

Part III

Past, Present, and Future.

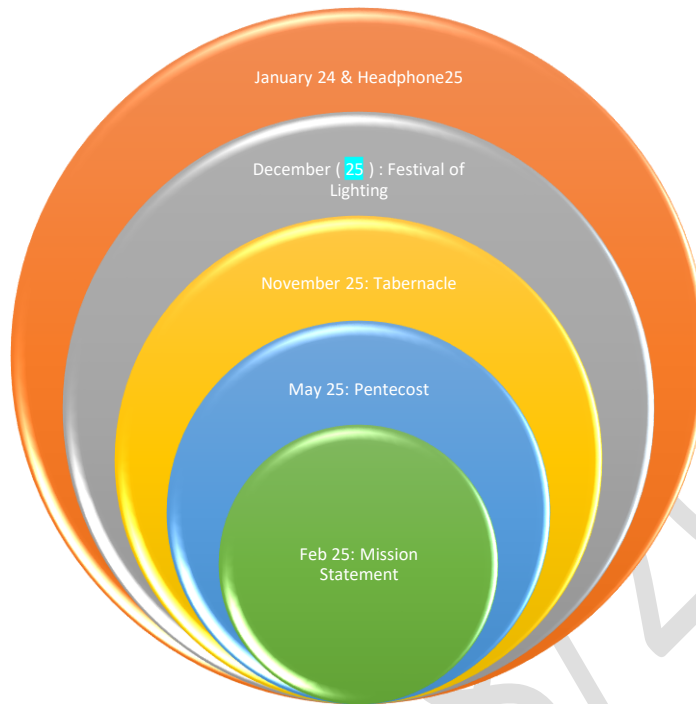

Festival of Lighting

In review, December dates received by The Judahite did not come from any of the three interdimensional time zones. Still, they are being accepted through oracles of the supernatural to enrich the pre-stated outlined contents.

November 23 appeared out of Tabernacle as a transitory link to December 9, the Feast of Dedication II, which correlates with 23. Moreover, the 22 and 23 of December appeared in correlation with Dec. 9th; hence, doctrinally, Tabernacle and Dedicated II combined under the New Covenant.

For a better understanding of dates, Oracle's content dates synchronize with preset objectives. Conditional dates roll along, year after year, thematically in some cases. In other cases, by heavenly signs independent of epochs, yet as guidelines, we constitute enriched predecessors to historical milestones.

Consider the electro frequency waves on February 25, announcing the completion of Yeshua's Mission Statement for the House of Israel. In electromagnetic wavelength frequency, known as Soundwave25, the Mission Statement manifests itself in different situations to accomplish stated results. To stay connected, we are given the consistency number 25 to track Soundwave25 over the years. Look.

Dates of December. The Judahite at no time received 25 in association with December. That said, December 23 is an oracle date for collecting and throwing away the rejected, the uselessness, and the unworthy. Over the years, the 23 has established content verification. On the 23 of December, the oracle appears with the same message. Likewise, on the 30th, the ending of the Festival of Lighting was noted by The Judahite. Again, the pattern establishes itself.

