

Biblical Twelve

The System of Governance.

The Executive Body of Israel follows the well-established principle of twelve in a unified system of governance. Consider the symbolic significance of twelve.

Twelve stars Rev 12:1;	twelve sons of Jacob;	twelve gates of heaven;
twelve stones inserted in the High Priest's breastplate;	twelve apostles;	
$12 * 12 = 144$;	twelve spies entered Canaan;	twelve legions of angels (Mat 56:26)

Today, twelve comes before us in the line of prophetic numbers as the Congregation prepares to depart for the Lands of Promise. The number twelve is the core paradigm for the best unified administrative governing policy in the operations of Israel's Commonwealth.

Twelve Certified.

As a prophetic number, twelve certified itself per the date of February 12, 2022. Such certification is consistent with the other biblical character dates; otherwise, the dates would exist without the prescribed weight of character value.

As with other number on the prophetic timeline, February defines the numerical values of all divine and spiritual dates. In a word, all supernatural events occurring within the month defines the scope. The same pattern holds for the tri-months, February, March, and April. In May, the Feast of Weeks, the predictive values are amplified and in want of resolutions.

A Restatement

**The Second Court of Heaven operates as the electromagnetic force within
Yeshua's Mission Statement
Spiritualized the congregational guidance.**

Foremost on the morning of March 12, the spirit came to The Judahite, depicting her character rotation of velocity, speed, and duration within an organizational system of legal governance. As a reference, The Judahite saw, in somewhat, similarity to what Ezekiel understood:

- *The appearance of the wheels and their workings was like the color of beryl, and all four had the same likeness. The appearance of their workings was, as it were, a wheel in the middle of a wheel. Ezekiel 1:16*

In the case of The Judahite, the Spirit anticipates the prophetic movements and so position the necessary enactments of protection and resources. March 12 unfolded to the Spirit of electromagnetism, arranging timely events in categorical formats

The Trimonthly methodized Policy Administration

Instead of recounting trimonthly events, the events herein are presented in methodized forms. However, in a few instances, the actual dates are given.

**The Judahite with the Plenary of the Executive Body of Israel
Acknowledged March 12's
Outlined from the Second Heaven.**

Having discussed before, the relations between the Magistrate Court and the nation of Israel always existed. The Elohim gave Jacob, the father of Israel, a vision of angels descending to earth and ascending to the Magistrate Court of heaven through a particular portal.

On March 12, 2022, at 8:02 AM, The Judahite received a Judicial Notice 34 from the Court of Heaven. It is about terrible things to come and cannot be rescinded.

The Judahite accepted the Judicial Notice as a restatement of Daniel 4:17

- This is the decision of the alert and watchful angels. So then, let all people everywhere know that the Supreme God has power over human kingdoms and that he can give them to anyone he chooses--even to those who are least important.'

COVID-19

On the afternoon of March 12, the Court of Heaven did a recall assignment for COVID-19. Consider the procedural steps: **1)** The Judahite saw a white hearse in an empty church parking lot. **2)** By the hearse, two young men carried two white wreaths into a black church. **3)** while on the bus, about fifty feet from the hearse, The Judahite smelt pine sol and realized some had spilled into the handbag from the purchased pine sol bottle. **4)** The cap on the bottle was recreated, as it was unscrewed supernaturally. On the bottle, the words: "KILLS COVID-19 VIRUS."

Since COVID-19 has been discussed in a different presentation, two highlighted historical points will be sufficient to show the cohesion of the ongoing virus. Many years ago, under God's master plan, The Judahite formed the designed framework in which Yeshua's Mission Statement would operate, including COVID-19. In December of 2019, The Judahite started to see supernatural occurrences of COVID-19 that would go past February with less dramatization.

In March 2020, The Judahite gave a date when many deaths would occur due to the virus' spike. On that day, the World Health Organization, WHO, announced COVID-19 as a global pandemic.

Between 2020 and 2021, the 144k and The Judahite requested and received limited managerial control of the pandemic. Not the full Congregation of Israel.

From 2020 to 2022, many research papers have been written on the virus' origin. While valuable, there is no 100% agreed-upon conclusion; as time moves, so is the continuation of finger-pointing. The USA doesn't have clean hands in the pandemic because US dollars were funding research projects in China.

On March 12, 2022, China recorded a significant spike in COVID-19 cases, just like in March 2020. COVID-19's resurgence is seen in Shanghai and Beijing's current state of lockdown. And COVID-19 cases are increasing each month in the USA. Still, many people view COVID as a joke. Just wait; COVID's progression will turn many unbelievers into a caricature of death.

A review of the details and the applied spiritual meaning.

A black church is the setting.

1. The white hearse in the empty church parking lot symbolizes divine reverence to the eyes of the living. Yes, for the living to demonstrate humility before the Most-High God.

2. The two white wreaths express the innocence and youthfulness of death-resurrection.
3. The two men carrying the white wreath walked through the church's doors. Overall, within context, that church symbolizes the Congregation of Israel.
4. The Pine or Evergreen tree symbolizes an increased life period, eternal life, wisdom, and rebirth. Life lives within The Judahite's carrying bag because the purchased bottle of Pine sol spilled within the bag, clearing the harmful virus from the Congregation.
5. The same one who requested limited managerial control of COVID-19 also recreated the cap on the Pine-sol bottle. Yes, The Judahite. WOW! Is not God procedural from beginning to end.

