## When Jesus Revealed his DOB, he established the benchmark for Restoring Judah & the Congregation of Israel

In the past and current year, Jesus' date of birth (DOB) celebration emphasizes his circumstantial birth, death, and ascension. In most cases, gifts giving and receiving overshadow the significance of his day of arrival upon the earth. In perspective of his mission, consider his milestones' directional purpose:

At the age of twelve, Jesus responded to Joseph and Mary,

- “He answered them, “Why did you have to look for me? Didn't you know that I had to be in my father's house?” Luke 2:49
- “The Spirit of the Lord is upon me, because he has chosen me to bring good news to the poor. He has sent me to proclaim liberty to the captives and recovery of sight to the blind, to set free the oppressed.” Luke 4:18

In contradistinction to Christmas, September 1<sup>st</sup>, 2021, establishes the essential core observant under the New Covenant for the 144K and Firstfruits. In review:

### i.

Rome, the pantheon of gods, assigned Jesus' birth to December 25—Christmas. Although, the date is misplaced, the character of Christmas, for thousands of years, overshadowed Nimrod's date of birth effectively confining and repressing the practice of paganism. Still, for pagan worshippers, Nimrod is venerated.

### **Christmas, December 25, Belongs to the Gentile's Church Age.**

History records that between AD 68- 70, Judeans with discernment followed Jesus' instructions to flee, don't look back when Rome's military surrounded the cities of Judah and Jerusalem. Horror, horror followed. One example of the unthinkable, people eating their babies! Those Judeans on the run signal the beginning of two thousands movement displaying the Mosaic Curses.

Most of the Judeans went South toward Egypt in all directions of Africa, including North Africa, where some connected to departing ships going to different parts of South and Southcentral Europe.

The name Judean became a bygone word for Jerusalem. The icing on the cake came when fire destroyed the Temple by divine providence. The Judeans vanished from pages of history due to their insignificance.

Early in the eighth century AD, the Islamic Arabs drove the Judeans deeper into the heart of Africa with two exceptions. a). those who were given the option to convert to Islam or beheaded; b). the Arab slave hunters sought Judah for all the right reasons. Prophetically, they knew Judah was key to their future because they knew the blood line of Jacob possessed the divine blessing, not Esau because he gave his blessing away for food. Indeed, Judah's enslavement sanctified the grounds of the Middle East, making possible the oil empires, jumpstarting the era of global prosperity.

Consider, therefore, December 25, promoted by the Edomites, serves the interest of the **righteous Gentiles** to use Jesus' characterized purpose to hold in check all forms of paganism, allowing time of centuries to wipe out Nimrod's paganistic beliefs to the degree of lacking the power to confuse the righteous Christians.

**Post Jeremiah's seventy years prophecy,  
Jesus restored his DOB to advance the Second Half of his  
Mission Statement to resurrect his living Tabernacle.**

As the Church Age nearing its end in conjunction with Judah's 400 years' jurisdictional release, Tabernacle's remodeling process is now aligning with the New Covenant. For the living Tabernacle it is imperative to have the correct date DOB.

Jesus revealed his DOB to complement the birth of the Man-child, signaling the beginning phase of the Stone Kingdom. Yeshua told of his DOB as the plumb line for reconstructing Tabernacle, ensuring all theological systems depicted on the blueprint align with his rulership through the House of David.

The House of David is a patriarchal office holding pre-anointed sovereign authority over the entire Congregation of Israel.

The Office of David stands in contrast to the personality of King David, King Solomon, and the other kings of Judah. The House of David is the headstone, a monarchical lineage ordained and prescribed by **Samuel**.

All the Kings that followed Samuel's divine prescriptions did well, and those who did not were cursed like King Saul, who became the archetype of disobedient. He ruled without godly **wisdom**.

## ii.

Ongoing strengthening systems for supporting the goals of Jesus' **Restoration under the New Covenants and his New Testament**.

