

## **October 21, 2022, comes as a date Within a date.**

Commencing October 21 in the early hours, Archangel Raphael presented The Judahite with a date announcement. At 12:45 am, Raphael launched October 21, a day of anticipation for weeks since October 9 & 10.

October 21 received particular emphasis, doubling value expectations as seen on the 20<sup>th</sup> transferable to the 21.

October 20's activity forms need not be recounted herein. However, distilling the essence guides understanding quickly.

- A spiritual bond is required to execute the Israelites' mission.
- The mark on the forehead or the mental sealing has been completed. Now see, there is an alluring attraction to all social forms of life offered by the Commonwealth. Personal desires incorporated into the Commonwealth, i.e., social desires revolving around personal relationships, family life, community, and the new Tabernacle.
- The power to fulfilling promises by stepping on necks. Power and authority.
- From Order24J comes Headphone25, which assumes Abrahamic wealth transfer to the Ten Tribes and Judah.
- Jacob's tithing-blessing cycle: as a prosperity blessing, be a blessing to the Gentiles, shifting focus from the Gentiles back to the Israelites, and who, as the investors, take possession of the accumulated wealth or collect the returns on investments. Indeed, that is how the divine wealth cycle works. Appears, disappears, and reappears.

## **October 21's expectation. Monetary Possession Per Abrahamic Covenant.**

- And I will recompense you for the years which the locust, and the caterpillar, and the palmerworm, and the cankerworm have eaten, *even* my great army, which I sent against you. Joel 2:25.

When using 21 as a biblical number means a new beginning and implies fullness, the maturity of the old—the old has no more room to grow and expand. Still, one condition the other, rebellion and beginning seen simultaneously.

**Consider:**

Twenty-one

21

**A time to Rise**

*Beginning the fourteenth day of the first month, ye shall eat unleavened bread from evening, till the twenty-first day of the month, till evening. Exodus 12:18*

**Contemplation of the new and the rebellion**

*But the prince of the kingdom of the Persians withstood me twenty-one days: and behold, Michael, one of the princes, came to help me; and I left him there with the chief of the kingdom of the Persians: Daniel 10:13.*

**New Beginning**

*Hag 2:1 In the seventh month, in the **one and twentieth day** of the month, came the word of the LORD by the prophet Haggai, saying,*

*Yet now be strong, O Zerubbabel, saith the Lord; and strengthen thyself, O Jesus the high priest, the son of Josedech, and let all the people of the land strengthen themselves, saith the Lord, and I will be here to help you with the work, saith the Lord Almighty*

*When you came out of Egypt, I promised that I would always be with you. I am still with you, so do not be afraid.*

<sup>2:6</sup> *For thus saith the LORD of hosts.*

*Yet once, it is a little while,*

- *and I will shake the heavens,*
- *and the earth,*
- *and the sea*
- *and the dry land.*
- *I will overthrow all the nations,*
- *and their treasures will be brought here*
- *and the Temple will be filled with wealth.*
- *and I will fill this house with glory.*

*Hag 2:8 The silver is mine, and the gold is mine, saith the LORD of hosts. For the glory of this house shall be great, the latter more than the former, saith the Lord Almighty: and in this place will I give peace, saith the Lord Almighty, even peace of soul for a possession to everyone that builds, to raise up this temple. Haggai 2:1-9*

### **The Secret to understanding the dimensionality of working TIME.**

At 12:45 am, October 21 commenced with Archangel Raphael's presentation dates to The Judahite.

Without looking at the record, over a year ago, The Judahite shared information about the disintegration of his wristwatch band while on his arm.

Such an alert gave notice to The Judahite of a new system for prophetic timing. The 144k should know that The Judahite receives code dates from three interdimensional zones. With that said, November starts the transitioning period.

Most people have ideas about the exilic return to the Lands of Promise, including teleporting. Such could be the case in some instances. Nevertheless, generally held opinions are disconnected from the view of the Executive Body of Israel. The erroneous beliefs need to be in sync with the sequence execution.

**The point:** many might or might not see everything unfolding simultaneously. Still, November is the month for starting the transition, as seen from one of the three dimensions.

In a different dimension, November third comes as an anchor date. Indeed, three days into November. Such a date might carry two purposes. a). Commencing the Feast of Tabernacle. b). the transitional kick-off hour for the particulars.

Overall, interdimensional times seem inoperable to many. Just remember The Judahite interfaces with three-dimensional time zones as of now.

October still has days to intensify. Remember, numerous processes are in motion simultaneously. Therefore, the work-in-process will pull people into the movement as administrative systems allow.
