

# Shavuot's Observance & The Solar Eclipse

Briefly turning our attention to the Feast Days, Jesus says: "Do not think that I am come to destroy the law, or the prophets. I am not come to destroy, but to fulfill." Matthew 5:17

Jesus fulfilled four of the seven feast days divided into Spring and Fall divisions.

## **Spring Feast Days Fulfilled**

Passover ( Leviticus 23:6; Feast of Unleavened Bread ( Leviticus 23: 6); First Fruit (Leviticus 23:10; Pentecost (Leviticus 23:16), also refers to as the Feast of Weeks.

## **Fall Unfulfilled Feast Days.**

Trumpet (Leviticus 23:24); Day of Atonement ( Leviticus 23:26); Tabernacle (Leviticus 23:34)

Yeshua's Ascension marked the starting era for fulfilling the remaining feast days. On the day of his Ascension, he promised to send the Holy Spirit to guide his disciples toward that end.

After AD 70, Judah walked off the stage of world history, preparing to live according to the pre-designs of the apocalyptic Horses of Revelation. The Church Age, Judaism, and Islam appeared in history with the effect of assigning Judah to ancient history, which had no relevance to subsequent stages of civilization's evolutionary development.

According to Jeremiah's Seventy-year Letter, Judah would awake and re-enter the world stage of history. In 2017, The Judahite and the Executive Body of Israel in Exile assumed prophetic jurisdictional authority over biblical Israel. It was in 2019 when Judah's 400-year jurisdictional restrictions removal occurred; in 2020, the Ten Tribes of Israel received Soundwave25 impact to breathe and appreciate Jesus' Mission Statement.

## **What about the Jews living in Israel?**

The current Jews living in Israel are rooted in tribal Dan, the Gentile.

Over the past twenty years, some black Hebrew Israelites learned many things about Old Testament religious practices from the Jewish community that aided their conscious understanding of reconnecting to their religious practices.

Indeed, due to the Mosaic Curses, a percentage of young black Hebrew Israelites searched for the meaning of life as they slowly developed consciousness to do more and more research. The Jews, in many ways, aided the budding black Hebrew Israelites, evolving their theoretical understanding of Old Testament practicalities. Also, The Judahite

acknowledges the Jews' theoretical contribution. Still, beware, not all Jews are of the same political persuasion and spiritual faith. The central focus at hand is that not all Jews are Zionists in so far as excluding the Father, Son, and Holy Spirit.

### **Dan the Snake**

The snake is Dan's emblem. Prophecy assigned Dan the Gentile to rule over the Israelites. Dan achieved his assigned role of managing the tribal nations of Israel and Judah. Dan has always been at odds with the rest of his brothers. Even going back to the era of Judges, Dan opportunistically either engaged or decided not to support his brothers against their enemies.

Allegorically, Judah has constantly confronted Dan throughout history. Judah, the lion, jumped Samson because he violated the LAW of Moses. Dan killed the lion, and from the lion's mouth, Dan ate honey, giving him the outward behavior appearance of Judah in upholding LAW. In another case, Daniel ended up in the lions' den due to the Chaldean's elaborative conspiracy motivated by corruption and idol worship.

Thus, in historical context, Jesus said to the root of Dan, the snake,

- Indeed, I will make *those* of the synagogue of Satan, who say they are Jews and are not, but lie—indeed I will make them come and worship before your feet, and to know that I have loved you. Revelation 3:9

### **Negating un-useful Traditions**

“I will make them come and worship before your feet.”

Jesus' Declaration to the Israeli Zionists and those of Judaism has been twisted in its interpretative application. Yeshua's statement does not mean the Jews falling and worshipping Judah. “At feet” means following the religious practices of Judah per Jesus' New Testament Covenant. Judah-America will continue to lead, and those Israeli Jews will follow who believe Jesus is the **Son of God**.

Whereas the Israelis must continue their military mission, the government must fully realize land distribution is assigned according to the tribal nations of Israel and governed by the Executive Body of Israel in Exile. Soon, the Christian Jews will roll over into sublation under the Commonwealth of Labor. Now is the time to make plans of the coming changes.

- But when he saw many of the Pharisees and Sadducees coming to his baptism, he said to them, “Brood of vipers! Who warned you to flee from the wrath to come? Matthew 3:7 Therefore, bear fruits worthy of repentance, and do not think to say to yourselves, ‘We have Abraham as *our* father.’ For I say to you that God can raise up children to Abraham from these stones. Matt 3:8-9
- And even now the ax is laid to the root of the trees. Therefore, every tree which does not bear good fruit is cut down and thrown into the fire. Matt 3:10

### **The Feast of Weeks or Pentecost**

Over the past decade, The Judahite received prophetic dates in February to become operational in May. Conversely, the traditional Pentecost date, the last Sabbath in May, designates a date in next year's February. Again, traditional Pentecost falls on the last Sabbath of May; on the other hand, the prophetic Pentecost date can fall on any date. Still, Pentecost or Shavuot concerns covenant or Promise, and we are responsible for upholding the Covenant.

The Judahite has cited the Scriptural basis of Pentecost; now, consider Deuteronomy 16:9-10 and 1 Corinthians 16:8 in the New Testament. Herein, the fundamental principle of Pentecost is fifty, its numeric and divine values. Fifty days after Passover, at Mt. Sinai, Israel became an inaugurated nation of priestly people on the Earth, a model to the Gentiles.

