

THE FEAST OF WEEKS OR PENTECOST

Remember, the appointed Feast Days give us the seasons for predictive events. Christ advises us to Watch and Pray. For sure, High Watch Days are associated with divinely appointed days. May 27, 2022, will arrive as the prophetic day of Pentecost. Thus, the host of heaven has **emphasized** the date, though not to de-emphasize the other Weeks. Consider, therefore, the Weeks as unfolding steps leading to May 27, 2022.

The Black Moon and the regulatory dates are now aligned with the universe. The Black Moon has already revealed its significance in the posted dates leading to Pentecost. The Black Moon, April 30, 2022, marks the importance of May and the Feast of Weeks.

Introduction

At the beginning of the year, The Judahite stated his forecast for 2022 would follow the same outlined programmatic contents as in previous years. The appointed Feast Days give us the seasons for predictive events. Christ advises us to Watch and Pray. For sure, High Watch Days are associated with Feast Days.

Americanized Feast Days account for the unfulfilled appointed Feast Day that assigned The Judahite the task to establish structure, compartmentalize designed occurrences into their proper seasons and times. In a word, categorize the structural components. First-step-first, **the dates associated with certified practices will NOT change** because The Judahite received them from angels and the Second Court of Heaven.

Soon a department will be organized to refine in phases the structural contents of each category. In the meantime, prophetic events will continue to move swiftly, unfolding in real-time; hence, the importance having a workable outlined structure for many to follow as taglines.

It is very common for people to become disconnected from reality during social upheaval or revolutionary changes. Swiftly moving events always overtake people who are not connected to the driving engine of change. For those without a connection, one's perception of reality no longer has corresponding links to real-time realities, talking nonsense is the mental sign of disconnection.

2022 Feast of Weeks is expected to touch many people directly, for what is now considered normal will no longer be the case. Unlike before, the month of May, a modality of conformational disassociation, has more dates than before. The Judahite has received specific dates that will be displayed.

May 27, 2022 will come as the official day of Pentecost or Firstfruits. Therefore, a convocation will be held.

How would this be done? The mechanics involves the congregational exiles around the world embracing the FEAST of Pentecost. There are a few congregational groups in the USA that annually practice the Feast of Pentecost.

Organizing the Convocation is easy.

Christian church members should organize within their church an observance. The gathering can be any place to accommodate expected numbers of attendants. Not a church Christian! No problem. Ten or more people is the same as fifty.

There is an immaturity problem, but not prominent.

Currently, a standardized assembly program doesn't exist. However, in the weeks to come, guidance will be given. Still, herein is a format that will enable the **Daughters of Zion** to start planning for May 27 Convocation. A word of caution: don't try to overdo the Feast. It is best to have a small group with high-quality than a large group without concentrated focus.

May 27, 2021, The Prophetic Day Pentecost, and The New Covenant Ratified May 27, 2021 presentations will anchor the assembly service.

The Deontology's immaturity.

CONVOCATION FOR THE FULL HOUSE OF ISRAEL

The essential thrust of Pentecost is rooted in Jacob's vow.

- *Then Jacob made a vow, saying, If God shall be with me, and shall keep me in the way by which I walk, and give me bread to eat and clothing to put on, And I shall return prosperously to my father's house: the Lord shall be my God.* Genesis 28: 20 & 21.
- I am the God of Bethel, where you anointed the pillar and made a solemn vow to Me. Now get up and leave this land at once and return to your native land. Genesis 31:13.

Deontologist:

As deontologists to the New Covenant, the liturgy for the Feast of Pentecost revolves around the opportunities to build the Stone Kingdom once we are placed in our territory.

- And as I have watched over them, to pluck up, and to throw down, and to scatter, and destroy, and afflict so, will I watch over them, to build up, and to plant them, saith the Lord. Jeremiah 31:28

[Feel free to add to the draft outlined liturgy. The essential core is in place, you as the deontologists; therefore, the requirement is to arrange an orderly service for Pentecost's fulfillment.]

PENTECOST

Placing the Feast of Pentecost in the proper Perspective

Pentecost Sunday is a substitution for the Feast of Pentecost, yet little to no thought to rectify the arrangement. However, there appears to be a psychological rectification by speaking in tongues, which is quite prevalent in the Christian Community.

Putting Pentecost Sunday in perspective, truly, the Holy Spirit unlocked the synapses in the brain to allow the universal Word of God to resonate around the soul and into the ear despite the different spoken languages on Pentecost Sunday.