During The Judahite's prayer service celebrating Yeshua's DOB, the broken cupboard's shelf miraculously repositioned itself on September 1<sup>st</sup>, attesting to the correctness of Yeshua's birthday.

### iii.

For some, we hold hands and pray specifically for Headphone 25.

- “Didn't you know that I had to be in my father's house?”

After which, we should expect to possess the resources to carry on the father's business and the personalized needs for advancing the Stone Kingdom's glory under protective security.

On September 1<sup>st</sup>, no prayers should be made for wishful desires over the birthday cake, for the loveliest gifts are those with a mission to extend Yeshua's meaning and purpose.

### Yeshua's Birthday Mandates in keeping with Atonement

#### Rewards and Judgments

#### Either combined or separate

Yeshua has different aspects to his earthly mission. At hand, Yeshua's birth occurred during the Feast of Atonement as the **Adjudicator**.

**Historical Coherency**, Lord Yeshua adjudicated the Edenic Judicial Decree among the parties of Eve, the Serpent, and Adam.

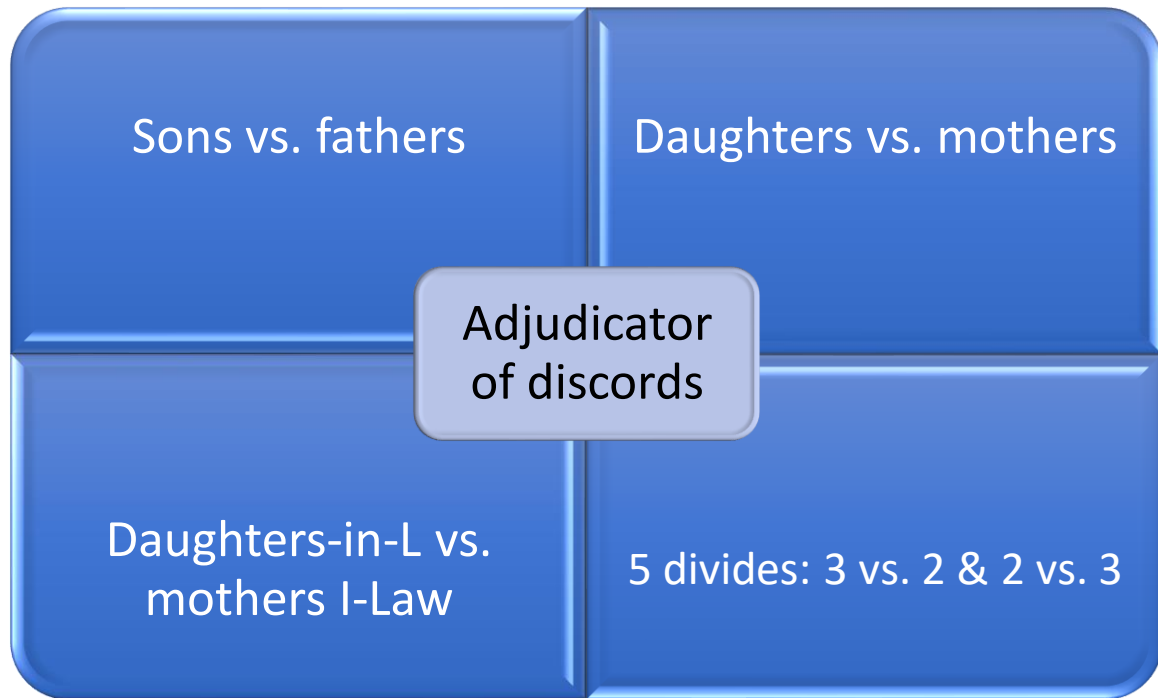

Yeshua appears again as the Adjudicator to clarify his Decree regarding the ongoing conflicts. **Women carry both Adam's and the Serpent's gene molecules; such is the primary level for understanding family social relations that extend to society.**

Those with spiritual discernment see each day the actual spiritual conflict in social relationships, whereas others cannot see the spiritual antagonism. Still, countless attempts are made in most cases to reconcile the conflict superficially, though never getting at the heart. However, as a reasonably good faith effort, the parties come to a resolution to separate without and with a date.

