

## **On the Festival of Lighting's Third Day, new Knowledge about December 25's Spiritual Composition is a gift to the tribal nations of Israel.**

A few supernatural occurrences started around 2:34 am on the 25th. Herein is essential.

We begin with the numeric 21 concept of birth, as illustrated to The Judahite. We go back to the 21st, where we see the speeches and arguments, particularly Ukraine's President standing before a joint session of U.S. Congress. Ukraine's President rebelled against Russia with U.S. support. *Watch what they do, not what they say.* A significant escalation is coming.

Today is different from the general format of rebellious arguments. On the 25th, 21 carries a conceptual orientation of tribal identity rebirth within the Festival of Lighting. Look, 12 vs. 21; or 21 vs. 12. Today's opposite within 21 emphasizes authority and power.

Consistent with God's creation, we see the creator's numeric eccentricity everywhere in nature. Particularly in gestation, in both humans and animals, we see sevens either in "days or weeks." Thus,  $3 \times 7 = 21$  comes with fullness, a timely conceptual birth on this day. Therefore, appropriately, 21 is symbolic of spiritual perfection.

Twenty-one possesses dynamism.

### **The Attribute Certificate 21 possesses the following list of rebirth properties.**

1. Positive energy and confidence.
2. Provides protection and patience during transitioning to the Lands of Promise.
3. According to the prophetic cycles of the Bible, resurrection and rebirth are the paths we travel.
4. 21 begins the new mission to establish the Commonwealth of Israel.
5. A new beginning rests on harmony.
6. Harmony is the bedrock for giving support and encouragement for emotional stability.
7. With unity, success becomes achievable in fulfilling purpose and desires.
8. A New Balance. A new equilibrium in family, personal relationships, work, and searching for new opportunities within the Commonwealth.
9. The new order of unity requires accepting defeat, admitting to errors, and concluding in the spirit of unity. Balance is thus maintained.
10. 21's numeric reduction is 3 ( $2+1=3$ ); creative optimism when one becomes productive in self-expression. Being productive allows one to live with achievements and enjoy life.
11. 21 requires independence. Never think about going back to Egypt like the Israelites. Fighting for autonomy is the motivational basis for the Festival of Lighting.
12. 21's objective is to realize each Israelite with good fortunes per Abrahamic Covenant.

**Just think, the 25<sup>th</sup> birthed the power of 21.**

- A time of plenty.
- Vigilance is required to avoid significant losses.
- Taking a personal inventory of one's strengths and inadequacies with pure intent.
- Discard all that doesn't fit with the new realities.

Consider 21's prophetic certification:

#### **Haggai 2:1 & 2**

*In the seventh month, in the one and twentieth day (**twenty-one**) of the month, came the word of the LORD by the prophet Haggai, saying, <sup>2:2</sup> Speak now to Zerubbabel ...the son of Shealtiel, governor of Judah, and to Joshua the son of Josedech, the high priest, and to the residue of the people, saying, <sup>2:3</sup> Who is left among you that saw this house in her first glory? and how do ye see it now? is it not in your eyes in comparison of it as nothing?*

#### **Daniel 10:13**

But the prince of the kingdom of Persia withstood me one and twenty days (**twenty-one**): but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia.

#### EXODUS 12:18

In the first month, on the fourteenth day of the month at even, ye shall eat unleavened bread, until the one and twentieth day (**twenty-one**) of the month at even.

