**Undergirding the Directorial
May 29 Proclamation**

At 12:40 am, the Holy Spirit entered The Judahite's sensory perception after posting his May 28 presentation to the website. The Judahite acknowledged the Spirit's touching presence as the day's activities would unfold according to spiritual direction. Coming within the 12-midnight hour is comforting for starting the day on a sound footing.

As of May 29, blockage preventing Judah's transitional passage to organize systems for massive administrative movement has been unblocked.

Strategically unblocked as of May 29, 2023! Symbolically of Judah's steps in transitioning to the Promised Land.

Directorial Prescriptions

More can be and will be said, but not now. Many processes are in motion daily for our return, though we don't see all the puzzle pieces nor understand the details themselves. Still, what must be understood is what we see as daily normalcy will change. Better for some and others for the worse.

Now that we have certainty and calendar dates allow the Armies of Heaven to continue their march before the Congregation to consume with **FIRE** and to clean away the wickedness from our path.
