## Updates

By way of introduction, the numeral three is the focus of consideration in this update.

Our planet and universe compose of numbers. The essence of creation expressively displays infinite forms with infinite varieties seen in nature and human civilizations.

Humans will never develop the means to escape numbers. Humanity itself expressively depicts a mathematical design model of creation. A rib was taken from Adam to form Eve. *“This is now bone of my bones, and flesh of flesh she shall be called Woman.”*

In Genesis, we learn the fundamentals of numbers. On the seventh day, Elohim completed his creation.

Also, we learn there is a different time scale for measuring time. Seven, therefore, is the number of completion. Seven days are the same as seven thousand years; one day equals one thousand years. From one day to the seventh day, we have the creation paradigm.

However, on the third day, represented by evening and morning, grass, herbs/plants, and fruit trees, specifically defined by their seeds, appeared all over the planet at once.

Hence, three is ideal for new beginnings. Timely perfected, the third day is solid, substantial, the predecessor for sustaining human existence.

Now, about the numeric three, an online dictionary defines three as stated below.

### **From an online dictionary**

**1**

“The first and lowest whole number, being a cardinal number; unity.  
a symbol of this number, as 1 or I.”

**2**

“a cardinal number, 1 plus 1.  
a symbol for this number, as 2 or II.  
a set of this many persons or things.”

**3**

“A cardinal number, 2 plus 1.  
a symbol for this number, as 3 or III.  
a set of this many persons or things.”

Three preserves the indivisibility of 1.

The numeral three appears to be the most used number in the Bible. Consider the usage.

**One.** Apostle Paul tells us of his experience in the Throne Room of heaven.

- "I know a man in Christ, fourteen years ago (whether in the body, I know not; or whether out of the body, I know not; God knoweth), such a one caught up even to the third heaven." 2 Corinthians 12:2
- Jacob saw the Second Heaven, angels ascending and descending from the Magistrate Court.
- Sheol. Christ lived within the earth for three days and three nights, preaching to the fallen angels and souls of damnation, certifying their judgment. Jonah lived in the belly of a whale for three days and three nights.

In sum, the concept of heaven expresses three locations.

**Two.** Zechariah 13:8. "And there shall be in all the earth, saith the Lord, two parts in it shall be scattered, and shall perish: but the third part shall be left therein."

**Three.** Revelation 12:4. "Its tail swept away one-third of the stars in the sky and knocked them down to the earth."

**Four.** These calendar updates constitute the trinary of March, April, and May.

### Summary

Accept three as divine fullness, completion, and power to initiate new beginnings and show proof of corroborative outcome.
