

October 27

Declaration Part 1

Weeks ago, The Judahite was given to see the number twenty-seven in an iconographic form. Weeks later, The Judahite received coded dates from the Magistrate's Office that included October 27 and twenty-nine, among other dates.

October 27 came with a mixture of good and bad news. Within the structure, The Judahite will refer to October 19 Arrived as the Communal Spirit to Certify the Checklist within the Communal Charter 19 using the index to guide this presentation.

The Constitutionalized Framework

The index: statutes, doctrinal concepts, precepts, and covenant stipulations.

- a. Biblical prejudgments have affirmed their methodology, i.e., anti-gravity sound waves (vibrations); disconnection of electricity; and closing telecommunication centers.
- b. The methodology of disintegration is particular to the useless, who have managed their recompense—no one else to blame.
- c. The Gentile's legal standards. The Executive Body of Israel will use the Gentiles' standards of measure to evaluate the Gentiles as the same criteria used to judge the Congregation. The measures would no longer be valid when the Commonwealth of Israel reaches its consolidation stage.

God created the earth and everything within.

Only men and women continue to put limitations on Yahawah. What is most egregious is defiant acts of recasting God's creations by asserting before God that they can do better in redesigning his invention forms *without his permission*.

Jesus commanded the wind:

- "And he awoke, and rebuked the wind, and said to the sea, "Peace. Be still." And the wind ceased, and there was a great calm." Mark 4:39.

God is not of sin. Therefore, God doesn't answer to man, and either conforms to man or woman's sinful nature. The unredeemed always seek others to join their spiritual community of Satan, wherein they have lots of fun pointing out God's limitations to others. For example, the talking donkey. The Bible illustrates how insects, birds, spiders, etc., are used for man's understanding.

Satan's spiritual community places limitations on God.

October 27, two distinct Declarations from the Magistrate of Heaven. For now, Declaration Part 1 and Part 2 follow in a separate presentation.

A warning to the RIGHTEOUS:

- “For the rod of the wicked shall not rest upon the lot of the righteous; lest the righteous put forth their hands unto iniquity”. Psalm 125:3

The bad roaches always dig deep holes for others
and always end up falling into their holes.

Their own evil deeds will crush their heads.

Such people dig a deep hole, then fall in it themselves.
Psalm 7:15

The trouble they cause comes back on them, and their heads are crushed by their own evil deeds. Psalm 7:16

Lips of Fools

The lips of a fool bring *him* into troubles, and his bold mouth calls for death. Proverbs 18:6

Proud fools are punished for their stupid talk, but sensible talk can save your life. Proverb 14:3

Mockers will be beaten on back with rods until they cannot move.

Judgments are prepared for mockers, and beatings for the backs of fools. Proverbs 19:29

Death is predetermined

“But when it came before the king, he commanded by letter that the wicked scheme which Haman had devised against the Jews should come back upon his own head, and that he and his sons should be hanged on the gallows.” Esther 9:25

All means will be use

“Drive out the mocker, and conflict will depart; even quarreling and insults will cease.” Proverbs 22:10.

The Executive Body of Israel coordinates Declaration **Part 1** implementation with the Armies of Heaven or the Hosts of Heaven.
