## **Updated Calendar for January 2023**

The Judahite received an updated calendar on January 15, 2023. The updated days came through the time zone of managerial processes or logistics. Today's 16 matches with the other 16 posted days ago. The prior 16 went through a different time zone. Still, the two 16s will combine doubling assets for managerial transitioning.

22 comes logistically to amplify eleven.
