

Pentecost And The New Rule of Conduct

Since February, the Congregation has looked forward to Pentecost May. As the days and weeks continue to unfold, the Executive Body of Israel in Exile continues to put administrative systems in place on all levels for the Commonwealth of Israel.

The Executive Body of Israel uses prescribed directives from Jeremiah and other prophets regarding the fall of Babylon. Although Babylon and the Chaldeans have not yet been overthrown, the Congregation will continue to **precondition** its steps in accordance with the Feast Days. Remember, we cannot put new wine into an old bottle, nor old wine into a new bottle; therefore, the Executive Body of Israel in Exile continues to develop systems to sustain consciousness until the gate opens, starting the waves of departure.

In motion toward the gate, the Executive Body of Israel in Exile has selected Ashkenaz/Germany to head **Field Operations**.

- ^{51:27} *Set ye up a standard in the land, blow the trumpet among the nations, prepare the nations against her, call together against her the kingdoms of Ararat, Minni, and Ashchenaz; appoint a captain against her; cause the horses to come up as the rough caterpillars.*
- ^{51:28} *Prepare against her the nations with the kings of the Medes, the captains thereof, and all the rulers thereof, and all the land of his dominion.*
- ^{51:29} *And the land shall tremble and sorrow: for every purpose of the LORD shall be performed against Babylon, to make the land of Babylon a desolation without an inhabitant.*

Task Order One

The Chief Commander of Field Operations has the assignment of freezing all forms of monetary assets belonging to the Babylonians and the Chaldeans, i.e., gems, precious metals, and banknotes. Confiscating assets from governments include their investment and partnership interests in all business relationships. The Abrahamic Bank Account in Germany will continue to be funded until Babylon ultimately falls.

Task Order Two

Military operations. The issuing Task Order defers preparations and offensive actions to the Chief Commander of Field Operations.

Reporting on April 18, 2023

Consider the below verses as an introduction for the first phase reporting because they capture the essence of the visitation.

Page | 2

- a. *As for us, our life is like grass. We grow and flourish like wildflowers. Psa. 103:15*
- b. *The voice said, Cry. And he said, What shall I cry? All flesh is grass, and all the goodliness thereof is as the flower of the field: Isaiah 40:6-8*
- c. *I, even I, am he that comforteth you: who art thou, that thou shouldest be afraid of a man that shall die, and of the son of man which shall be made as grass. Isaiah 51:12*
- d. *Like a flower, he comes forth, then withers away; like a fleeting shadow, he does not endure. Job 14:2*
- e. *For the sun rises with scorching heat and withers the plant; its flower falls and its beauty is lost. So too, the rich man will fade away in the midst of his pursuits. James 1:11*
- f. *For, "All flesh is like grass, and all its glory like the flowers of the field; the grass withers and the flowers fall. 1 Peter 1:24*

Bouquet of Flowers

The Judahite purchases bouquets on a few Christian biblical days and Feast Days. Such was the case for Easter Sunday.

To prolong the flowers' life, the stems are cut every three days and replaced in fresh water. Flowering the same routine, on April 18, after cutting eleven flower stems, The Judahite saw blood-like liquid on each of the scissors' blades. The message is clear. The scissors are being used to cut monetary assets. Instead of using a bushwhacker to cut down all flowers in the garden, the scissors technique selects the ones to be missed. Blood. Blood of red wine, the blood from bleeding, and the blood of death, the Field Operations are yielding results and will continue.

Phase II

Later in the day, through a certified representative of the Magistrate Court, Field Operations were being implemented regarding deposits in the Abrahamic Bank Account.

Phase III

Military operations. The armies of heaven will set into motion and shepherd Field Operations. There is no need for the Field Commander to second guess; the situation will become visible to move with confidence as the situation will be arranged by the armies of heaven for victory.

The spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound. Isaiah 61:1

"The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim *release to the captives* and *recovery of sight to the blind*, to let the oppressed go free. Luke 4:18

- A. In 2017, Jeremiah's Seventy Years Prophecy certified Judah's prophetic jurisdiction over Israel and problems related to Israel.
- B. The arrival of the Man-child, who would mature and rule with an iron rod.
- C. In 2019, Judah's 400 years of jurisdictional restriction ended per the Abrahamic Covenant.
- D. In 2019, the year of Jubilee manifested city-wide to assert reclamation assets recovery.
- E. In 2020, the Ten Tribes of Israel's social oppression ended: psychologically free to breathe the fresh air within the Lands of Promise.
- F. In 2021, twenty-seven trillion dollars were earmarked for the Commonwealth of Israel's capitalization. Sanctioned and recorded in the Second Heaven; thus, the amount cannot be changed.