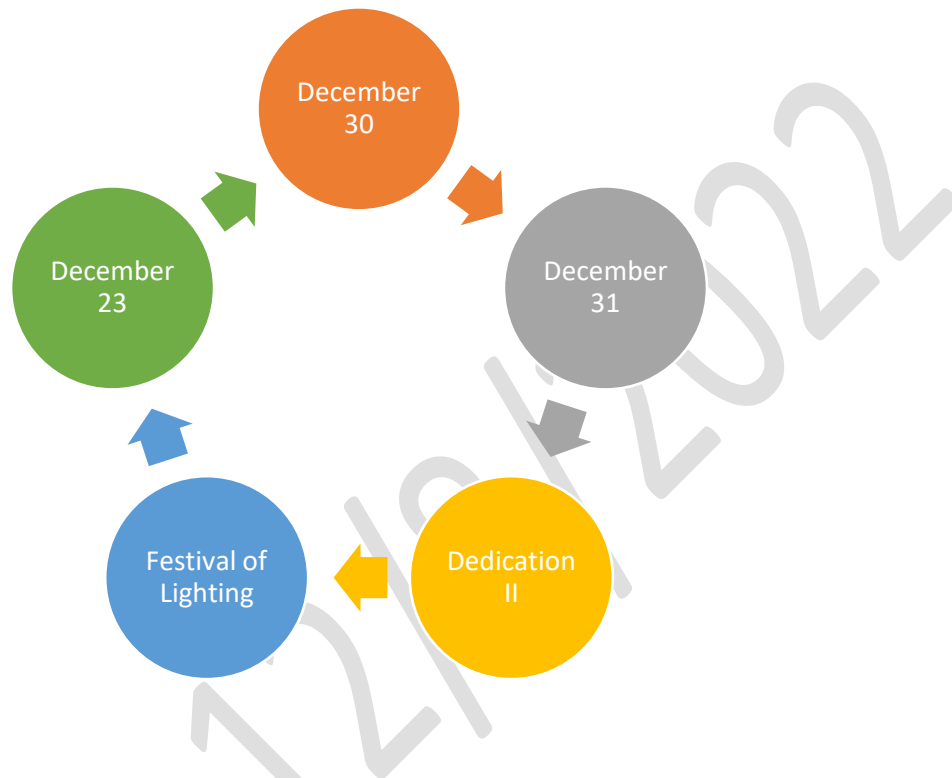

Only when going back over the records, The Judahite sees the same pattern regarding forms of heat energy representing the Holy Spirit on December 16th. Thus, 16, 23, and 30 appear as repeated patterns. Still, The Judahite retains the oracles regarding the 29 and 31.

December 25

Given that Yeshua was not born on December 25, a new tradition is being birth that celebrates the twelve tribes' identity restoration, resting on Yeshua's Mission Statement of Soundwave25. Through Soundwave technology, Yeshua announced his anointed Mission on Earth: "to proclaim liberty to the captives and recovery of sight to the blind, to release the oppressed." Luke 4:18

December 23 is each person's internal reference date for rejecting the uselessness and unworthiness in daily life as we model after the Maccabees—a shrine of Rededication. A miracle.

After the Judean Civil War, a war of internal **belief systems**, the Maccabees went to the Temple after years of fighting to clean it and relit the Temple's menorah on one's days of oil that burned for eight days. From the 23rd to the 30th counts **eight days**!

Like last year, The Judahite petitions the Holy Spirit to gift each Israelite with their tribal identities on December 25. Hallelujah! The New Festival of Lights celebrates Yeshua's Mission Statement (Soundwave25). From now on, December 25, the resurrection of Ezekiel's prophetic vision of the Dry Bones' reassembly, tribal reaffiliations.

Only the Holy Spirit can re-assemble tribal affiliations.

The New Festival of Lighting has a future driven by Yeshua's Mission Statement.

Thus, the Festival of Lighting obligates Israel's tribal nations:

- *No one lights a lamp and puts it under a basket. Instead, everyone who lights a lamp puts it on a lamp stand. Then its light shines on everyone in the house.*
- *So let your light shine before men, that they may see your good works, and glorify your Father who is in heaven. Mat 5:16*

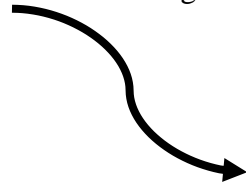

December

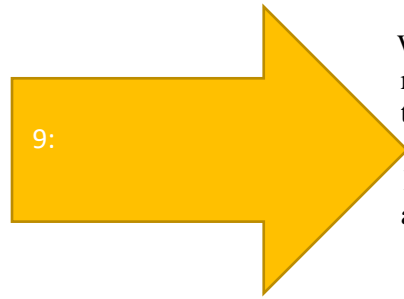

- 7: “And it was said unto him: Know thou beforehand that thy seed shall be a stranger in a land not their own, and they shall bring them under bondage, and afflict them four hundred years. But I will punish the nation that enslaves them, and when they leave that foreign land, they will take great wealth with them.” Genesis 15:13-14

What I mean is this: The law that came 430 years later does not revoke the covenant previously established by God, so as to nullify the promise. Galatians 3:17

8: Four things on earth are small, yet they are exceedingly wise: Proverbs 30:24

Walk in the manner of the ant, O slacker; observe its ways and become wise.
Proverbs 6:6

9:

What I mean is this: The law that came 430 years later does not revoke the covenant previously established by God, so as to nullify the promise (to Abraham). Galatians 3:17

My soul thirsts for God, for the living God. When may I come and appear in God's presence? Psalm 42:2
