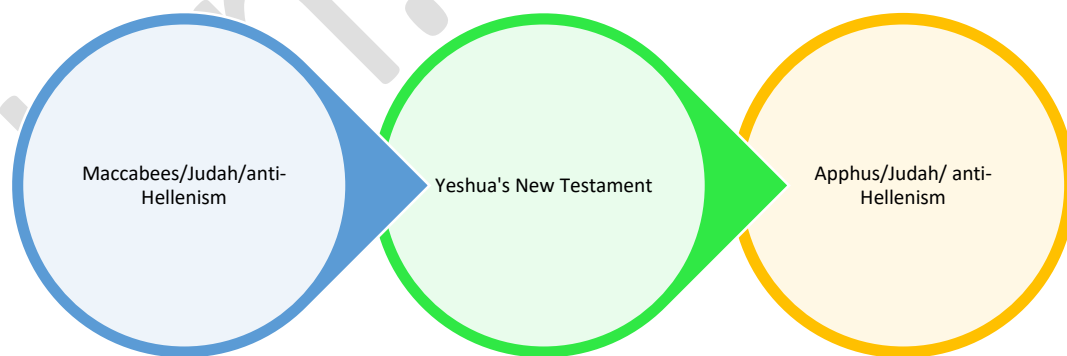

The Maccabees or the Hasmonean dynasty succeeded in its historical mission never to allow Hellenism to take root in Judea. Because of their commitment, **full accreditation is given to the Hasmonean dynasty for its diplomatic architectural skills in forming treaties with Rome**, an emerging empire, to contain the Grecian empires, the Egyptians and the Seleucids. And in so doing, the Judean's monarch became an ally of Rome and defined Rome's foreign policy future. The Romans accepted instructions from the Hasmonean on the most effective way to defeat the Seleucid dynasty, and the other Grecian kingdoms.

### **The Month of December**

**We celebrate the feast of Dedication/Re-dedication and the Festival of Lights.**

After the Maccabees defeated Antiochus IV's armed forces, they went into the Temple after years of war to clean up and became horrified to see the statue of Zeus. Having a one-day oil supply for the Temple's menorah, the oil lasted eight days until a fresh supply arrived. Yeshua observed the feast of Dedication.

**Elijah's Template is for those entrusted with the Hallmark leadership to ensure the perpetual flow of oil, flour, and cornmeal during famines.**

**And to revive lifeless bodies physically and spiritually.**

Elijah fashioned his template for Elisha to follow, a template to engender: (A) a perpetual supply of oil and meal during wilderness days and times of famine. (B) revived life in lifeless bodies and the renewal of faith in the faithless. **(C) punishment by death to those sworn enemies of the LORD's statutes, ordinances, and judgments.**

Yeshua acknowledged using principles embedded in Elijah's Template under the right circumstances. As such, Yeshua feeds miraculously 5000 people with five loaves and two fishes to glorify God the Father and to certify Elijah's ministerial work.

- *Now those who had eaten were about five thousand men, besides women and children. Matthew 14:21*

Yeshua miraculously fed 4000 people with seven loads of bread and a few small fish to glorify God the Father and certify Elisha's ministerial work, including his seven of years famine.

- *The number of men who ate was four thousand, not counting the women and children. Matthew 15:38*

### **Attention focuses on C**

**(C) punishment by death to those sworn enemies of the LORD's statutes, ordinances, and judgments**

Elisha followed Elijah's Court Order and audaciously delivered denunciations of ungodly behavior and enemies of Israel in fiery words.

- 1) Elijah had the priests of Baal and Asherah put to death.
- 2) The boys of the dead priests mocked Elisha, saying "Go up, go up, baldhead." Turning to look at the forty-two boys, Elisha cursed them in the name of the LORD and forty-two female bears came out the of woods and mauled the boys to death. 2 Kings 2:24
- 3) The Syrian Army surrounded Elisha's house to capture him and take him to Syria. Elisha prayed to God, petitioning him to blind the Army. Immediately, blindness closed their eyes. Next, he led the Army to the city of Samaira, about fifteen miles away.
- 4) In 2 Kings 13:14, Jehoash King of Israel came to Elisha, dying from a sickness, seeking advice on defeating Syria. a.) take arrows out, b.) Put your hand on the bow," and Elisha put his hands on the King's hands, c.) open the east window and shoot, d.) "And he said, "The arrow of the LORD's deliverance and the arrow of deliverance from Syria; for you must strike the Syrians at Aphek till you have destroyed *them*"; e.) next, said Elisha, take the arrows and strike the ground; the King did so three times and stopped; f.) Yet, Elisha wanted him to continue striking the ground five or six times, g.) Thus, the king would win victory three times.