As we progress through the Feast Days as part of our evolutionary maturity, we gain a better understanding, each year, about the transitional expectations. For example, (1) we know about the five Gulf States' inclusion into the Lands of Promise. They have been notified to give up the land without signaling a willingness to turnover deeded land. Regardless, the land turnover date has been predetermined biblically.

(2) We better understand the pre-selected **three parties** who will head the field operation against Babylon. (3) The Feast of Rededicated demands we know our tribal affiliation through the Holy Spirit. With enlightenment, members of each of the twelve tribes of Israel cast off Gentiles' political and social-economic labels like Negro, Black, Caucasian, etc., regardless of worldwide location. To be clear, Gentiles are free to use any political labels they choose. (4) We arrive at an understanding of the Abrahamic wealth distribution. Therefore, a) the Trust Fund Account of twenty-seven trillion dollars is already established in Israel for Commonwealth construction. The 27 T (trillion) is associated with Judah's contribution to the capital foundation of capitalism—the accumulation of capital within the predesign of Jacob's tithing-blessing to the world. Moreover, the 27 T is recorded at the Second Heaven Court and will perform as assigned without any approval from any political entity.

Without the Arab and Transatlantic slave trade, capital accumulation never would have reached critical mass giving birth to the economic world order as seen today and making possible China's imperialism. b). The Judahite was led to Switzerland to validate King Solomon's wealth system that jumped started **pre-capitalism**. Solomon's monetary treasure is estimated to be over a trillion dollars. His intellectual property enriched the whole of humanity and is thus priceless. c). Unlike Judah, the Ten Tribes of Israel have an assigned financial category. The Knight Templars and the Freemasons owe interest in the monetary assets they took from Zion. All tribal members can claim ownership of what monetary residue they find here and there after the fall of Babylon and the Chaldeans.

However, Germany's temporary or transitory Abrahamic Bank Account will hold the lion's share of assets earmarked for the Ten Tribes outside North America. Manasseh of the East takes his share, and Ephraim/America takes his share as codified by Jacob's blessings of his two sons before the eyes of Joseph.

To sum up. The Trust Account of 27T is now established in Israel that is attributed to the foundational structure of capitalism and its second stage of evolution, called imperialism, headed by China. Each person will receive a base amount per tribe. This amount will be distributed per each tribe's needs to contribute to the Commonwealth's development. On the other hand, the scope of an Abrahamic Bank Account includes the:

- Tribal recipients who came into the picture after capitalism had reached its point of developmental maturity,
- The rise of the Petrocurrency.
- Daniel's tree of global prosperity enabled countries to economically exploit the Ten Tribes' labor to benefit capital growth into subindustries. Overall, consider capital's growth driven by Jacob's tithing-blessing.

Overall, Abrahamic Bank Account for those tribal Israelites outside the United States or **North America**—the center of gravity.

Amounts will be given to patriarchal tribes in a lump sum and distributed to each person. **CONFIRMED by the Magistrate on April 23, 2023.** **Everyone will receive their portion of inheritance** after the Executive Body of Israel sets up the allocations system. Again, no need for concern; everyone will receive their inheritance with programmed linkages to the Commonwealth of Israel.

Refitting the Spiritual Relations between the Congregation and the Righteous Gentile.

Yeshua arrived at the appointed time to teach his doctrinal mission in the New Testament. Roughly thirty-seven years after Yeshua's ascension, the Romans destroyed Jerusalem, and by divine providence, **a fire destroyed the Temple of Jerusalem, not the Romans.**

Transferring Yeshua's Precepts and Theory to Europe and Beyond.

In AD 70, Judah's immigration was well on the way; the Judeans did not look back as forewarned, unlike Lot's wife. For those with discernment, they knew that their fleeting signaled the end of an era. The small percentage of Israelites who stayed behind to fight Rome's occupation, hoping for a miracle or God's direct intervention to drive the Romans from the Land, lack discernment. They were either killed or shipped to Rome for sports entertainment in the Roman Colosseum, funded by the wealth within Jerusalem's Temple.

Most of the Judeans went into Africa and established kingdoms. About seven hundred years later, Muhammadanism swept away Judean kingdoms by the sword, giving them the option to convert to Islam or die. Seeing what was happening, many Judeans went further and further, deeper into the heart of Africa, making it extremely difficult for Arabs captors to fight as they did in North Africa.

The following historical review emphasizes; **one**, Judah faded from the pages of history but reappeared during the slave trade with the Pope's blessing in the fourteen century. **Two**, as a milestone of the Church Age, Judah always occupied secondary relations with the Gentile Christians. **Three**, in North America, Judah and the Ten Tribes evolved a mature understanding of the New Testament. Old Testament cultural practices seen today in different spots in Africa and elsewhere in the world are no longer relevant in Ephraim/America.