But eventually, the Serpent's descendants come together and commingle in ecstasy, always expressing freedom for being Satan's heirs. They always present their life stories as an act of heroism for breaking free of Adam's influential norms of morality.

A noteworthy point, only those of Adam's seed can see the spiritual bankruptcy in the Serpent's descendants. They always look here and there for fulfillment; there is nothing that they won't do for a fulfilled imaginary fleshly desire. Insatiable desires of Satan's followers can never be satisfied, as the endless quest leads to medical conditions that restrict fruitless fleshly desires. For those who live a long life, they end up becoming a shell—nothing of any substance.

**Women carry both Adam's and the Serpent's gene molecules. Such is the primary level for understanding the family's social relations that extend to society at large.**

As a summary point, know one's tribal membership before entering a marital relationship to minimize conflict. Or follow the advice given by the tribal patriarch. (See page 18 on roll call)

### Draft Two **September 1**

The Judahite awoke and started his workday on September 1. Miraculously, an event occurred thematically in celebration of Yeshua's birthday around 7:30 am. Truly,

- ❖ "I am the light of the world," he said. "Whoever follows me will have the light of life and will never walk in darkness."  
John 8:12

**Sweet and Savory cogitatively poetic, denoting expressions & acceptance.**  
**The spiritual offerings appropriately expressed in any form will be accepted by the**  
**Elohim when they imitate the character of**  
**Christ's love.**

- “And now I give you a new commandment: love one another. As I have loved you, so you must love one another.” John 13:34
- “Your life must be controlled by love, just as Christ loved us and gave his life for us as a sweet-smelling offering and sacrifice that pleases God.” Ephesians 5:2
- That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love. Ephesians 3:17
- <sup>4:8</sup> And above all things have fervent charity among yourselves: for charity shall cover the multitude of sins. <sup>4:9</sup> Use hospitality one to another without grudging. <sup>4:10</sup> As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God. <sup>4:11</sup> If any man speaks, let him speak as the oracles of God; if any man minister, let him do it as of the ability which God giveth: that God in all things may be glorified through Jesus Christ, to whom be praise and dominion for ever and ever. Amen. 1 Peter 4: 8-11

**The ritualized practice of throwing away the old and putting on new garments,**  
**Representational of the New Covenants and**  
**Jesus' New Testament.**

- ❖ As a practicing tradition since 2017, The Judahite soiled his underwear through a very, very light touch of diarrhea induced by a laxative.
- ❖ The symbolism of diarrhea is to remove the contaminants from the body; then, Jesus's New Testament words are placed in the purified body.
- ❖ Washing with specialty soaps. The Judahite commonly uses rosemary-mint, though others are available.
- ❖ After showering, one should adore the body with lotion and oils, with the most intense fragrant smell of plants and flowers expressing the characteristic joy of being cradled in the religious reputation of Christ.
- ❖ The old underwear is either washed or bagged and discarded.
- ❖ New underwear serves to cloth the rebirthing precepts contained in the New Covenants.

- ❖ Have a cup of coffee with a spiced nut creamer. The coffee can be either hot or cold or mixed in any form. Such an offering libation is specific to the thanksgiving blessing of Tabernacle, returning home to Jerusalem as the living Tabernacle.

### **Third Draft** **September 1st**

The inclusion of this section set forth compacted emphasis on the seven days leading up to September 1st, starting on August 25. Before presenting the focus of each day, a review of August 24 would serve as an introduction to the seven days of September 1<sup>st</sup>.

#### **Weeks in advance, the court of heaven selected August 24 as a milestone date, Including August 24, 2024**

The Judahite has already covered the significance of August 21 and 24 in different presentations; therefore, a summary would suffice.

