

October 10th is one of the anchor dates in the month of October.

Introduction

The biblical number ten has significance when denoting commitment of faith in God as seen in Israel's prophetic traditions. Moreover, under subject matter jurisdictions about biblical prophecies given by Yahawah to his servants and prophets, life has an infinite number of biblical topics per season. Each cycle, existing multi-layered within its category, pushes its growth and expansion accompanied by the strength of endurance and commitment having predetermined outcomes.

When Biblical ten appears, we have the assurance in that the ORDERLY arrangement of proactive principles, or the affirmative composites is in place for implementable purposes. Consider the following,

- The Ten Commandments for moral living.
- Tithe, meaning ten. Jacob made an oath to give his ten sons to the world as a blessing. Thus, the world has been blessed by Israel's ten sons. Abraham promised to offered tithing to the LORD, but he had no heir. (Malachi 3:8-22; Hebrews 7). Israel came and formalized the oath of the gift offering to the world, as seen in Nebuchadnezzar's global tree of economic prosperity.
- Ten fingers and ten toes. Ten= a divine order. Man's responsibility to God. Ten times pharaoh did not listen to the LORD and in correspondence ten plagues and ten rewards for the Israelites.
- Revelation 13:3-8 gives us a basis for understanding the functional relations among the Serpent, Beast, and the Red Dragon.

October 9 is one of several ancillary dates for October.

The Symposium on Critical Processes

The Judahite views October 9 as an ancillary date. Nine comes before 10. The Judahite was not in control of the day or determined the events of the day; still, the day became a symposium of critical processes, which The Judahite has discussed with emphasis over the years. The symposiarch, *the sign of spirits*, directed the scheduled agenda, NOT The Judahite.

A brief review. End times' prophecies focus on:

(1) the fall of Mystery Babylon.

October 10 exhibits its significance

(2) the multi-level tactical weapons against the Chaldeans.

(3) the death of the Second Beast.

(4) purging Zionism (false Jews) from the land of Israel.

(5) defeat the False Prophet.

(6) killing the Red Dragon (imperialism).

All the above fall into the category of anti-exilic Israel and Judah, who are pro-Commonwealth of Israel and the construction of the Stone Kingdom.

The symposiarch, *the sign of spirits*, directed The Judahite's attention as outlined.

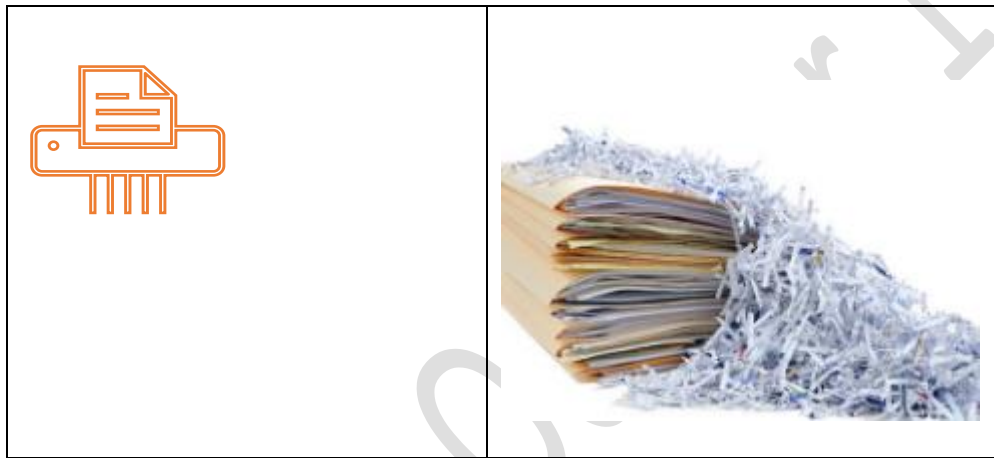

I.

The Executive Body of Israel will dismember the current banking and financial industries.

Truly, the Executive Body of Israel will shred the banking and financial industry with its commercial relationships, including all industries. Certainly, the Executive Body will act under the Second Heaven Magistrate's judicial orders.

In focus, Gabriel's flying scroll, a planetary declaration, addressed to institutionalized offices and homes specifically to those who have stolen & steal and told & tell lies in support of the entire system of capitalism and imperialism, having their foundational footing as fraud and defrauding. Therefore, the Magistrate's Order is for personalized destruction with no exceptions.

