

The Number Seventeen Theorized Equation

[Combining spiritual perfection 7 and ordinal perfection 10=17]

Page | 1

Considering the biblical application of 7; seven churches in Asia Minor, as stated in Revelation.

Jesus's doctrinal precepts, though millions of churches have been built worldwide. Thus, qualitative vs. quantitative results. Seven is usually associated with "completeness" or "perfection." Therefore, Biblical 7 asserts heavenly resolution.

Below are Biblical 17's applications

|------------------|--|
| Genesis 7:11 | The flood started on second month, the seventeenth day of the month. |
| Genesis 8:4 | The Flood ended on the 17 th day of the second month. |
| Genesis 37 | Joseph was 17 years old when sold into slavery. |
| Genesis 47:28 | Jacob lived in Egypt for 17 years until he was 147 years old. |
| Jeremiah 32 | Jeremiah purchased land for 17 pieces of silver. |

At hand, on August 17, 2023, an Indicant from the 2nd Heaven gesticulated to The Judahite Isaiah chapter 17 as a guardrail proclamation for Israel's enemy forces to take notice of their coming defeat, as the wind blows away the tumbleweeds.

Herein, Isaiah 17: 12, 13, & 14 are highlighted, **not** to assume they are more important than other verses. The entire chapter must be studied, as the subject is Syria and Ephraim's demise.

Isa. 17:1 opens with a forewarning:

- *The burden against Damascus. "Behold, Damascus will cease from being a city, And it will be a ruinous heap.*

There are many photos online showing Syria as a country in destruction. Already, many cities in Syria are a ruinous heap. Parts of Damascus bear testimony of war destruction like other cities in Syria. Currently, a little effort will foreclose on Damascus, a city whose future is destined to collapse and never be remembered.

Damascus and Ephraim on the same timeline of destruction

- *The fortress also will cease from Ephraim, the kingdom from Damascus, And the remnant of Syria; They will be as the glory of the children of Israel,” says the LORD of hosts. Isaiah 17:4*
- *And it shall come to pass in that day, that the glory of Jacob shall be made thin, and the fatness of his flesh shall grow lean. Isaiah 17:4*

In the decades of the 1980s and 90s and the first decade of the 20s, the most significant war destruction occurred in Syria and Damascus that matched Isaiah’s oracle. However, Damascus remains partially standing prophetically in correlation to Ephraim’s destruction.

Regarding Jacob, Israel, & Ephraim

“Glory of Jacob shall be made thin” accounting for *Israel’s* depopulation. Consider the Northern and Southern Kingdoms of Israel. Rome’s wars with the Judeans came to an end in AD 135.

After AD 70, the Israelites from different tribes rallied under the banner of Judah to put resistance to the Roman occupation of Judea without a strategic objective that amounted to an illusion because they did not listen to the words of Yeshua to run to save their lives in AD 68.

Currently, the war destruction of Syria and Damascus benchmark Isaiah’s oracle.

“The fortress also will cease from Ephraim.” **Ephraim** is the keyword.

- *As for Ephraim, their glory shall fly away like a bird, from the birth, and from the womb, and from the conception. Hosea 9:11*

When linking Israel with America/Ephraim, the association derives the correct meaning of Israel's oracle. For practical purposes, the current state of Israel is an extension of Zionism with unconditional support from American and British Zionists with shared financial centers in London and New York.

Lots of money is in electoral politics. Zionists Jews contribute lots of campaign financing to those who will support Israel, assuring the state of Israel continue to be the largest beneficiary of America's foreign aid.

Even so, from the perspective of Judah's evolutionary development over the past seven years, including Judah's prophetic jurisdiction over the state of Israel, Ephraim/America will lose its fortress and so will Zionist Israelis. As a rule of thumb, the LORD gives examples of future judgments to remove any doubt about the coming realizations. Again, look at the scale of war destruction photos of Syria and Damascus, they match with Isaiah's oracle.

With the rise of the Executive Body of Israel in Exile, being the precipitated condition, Judah's preparation for returning to the Promised Land includes writing the final chapter of Damascus and the fall of Ephraim/America that support the Zionist state of Israel.

The Real Estate Inheritance Clause Under the Abrahamic Covenant

- ^{15:18} In the same day the LORD made a covenant with Abram, saying, unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates: ^{15:19} The Kenites, and the Kenizzites, and the Kadmonites, ^{15:20} And the Hittites, and the Perizzites, and the Rephaims, ^{15:21} And the Amorites, and the Canaanites, and the Girgashites, and the Jebusites.