Pentecost Sunday stands as a milestone within the Feast of Pentecost, not as its observant commencement. Overall, Pentecost Sunday is the milestone that drives the Holy Spirit's design work. First, Christ had to complete his public ministry and return to his Father in Heaven to make the Holy Spirit's actualized implantation possible.

“Faith then cometh by hearing; and hearing by the word of Christ.” Roman 10:17

Leviticus 23:15-22 establishes the regulatory code for Shavuot or Pentecost. Look at the requirements:

- “Three times in a year shall all thy males appear before the LORD thy God in the place which he shall choose; in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles: and they shall not appear before the LORD empty.” Deut. 16:16

Consistent with Deuteronomy 16:16, Christ instructed his disciples to go to Jerusalem and wait. What? Repeat! Within eight minutes of Christ's ascension, he instructed his disciples to return to Jerusalem and wait for the COMFORTER, who the FATHER will send! Acts 1:4

Pentecost Sunday

There came a divine wind that circled the building where the disciples were stationed. Upon their heads stood tongues of fire. What? Repeat! The Holy Spirit that caused speech defects within the disobedient citizens of Babel is the same Holy Spirit that unblocked the neurotransmitters through the **Word** activation when the Apostles specifically stood and testified about Yeshua's New Testament.

The Apostle Age

The Age of the supernatural ministry that caused the spread of Christianity from Jerusalem came to rest in Asia Minor and took root within the Byzantine Empire, lasting over eleven hundred years, longer than the Imperial Roman Empire. Yes, the iron of might within governance fell from the pages of history through the Redeemer's New Testament.

Many in the professional Christian ministry have fashioned many variations of the Apostle Age. Certain personalized practices are considered *stylized delivery of the Word* without and with distortions. On the positive side, stylized delivery is flexible. Still, it is best to stay close to the Apostles' traditions to prevent running the risk of people picking up on any stylized delivery that would turn the delivery in the wrong direction. History is full of people misusing aspects of the Scriptures. Look, Peter and Paul encountered erroneous practices.

Take Notice

The 144k and Firstfruits will use John 15:26 as a pledge to remove from the Congregation those who mock the Spirit of Truth.

But when the Comforter is come, whom I will send unto you from the Father, *even* the Spirit of truth, which proceedeth from the Father, **he shall testify of me.** John 15:26

When omitting the obligation of **testifying** about Yeshua's New Testament, communication problems appear in all forms. Technical illustrations dramatize the issue at hand.

Question:

Who is communicating to whom?

No Assumptions are allowed.

A direct answer.

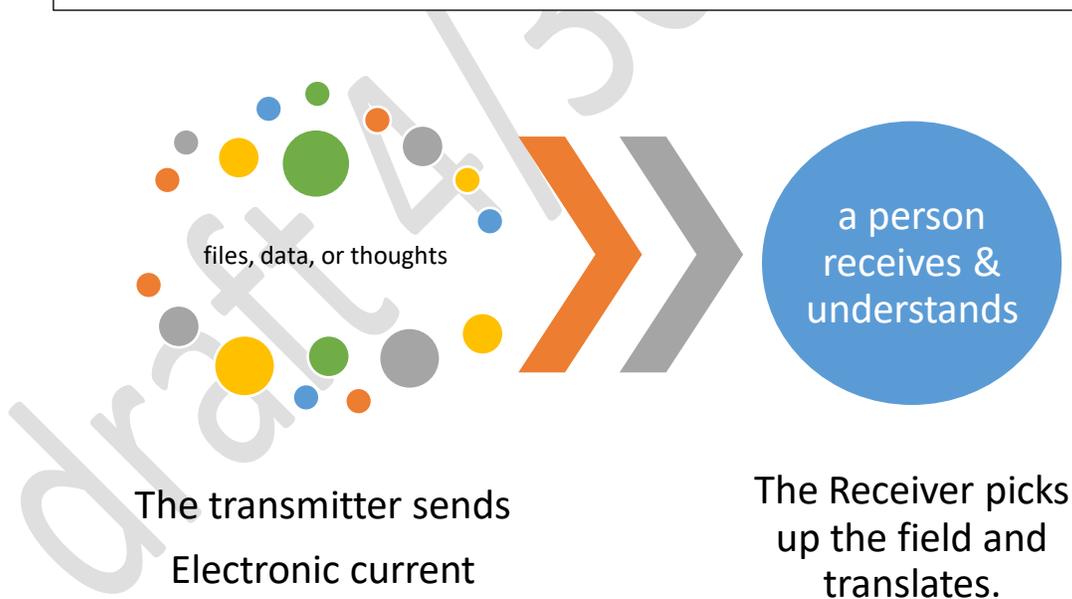

It is widespread for a perpetrator to use an electronic device either within pockets or in a case to transfer electronic data from the victim's database or files either to their device or to a pre-designated host.