The Judahite took a quick look around the country and the world late evening on the 24<sup>th</sup>. Since then, The Judahite, in recent days, took a second look at events, in general, on August 24. The events were 1,000 times worse at first glance, yet the ripple effects are still seen today. Truly, the catastrophic results will be long-lasting for years to come.

**August 24, 2024 will see a repeat, but with catastrophic results five times greater.**

A point of clarification, August events fall under the Feast of Atonement and should not be confused with other forms of declarations associated with other Feast Days.

Still, yet, there are statutory declarations that pre-qualify recompense. Thus, it is vital for the 144k to display the utmost clarity about the various forms of judgments and stop speaking in generalities when it is **not necessary**. For example, it is ok to talk in generalities if people know the season, in this case—Atonement. Make sure rewards and judgments correspond to their seasons.

#### **The Seven Days leading to Yeshua's birthday specify the features as the celebration's overture.**

As a highlighted moment of Atonement, Yeshua's DOB appears on September 1st. On each of the preceding days, Angel Raphael interacted with The Judahite, thus yielding the overture that follows.

From the anatomy of TIME's perspective, we have two theological prologues—Christ's Mission Statement as defined in his pastoral work while in the flesh on the earth. After Christ's ascension, he came as Soundwave25 to advance the objectives of his Mission Statement Post-Jeremiah's Seventy-year prophecy.

Now in the season of Atonement, the given **PROCOUNCEMENTS** on August 21 assist our understanding to delineate rewards from judgments particular to each Feast Season.

Organizational systems engender the **PRONOUNCEMENTS**, which are the utensils WITH assigned values or tools to enable goodness. Before us, we have ORDER24J, out of which emerges Headphone25 as an order for family happiness according to the submitted petition's requests.

Opposites. Atonement's meaning presents a dichotomy; one approach is for good, and one is for the bad. On the one hand, ORDER24J grants blessings; on the other hand, the Dispensational organization systems proceduralize judgments. We use the seven prologue days outlined as a yardstick to display on September 1st how far we have come and the distance from the finish line.

The Methods of **Dispensations. ONE.** The Waste Dump system operates as an outlet for the useless and uselessness. **TWO.** The Disintegration method rejects the disfavored, as those who are an integral part of imperialism.

**THREE.** The finance & banking industry is subject to two techniques for effective breakdowns that allow monetary transfer. a) using the sword of Michael to weaken military systems to the degree of becoming irrelevant. b) Using the specific needs of the Commonwealth of Israel to pulverize international banking take what is useful and incorporate it into the new forming systems of the Executive Body of Israel.

The neckband signal David's Office is being restored. However, the whole meaning is in three highlighted parts given on the same day. Consider, therefore, the neckband, a body without a skull, and a symbolic funeral held at the Church with full parking lots and the city police cars leading the procession. Thus, overall, the message is clear: the governmental system is dead.

## Never Overlook Mary, a hallmark of total belief and faith.

**Profiling women and men  
who had angelic discussions  
on biological reproduction.**

Elizabeth was barren and gave up hope of birthing a child with her husband, Zachariah. Both "were now well stricken in years;" Yet, they were both righteous before God, walking in all the commandments and ordinances of the Lord blameless."

However, when Angel Gabriel appeared to Zacharias, whose priestly responsibility included burning incense in the Temple, he greeted him with the good news of his answered prayer. Elizabeth would conceive a son and name him John. Gabriel continued by saying he would express joy and gladness at conception, and many shall rejoice upon John's birth. Luke 1:14.

**Flesh subsumes an enduring legacy of weakness.**

The physics of biology is weak because of confided gravitational circumstances.

Gabriel's salutation to Zacharias shows he never stopped praying for a son. Zacharias needed children for completeness. Real men need children to carry on family legacy in the service of the LORD. No offense intended. Not all males are men. Real men have a built-in attitude of respect toward women and see women as helpmates to achieve mutually shared family goals. Whether the goals are defined or undefined, there is something that draws couples together as God intended.