Deed Land Registry.

- *All the land of Canaan is an eternal possession to Abraham's descendants as stated in Genesis 17:8.*
- *I also established My covenant with them to give them the land of Canaan, the land where they lived as foreigners. Exodus 6:4*

Canaan is a misplaced function.

Canaan, like the Garden of Eden, served as the spiritual incubator for evolving a global priestly people.

As a historical note, the land of Canaan, according to Jubilees, belongs to Shem. Upon research, The Judahite discovered the Canaanite family covered the Mediterranean's eastern side. However, during Joseph's global Seven Years' Famine, some of Canaan's family moved into the land vacated by Jacob and his family when they went to Egypt. Thus, no one in the country could stand against any future land claims.

Jacob's body moved from Egypt to his tomb in Canaan, making it one of the longest funeral processions of all time. The funeral procession and burial euphoniouly engender the land of milk and honey. What? Through the divine parade, Jacob's spirit sanctified the ground, being the Father who planted the family trees of nations to be the bearers of the First fruits.

- *And they came unto the valley of Eshcol, and cut down from thence a branch with one cluster of grapes, and they bare it upon a staff between two; they brought also of the pomegranates, and of the figs. Numbers 13:23*

Truly, Numbers 13:23 represents Jacob's gift of abundance to ingest for mental, spiritual, and physical productivity.

We, the Congregation, have yet to comprehend many things about the workings of our God. Jacob's funeral procession harmonized with Israel's divine mission. Jacob entered the world on a divine mission to enable the world's economic systems to prosper through his family's gifts. As discussed in a different presentation, tribal Judah's servitude in the Middle East under the Arabs and Texas under the English sanctified the grounds that enabled the locations to jump-start the modern-day global economy. Judah's enslavement timed perfectly to combine with Nebuchadnezzar's global Prosperity Tree, which Daniel foretold of its location and talked about the deception of pretending to be Christian-like but acting fascistically.

The Promised Land of Canaan stands as deeded to Abraham's descendants as the global capital. Yes, the state of Israel will always be the global capital of the Earth, the international spiritual Garden of Eden.

The global capital vs. tribal states' boundaries.

Upon reexamination of Scriptures, Israel's boundaries have no limits. Understanding the growth of knowledge, one step at a time—just like a child, the registered deeded land to the Israelites was ever fully occupied during the Northern and Southern Kingdoms. Currently, billions of Israelites are around the world, making it impossible for returning exiles to occupy the deeded land. Thus, the current state of Israel will be regarded as the international capital. Judah will occupy the current land, as Judah will be collected from the four corners of the world. Next, waves upon waves of Israelites will come and gather circular around Zion and expand outwardly covering the entire region and regions.

- *Look upon Zion, the city of our solemnities; thine eyes shall see Jerusalem a quiet habitation, a tent that shall not be removed, the stakes whereof shall never be plucked up, neither shall any of the cords thereof be broken. Isa. 33:20*
- *Enlarge the place of thy tent and let them stretch forth the curtains of thine habitations; spare not: lengthen thy cords and strengthen thy stakes. Isa 54:2*

Expect Geological Changes in the Entire Region.

- When they pass through their sea of trouble, I, the LORD, will strike the waves, and the depths of the Nile will go dry. Proud Assyria will be humbled, and mighty Egypt will lose her power. Zechariah 10:11
- The waters of the Nile will dry up, and the riverbed will be parched and empty. Isaiah 19:5
- And the LORD shall utterly destroy the tongue of the Egyptian sea; and with his mighty wind shall he shake his hand over the river, and shall smite it in the seven streams, and make *men* go over dry-shod. Isa. 11:15 & 16.

The Tongue, the land between the Suez Canal and the Gulf of Aqaba, will disappear and the Nile River will dry up.

Birthing a Nation-state Concept

Judahcracy

Judahcratic

The three stages leading to the Judahcracy.

Stage one. The U.S. Constitution of 1776 came into existence through Freemasons and the Jesuits dominating the Continental Congress, supported by their respective European centers of power.

From ideas to reality, the question before dominant centers of ideals is how to govern to suit the interest of all within the New Atlantis. In time-consuming discussions, they agreed on the compromise 3/5 vote count to win or pass legislation in the U.S. Congress. 3/5 ensured the South control over Congress through bloc voting. How was 3/5 derived? The enslaved Judah represented 3/5 numerical value of a white man.

