

## Part II

The Magistrate presented The Judahite with illustrations regarding straining out the undesired contaminants. Contrast helps us understand the current situation going on about straining.

- For, lo, I will command, and **I will sift** the house of Israel among all the nations, like as corn is sifted in a sieve, yet shall not the least grain fall upon the earth. Amos 9:9

Indeed, the ten tribes of Israel of the Northern Kingdom became integrated with the Gentile nations worldwide yet retained aspects of collective memory about their biblical identity in the subconscious to be awakened at the end times.

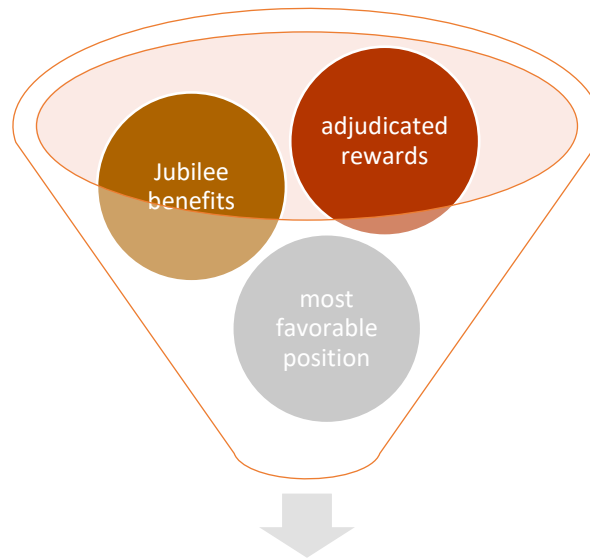

Due to integrating with the Gentiles for thousands of years within many social forms of activities of society, the now occurring sifting is necessary as part of the transitional process.

Unlike before, The Judahite received specific illustrations of gesturing motives being sifted out. Consider:

- a. Falsely, reaching for Jubilee benefits associated with the Year of Jubilee.
- b. Falsely, going for adjudicated rewards contained in ORDER24J.
- c. Falsely, associating with Seventy years prophecy to obtain the most favorable position.

## Straining Results

*“Behold, the days come, saith the LORD, that I will perform that good thing which I have promised unto the house of Israel and to the house of Judah.” Jeremiah 33:14*

### The Third Shaking

We can expect the Earth to be hit by an asteroid or a planetary shift causing the third shaking.

- *I will shake all the nations, and they will come with all their treasures, and I will fill this house with glory, says the LORD of Hosts. Haggai 2:7*

## May 12

The Magistrate of Second Heaven once again dramatically reminded The Judahite of his iron rod of authority.

Page | 3

The iron rod has the power and force from **the Armies of Heaven** to bring men and women and governments to their knees when acting contrary to Yeshua's theocracy.

To be expected, many will directly experience the iron rod's authority. Moreover, expect the Executive Body of Israel in Exile to use the iron rod to punish Judah and Israel as a mandate.

- *"And you, My servant Jacob, do not be afraid, declares the LORD, for I am with you. Though I **will completely destroy all the nations** to which I have banished you, I will not completely destroy you. Yet I will discipline you justly and will by no means leave you unpunished."* Jeremiah 46:28