After Pentecost Sunday, Paul and the Church Age embodied the model of standing in disassociation from those producing bad fruit. As a principle, disassociate once it becomes clear to Christians and non-Christians that neither will change the other's doctrinal behavior.

After the Northern and Southern Kingdoms of Israel were expelled from Israel due to their action of disobedience, the Israelites broke the Mt. Sinai Covenant. Therefore, a New Covenant is now in the making and still rests on Pentecost/fifty. Jesus told his disciples to go to Jerusalem and wait for the "Comforter" who would teach and guide them—the Promise. Indeed, the Comforter continues to guide the understudy of Jesus' disciples in fulfilling the remaining feast days. Yet, another fifty days would come thousands of years later.

### **May 25, 2024**

Prophetic Pentecost arrives May 25 on the same day as traditional Pentecost; the two integrated dates are unique because May 25 is tied to February 25, 2020, when Yeshua proclaimed his continued Mission Statement through Soundwave25. Isaiah 61 and Luke 4:16-19 record Yeshua's Mission Statement.

Soundwave25 made its initial impact on February 25 and May 25, 2020, by breaking the skillet cover of oppression, allowing the tribal person of Israel to work individually per Ezekiel's prophecy of Dry Bones. Each bone part had to gain consciousness to know where to attach itself as a walking skeleton. Though ironic, the death of the old on May 25, 2020, gave a breath of life to the re-assembling of the tribal nation of Israel per Jesus' Mission Statement.

May 25 will have the theme: Restoration Phases of Going Home to the Promised Land. The Mosaic Curses have been lifted from the Israelites, giving priority to all to search for their tribal nation affiliation. No one will set foot in the Promised Land as an African American, Black, Negro, etc. The name of departure in AD 70 is the expected name upon returning.

## April 2024 Solar Eclipse And Interrelationships

On August 23, 2017, the LORD pre-scheduled the solar eclipse across America. The celestial event attaches conjectures. The Judahite will not attempt to refute them; however, attention will be given to correlational events.

**One.** The solar eclipse signals America to atone, repent, and make a national sacrifice for her legislative sins against Elohim. Like in the days of Noah, people became corrupt and lived unrestrained in the imaginations of thoughts. Today, occult societies play a role in influencing the general population to sin through social and mass media. Moreover, popular culture makes it easy for people to sin because people think it is “so cool” to sin. There is no right or wrong; do what “feels right.”

Today Cultural imperialism integrates with the serpent, who directs the dragon of economic imperialism. When Yeshua said Satan comes to kill, steal, and destroy, often overlooked is to destroy. Such is moral depravity, living on the dark side of life.

**Two.** Jesus’s birthday came on September 1, 2017. Years ago, The Judahite performed calculations based on the Torah but never could align the dates to determine Yeshua’s date of birth. In 2017, The Judahite re-worked the religious dates in conformity to the spiritual attributes of Jesus as Feast Days representation, days not concerned about eating food. As prescribed, on Feast Days, we make offerings of praises and thanksgiving and consume sacrificially Elohim’s divinity. We follow the cyclical seasons of life’s enjoyment and happiness in the glorification of God, our eternal fulfillment.

### The Solar Eclipse and thirty days Later, the Revelation 12 sign

**Three.** August 23 atonement sign introduces Jesus’ birthday, September 1. Jesus comes with grace and compassion and correlates with the Revelation 12 signs of September 23, 2017.

On September 1, as part of the Edenic Judicial Decree, Yeshua transferred responsibility to the Man-child to complete the unfulfilled Feast Days. The Executive Body of Israel in Exile is responsible for shepherding the transitional period. From 2017 to February 2024, many historical resolutions and milestones developed involving the Judah and the Ten Tribes. End times

prophecies have been confirmed and validated, as in the case of Judah's 400 years of jurisdictional restriction removal, the year of Jubilee, and the Feast of Trumpet joined the multi-year prophetic procedures in the same month and year.

#### **The April 2024 solar eclipse brings judgment.**

The Judahite does not predict judgment's severity. Still, The Judahite knows the Day of the LORD and many other judgments scheduled to fall on humanity.

With discernment, the Ukraine War and Wars in the Middle East should put everyone on alert regarding what is coming in a community near you. Those with discernment are not looking for a specific date but know the correct season with the understanding of a series of catastrophic events coming.

Stores are urging people to stock up on certain items before April. Tens of millions of people are preparing for April 8 in one form or another. Again, whether seen on the 8<sup>th</sup> or the following days, catastrophic events are coming.

#### **The Crucifix**

When Jesus became unnailed from the crucifix in a church in France, he illustrated the second part of the Edenic Judicial Decree to immobilize the Serpent and his descendants. Yeshua told a person in the church what to expect after February: explosions in the sky, regional wars, and WWIII.

Again, The Judahite is not projecting dates, though he gives dates received from the Second Heaven.

### **Summary**

April 8 solar eclipse will finish making the X that atonement made on August 23, 2023. April's 8th marking comes as judgment. The Man-child, the Executive Body of Israel in Exile, has matured through the milestones of prophecy and in the historical context of negating structural imprints on the mind made by the old social system. The Man-child has matured sufficiently to accelerate the transition, as the process has many operational levels.