The Asherite, King James Version of the Bible, made it possible for the enslaved people and the colonized to understand the traditional practices of the Apostle Age and the Teaching of Yeshua. Although devout Christians have many forms of expression associated with diverse groups and corporate bodies of religious freedom, the Congregation of Israel constituted the critical component for creating a wholesome environment for the Holy Spirit to into the lives of countless Gentile Christians in need of role models.

- *So then, brothers and sisters, we have an obligation, but not to our flesh [our human nature, our worldliness, our sinful capacity], to live according to the [impulses of the] flesh [our nature without the Holy Spirit]. Romans 8:12 (Amplified Bible)*

In Romans 8:28, "And we know that to them that love God, all things work together unto good, to such as, according to his purpose, are called to be saints."

Our forefathers selected to take the pathway of affliction. Tribal Judah understood Moses' presentation between the blessings and curses. After a thousand-year history, Judah slowly, step-by-step, transformed social and economic afflictions into an environment to enrich North America and the world's social life. The Civil and Voters Rights Movement defined the character and meaning of American democracy and the congregational role in preserving God's blessings over America vis-à-vis Jacob-tithing-blessing to regrow Daniel's tree of global prosperity.

Currently, American democracy is in its sunset years and will end when Judah and the Ten Tribes depart.

Transferring historical focus back to Judah and the Ten Tribes, signaling the end of the Church Age.

Soundwave25, Yeshua's Mission Statement is the Announcement to act in the Second Spirit of Pentecost.

Since 2017, the spirit of Pentecost arrived and certified the remnant of Judah, The Judahite, as the basis of Jurisdictional authority from which prophecies would be reflected and projected. Since 2017, the Congregation has been learning the meaning of Pentecost within Soundwave25.

Understandably, comprehension has been slow to manifest in individual lives the Rule of Conduct requires under the New Covenant. As "ministers of the new covenant", the Spirit qualifies us to act according to the Rule of Conduct

Pentecost's Prophetic and Traditional dates

The Holy Spirit in February assigns the Prophetic Pentecost date and reveals the contents on the same day in May. Traditional Pentecost comes on the fourth Sabbath in May.

Since 2017, each year evolved the Rule of Conduct, befitting of the Covenantees. Soundwave25 crystalized Yeshua's Mission Statement on the earth, particularly to the Ten Tribes of Israel—the lost house of Israel. “I can breathe,” I can breathe! The epigram immortalized Yeshua's Soundwave25 on May 25, 2020. ***Suppose one identifies with any of Yeshua's Mission points.*** In that case, one possesses the Spirit for a new lease on life in the Lands of Promise, thus acting accordingly in the broad latitude Rule of Conduct to form the Commonwealth of Israel to the glory of God.

April 23, 2023

**After Seventy Years, according to Jeremiah's prophecy,
The LORD would do the following:**

One. Punish the King of Babylon. Queen Elizabeth II was the reigning monarch, with Prince Philip her consort.

After the Queen's death, her son King Charles III came to the throne on May 6, 2023. We see a paradox if we hold to prophesy regarding the latter day's events regarding the KING of Babylon. In 1947, Queen Elizabeth II and Prince Philip married. In 1952, she succeeded her father, King George VI, who died in 1952. The Queen died in 2022. Although Babylon is a global banking system, England/Babylon had no sitting King during the seventy years.

While accurate in the political sense, Xi Jinping of China became King of Babylon in prophecy. When matters in the UK are of utmost concern to China, King Xi Jinping, the real King, holds veto power because China owns and controls HSBC and China's Hong Kong. Any decision made can impact the UK. HSBC Bank is the largest bank in the British Empire, headquartered in London, yet is owned by China.

Two. The Cup of Wrath for the Nations. Belshazzar, King of the Chaldeans, made a feast for a thousand of his lords and drank wine before them with his governmental officials, wives, and concubines (metaphorically). Feeling special due to his wealth and sitting at the head table symbolizing his defied position over all gods on the earth and commands authority over Daniel's God, which Nebuchadnezzar codified as a capital offense in disrespect of Yahawah, he ordered Jerusalem Temple vessels be brought out to him so that they might drink from the golden consecrated vessels.

Jeremiah gives us a complete global view of the Babylonia Empire, including its life at the end of days before Daniel's captivity. The wine cup of punishment is where we are on history timeline.

When the Chaldeans defiled the consecrated Holy Wine Cups, the handwriting on the wall, the judicial order, appeared as a Standing Order extending to cover one thousand countries as a sample given in Jeremiah 25: 14-38. In Jeremiah 51:27, three pre-selected countries are called to head field operations against the Babylonian Empire under the Executive Body of Israel in Exile.

