

## UPDATE

Taiwan received The Judahite's Policy Procedures on October 23, 2021. The Archangel sent the 6.5 earthquakes on October 24, 2021.

The 6.5 earthquake serves as a notice: Judah's Operational Transition Committee has a time date for task completion. If necessary, a 12.9 earthquake will be sent.

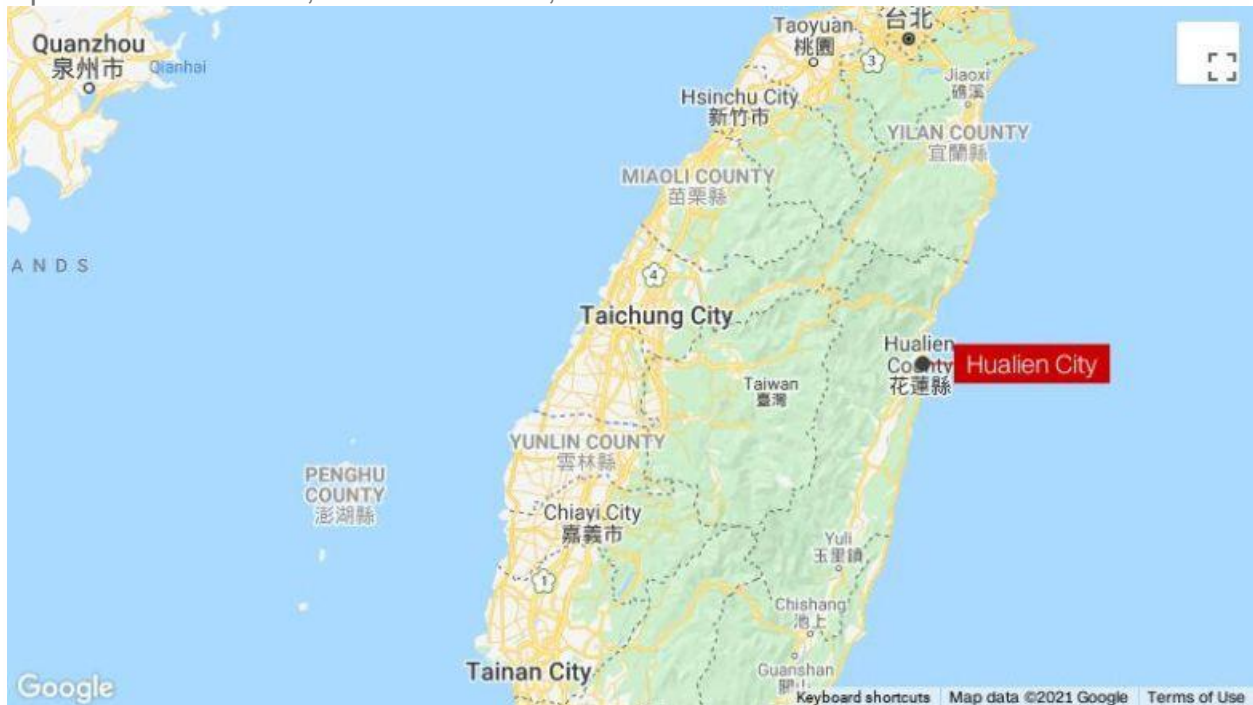

As for China, the Archangel gave The Judahite a direct personal illustration of China's downfall; death will come quickly, totally helpless, consumed by fire.

**October 24, 2021, the Archangel gave notice to Taiwan per The Judahite's instructions to form a committee on China. Not to do so, next time expect a 12.9 earthquake.**