Zacharias' spiritual disbelief.

Vs.

He accepted the biological news of fatherhood.

Gabriel congratulated Zacharias on being a father, then gave Zacharias Mandated instructions for his Nazirite son.

- He shall be filled with the Holy Spirit, even from his mother's womb.
- John shall drink neither wine nor strong drink.
- For he shall be great in the sight of the Lord. He will turn many in the Congregation back to their LORD God.
- He shall possess the spirit of Elijah, turning the hearts of the **fathers** to the children, and the disobedient to the wisdom of justice.
- And, to prepare for the Christ arrival.

**As an ongoing daily conflict over requirements**

**The biological vs. the spiritual**

Zachariah asked: *"Whereby shall I know this? for I am an old man, and my wife well stricken in years."*

The idiomatic expression:

- "Keep watch and pray that you will not fall into temptation. The spirit is willing, but the flesh is weak."

Zachariah knew the purpose and meaning of praying as his role was setting the conditions for prayer enhancement. Yet, standing inside the Temple, he failed in faith by wanting to know the mechanics of biological reproduction. So, having nothing more to add and to avoid repeating the prophecy news appropriately, he became dumb, unable to speak until the fulfillment of days.

## Mary

Six months later, Gabriel appeared to a young virgin living in Galilee “espoused to a man whose name was Joseph.” She received accolades for her virtue, “for you have found favor with God. Behold, thou shalt conceive in thy womb and bring forth a son, and shalt call his name JESUS.” He shall be great and shall be called the Son of the Highest: and the Lord God shall give unto him the throne of his father David: And he shall reign over the house of Jacob forever and his kingdom shall be no end.”

**Mary implied acceptance by raising the question of** how this could be since “I know not a man.” Her answer: “The Holy Spirit shall come upon you, and the power of the Highest shall overshadow you.” Then, Mary said: “let it be as you have spoken.”

Although the subject at hand is biological reproduction, Mary’s action adjusts the spiritual with the flesh. Thus, Mary is the archetype for harmonizing the mutual relations between the divine and the flesh. Mary’s entire life is an archetype that harmonizes the reciprocal relations between the divine and flesh, thus avoiding topical restrictions.

## **As an Analytical Chemist and a Microbiologist, Yahawah brings conceptual clarity to his architectural skills To modify at the will of purpose.**

- *"Look, I am the LORD, the God who rules over all flesh. Is anything too difficult for me?" Jeremiah 32:27*
- *But Jesus beheld them, and said unto them, with men this is impossible; but with God all things are possible. Matthew 19:26*

## **Prescribed by the Scriptures, Pre-selected ages having numeric values corresponding with cosmic time fall within a particular category for evolving Israel’s destiny.**

- I. Abraham received the prophecy of a child coming directly from his organs, yet it took twenty-five years before realization. The Angel Gabriel told Sarah, eighty-nine years of age, to expect her child the following year. Both husband and wife had doubts initially

about their biological conditions to support such an undertaking, though they deeply desired a son, an heir. **"The spirit is willing, but the flesh is weak."**

- "Is anything too difficult for the LORD? At the appointed time I will return to you--in about a year--and Sarah will have a son." Genesis 18:14

II. JOB. Job's children were killed. The Judahite examined the Scriptures and found circumstantial taglines to suggest that Job remarried and had seven daughters, who set the global standard of physical attractiveness. Granted, beauty is skin deep and always culturally defined. However, Job's daughters had divine characters. For example, in different parts of the world, there are mission-center groups known as the Daughters of Job. Without going into theology at this time about his second set of children, Job lived a long life. What happened to his first wife? We know she lived through Job's tribulations. After that, probably, she died of natural causes. Being over six hundred years of age, Job had children and they all became role models for the next generation to reject ungodly behavior wherever they saw it on display. [See Footnote at the end]