The Transmitter sends to the Receiver formatted Information.

Consider, the availability of technology to capture one's private information. For example, if you walk into a store, one's phone number is captured electronically, though one doesn't know it. Another example, at the U.S. State Department, a Chinese delegation arrived. Out of security concerns, all the computers were shut down because the Chinese had devices to capture all databases without going to the IT center. On balance, other countries do the same thing.

The Pledge

The 144k and Firstfruits pledge to remove those who cannot directly **testify** about Christ in Truth will be removed from the Congregation. Not to do so would be supporting Nimrod's spirit of disobedience that **lives** in misdirecting the Word. The essence of disunity blocks the Word by perpetually seeking different spoken languages in the less common denominator. Nimrod was a mighty hunter before the LORD, yet disobedient.

Peter, in the spirit of Christ, doxologized Joel 2:28 On Pentecost Sunday

“And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions.”

Paul and Peter on Pentecost's Precept: Confrontational Disassociation.

Who was in Jerusalem on Pentecost Sunday? The exilic Israelites from the Northern Kingdom were at the required Passover Feast; those who could afford to make the journey attended.

Acts 2:32-33 tell of Peter's eyewitness account of Christ's resurrection. Peter called out those in the crowd who were instruments of Caiaphas' Antichrist model, still used today in part and whole. They asked, what shall we do to right a wrong? Repent. Peter continued to work among the dispersed tribal members of Israel within and outside of Judea.

Regarding Paul, he had a dedicated mission to work with the Gentiles. Paul highlights the character spirit of Pentecost. In 1 Corinthians 16:8, Paul decided to stay in Ephesus until Pentecost because the silversmith created turmoil (Acts 19:23-41). Demetrius, the silversmith, saw the demise of his craft that produced shrines to goddess Diana if people turned to follow Paul.

In Ephesus, Paul presents a reflective illustration of Elijah's confrontation with Baal's priests, a contest to prove whose God is the Most-High God.

Paul stayed in Ephesus, way passed his scheduled departure, never backing down from a good fight, to engage aspects of Caiaphas' Antichrist model by checking Demetrius' mob action against Paul and his followers.

Christ's Mission Statement.

A criterion for the Firstfruits.

As a self-theoretical application, Firstfruits proactively drive disassociation continuously, as the only procedure for replicating their Character.

Pentecost's Keystone Precept

James I: 17 & 18

Every best gift, and every perfect gift, is from above, coming down from the Father of lights, with whom there is no change, nor shadow of alteration.
Of His own will He brought us forth by the word of truth, that we might be a kind of Firstfruits of His creatures.

America's Evolutionary adoption of Shavuot

Judah and the Ten Tribes of Israel carry the victimization of their ancestors for having rejected the blessings set forth by Moses and embraced the Curses.

A few groups of African-American Israelites have searched the reconnections to their biblical history over the past fifteen years. Indeed, it has been a long-dedicated search. From observation, different researchers found different data pieces of their exilic history. In truth, many searchers obtained information about their Shemic religious practices from the Jews because they were the best representation of Jewish history. Like many belief systems, one takes and leaves that which is non-agreeable to oneself for any reason. Such has been the case with the Hebrew Shemites.

At Last, Nat Turner

- God purposely chose what the world considers nonsense in order to shame the wise, and he chose what the world considers weak in order to shame the powerful.

Nat Turner opened the gateway to knowledge about the unfulfilled Feast Days. Once The Judahite embraced the trail markers left by Nat, all questions were answered step-by-step toward a comprehensive view of the appointed Feast Days.

Honestly, years of dedication to each step forward, on and on, until the overall understanding of the Feast Days forced The Judahite to make a separation from the Jews' current feast model.

Since 2017, The Judahite embraced the month of May as the Feast of Weeks, Feast of Harvest, and Firstfruits. On any day during the month, surface confrontational events augment the plea for resolution.

Traditional Pentecost falls within the third week of May. The Judahite adopted the third Sabbath as Pentecost Sabbath because of events on the third Sabbath. The fourth week rounds off the prophetic resolution summary, the communicate on the progressive steps taken to obtain the promise.