- 5) Elisha died. A sign that the court order is transgenerational. Years after Elisha's death, a person died and was taken to his tomb when the pallbearers saw a group of Moabites from a distance; out of fear, they found the nearest tomb to put the body into for a quick escape. The dead man's hand touched Elisha's bones, and he was restored to life immediately per Elisha-Elijah's Template.
- 6) Such is another example of Elijah's double portion divine gift to Elisha. The man got up and ran away with the others.

### Acting According to the Predetermined Seasons.

- *It shall be that whoever escapes the sword of Hazael, Jehu will kill; and whoever escapes the sword of Jehu, Elisha will kill. 1 Kings 19:17*

Elisha's prophetic Mission is assigned to personalities at different historical periods and in their seasons to revitalize the Court Order.

#### An illustrative Example

When the dead man's hand touched Elisha's bones, the Spirit within Elisha's template immediately restored his life, an affirmative sign of Elisha's transgenerational Mission. The Maccabees appeared at their time and season foretold by Elisha. As a milestone, the Maccabees gave the name of a futuristic person who would continue to extrapolate time-phased action for finalizing the Court Order.

Jesus issued the Court Order and lived by the Order not to be enticed by any offers made by the devil.

The Spirit led Jesus into the wilderness to be tempted by the devil. He asked Jesus to bow down to worship him in exchange for possessing all the future earthly kingdoms. The proposition came during Jesus' forty days of fasting. A spiritual triumph! Jesus teaches never to be enticed by worldly motivation because Satan's temptations always lead to no profitable outcomes.

Jesus appears as the ordering Magistrate in the jurisprudence Restatement of Elijah's Order for the Church Age that carries spiritual vitality within baptism to both Gentiles and Israelites to imprint the knowledgeable mark of spiritual wholesomeness on the forehead.

John the Baptist instituted baptism.

Conversely, after centuries of being in the wilderness (Gentiles' nations), the Israelites prepare to return to the Promised Land with various doctrinal matters, including the New Feasts, Covenants, and Christ's Judicial Restatement of Elijah's Court Order.

## Jesus Issued his Judicial Notice:

(The Courts of Heaven are Cognizant of Adam's descendants' eternal DNA/Life.)