III. Eshet Manoah, Samson's mother, was barren. **Angel Wonder** appeared to her while in the field working to announce Samson's conception. She ran and told her husband. Too good to be true, Manoah asked the LORD to resend the Angel with further instructions. The following day, Angel Wonder appeared again to Eshet, and she ran to her husband to come out and meet the person. Whereas Eshet had discernment about the Angel, her husband was not so sure that he was an Angel because tribal Dan believed if anyone saw an Angel, death would come to the person. In reasoning, she turned to her husband and presented logic for their still living because they had to follow the Mandate of the Nazirites for raising their son. He agreed.

Eshet, a woman of age, had faith. Looking back, when Eshet first encountered the Angel, she wanted to start immediately because she asked no questions but wanted Manoah to know about their mission. Both, having faith, started working after making a sacrifice of thanksgiving before the Angel Wonder.

**In the new Israel, men will continue to wear long hair if an ordained Nazirite.**

IV. Moses' mother, Aggadiah, was 130 years old when she conceived Moses and went into the Promised Land, crossing River Jordan.

Overall, a person's age is not simply a calendar number of a yearly date. The people who fall into the **biblical AGE category** belong to a select **few** with links to historical milestones representing profound changes in Israel's history. In short, the Age category has pre-assigned value indexes for the pre-selected that correspond to the hourly hand on the cosmic clock to activate milestone events on the earth. Enoch gives the feature points of Israel's history as seen clearly in his earthly monuments that mirror the heavens. He pre-recorded his outline in his book, so there were no questions about the sheep's pastoral seasons.

**In closing, when Elohim gives promises, they will be satisfied in their seasons. Like all returning Israelites, The Judahite is under the pledge made by the LORD to grant good health with the ability to repopulation the world; the new generation will exponentially have more descendants than the old generation.**

When thinking about King Hezekiah, Isaiah gave him an option for how long he wanted to live. Hezekiah requested the sundial be turned back by ten degrees, adding ten more years to his life, plus the existing five equals fifteen years. Truly, his biological systems returned ten years. Such is another example of non-restrictions of moving biological systems forward and backward.

(Confirming Asenath.)

## Prayer Service on September 1<sup>st</sup>

- A. Before Prayer Service, a definitive decision to GO came to The Judahite. Such a profound statement, no need to pray because the decision was pre-sanctioned.
- B. During Prayer Service, signs came before The Judahite regarding the fallen pantry shelves with their meaning to replant the exiles in the Lands of Promise with protection.
- C. On September 2, The Judahite received notice of coming financial resources. On the same day, the Spirit gave a person a set of informational keys, though the person did not know their use naturally. The Judahite understood the informative keys to mean financial resources are on the way to open the next administrative phase of relocation.

**September 2<sup>nd</sup>,  
The Judahite received clarification on C above.**

**Particular to**  
**The Judahite relation to**  
**Third parties**  
**Incoming Messages Validation.**

Firstly, The Judahite interact with the Holy Spirit about prophetic episodes about the past, current, and future that may or may not involve himself. The interactions occur in different formats that express forethoughts and premeditated thoughts waiting crystallization.

Independent of The Judahite, having no control over where and how far the boomerang will travel before making its inbound pathway back to The Judahite. Only the Holy Spirit directs the flight pathways. The incoming sign messages must contain specifics to match elements pertain in the source for determining credence.

A few times, The Judahite requested clarification on a detail. Specific to The Judahite, the encoded message is below.

### **The Black Bag**

The jewelry inside the black bag was diamonds to distinguish The Judahite's monetary assets from the 400 years collectible. The black bag is associated with money from selling diamonds years ago. Now, The Judahite has an uncompleted mission to recover and punish the evildoers who took the assets through defrauding.

