

September's Calendar Updates

Before looking at the Updates, The Judahite provides additional understanding on August 23 and 24.

Numeric 23 combines 20 (authoritative law) and 3 (divinity or providence).

- “From the thirteenth year of Josiah the son of Amon, king of Judah, even to this day, this *is* the twenty-third year in which the word of the LORD has come to me; and I have spoken to you, rising early and speaking, but you have not listened. Jeremiah 25:2
- But in the fourth generation, they shall come hither again: for the iniquity of the Amorites is not yet full. Genesis 15:16

Numeric 24 is a combination of 12 +12, the meaning of completion. Also, the definition extends to situations considered doubly essential and an *ideal foundation*. Since biblical 12 means governance (12 tribes of Israel and 12 Apostles), 24's significance is in governing predeterminer. Yet, even in the aftermath, renewal or resurrection follows an ideal foundation.

Ezekiel 24:14

I the LORD have spoken it:

- i. it shall come to pass,
- ii. and I will do it,
- iii. I will not go back,
- iv. neither will I spare,
- v. neither will I repent,
- vi. according to thy ways,
- vii. and according to thy doings,
- viii. shall they judge thee, saith the Lord GOD.

Doubly important.

On the 24th, an overcast shallow landed on Isaiah chapters 18 and 19 as a continuation of Isaiah chapter 17. Other additions should be cited herein but later.