### John 10: 24-38

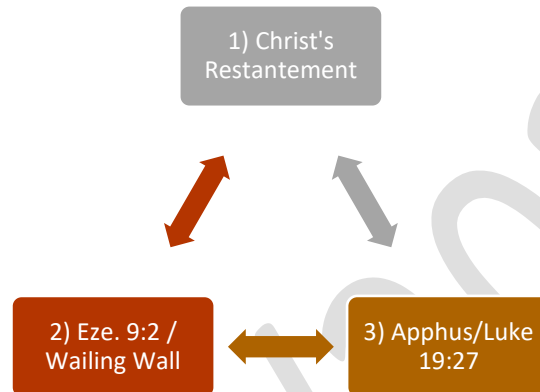

<sup>10:24</sup> Then came the Jews round about him, and said unto him, how long dost thou make us to doubt? If thou be the Christ, tell us plainly. <sup>10:25</sup> Jesus answered them, told you, and ye believed not: the works that I do in my Father's name, they bear witness of me. <sup>10:26</sup> But ye believe not, because ye are not of my sheep, as I said unto you. <sup>10:27</sup> My sheep hear my voice, and I know them, and they follow me: <sup>10:28</sup> And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. <sup>10:29</sup> My Father, who has given *them* to Me, is greater than all; and no one is able to snatch *them* out of My Father's hand. <sup>10:30</sup> I and my **Father** are one. <sup>10:31</sup> Then the Jews took up stones again to stone him. <sup>10:32</sup> Jesus answered them, many good works have I shewed you from my Father; for which of those works do ye stone me? <sup>10:33</sup> The Jews answered him, saying, for a good work we stone thee not; but for blasphemy; and because that thou, being a man, makes thyself God. <sup>10:34</sup> Jesus answered them, Is it not written in your law, I said, Ye are gods? <sup>10:35</sup> If he called them gods, unto whom the word of God came, and the scripture cannot be broken; <sup>10:36</sup> why do you say that I'm dishonoring God because I said, 'I'm the Son of God'? God set me apart for this holy purpose and has sent me into the world. <sup>10:37</sup> If I do not the works of my Father, believe me not. <sup>10:38</sup> But if I do them, though ye believe not me, believe the works: that ye may know and understand that the Father is in me, and I in the Father.

### Christ's Restatement on Elijah's Court Order.

Elijah's Court Order unfolded developmentally in character with each assigned historical period as outlined by Elisha. His outline incorporates Ezekiel's vision about the mark on the forehead exempting those from the sword of death or having the mark of salvation.

Prophecy can be relatively complex for some to understand because they view, in some instances, prophecies as mechanical, like a repeat, without regard to the different levels of historical evolution.

Yeshua arrived as the central focus of human history as he said he would as the Redemer. After this, Christ issued a **Restatement** on Elijah's Court Order and fulfilled specific topics foretold of him. Not to be confused, Yeshua's Mission Statement is different from the jurisprudence **Restatement**. Elijah's Court Order is within a particular context of Israel and Judah's apostasy, rejecting the promised good life, having oil, flour, and water to sustain daily life.

### Restatement Article One.

Elijah was a forerunner before Yeshua and again as John the Baptist. As the upholder of the Mt. Sinia's Covenant, Elijah upheld the LAW of Moses. Returning as John the Baptist, he oriented his ministry as the introduction to Jesus and the New Testament. Hence, John emphasizes (AA) faith in the Redeemer whose shoes he was unworthy to lace, (BB) repentance, and (CC) receiving baptism (the water embodies the gift of Grace) (the Holy Spirit leads the baptized away from being a slave to the flesh to be the master over flesh).

- *For if you live according to the flesh you will die; but if by the Spirit you put to death the deeds of the body, you will live. For if you live according to the flesh you will die; but if by the Spirit you put to death the deeds of the body, you will live. Roman 8:13*

- *For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. Hebrews 4:12*

### **Restatement Article Two.**

According to the second part of the Edenic Judicial Decree, Israel's Congregation is tasked with immobilizing the Serpent's descendants. The LORD blessed Shem, Ham, and Japheth as the certification of Adam's righteous seeds, yet in all three families, Adam's seed co-exist with the Serpent's seed—different DNA, just like Cain and Abel: currently wheat and tares parable per the New Testament. All the servants and prophets of the LORD engaged in a conflict of interest involving the Serpent's descendants.

Today, most people cannot determine if they represent Satan's interest or Jesus in their daily conduct. Electronic devices and social media allow people to go to the third degree in wickedness with the aim to grow diverse communities of personal taste in wickedness.

Having a keen sense of awareness, the Executive Body of Israel in Exile's policies support Jesus' parable in Luke 19:27

- But bring here those enemies of mine, who did not want me to reign over them, and slay *them* before me.' " Luke 19:27

Elijah's Template allows prophetic use of the sword against those opposing Yeshua's theocratic Stone Kingdom. It is painfully clear by observing global trends and popular culture that heathenism is growing by leaps and bounds.

### **Restatement Article Three.**

Expecting to be in the wilderness for thousands of years (in Gentiles' nations), the LORD prepared food and water for Judah in North America by ending the seven-year famine before he arrived in chains. However, the Ten Tribes were already in North America—three thousand years ago and migrated to Central and South America with their Egyptian companions.

The famine caused the death of many in colonial America. Still, the famine was needed to turn the American colony over to King James I, the Asherite.

