

Part VII

December arrived with a procession of dates from the three interdimensional time zones, which we can embrace with 100% confidence.

At a particular stage of evolution, civilization used mathematics to quantify and for higher levels of abstraction to sustain life. The account of seven days of creation gives us a system of seven—seven days a week. Additionally, seven implies another day expressed as $7 + 1 = 8$.

In the era of prehistoric Egypt, say, 13,000 years ago, ancient people step-by-step used simple math for planting; otherwise, the population would have continued to be at the mercy of fate. Bye-and-bye, they learned to control the Nile River.

The seven days of creation assigned each day a numeric value. Still today, we use each day of creation dogmatically. Beyond the seven days of creation, the Scriptures use numeric value to teach through evolutionary steps. Through numbers, we can remain connected to prophesy, history told in advance and our evolutionary stage of social development.

It took the Scriptures over fifteen hundred years to write, and as such, we can draw from many situations in which numbers define their own contextual meaning. Thus, it is essential for us to be Scripturally based when using numbers; otherwise, using a different foundational system of numbers can put one into an illusion.

Now in December, we use the numbers given under the season of Dedication II and the Festival of Lighting. However, the season represents a summation of seasons in which prophetic events matured, like at the end of 400 years that notes Judah's jurisdictional restriction and the start of Judah's prophetic authority over Israel. So, when considering 2022's prophetic events, including the expiration of Jacob's tithing-blessing to the Gentiles' social systems, the December dates have coherency supporting one outcome.

The Judahite has given the appropriate hermeneutics to use as the dates unfold.

Using the tools

The Judahite has defined the mathematical term FACTOR AND MULTIPLE. The Judahite collected the definitions from an online dictionary.

Factor

Mathematics. one of two or more numbers, algebraic expressions, or the like, that when multiplied together produce a given product; a divisor: 6 and 3 are factors of 18.

Mathematics. to express (a mathematical quantity) as a product of two or more quantities of like kind, as $30 = 2 \cdot 3 \cdot 5$, or $x^2 - y^2 = (x + y)(x - y)$.

Multiple

Mathematics. a number that contains another number an integral number of times without a remainder: *12 is a multiple of 3.*

Or

the product of a given number or polynomial and any other one ϕ is a multiple of 2.

Gematria is another system of interpretation

The Judahite will again go online for the definition of Gematria.

Gematria

A cabbalistic system of interpretation of the Scriptures wherein a process by which numerical values are ascribed to the letters of the Hebrew alphabet.

Knowing the correct name for God is crucial as we mature in knowledge. Likewise, the name Yeshua. For example, there are several name versions of the name of God. The Judahite embraces the name Yahawah, which is derived from counting every fifty words in the Torah and arranging them with the outcome spelling Yahawah. Continuing to use the name Jesus will be fine because people must grow into knowledge; as a rule, people progress at different speeds.

19th

The day that ushered in a very high level of vibrational energy moving according to the heavenly Law of Oath. A statement of facts, an assertion of facts, and concrete realization are the divine alignment of law.

The Judahite and others can look forward to prosperity, good health, and happiness. While true, this day is double-edged. Vibrational energy resides in the affirmative assessment for action. Consider the judgmental scope of 19.

- Her palaces will be overgrown with thorns, her fortified cities, with thistles and briers. She will become a dwelling for jackals, an abode for ostriches. Isaiah 34:13
- Hyenas will howl in her fortresses and jackals in her luxurious palaces. Babylon's time is at hand, and her days will not be prolonged. [Isaiah 13:22](#)

- Woe to you, scribes and Pharisees, hypocrites! For you are like tombs having been whitewashed, which indeed outwardly appear beautiful, but inside they are full of bones of *the* dead, and of all impurity. **Matthew 23:27**
- In the same way, on the outside you appear to be righteous, but on the inside, you are full of hypocrisy and wickedness. Matthew 23:28
- David was near the town of Bahurim when a man came out and started cursing him. The man was Shimei the son of Gera, and he was one of Saul's distant relatives. 2 Samuel 16:5-6
He threw stones at David, at his soldiers, and at everyone else, including the bodyguards who walked on each side of David.
- Woe to you! For you are like unmarked graves, which men walk over without even noticing."
Luke 11:44

19 concludes with the messenger underlining the Law of Oath that the banking and financial system will be shredded.

20th

The twentieth of December delivered the long expectancy of accountability and responsibility of service to the Season of identity recovery.

December 3, 17, 27, and 29 came through the interdimensional Expurgation Time Zone with all the necessary confirmation.

21st

Consistent with the biblical meaning 21 that reveals fighting, rebellion, and arguments expressing authoritative points of view.

The Judahite resumed his efforts from the 18th with no solution yet, although expecting a partial solution. However, the final resolution is in the law of the Man-child.

Biblical twenty-one is not confined to The Judahite. 21's enlarged scope covers all events related to Judah and Israel's movements according to the Abrahamic Covenant and Jerimiah's Seventy-year prophecy.

The war in Ukraine has emerged as a connection. No time will be given to the ramifications herein. However, the only point made is that the war is prophetic.

Zelensky gave a roughly half-hour address to a joint session of Congress in English on Wednesday night, voicing gratitude for the military aid given to his country while pleading for more. The address followed a meeting with President Joe Biden, whose administration unveiled a \$1.85 billion assistance package earlier in the day featuring a Patriot missile system