The voting bloc became known after the Civil War as the Dixiecrats, representing the Southern oligarch political interest until 1970.

England transferred India's governing model to America for a broader governance perspective. Remember, societal evolution takes little steps, not big steps, because each institutionalized social, religious, economic, legal, and judicial structure demands sustainable infrastructure.

Britain modified India's model to integrate into the evolving American Empire in keeping with the American Republic. Remember, Britain is a monarchy like most European nations.

Deeply embedded in the Europeans' monarchy is the Right of Nobility, which still impacts American society without the ostentatious trapping of royalty.

Standing in opposition to the Right of Nobility is the Freemasons/Jesuits. As discussed in a different presentation, the city, state, and federal District Attorney's Offices represent the Nobility's interest, which is why India's model is modified. Moreover, the American Bar Association caters to the interest of the Crown of England.

Stage two. From a common everyday perspective, it is strange how the Viet Nam War played any operative role in throwing out of office the Dixiecrats and their hard-core legislative coalition after two hundred years of self-serving interest.

Using the in-placed civil and voting rights alliance, social activists transformed the alliance into the anti-War movement that gave young people a cause in which they learned the meaning of participatory democracy. With electoral success, the hit-list removal continued to put social progressives into office.

Although the 1965 Voter Rights Act was in-place, Judah needed to do more to deconstruct and re-arrange new voting coalitions in society and the halls of the U.S. Congress.

Overall, the Viet Nam War became the antagonizing agent within the social and political dynamics for revolutionary changes. Social change would have been slow and costly without the Viet Nam War. Regardless of timing, the shifting of political changes were already in motion.

Stage three. Jeremiah's Seventy Years prophecy arrived, giving The Judahite, on behalf of the Executive Body of Israel in Exile, prophetic jurisdiction over the state of Israel. Moreover, tribal Judah's 400 years expiration date expired in 2019. Driven by Yeshua's Mission Statement, Tribal Naphtali pushed the Ten Tribes into conscious mobilization to end social oppression.

So, statutory regulations became the dominant conditions for Judah and Israel to fight for cast votes preservation. There are many schemes by opposition forces to relegate the voting will of the Congregation to insignificance.

Knowing Jacob's tithing-blessing recently expired, the Congregation of Israel has started mental, historical, and spiritual preparation for transitioning.

The Calendar Dates are rolling along. Quantitative changes transformed on August 17 into the new concept of Judahcracy (by yourself and for yourself according to the biblical proclamations and statutory laws).

The Congregation's collective priority is to defend and protect governing standards and legal statutes fought for, starting in Black Reconstruction. Credited to governing norms of participatory democracy, Judah and the Ten Tribes' achievements in all fields will be preserved and translocated to the Lands of Promise.

A summary statement about August 17, 2023

Remember that August 17 is a planetary day and includes events worldwide. However, The Judahite has shared a few mental stimuli thus far. Isaiah chapter 17 should be studied to keep pace with calendar events.

Moreover, on the 17th, The Judahite received a supernatural spiritual view of the occurrences on the 18th, purposely arranging for two realities to exist simultaneously with overlap.

Isaiah 17:13

“Nations shall make a noise like the noise of waters overflowing, but he shall rebuke him, and he shall flee far off: and he shall be carried away as the dust of the mountains before the wind, and as a whirlwind before a tempest.”

August 18, 2023

What a comprehensive day! Signs affirming the new realities, a time for putting away the old.

- *Create in me a clean heart, O God, and renew a steadfast spirit within me. Psalm 51:10*

Toward the end of the day, The Judahite supernaturally saw the 40 probationary period ending. On the other hand, a time of trouble, a time of phased judgment.

Biblical 18

Luke 13: 11-16

And behold, there was a woman who had a spirit of infirmity eighteen years and was bent over and could in no way raise *herself* up.

13:12

When Jesus saw her, He called her over and said, "Woman, you are set free from your disability."

13:13

Then He placed His hands on her, and immediately she straightened up and began to glorify God

13:16

Then should not this daughter of Abraham, whom Satan has kept bound for eighteen long years, be released from her bondage on the Sabbath day?"

18 and 40

Biblically the two are complementary

- *"To whom He also presented Himself alive after His suffering by many infallible proofs, being seen by them during forty days and speaking of the things pertaining to the kingdom of God." Acts 1:3*