Joseph came to power in Egypt with the prospect of a seven-year famine to weaken all nations that would have stood in the way of Joseph's objectives per the blessings of Jacob to his family. Likewise, King James I came to power by removing the Freemasons' plans for the colony. He restructured the dead colony by creating policies that caused his colony to grow and expand by following biblical guidelines on social morality ( the King James Version of the Bible). He faced opposition to his most favored trading policy toward his American colony; now, history shows that the King had a correct biblical view of history.

Jacob's tithing-blessing to the world through the Ten Tribes and Judah guaranteed America would always have oil, flour, and cornmeal supplies. Daniel's economic tree of global prosperity and Nat Turner's oil prototype extraction model also provided food and clothing to many countries.

Thanks to the **Feast of Leaven Bread on November 30, 2023**, Judah and the Ten Tribes have reached their stage of spiritual and economic maturity and no longer see the basis for extending the expired Jacob's tithing-blessing to the Gentiles on the same foundation given rise to their four social systems on the Earth.

As the nation is at beginning of its life cycle, as at the end, climatic conditions are impacting food supplies, and spiritual famine is now gripping America and Western countries.

#### **Restatement Article Four.**

In summation, the purpose and spiritual meaning of draughts invoked by the LORD's prophets, most notably Elijah and Elisha, no need to fear draughts because Yeshua is the perpetual wellspring of living water, the fundamental source of all life forms on the Earth.

- "In the last day, that great *day* of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. In the last day, that great *day* of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink." John 7:37
- But whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a fount of water springing up to eternal life." John 4:14

## **The Feast of Tabernacle December 25, 2023**

Soon after arising from bed on December 25, 2023, The Judahite received an illustrative notice from Angel Raphael about what to expect sometimes in the day. It did not look to be good.

i.

Shortly after that, The Judahite received a reminder of a Xmas practice he used during Xmas in its rudimentary form, yet got an upgrade, moving to elevated levels.

*"Wash me thoroughly from my iniquity and cleanse me from my sin."* Psalm 51:2

ii.

After Elohim's Edenic Adjudication, Adam found joy and hope, knowing that the Redeemer would come and restore daily fellowship with him. Because the Serpent's deceit led Eve to tempt Adam with the fruit, humans continuously acted on every imagination formed within their mind, leading to the entire world becoming corrupted as the flood came consequently. John 1:9 gives divine insight about Jesus being the true light to draw people away from their iniquity and back to the true light, as Adam was first holy and knew through divine obedience the differences between good and evil.

*Wash thy heart from wickedness, O Jerusalem, that thou mayst be saved: how long shall hurtful thoughts abide in thee? Jer 4:14*

*"This was the true light that enlightens every person by his coming into the world." John 1:9*

iii.

The Judahite views the incoming theme as to what to expect as the December 25, 2023, unfolded.

- *For if you live according to the flesh, you shall die but if by the Spirit you mortify the deeds of the flesh, you shall live. Roman 8:13*

iv.

Finally, the thematic illustrations emphasized cleanliness—removing detestable things.

✓

*"neither shall they defile themselves any more with their idols, nor with their detestable things, nor with any of their transgressions: but I will save them out of all their dwelling places, wherein they have sinned, and will cleanse them: so, shall they be my people, and I will be their God." Ezekiel 37:23*

- ✓ *Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth. 2 Tim. 2:15*

*Keep away from profane and foolish discussions, which only drive people farther away from God. 2 Tim 2:16*

## At 3:57p.m. on December 25, 2023 the Building Lost Electricity to Unrelated Weather Conditions.

A sunny day, no clouds in the sky on Christmas Day. Inside The Judahite's apartment unit, the electrical shutdown went through three phases before the blackout. Shutting down electricity has occurred a few times before, caused by Angel Raphael, who possesses a repertoire of communication signs for The Judahite.

**First**, a loud booming sound came, followed by the heating system, the stove, and the refrigerator shutting down.

**Secondly**, the loud booming sound came, and the circuit hallway lights shut down.

**Thirdly**, the loud booming sound came, and the Internet shut down.

In all, it took thirty minutes to black out the unit.

The blackout lasted eight hours.