- *Then he told me: This scroll puts a curse on everyone in the land who steals or tells lies. The writing on one side talks about the destruction of those who steal, while the writing on the other side tells about the destruction of those who lie. Zachariah 5:3*

II.

Imperialism

The 144k can best understand the system of imperialism in relational conflict over opposing economic interests of the Commonwealth of Israel.

The Executive Body of Israel will erect new structural components, administrative systems, and departments to resolve the conflict. Proportionally, the old systems will collapse automatically without the necessary mainstay of Judah.

As an analogy, think of meal plates on a table. According to the Commonwealth's policy recipes, the Executive Body will take the best of the old systems and cook them into a meal.

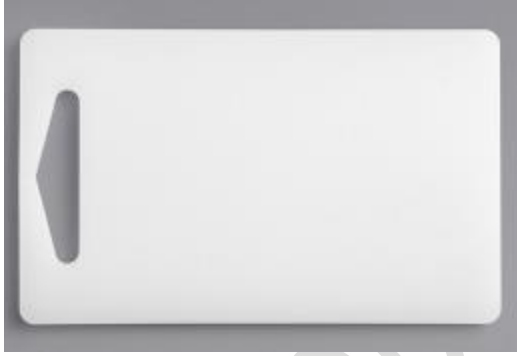

The Executive Body will organize its administrative systems in such a way as to take care of everyone by region. Consider the best of the old system will integrate with new economic policies of the Commonwealth so all will benefit fully in the progression of time. When the Executive Body destroys the senior policies of capitalism and imperialism, the 144K and Firstfruits will sit down for a full course meal, a statement that proves the Executive Body met the daily needs of the Congregation. NOT The Judahite. Continuing:**

<p><i>“According as thou sawest that the stone was cut out of the mountain without hands, and broke in pieces, the clay, and the iron, and the brass, and the silver, and the gold, the great God hath shewn the king what shall come to pass hereafter, and the dream is true, and the interpretation thereof is faithful.” Daniel 2:45</i></p>	<p>The cutting board symbolizes the stone cut from the mountain, breaking all Gentile kingdoms into pieces.</p>

IV. The Pantry

The two falling shelves represent two prophetic.

- Replanting and
- Protection and security.

V.

Prophetic Frequency waves

In particular to The Judahite, the kitchen sink is where prophetic waves flow, asserting one basin of indivisible sanctification, one supreme God (Yahawah), one people at the world's foundation, and one-mission purpose of life. The heavens mandate the elimination of uncleaned spirits manifested through attachments, seen in anything.

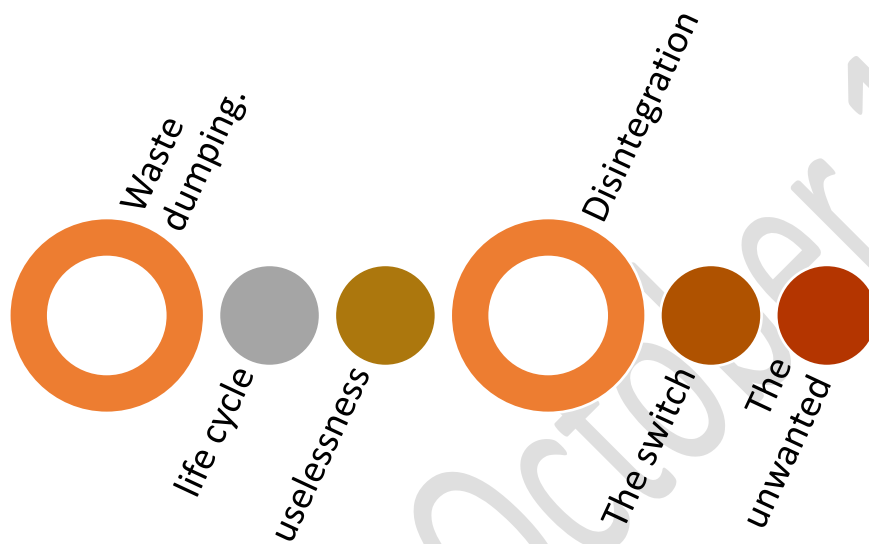

VI.

The Desk of Authority

VII.

The Waste dumping of the useless.

VIII.

The Fire of Judgment
