A review. Whereas August 21, the day of Atonement, presented the Pronouncements, August 24, an appointment date, presented circumstances that, in part, legitimated the Pronouncements.

Regarding the actual events on August 24, they epitomized the 21-23 August events. Each day, the signs reasserted their categories to The Judahite.

Twenty-one presented the Pronouncements correlational to the method of disfavored or unwanted. Yet, the method of Waste Dump was attached but as a minor ongoing process.

Twenty-two presented a dramatic method of fragmentizing imperialism into the assorted major economies worldwide for distributing reparation according to the degree of recompense.

Twenty-three presented the decree of FIRE, a consuming fire of institutionalized systems; a mission fire; a designed fire within the scope of biblical prophecy of Soundwave25. The night before August 24, The Judahite received an underlying emphasis per (A), the oaths made to the Man-child will be kept. (B), expect the order Headphone25 to be satisfied. (c) A transitional bridge leads from Egypt America to the Lands of Promise.

August 24

Twenty-four presented a restated promise, reasserting the Mission Fire of 24th and the Waste Dump method.

There is more. The August 24 date conjoined August 24, 2024. In other words, August 24 is a preview of what will occur on August 24, 2024.

Recounting events:

- a). While people were in their apartments and houses, the flood waters came in without notice, trapping all in several areas in Dallas, Texas. Not just Texas, the flash flood waters came to many communities eastwardly, trapping many.
- b). A double infliction. In Europe, many rivers have become dry beds, and are close to becoming dry beds. Likewise, China's rivers are drying up, impacting manufactured electricity. To preserve electricity, lights are now being turned off, no use of AC, and plants are shutting down throughout the country. Also, flash floods are wiping out many. Likewise in other countries, flash flooding is forcing millions of people to relocate, but where? The same can be said in many places around the world.
- c.) Forest fires and explosions were seen around the world. Expect the multiplication of events by August of 2024.

The drought will remain in place until The Judahite prays for an ending, not to be expected before August 24, 2024. Likewise, forest fires will continue. Regarding flash flooding, the picture will look like this: in selected states and regions, expect water to cover treetops. Such will be the case worldwide in selected regions.

August 25

Formalized the timing for The Judahite to Pickup The Toolbox for Erecting the Commonwealth of Israel.

Many members of the 144k have mistaken the long duration of systems designing procedures, started in 2017, as the designed implementation phase. Truly, the long-designed systems processes were necessary to produce the essential theological components to be incorporated in the construction erection.

August 25 marks receipt of Notice to start construction.

The Magistrate of heaven designed the ceremony on August 25 for The Judahite to pick up his toolbox and plumb line to make ready to start the actual construction. On August 26, the Order was certified by the Court.

August 27 establishes the binding relations between The Man-child with the House of David.

As a continuation of the August 26 petitioning the Second Heaven Magistrate for more data sequential flow on Commonwealth construction, The Judahite awoke to the ruling.

The Judahite awoke on the 27th, the Sabbath, to do, special routines for shopping day. At hand, Yeshua's birthday September First.

Receiving the Court's ruling

The Judahite's hand was raised supernaturally and placed on his neck. What! Truly, The Judahite removed a 1" by 2" duct tape from the right side of the neck. What? Standing in total disbelief, The Judahite mentally processed the whole meaning, considering the petitioning.

At no time did The Judahite feel the tape on the neck. The Ensign is self-interpretative. Raising the right hand to the allegiance of God's Throne is the primary meaning.

Now is an appropriate time to examine the emblematic neck. First, the biblical neck is associated with Judah's enslavement. Secondly, the channel is related to the glory of Zion, the House of David.

A. Association with Enslavement.

“Thus said the Lord; Make to thyself bonds and yokes and put *them* about thy neck.” Jer.27:2

Hananiah refutes Jeremiah

“Then Hananiah the prophet took the yoke from off the prophet Jeremiah's neck and break it.”

Jeremiah 28:10-14.

[*The LORD told Jeremiah within a year Hananiah would die.*]

Micah

“Therefore, this is what the LORD says: “I am planning against this nation a disaster from which you cannot free your necks. Then you will not walk so proudly, for it will be a time of calamity. Micah 2:3

Lamentations

“My transgressions are bound into a yoke, knit together by His hand; they are draped over my neck, and the Lord has broken my strength. He has delivered me into the hands of those I cannot withstand.” Lamentations 1:14