## The Meaning of Eight.

Eight can mean eight. On the other hand, a prophetic hour equals one day. Hence, eight hours equals eight days.

After defeating the Seleucid army, the Maccabees started to work on restoring the Temple with one day's oil supply.

### 2 Maccabees 10:4

*"And they kept the eight days with gladness, as in the feast of the tabernacles, remembering that not long before they had held the feast of the tabernacles, when as they wandered in the mountains and dens like beasts."*

FN. "Wandered in the mountains and dens like beasts" means guerrilla warfare.

## Eight Hours of Darkness Equals Eight Days of Darkness

What a contrast, the celebration of darkness in the dark vs. light. Yet, a glowing conceptual light brighter than the sun came in the early morning.

Some unclarity exists among Bible students surrounding the placement of Seven and Eight. While they are evident about Seven in celebrations, more clarity is needed about Eight. Consider Nehemiah 8:18.

*"Day after day, from the first day to the last, Ezra read from the Book of the Law of God. The Israelites kept the feast for seven days, and on the eighth day they held an assembly, according to the ordinance."*

Meanwhile, Hanukkah is about the miraculous celebration of one day's oil supply lasting eight days while cleaning the Temple. In contrast, December 25, 2023, offered no lighting for The Judahite's building. So, what is the meaning? The sign statement is about Christmas closure, the end.

December 26 through the 30<sup>th</sup> are designated rectification days for the Feast of Tabernacle.

# The Feast of Tabernacle Replaces Christmas.

## Ratified on December 30, 2023

On behalf of the Congregation, The Judahite ratified the Covenant to replace Christmas. The principality in charge of the social system of capitalism and imperialism expressed his opposition to the Tabernacle.

**Legion, evil spirits of many, is entering human bodies in record numbers. Mark 5:1-20**

After shopping, The Judahite boarded a bus home. As were many pickups, the bus picked up a passenger who appeared to be possessed by an evil spirit. Upon sitting down, he began cursing Jesus. In the next phase, he stated a willingness to fight Jesus, and in the final phase, he invoked Jesus to come down, telling in laced profanity what he would do to Jesus in a physical confrontational fight. Throughout his ranting, his language was laced with profanity. Everyone on the bus was paralyzed, speechless, not believing what they heard.

The Judahite heard the voice of the principality speaking in the demonic possessed person, saying death. After departing the bus, The Judahite turned to two passengers and rebuked the devil.

- Do not rebuke a mocker, or he will hate you; rebuke a wise man, and he will love you. Proverbs 9:8

It is The Judahite believed everyone on the bus was prearranged to died, but three persons would be saved as indications suggested beforehand. The Judahite and two others.

The demonic person, or the spirit controlling the person, told when and where the death would occur, though not the specifics. **The demonic-possessed person served as the devil's mouthpiece.** The Judahite fully comprehended the message, though many on the bus found this guy amusing after the initial shock of cursing Jesus and desired to go head-to-head with Jesus in the physical and spiritual worlds.

The Judahite cross-checked for portal closure through which beings enter the Earth from out of space, or, stating correctly, from cosmic dimensions. Next, The Judahite sourced Enoch to confirm the information of pending deaths. Enoch's coordinates confirmed pending deaths.