In brief, the LORD called attention to the black bag for three reasons. **One.** The Judahite must not overlook the priority of placing strategic administrative leadership over the country of Sierra Leon. The Judahite is not required to be on location for the reconstruction work, **ONLY** to make final decisions. The Judahite got the green light to use all and any means to transfer total power into his hands for reconstructing the country.

A **new day calls** for doing things in a new way with a sense of purpose according to plans. If need be, in the interest of the future, The Judahite will call Omicron to come for a prolonged visit, years, until **all** opposition is subdued without mercy. Time is on the side of The Judahite.

Although a dedicated assignment, the project is integral to the Commonwealth of Israel. For the Executive Body of Israel, multi-tasking is required on policy matters.

**Two.** The Judahite will formulate a policy against the Amalekites because the LORD renewed (920) his oath with The Judahite. The chain of authority: the LORD told Moses, who specially told Joshua about Jehovahnissi. The LORD declared, *"I will utterly put out the remembrance of Amalek from under heaven."* Moses built an altar and called the name of it Jehovahnissi with instructions to repeat the oath to Joshua. Jehovahnissi means Israel's transgenerational warfare against the Amalekites until they are eliminated from the earth. Exodus 17:14-16.

**Three.** The black bag. **The Judahite found a Honey Dew Melon per the sign of blackness for the person who requested a sign.**

The LORD is still working on funding the Abrahamic 400 years Trust Fund Account.

### **Draft Four**

**September 4<sup>th</sup>**

### **Humanity Comes of Age with Artemis**

On September 1, space rocket Artemis was scheduled for launch, going around the moon as a test flight toward a permeant base on the moon. In the countdown to launch, a problem forced a new launch date on Sept. 4. Again, another problem arose in the countdown forcing a delay of two weeks.

Forward lookers and visionaries around the world know Artemis space mission will mark a stage for humankind to start transitioning to interplanetary travel and relocations. Such an era of excitement for the uncommon mindset.

Humanity is about to cross the evolutionary threshold, where it will no longer view the earth as its future home. In parallel timing, those receiving an invitation to the Lamb's Marriage will no longer live in the customs of the old earth.

The James Webb telescope has captured images of deep space never seen. Already, the images have rendered the theoretical physics known on the earth obsolete. Don't apply in other parts of the universe.

The James Webb telescope's photos have opened the eyes of the world to endless images of God's creation.

### **James Webb's Images of Deep Space**

God continues to have a hand in humanity's development. The Judahite doesn't see the September 1 delay problems with Artemis as coincidental. Still, The Judahite believes NASA will resolve the issues in coming weeks.

As planned, 2025 will see a base construction on the moon, paving the way for Mars' colonialization. Indeed, exciting times. Humanity will always possess a transformative evolutionary life, where interplanetary travel will be commonplace with the hope of never returning to the earth.

### **The Gentiles and the Congregation.**

#### **Two different directional movements of space and time.**

The James Webb telescope allows us, who are going into the future, to preview our interstellar environment as gods.

The Judahite has progressively turned the Congregation's attention with each Feast Day cycle toward the orientation of our interstellar environment, as gods as seen in images captured by the Webb Telescope.

**Our agenda orientation is toward the heavens.**

1. Each person now awaits to receive their reward detailed in Revelation.
2. We wait the Lamb's Marriage, where our DNA will be transformed into the gods' DNA. Correct! So said Yeshua, "you are gods."
3. Yeshua is currently working on finishing up a unique galaxy where we will go and call home, where there will never be night or darkness. A magical place where the thought of impossibility will never exist.

**Fifth Draft  
September 7, 2022**

**The Birth and Rebirth of the Twelve Tribes of Israel**

The season of Atonement requires self-definable religious norms in daily use to effectively disassociate with those in opposition. Truly, it is understandable why most Israelites lack knowledge about their tribal membership because after AD70, TIME became the enemy of the Israelites' memory.