For a re-examination

God recalls the virus to tailor protection for the Congregation. Please bear in mind: The Judahite specifically **requested the 144k**. NOT the whole congregational Israel. WOW!

The gnashing of teeth

- And shall cast them into the furnace of fire: there shall be weeping and gnashing of teeth.
Matt. 13:42

At hand, while eating a fried chicken sandwich on March 12, the Angel slammed The Judahite's mouth wherein the teeth hit a magical object placed on a tooth, causing pain that persists as of 5/9/2022.

Slamming The Judahite's mouth onto the magical object that illustrated the gnashing of teeth. What is the derivative? To establish the precedent for non-reversal of those indicted on biblical crimes and those already judged and now waiting for their assigned punishment.

The mouth of tribal Judah and its spiritual illustration.

The Bible uses the lion's mouth symbolically to express tribal Judah's standard to use his mouth for the Spirit of truth.

First, Samson overpowered Judah, the lion, because he held him to account to the Law of Moses to walk the talk. Yet, after killing the lion of Judah, Samson came back to take honey from the lion's mouth for enjoyment. Indeed, Samson ate the honey of salvation by grace on his terms. Samson is representative of tribal Dan, the snake—that manages the world by birthing the Red Dragon of imperialism.

Secondly, Daniel stood firm while at peace among his tribal members, who appreciated his efforts to gather lots of money for rebuilding the Temple. In good standing for his righteous work, the *Good Spirit* allowed the lions to come and sleep the night at Daniel's feet.

The following morning, the conspirators were judged and given the same sentence as Daniel. The conspirators and their families were thrown into the den. Before they could hit the ground, free-falling, the lions jumped into the air and caught them for breakfast.

Thirdly, The Judahite. For the correct view, consider the sequence of events. First, The Judahite illustrates the reverberation of COVID-19. The Angel extended the exclusionary zone of COVID-19 to cover the entire Congregation of Israel. Again, only the 144k had exclusionary protection from COVID-19, not the whole Congregation.

Following the exclusionary zone, on the same day of March 12, The Judahite engaged representatives of the false prophet within the context of Revelation 20:10.

- And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet *are*, and shall be tormented day and night for ever and ever. Revelation 20:10

Deceived. The mouth is used to deceive.

- *Even him*, whose coming is after the working of Satan with all power and signs and lying wonders. 2 Thessalonians 2:9-11

The mouth is the inclusionary sign where there will be pain and hurt night and day. So, for those without the safety of grace, The Judahite's mouth is illustrative of pain. The truth that hurts is in the transmission of words.

The mouth is an instrument that transmits thoughts, regardless of how possessed. The virus has been a condition for increased wickedness instead of decreased.

Operational mouth-pain and the objective.

- *And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are.*

Mouth-pain is about the Congregation re-claiming all the Lands of Promise despite deception and lies. In Egypt, the frogs covered the entire land. What an ecological disaster, yet the pharaoh reneged. The Judahite's mouth-pain of operations targets the DRAGON, BEAST, and FALSE PROPHET. Thus, removing generalities.

- And I saw from the mouth of the dragon, and from the mouth of the beast, and from the mouth of the false prophet, three unclean spirits like frogs. Revelation 16:13

**Being in the Plenary Section, The Judahite
Acknowledges Second Heaven's Judicial Notice
On April 12, 2022**

About mid-morning, The Judahite faintly felt a sign of heartburn. The symptom was like what occurs, sometimes, after eating foods not cooked in extra virgin olive oil. As the day progressed, the character of pulsating muscle spam appeared off and on (not an accurate description—only an approximated idea).

The symptom of chest pulsation continued. Finally, medical action had to be taken quickly for relief. All work stopped. While standing by the stove and coffee maker, The Judahite saw a black interdimensional shadow approaching his legs. Out of significant fear, The Judahite jumped. At the same time, an ambulance with lights appeared on the outside. The body pain seems to accelerate after that, pinning The Judahite to the bed for the next eighteen hours.

The infliction was great. The Judahite went into prayer, seeking the cause. The next day, at some point, The Judahite was able to sit up in bed for a few minutes. Then, a dove appeared at the window—a spiritual sign all was well.

The eighteen hours of sickness, the illustrative meaning.

- a. The black interdimensional shadow achieved its objective. It wanted The Judahite to move fast, very fast from the stove.
- b. When the hand of justice falls, no one will be able to escape.
- c. The ambulance arrived on time as an incorporated detail of emergency. The Holy Spirit doesn't work by luck, for the ambulance arrival emphasized the treatment needed for those within the scope of the judgment.
- d. Suddenly accelerated chest pulsation. The interpretation: expect heartburn to grip those not of the olive tree. They will perish due to their disbelief; they are not in the class of Firstfruits.
 - *And two olive trees over it: one upon the right side of the lamp, and the other upon the left side thereof. Zachariah 4:3*