B. The neck in association with Zion’s glory.

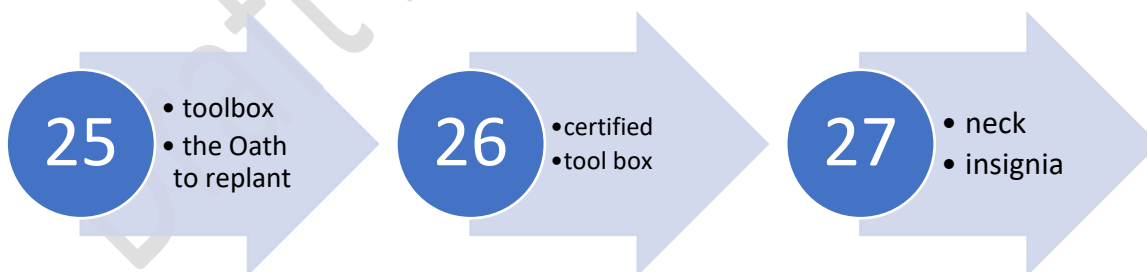

“Shake thyself from the dust arise, sit thee down O Jerusalem open the bonds of thy neck, O captive daughter of Zion.” Isa 52:2

Proverbs

“Discipline and teachings are a graceful garland on your head and a golden chain around your neck.” Proverbs 1:9.

Furthermore, “wisdom is better than jewels. Nothing you desire can equal it” (Prov. 8:11).

“You should not use outward aids to make yourselves beautiful, such as the way you fix your hair, or the jewelry you put on, or the dresses you wear.” 1 Peter 3:3

Conclusion

Neck & the Insignia Key of authority

The Oath

- And I will give him the glory of David; and he shall rule, and there shall be none to speak against him: and I will give him the key of the house of David *upon* his shoulder; and he shall open, and there shall be none to shut; and he shall shut, and there shall be none to open. Isaiah 22:21-22
- "To the angel of the assembly in Philadelphia write: "He who is holy, he who is true, he who has the key of David, he who opens, and no one can shut, and who shuts and no one opens, says these things. Revelation 3:7

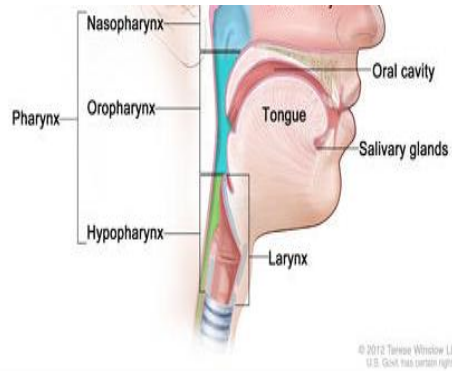

Thematic neck perspectives

Anatomically, the neck is the transmission conduit used by the head to “transmits nervous signals from the brain to the rest of the body.” The pathway of the neck compartmentalizes the esophagus, the thyroid gland, the throat, etc.

The head sits on the neck and moves in sync with the director. We use biological systems such as the head and neck biomimetically to express functional religious concepts about communication and conjunction—for example, body vs. soul and thoughts vs. deeds. When the mind and body are aligned, consciousness harmonizes.

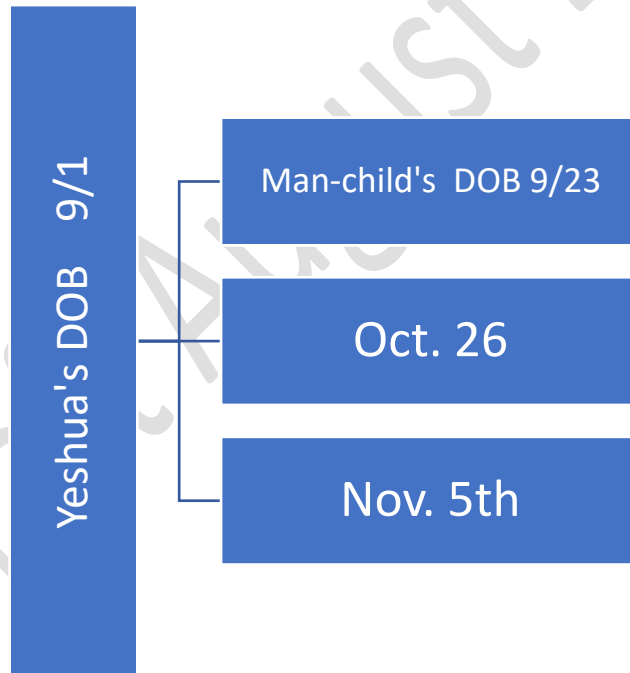

- *“Thou went forth for the deliverance of your people, to save your anointed. You crushed the wicked leader’s house; thou have brought bands upon their neck. Selah.” HABAKKUK 3:13*

The anointed= the head; the people= the body. Bands upon their neck=the people sealed their fate due to not having a strong mental facility to express thoughts from a secure moral position. As a display of requital, you reap what you sow, their deeds bind them to their own actions.