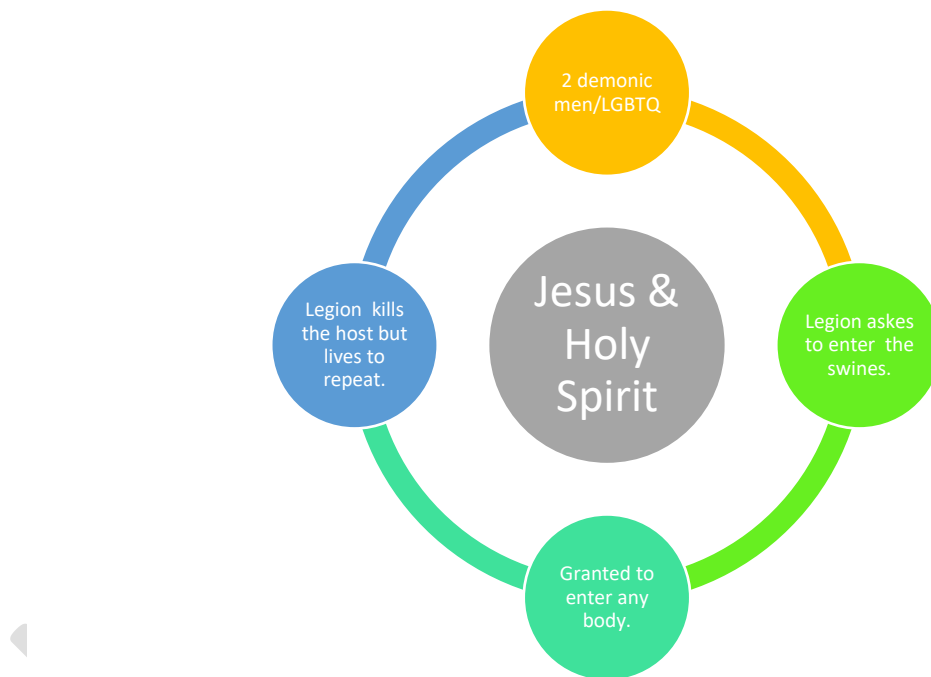

Although generally known in theory, the devil has supernatural powers, though limited. Without speculating, the bus was scheduled for an accident, not necessarily due to the bus driver. Consider the story of Job. Now, you can see that the devil has supernatural powers.

Within seven or eight minutes of the scheduled accident, the bus broke down, and the passengers transferred to a different bus. Although the devil had the event prearranged, he can never outplay God's plans. Yes, within seven or eight minutes, deaths would have occurred just as the principality had prearranged. Giving this victory to Elohim, Enoch's coordinates remain reasonable. December 30 was not a one-time passing event. See below.

## December 30's Three Notable Features for 2024.

**One.** The prequalified members of Israel and Judah will be saved. Unlike in Mark 5:12-13, Legion (the evil spirit of many) will continue to enter host bodies without permission. Why? Because Legion has been perpetually certified without annual reprocessing to enter human bodies whose behavioral lifestyle is ungodly, the standard deviation from the original design purpose of the human body.

*He gave them permission, and the unclean spirits came out and went into the pigs, and the herd of about two thousand rushed down the steep bank into the sea and drowned in the water.*

Good news! No one died on the original bus where Legion appeared to declare his **readiness to be destroy!!!** In contrast, Legion knew his time had not come when he saw Jesus coming his way.

- *And behold, they cried out, saying, What have we to do with thee, thou Son of God? art thou come hither to torment us before the time? Matt. 8:29*

On December 30, 2023, being in spiritual antagonism, Legion declared his readiness to fight Jesus' torment because his time has come. He appeared to be self-assured of victory because Legion has an estimated billions plus evil spirits within human bodies worldwide.

- *“He who sins is of the devil, for the devil has sinned from the beginning. For this purpose, the Son of God was manifested, that He might destroy the works of the devil.” 1 John 3:8*

**Two.** The significance of changing to a different bus is the termination of Christmas. The other bus symbolizes the Feast of Tabernacle, taking the Congregation to the Promised Land.

Christmas is now obsolete! Since the new **Feast of Leavened Bread** and the final stage within the Restatement of Elijah's Court Order, the basis of Christmas observance is invalid. Therefore, in the future, on December 25, the Congregation of Israel will observe the Feast of Tabernacle, having the theme of eternal **LIGHT**.

*Again, therefore Jesus spoke unto them, saying, I am the light of the world: he that follow me shall not walk in the darkness but shall have the light of life. John 8:12*

**Three.** On notice, it appears that all portals have been closed from heaven to the earth by judging from the demonic-possessed person on December 30, 2023. The devil has been mad since he learned of his planetary confinement. Therefore, we should expect to see many more attempted pre-arranged deaths and efforts to kill many in different forms or situations. The devil is on a suicide mission, knowing his shortness of time.

*Therefore rejoice, O heavens, and you that dwell therein. Woe to the earth, and to the sea, because The devil is come down unto you, having great wrath, knowing that he hath but a short time.*  
*Revelation 12:12*
