Over the years, the LORD, through the Holy Spirit, has given a few monthly reviews of calendar months. These selected dates are insightful in highlighting features of the monthly events or occurrences.

The operand tells us that 1 interpermeates all the dates within the framework, making it easy to contemplate the summary dates' fuller meaning.

### A summary of Dates within Pentecost's framework.

18.....3

In review, we see date numbers with a count of one. Next, we see 18 with a repeated count of three. Finally, we see 19 with a repeated count of two.

Interpretation: Seeing the number dates with the count of 1 is simple.

The date 18 appears three times. Naturally, only one 18 per month. **Biblical 18 denotes a new life and/ or a time to assert independence or separation from demonic spirits.** Luke 13:4-6 recounts Yeshua telling sinners about the death of eighteen:

- “Or those eighteen on whom the tower in Siloam fell and killed them, do you think that they were worse sinners than all *other* men who dwelt in Jerusalem?”

Likewise, Yeshua said: “Unless you repeat, 'you too will perish.’”

Yet, another application of eighteen in Luke 13:11-12

- *“And behold, there was a woman who had a spirit of infirmity eighteen years, and was bent over and could in no way raise herself up.”  
But when Jesus saw her, He called her to Him and said to her, “Woman, you are loosed from your infirmity.”*

An important concept in biblical discussions, eighteen signifies new life and a period of independence. Notice that 18 appears three times. In each instance of that date, we observe elements of new life and/or independence within the regime of Pentecost.

#### **The significance of Three**

Now, let's explore the deeper meaning of three. The significance of three in geometric design is represented by a cube, which is a solid—something you can touch, feel, see, and experience. Essentially, this symbolizes completeness or wholeness. Consider the concept of time: past, present, and future. Three is also associated with the Holy Trinity: Father, Son, and Holy Spirit (divine perfection)(divine fullness)(Resurrection after three days). Additionally, three can be linked to a small family: Noah's three sons, Shem, Ham, and Japheth.

## Applying 3

### 2 Corinthians 13:1-2

*This will be the third time I am coming to you. "By the mouth of two or three witnesses every word shall be established."*

*I have told you before, and foretell as if I were present the second time, and now being absent, I write to those who have sinned before, and to all the rest, that if I come again, I will not spare—*

### Hebrew 10:28

*Anyone who rejected the law of Moses died without mercy on the testimony of two or three witnesses.*

### Revelation 11:3

*And I will empower my two witnesses, and they will prophesy for 1,260 days, clothed in sackcloth." (Judah and*

### Deuteronomy 19:15

*No single witness shall rise up against a person for any wrongdoing or sin; a matter shall be established by the testimony of two or three witnesses.*

### 1 John 5:7-8

*"For there are three that bear witness in heaven: the Father, the Word, and the Holy Spirit; these three are one.*

*And there are three that bear witness on earth: the Spirit, the water, and the blood; these three agree as one."*

*Three: the Holy Spirit, water, and blood infuse } 18, New Life.*

## Operand 1

Deuteronomy 6:4 introduces the concept of one:

- *“Hear, O Israel, The Lord our God is one Lord.”*

### One is a concept of unity, for it is exclusionary.

This is why God says: I am a jealous God—I am the original, for I am the law of one—sovereign. I am Alpha and Omega.

As a follow-up, two powerful numbers are 1 and 0. Knowing the difference in number classification, 1 is a non-prime number; it cannot be divided by itself, for it is indivisible.

Computers are a pervasive aspect of reality. To facilitate communication between machine code and programmed applications, assembly language employs mnemonic codes represented in binary, using 0 and 1.

Equally pervasive, barcodes are placed on trillions of items for everyday use. The 1s and 0s are symbols in the electronic bar naming the items.

### One is a unit unto itself; it exists uniquely in originality.

- “Thus saith the LORD, the King of Israel, And his redeemer the Lord of hosts: I am the first, and I am the last; And beside Me there is no God.” Isaiah 44:6
- “I am Alpha and Omega, The first and the last.” Revelation 13:22

## Nineteen counted twice.

19 is composed of 10 and 9, conveying a divine order, as understood in 10 and 9. Nineteen denotes judgment.

Second Samuel, chapter 2, describes how David became king of Israel. Initially, a contest occurred between the strongest men from David's and Saul's sons' camps, resulting in a stalemate. Then, a battle ensued between the two camps, in which David lost 19 men while Saul's sons' camp lost 360.

## Two 19s or 19... 2

In contrast to 1, two affirms that there is a difference; there is another. Differences include both good and evil.

In creation, God separated the sky from the firmament, heaven. Hence, there is a division, or differences come from a division. Genesis 1:6

- *Then God said, "Let there be a firmament in the midst of the waters, and let it divide the waters from the waters."*

Two, the duality in nature.

In the Garden of Eden were two trees: the tree of immortality, which represented life, and the other, the knowledge of good and evil.

- Man and woman
- Night and day (light and darkness)
- Unity and separation
- Two is the minimum number of witnesses to establish a forum for truth. 1 Timothy 5:19 "Do not receive an accusation against an elder except from two or three witnesses."
- After facing diversity and hardship, the Israelites should anticipate receiving a double portion. Job 42:10: "*And the LORD restored Job's losses when he prayed for his friends. Indeed, the LORD gave Job twice as much as he had before.*"
- Earth and heavenly man, the duality, Paul says in 1 Corinthians 15:45-46, "*And so it is written, "The first man Adam became a living being." The last Adam became a life-giving spirit. However, the spiritual is not first, but the natural, and afterward the spiritual.*"