**Realigning the Tabernacle
using the plumb bob of Christ's
Mission Statement.**

“The Spirit of the LORD *is* upon Me—He has anointed Me

- ❖ To preach the gospel to *the* poor,
- ❖ He has sent Me to heal the brokenhearted,
- ❖ To proclaim liberty to *the* captives,
- ❖ And recovery of sight to *the* blind,
- ❖ *To* set at liberty those who are oppressed.” Luke 4:18

While on earth, Christ modeled his Mission Statement for John the Baptist in response to his question.

Generally, the people of Judea saw no real satisfactory **political** and **economic** benefits in Yeshua's mission. The Romans ruled with an iron hand, compelling people to seek real-time solutions to daily problems. At hand options: three political trends emerged out of Judeans' national debate on Judea's future. **A)** Barabbas' movement advocated warfare and the overthrow of Rome. The Maccabees inspired them. **B)** The most influential priests sided with Herod's monarchy to enforce Roman policies. **C)** Christ's concentrated mission fulfilled the Old Testament prophecies about him as the Redeemer giving a new way of looking at the world and spiritual models for social interaction within the Congregation.

Without a revolutionary theory to guide policy programs, the pathway is dark, and the leaders always fall into a ditch. Even today, political leaders are lost for many different reasons. Accordingly, Christ's teaching led to the demise of Imperial Rome around AD 385-400, the dust of time sweet them from the pages of history.

Christ already knew that his mission on the earth would come in two stages. Jerusalem's destruction would be necessary to make way for Jacob's tithing-blessing to the world, as confirmed by Daniel's regrowth tree of global prosperity.

Christ's first coming aimed to form a new mental constitution around the New Testament. For example, people's had to free their way of thinking. The Redeemer came with a new way of thinking to liberate people from spiritual deprivation. His Mission Statement.

Today, we live, and practice moral principles required for living in a non-gentile social system. Of course, not everyone practices the New Testament. Still, the 144k must continue to bring forth Firstfruits for the Stone Kingdom.

**February 25, 2020, Announced Christ's final phase in the execution of
his Mission Statement.**

As a rule, we cannot completely comprehend God's methods of operations for different reasons. Because, for one thing, there is a time differential perception of life.

Still, we should have anticipated Soundwave25's arrival on February 25, 2020, had we fully understood the Feast of Pentecost. Moreover, had we fully understood the first implemental character of his Mission Statement, then we would have known the second phase would come as a shout, an arousing sound to awake the sleepers.

What a bold assertion to make! Consider the judicial proceedings.

ONE. Affirmative Defense. Elijah went before the Magistrate Court of Heaven on an Affirmative Defense Counterclaim. He asserted no prophets were left to serve the LORD because they all lack faith. The Ruling rejected his Counterclaim by declaring seven thousand loyal servants remained to help him. The ruling permitted Elijah to depart the earth with the instructions for appointing his successor. Truly, the Maccabees demonstrated the will to never submit to cultural annihilation through Hellenization. The determination to fight the civil war led to the rise of Rome and the fall of imperial Greece.

TWO. Affirmative Defense. John the Baptist sent his disciples to ask Christ should they look for another. John asserts Affirmative Defense on time limitation because his life was about to end, and he wanted to leave his disciples with encouragement.

John understood Christ's modeling mission:

- ❖ *The blind receive sight, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, and the good news is preached to the poor. Matthew 11:5*

While descending Mt. of Transfiguration, Christ revealed to Peter, James, and John that John the Baptist was Elijah. Hence, the overlap for asserting an affirmative defense.

A pattern repeats. Using time limitation in an Affirmative Defense confirms Soundwave25 as the announcement to the second half of Christ's Mission Statement.

Could Genesis 15:19 regarding real estate inheritance involving the Kenites, Kenizzites, and Kadmonites be a matter of interpretation?

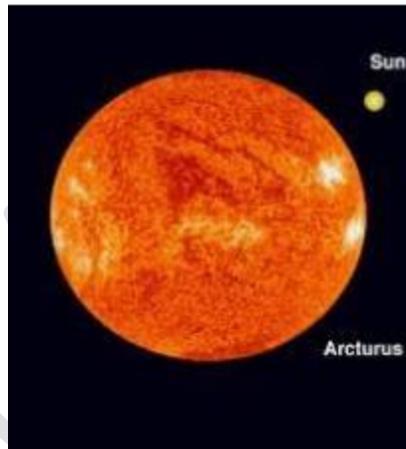

As of this day and hour, the Congregation has not departed. Generally, the exiles know about their inheritance real estate locations, including China, but each tribe has yet to be assigned its placements. Is knowing sufficient? The answer is NO. But the Ten Tribes will know before leaving their destination locations. However, Judah knows where he is going and will depart first for the land of promise.