The United Kingdom has many problems—a few issues highlighted.

“ And Babylon shall be reduced to heaps, a dwelling place for dragons, an astonishment and hissing because there is no inhabitant. “Jer 51:37

Dragons. China is the country where the red dragon lives. One sees images of the dragon everywhere. China's industries (dragons), imports, and monetary assets have found dwelling places in the UK. Indeed, the UK is an astonishment on all levels. Currently, the UK is seeing itself as a heaping pile, forcing the nation to close its doors to emigrants coming from UK's colonies and non-colonies; on the other hand, those within the UK are forced to depart due to social and economic deterioration, rivers drying up, high cost of living, and increasing taxation; hence, the hissing.

Xi Jinping of China and Queen Elizabeth II

King Xi Jinping and Queen Elizabeth II

Directives to the Executive Body of Israel in Exile. “The Ensign”

Proud of her empire, Britain made known to the world: the sun never sets on the British Empire. The Colonial Empire claimed colonies from one end of the world to another. Remember, North America was part of the British Empire.

Jeremiah’s appraisal of the Babylonian banking system incorporates the walled nation of China and the City of London, the City State.

During the era of colonialism, the British financial system organically formed a financial bond with all her colonies, even Hong Kong, China, and India. Even after the colonial era, the financial and economic dependency between Britain and former colonies continued to evolve.

- *And I will visit against Bel in Babylon, and I will bring forth out of his mouth that which he had swallowed down: and the rations [export demands] shall no more flow together to him, for the wall also of Babylon shall fall. Jeremiah 51:44*

The interpretation. China and the UK, United Kingdom/Britain/England. Historically, Britain held the upper hand over China because China did not have the necessary capital foundation to originate capitalism. Even a million years, China could not have initiated the formation of capitalism. However, China progressively gained the upper hand over Britain, as logic would dictate, due to the comparative size of the economies. Though logical, the economic arrangement between the two is deceptive. British capital with US interest provided China with the quantitative growth path. Foreign capital enables China to take a quantum leap, marked by the mature stage of imperialism.

Deceptive? Yes. Because when all is said and done, the corporate elite determines where and when to invest trillions of dollars. There is now a trend of foreign investment pulling out of China and going to India and other places.

Regarding prophecy, China and the UK are interchangeable as to their demise. Factually, they are financially linked, but each country has its own national priorities. The UK prefers not to come under the CCP’s domination, but the financial inevitability predetermined Britain cannot reverse its subordination.

Remember, the deity Bel is attached to Babylon and the one thousand lords of the Chaldeans. The lords are persons within the executive circle of national governments, large and small. Be clear of mind, the one thousand lords still worship Bel today. The LORD sees what is going on, though the public either cannot see or cannot fully understand what they do see—

“Well, no wonder! Even Satan can disguise himself to look like an angel of light!” 2 Corinthians 11:14

Britain always plays with an ace up her sleeve. For example, the election of Rishi Sunak as Prime Minister of the UK is to overcome China. Background, India was a colony of England for a long time. Still, Queen Victoria gave herself the title Empress of India to integrate the monarchy into an unbreakable association with Manasseh India.

Like China, India formed an organic relationship with India, but India has always been the backbone of the British Empire. Factually, through Britain and tribal Manasseh of India's relationship, Britain transferred the legal model fashioned in Manasseh to Ephraim/America. Britain, the old lady, deals from the bottom of the deck of cards with six hundred years' intentions to defeat Ephraim/America. Indeed, we live and daily practice the British/Manasseh model.

Her strategy has been to use China to defeat America and later use India to defeat China.

**Appropriate for the Season of Pentecost
the Elohim Self-Attests to Pentecost.**

For our times, when thinking about biblical prophecies, the LORD, through Isaiah, reminds the Congregation of the powerless deity Bel. He gives an outline.

- I. "I am God, and there is none like me." Isa 46:9
- II. "Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure. Isaiah 46:10
- III. "I have spoken it, I will also bring it to pass; I have purposed it, I will also do it."
"Listen to me, you hard-hearted, you who are far removed from righteousness:
- VI. Hearken unto me, ye stouthearted, that are far from righteousness: Isa ^{46:13} I bring near my righteousness; it shall not be far off, and my salvation shall not tarry: and I will place salvation in Zion for Israel my glory. Isa 46:12

The canonicity is derived from the partial outline above; thus, the Canon of Pentecost extends to the Rule of Conduct. Remember, the Congregation broke the Covenant made at Mt. Sinai, which is no longer valid. With a clean slate, separated from our forefathers, a new Covenant is being implemented. As Pentecost requires, the Commonwealth of Israel is now emerging with a new canonistic Rule of Conduct.

- *"Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand."*
