

"Sifting the nations with a sieve of destruction."

January 16, 2023

A day to Start Shaking the Nations

Days before January 16, 2023, The Judahite saw the 16th's representation, the shaking as verified for the appointed date.

Behold, the name of the LORD cometh from far, burning with his anger, and in thick rising smoke: his lips are full of indignation, and his tongue is as a devouring fire: Isa 30:27

His breath is like an overflowing stream. It rises neck high, sifting the nations with a sieve of destruction; nations divided and confound by bit in the mouths of the people to lead them astray. Isa 30:28

"Sifting the nations with a sieve of destruction."

This day presents the right questions to be asked and answered.

Where then are thy wise men? and let them tell thee now; and let them know what the LORD of hosts hath purposed concerning Egypt. Isaiah 19:12

[Egypt is another name of the USA]

Power given, only to be taken away

For the Scripture says to Pharaoh: "I raised you up for this very purpose, that I might display My power in you, and that My name might be proclaimed in all the earth." Roman 9:17

As planned, the plans are being realized,

The LORD of Hosts has sworn: "Surely, as I have planned, so will it be; as I have purposed, so will it stand. Isaiah 14:24

The Judahite discloses the action Plan

And who, as I, shall call, and shall declare it, and set it in order for me, since I appointed the ancient people? and the things that are coming, and shall come, let them shew unto them. Isaiah 44:7

“Sifting the nations with a sieve of destruction.”

The day of verification

- “Behold, the name of the LORD cometh from far, burning with his anger, and in thick rising smoke: his lips are full of indignation, and his tongue is as a devouring fire.” Isaiah 30:27.

January 16 is an illustrative day of disappearing and vanishing. The Judahite saw a flock of flying birds that vanished in one second as a supernatural verification of Isaiah 30: 27-28. Next, appearing and disappearing signs demonstrate the objective of “sifting the nations with a sieve of destruction.” Weather systems have and will continue to destroy countries, in addition to wars among countries.

Instructionally, the Magistrate’s given dates should serve as taglines, on one level of perception, to enable the 144k and Firstfruits to deepen their studies of the present hour to become influential leaders in the current societal sea of confusion and distractions.
