

**The Feast of Trumpet is not about a day's event
BUT
A modulation sound of events
Culminating in the Convocation Petitioning and Celebrations**

The Judahite proceeds from 1 Corinthians 15 and 1 Thessalonians 4 about Trumpet now being acknowledged.

The trumpet's sound in Revelation 11:15 announces a different judgment or woe, no linkage to trump and trumpet in the two passage scriptures above.

TRUMPET is a milestone announcing the overall timing to replant in the Lands of Promise after Judah's four hundred years expiration per the Abrahamic Covenant.

The Feast of Trumpet creates different modulating sounds as given in codes of confirmation since June 16 for the whole of the eighteen days of Trumpet.

Modulating I. The Roll Call

On June 16, Archangel Raphael commenced with a Roll Call of the twelve tribes of Israel who are representative of the 144k. All assembled, he makes three governance proclamations.

1. "And the ten horns which thou sawest, are ten kings, who have not yet received a kingdom, but shall receive power as kings **one hour after** the beast." Revelation 17:12

Notice **one hour after** dethroning the Beast. The ten horns are the Ten Tribes of Israel. Restoring the governorships of each tribe will become a reality, whereby organized organizational systems allow governors within each tribal nation available latitude.

2. The Judahite and the house of David reconstitute. "*The key of the house of David I will lay on his shoulder; So he shall open, and no one shall shut; And he shall shut, and no one shall open.*" Isa. 22:22. **As a companion verse to fully understanding the KEY, office of authority, on the earth and in heaven:**

"These things saith he that is holy, he that is true, he that hath the key of David, he that opened, and no man shuttled; and shuttled, and no man opened." Revelation 3:7 **Yeshua's Theocracy interconnects with heaven and the earth. He is the King of kings.**

3. The Executive Body of Israel corresponds to the vizier's office, holding significant governance responsibilities under Yeshua's theocracy.

*"Woe to you **lawyers**, for you have taken away the **key of knowledge**: you yourselves have not entered in, and those that were entering in, you have hindered."* Luke 11:52

Modulating II. **Soundwave25 and Headphone25**

Thematically, TRUMPET **opens** doors and **closes** doors for
Transplanting the
EXILES

Modulating III. **Using The Template** **Cornerstone.**

Deuteronomy 30: 3-9 contains the Covenant for Israel and Judah, knowing what to expect after the Mosaic Curses have been certified in depositions and submitted to the Magistrate of Heaven on July 1, 2022.

Modulating IV. **Two Methods of Damnation**

Those standing in opposition to May 30 Action Plan

- Waste Dumping is associated with uselessness.
- Disintegration belongs to the category of the unwanted.

Modulating V. **3-phased apportioning disservice in** **opposition to the May 30th Action Plan.**

- Voltage:**
Temperature (causing cold and hot)
- Electricity:**
Electronic devices (phone & TV disconnections)
- Telecommunications**
Cutting Cabling to (data centers, networks, and
Industrial railroad communications)

The 3-phased apportioning operates particularly with the May 30 Action Plan or in combination with targeted wrath under statutory codes. In application, some places indefinitely will experience partial to total service cuts. No change in plans; as of June 28, 29 & 30, 2022, the 3-phased apportioning (3PA) maintains the directive to cut off communications.

Modulating V. Sanitizing hands & sanctifying the body.

Washing the body and clothing have been a long-standing basic requirement of convocations; nothing has changed regarding sanctifying the body.

However, a hygienic doctrine under the New Covenant requires sanitized surroundings, hands, washing the mouth and brushing teeth, trimming beards appropriately, shaving clean for those preferring faceless hair, and soaps for cleaning the body.

Moreover, the doctrinal requirement is for those engaged in constructing the New Tabernacle as exemplified through daily conduct according to the New Covenant. June 30 emphasizes sanitized hands. Remember, dirty hands are not excellent for cleaning the body. David had dirty hands related to behavioral conduct; therefore, not permitted to construct the Temple.

Modulating VI. The Cup of Wrath

Generally, biblical students know about the cup of God's wrath. The Judahite gives notice to the nations that will be forced to drink from the wine cup, though they will refuse to take the cup because they know the consequences—their destruction.

For The Judahite, destruction, and construction co-occur. As given over the years to The Judahite by the Archangel, the imperialistic system represented by China will collapse into the dinner plate of Israel's Commonwealth.

Over the years, China's end has been repeated in different scenarios with the same focus: they cannot escape their destiny. For example, Judah's blender will liquefy China's imperialism for Israel's economic use.

