

October 19 Arrived as the Communal Spirit to Certify the Checklist within the Communal Charter 19

At the closing of the workday on October 19, the Spirit personified an itch under the bottom of The Judahite's feet, a time to transition. The checklist below presents the constitutionalized framework as highlighted by the representative of the Second Heaven. More will be said about the index, but time is of the essence for now. A lengthy exposition will come in time.

The Judahite October 19's checklist is within the same **Communal Charter 19** established in the early days of COVID-19, which paralyzed the **entire world**. On October 19, a representative came before The Judahite with the same **Communal Charter19** with the list.

It is official whenever representatives of the Second Heaven invoke the Communal Charter19. No need to second guess the unfolding progression of events.

The Constitutionalized Framework

The index: statutes, doctrinal concepts, precepts, and covenant stipulations.

- a. Notice of service given to the Zionist state of Israel for reclaiming Jerusalem and Israel according to the 400-year Abrahamic Covenant.
- b. Judaism and the False Prophet adherents must depart the Lands of Promise.
- c. Statutory oaths given in the Scriptures for the end times have yet, in part or in whole, to come to the realization.
- d. Legislative actions in support of the oaths will allocate resources for their realizations.
- e. Governance by twelve is still embraced as the best arrangement. The twelve zones of the world will come about.
- f. Biblical prejudgments have affirmed their methodology, i.e., anti-gravity sound waves (vibrations); disconnection of electricity; and closing telecommunication centers.
- g. The methodology of disintegration is particular to the useless, who have managed their recompense—no one else to blame.
- h. The Gentile's legal standards. The Executive Body of Israel will use the Gentiles' standards of measure to evaluate the Gentiles as the same criteria used to judge the Congregation. The measures would no longer be valid when the Commonwealth of Israel reaches its consolidation stage.

- i. The eco-system. In our ecosystem, constitutional precepts refresh our daily existence. The overflowing of goodness engenders reeds, always living and thriving near the water edges—the water of life overflows with spiritual nutrients. As reeds, we array our own environmental eco-system boundaries to share spiritual nutrients with all life forms, including plant.
- j. Look at the spiritual operational meaning in daily meal preparation and dining. Cleaning harvested food and putting it away (purchased and or non-processed) into the pantry; Cooking by using different devices; using napkins as a gesture of digestion, in part or whole; using the dishcloth to clean up.
- k. Overall, the operation is phased abundance driven by the rules of replanting the exiles.
- l. The Abrahamic Covenant stipulates the newly reassembled nation of Israel receive the resources to govern under Judah's rulership, including the Lands of Promise.

Judah is Going the distance to save the repenting Danites.

This presentation returns **tenets** via the parable of the Lost Coin. A Woman had ten pieces of silver coins, but she lost one and lit a candle to search for it. She swept the house and looked everywhere until she found it. Next, she calls her neighbors, and they rejoice with her.

The interpretation. Dan is associated with money and finances. Money is the clue for Dan and Judaism. Also, Zionism.

The woman represents a religious body, the church, or the Congregation. The scattered Congregation has been looking for family members for thousands of years. Judah finally found Dan to restore him as a family Israelite on condition that he first repent and give the Executive Body of Israel some land for an administrative district to assist in coordinating the transitional relocation phase.

Judah acknowledges some Jews have come to embrace Yeshua as the Son of God. For those Danites, we rejoice as is the case in heaven.

Still, Yeshua says when individual members of the righteous seed of Ham and Japheth repent, heaven rejoices. We all rejoice when one person finds the light and makes a U-turn.

October 19

About to close out the working day on October 19, The Judahite experienced an unbearable itch under the bottom of feet for several minutes. At the start of the day, so was the end—feet. **Communal Charter 19 declares the time for relocating. Not at this moment.**