## Spiritual Warfare

**Gabriel told Daniel that he would confront each of the principalities during each Gentile's social systems.**

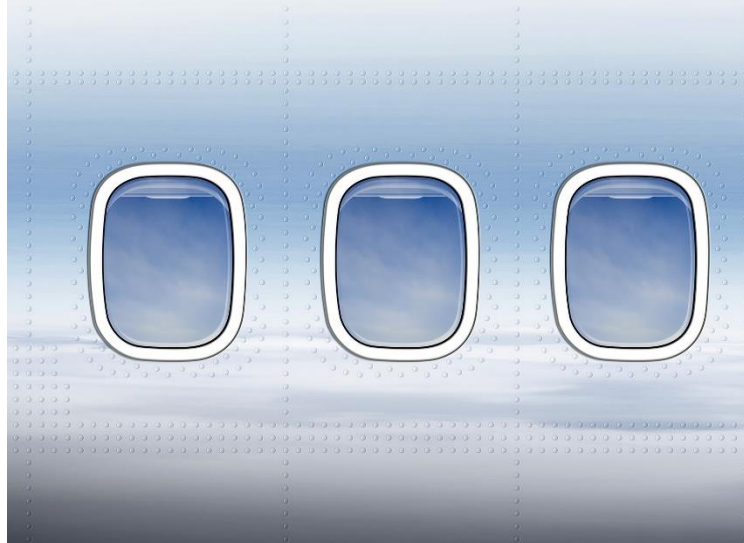

- *For our struggle is not against enemies of blood and flesh, but against the rulers, against the authorities, against the cosmic powers of this present darkness, against the spiritual forces of evil in the heavenly places.* Ephesians 6:12

Over the years, the Judahite has presented petitions before the Second Heaven Magistrate, where the courts of principalities are located for divine and Fallen Angels. In contrast, in daily devotions, we all go before the Throne Room of the Third Heaven, where the Twenty-four Redeemed Elders sit and advise Yeshua.

Honestly, the Second Heaven Court is well known to accept petitions from The Judahite acting in the interest of the exilic Israelites. On the other hand, the Magistrate acts within the authority of its power by issuing orders without petitions.

On December 25, The Judahite heard an interdimensional agitating sound before dawn. Taking several minutes for the pitch sound of anger to near, upon arrival outside the windows, The Judahite distinctively listened to the sound of combat regarding The Judahite's domain protection under the authority of Archangel Michael.

Days ago, the same demonic angel came with a force to attack The Judahite. The fighting sound was very distinctive and unmistakable. A spiritual messenger came to The Judahite from the outside of his windows to alert him of the attacking force and its defeat.

### **Michael's Forces Overcame the Devil.**

- *“And there was a great **battle** in heaven, Michael and his angels fought with the dragon, and the dragon fought and his angels. Revelation 12:7*

Since the pre-flood days, spiritual warfare has been going on in the heavens, and many such battles have been fought and still fighting in heaven with supportive forces on the earth. For example, Balaam acted as a proxy for the Elohim and then turned to serve Lucifer's interest to destroy the Congregation of Israel.

Later, Archangel Michael introduced himself to Joshua before the fall of Jericho. Later in the conquest of Canaan, Joshua became an agent for Michael, as seen when he commanded the sun and moon to stand still. A TIME marker, at which time, The Judahite would resume the final battle with the Amorites. When The Judahite commenced the final phase of warfare, guerrilla-style, the moon moved and disappeared from the sky before The Judahite.

Consider Gabriel was imprisoned for twenty-one days before Michael came and unblocked his passage to Daniel.

In continuation of the warfare, and today is the last phase of the war with the Amorites, the twelve tribal identities will be restored through the Holy Spirit. Although the birth occurred on December 25, twenty-one symbolizes the divine birth.

Timely, the attacks occurred correlational to the divine birth. Again, Michael came to the rescue on the 21<sup>st</sup> to allow the glowing identities of the Festival of Lighting to display worldwide.

### **Vibrational Soundwave of Victory**

Dramatically, the vibrational soundwave of victory came to The Judahite. Revelation chapter 12 serves as the background for the vibrational soundwave victory.

Given the indications in everyday life or as another indication with associated links, Archangel Michael has closed all portals of heaven to the earth, trapping the Devil and his angels on the planet.

The Man-child is ready administratively to rule over the Dragon with an iron rod after Michael inflicts devastation on the Dragon's system of imperialism, where it will become immobilized, unable to stand on its feet.