When China is understood as an Ishmaelite, Abraham's first son, the whole view of China changes immediately, making it easy for prophetic digestion. Ishmael is the father of twelve sons; likewise, Jacob, but Jacob is the son of promise.

The LORD set the conflict between the two nations thousands of years in advance, whereas God's wrath will convert the red dragon into banquet food for fine dining on the Man-child's plates.

China Communist Party seeks world domination. On balance, so has all central European states at different epics. Thus, China's intention is not an exception. The Chinese Ishmaelites did not create imperialism, although, at the appointed time, they emerged upon the world stage to take advantage of Jacob-tithing blessings, of which they became the primary beneficiary.

What nation can stand in contempt of Daniel's foolproof stellar verifiable road map of history? A country full of fools!! For the Chinese Ishmaelites, they are going against Daniel's man image model depicting the four Gentiles kingdoms on the earth.

Damned fools! Close to three thousand years ago, John told humanity about a celestial event that would occur in the heavens—the birth of the Man-child in 2017. And two years later, the Red Dragon would appear to devour the Man-child; that is, imperialism will take on the Commonwealth of Israel. There is one chance in three trillion of such a celestial event occurrence. Moreover, the stated odds would be ten thousand years after John's recording.

To the imperialists:

- For what does it benefit a person to gain the whole world, and forfeit his soul? Or what can a man give in exchange for his soul?

Mark 8:36,37

Apropos for all end-time imperialists. The assumption is that all humans have a soul. What if all men don't possess souls? Then they have nothing to forfeit.

Mark raised a profound theological question about humanity's attributes entailing purposeful existence. To note: the soul is found neither in the heart nor brain.

Mark points out that there is nothing of any value given in exchange for the divine identity imprint. When Esau sold his birthright, he sold an attribute of his identity imprint.

Since then, he has lived by the sword and been a certified agent of spiritual degradation.

Modulating VII. Deposition proofing the Mosaic Curses

The challenge for the ten tribes of Israel and Judah is the political separation from non-Israelites based on the shades of skin color, which is understandable due to racialism. It is precisely due to racialism that The Judahite put significant effort into advocating separation. In contrast, people share political traits due to common social oppression, yet they are not under the Mosaic Curses.

On one level, the Mosaic Depositions mentally and psychologically draw the line between those who still seek to integrate into an image of capitalism, i.e., the upper-mid class lifestyle of American society. And on the other hand, those who complain about the ills of racism. Two different perspectives, yet the same desire to hold the same lifejacket.

The Judahite is pushing the imperative for the Mosaic Depositions because Judah has matured within biblical evolution.

Finally, within Trumpet, we can acknowledge all the inflictions of the Mosaic Curses, hold no ill will against anyone, and have no burning desire to image marketed ideal lifestyle of capitalism. Those not under the Mosaic Curses will always seek inclusion into greater society, naturally.

Tomorrow, the Mosaic Depositions go before the Magistrate Court of Heaven as a testimonial petition proofing the Mosaic Curses' consummation and requesting to replant using the template outlined by Moses and other prophets, telling of our responsibilities once Israel and Judah gain possession of the Lands of Promise.

Modulating VIII. End-times prophecies

There are many end-times prophecies. The Judahite continues to subscribe to the administrative illustrations outlined of American destiny by Nat Turner. Thus, Texas plays a prescribed role as modulated by Trumpet.

The Judahite has given a substantive meaning to Juneteenth, bringing Texas up to the prophetic level where it is meant to be instead of simplified history without historical bearing on imperialism.

The Judahite can say more about Texas and Judah's relational history to Texas's imperialistic ventures for the end times. But, for now, events are moving fast according to their roots of origin.

- 'I, the LORD, am not easily angered, and I show great love and faithfulness and forgive sin and rebellion. *Yet I will not fail to punish children and grandchildren to the third and fourth generation for the sins of their parents.*' Numbers 14:18
- Therefore, thus saith the LORD God of Israel against the pastors that feed my people; Ye have scattered my flock, and driven them away, and have not visited them: *behold, I will visit upon you the evil of your doings*, saith the LORD. Jeremiah 23:2

Modulating IV.

July Dates

July 1, 3, 7, & 9. July 7 was the date the LORD broke the iron chain of jurisdictional restrictions before The Judahite's eyes, acknowledging the Abrahamic Covenant. God is faithful to his promise.

Untold tens of million Judahites looked forward to July 7 to see what the Judahite saw: the supernatural iron chain snapping and staying in an anti-gravity position on July 7. As the first step toward taking possession of the prophetic assets, the Archangel has established a Trust Fund Account. However, The Judahite will soon take physical control over some of the funds for operational purposes to replant the exiles.
