

Usually, December hosts above-average supernatural events more than other months, yet successive December signs since 2017 augment predesigned ideals for this year of 2022. For example, the activity signs of 2021, angelically influenced, led The Judahite to formulate the 5/12 Oath codification.

### Background

On December 2, 2021, The Judahite supernaturally discovered a five-gallon bucket with water running around the outside bottom. The phenomenon occurred once before. Because the year was not recorded, as noted in different presentations, say, in 2015, The Judahite's bathroom carpet rug became saturated supernaturally, taking seven days to dry out by sunlight.

Consider 5/12 composite. 5= the five-gallon bucket that symbolizes the well that Abraham dug in an agreement. Because the Abrahamic 400-years reached its prophetic date in 2019 along with the year of **Jubilee**, The Judahite fashioned the five-gallon bucket water sign into the 5/12 Oath.

Taking Abimelech at his word, Abraham went into his herd of sheep and selected seven female sheep and gave them to Abimelech, who asked for the meaning of the ewe lambs.

- *Abraham replied, "Please accept these seven lambs to show your agreement that I dug this well." Genesis 21:30*
- *Then he named the place Beersheba (which means "well of the oath") because that was where they had sworn the oath. 21:32*

After Abraham's death, the Philistines infilled the wells again. Later, Isaac reopened the wells for farming and watering his massive herd of animals. Isaac retained the names of the wells Beersheba meaning the *well of seven*.

Next. The Judahite made a fraction to express the Oath.  $7 + 5 = 12$ . The well of *seven* will always overflow to provide flourishing life to plants, animals, human needs, and farming upon returning home. Hence, the expression 5/12 Oath.

On December 17, under angelic guidance, Psalms 15, combined with Psalms 11,12, 13, and 14, codified the 5/12 Oath. The Psalms enclose the Oath with the following:

- (1) Conviction in divine power.
- (2) supplications to meet our daily needs.
- (3) petitioning for restoration.
- (4) being in a strange land, we await the departure of salvation from Zion to lead Israel to the Lands of Promise.
- (5) we are the new temple, for no iniquity has been found in Judah as specified by Jeremiah.

December 17 codifies the 5/12 Pledge.

On **January 24, 2022**, the Magistrate of Heaven issued an Order that incorporated the 5/12 Oath. **Now known as ORDER24J.**

### The Second Order

In a subsequent order to personalize the hopes and aspirations of the individual petitioners, the Magistrate issued order Headphone25.

## December 2022

Sun	Mon	Tue	Wed	Thu	Fri	Sat
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

The highlighted days in yellow are oracle days, for they flashed signal years ago and reconfirmed. Red colored numbers, given last week, are correlational to twenty-two and twenty-three.

October 9<sup>th</sup> and December 9<sup>th</sup>, the two 9s, signal the phases of maturity in general and particularly in private/personal matters. Indeed, nine marks the final stage, not **on the actual day of 9**, though the answer can appear on the 9<sup>th</sup>, depending on the quantitative growth evolution. Nine represents resolution. For example, Babylon has Fallen, a quantitative solution that implies all the preparation required to fade Babylon out of existence.

The Gecko appeared to demarcate resolute endings and beginnings. Its molting represented dead.

Under the Feast of Dedication II, **inaugurated by Jesus on December 4<sup>th</sup>**, the 9<sup>th</sup> correlates with the twenty-three day of both months. Thus, there is balance and harmony.

Furthermore, Peter, John, and other Apostles stood in the same spot where Jesus stood on December 4<sup>th</sup> and was in one accord, and they healed many people.

### King Solomon inaugurated the Temple

*Then on the twenty-third day of the seventh month, Solomon sent everyone home. They left very happy because of all the good things the LORD had done for David and Solomon, and for his people Israel. 2 Chronicles 7:10*

Harmony manifested on November 23 and will be seen on December 9<sup>th</sup>, under Dedication II, with extras or add-ons. Therefore, consider King Solomon sent the Congregation home, having focus on the Holy Spirit that enabled David, Solomon, and the Israelites to complete the spiritualized design patterned after the heavenly Temple.

Now under the Feast of Dedication, the biblical 23 diffuses the essentials extras **a)** companionship; **b)** creativity; **c)** teamwork; **d)** divine reassurance of **1)** protection, **2)** upholding the 5/12 Oath, **3)** supporting endeavors, and **4) love**.

Overall, the nine spirits combine biblical 23 on December 9<sup>th</sup>. Moreover, on the 23<sup>rd</sup>, Galatians 5:22-23 states. *“The nine fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control.”*

## Twenty

The Judahite received an oracle on December 20, 2019, about ending the countless schemes of stealing and defrauding, though the practice would continue for years to come. Stealing is a necessary de facto societal institution for preserving the financial industry.

### **The Curse of Stealing**

- *Then he said to me, "On it is written the curse that is to go out over the whole land. On one side of the scroll, it says that every thief will be removed from the land; and on the other side it says that everyone who tells lies under oath will also be taken away. Zach 5:3*
- *The LORD Almighty says that he will send this curse out, and it will enter the house of every thief and the house of everyone who tells lies under oath. It will remain in their houses and leave them in ruins."*

The act on the 20<sup>th</sup> epitomizes Zachariah's Curse of stealing, and since then, The Judahite looked forward to the resolution day.

## **Twenty-two**

An oracle came to The Judahite on the 22nd to symbolize pain and hurt associated with disorganization and disintegration. Many people misrepresent the LORD's guided missions. They corrupt both the Word and prophetic words of the LORD. Standing in direct opposition to Judah, the electronic propaganda industry has no limits on what comes from the forked tongue. Each day, the reality of living in the pre-flood days is substantiated by people's tongues and social behavior. There are two camps in the world: Christ and the antichrist. Why waste time on those in the antichrist camp? The right question is: what is the point of giving time to the antichrist camp? **The devil does what the devil is programmed to do!**

Particularly in the house of Israel, many members of the twelve tribes still cannot affiliate correctly with their tribal association.

Despite December being the month for giving and Christmas Day being well known for sharing, the LORD's Word stands for the disintegration of old traditions. Once restoring tribal consciousness, traditions will disintegrate. For example, the Festival of Lights and Dedication II will continue to be significant steps toward matching tribal affiliation.