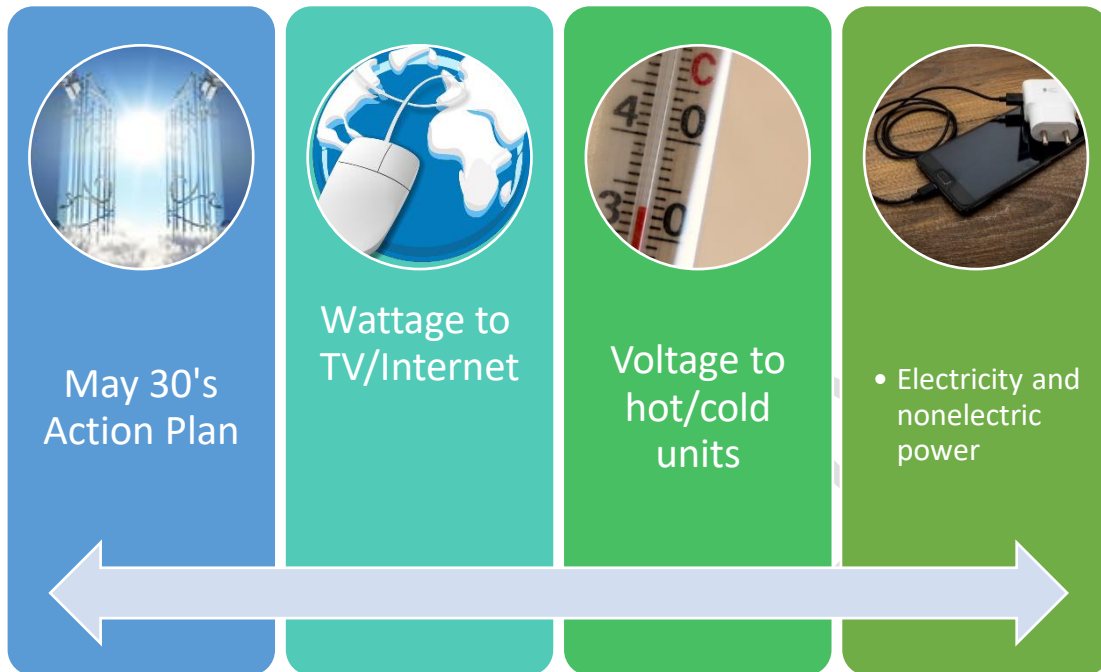

Before going through the exit gateway to the Lands of Promise, everyone must know their tribal affiliation. The roll call:

- Asher 1; Dan 2; Gad 3; Issachar 4; Naphtali 5; Reuben 6; Simeon 7; Zebulun 8; Judah 9; Benjamin 10; Levi 11; Joseph 12. Joseph's sons: Manasseh 13; Ephraim 14.

Don't know your tribal affiliation? Pray to the Holy Spirit to open your eyes. Knock and the door shall be opened to you; seek and you shall find.

**In the few remaining twenty-four hours of September 7,  
The below administrative tools appeared  
For the Man-child.**

The Judahite will use tactical weapons below as administrative tools for policy implementation. Disconnections will take place at any time and for any duration.

## Summary

- The Seven Days overture to Yeshua's birthday Celebration pre-summarized what remains to be completed according to his Mission Statement.
- Before Prayer Service on September 1, The Judahite received the definitive decision to GO. There are many procedural administrative steps now in motion for relocation and in foundational construction of the Commonwealth that are both visible and not visible to the public.

**What did the camera reveal on September 1<sup>st</sup> before Prayer Service?**

The Judahite decided to take a photo of the celebration bouquet, not the one in the picture. When The Judahite turned on the camera and positioned it, he saw a continuous vertical light floating across the vase—never seen such a thing before. The eye moved from the lens, making sure what he saw was real. He saw the same string beam of light with balls of light embedded within the string, about one inch apart. Maybe the camera could capture the line of lights, then the button pushed.

When taking photos of the supernatural, nothing shows up. Only the flowers, the natural, and not the string of light. Not a surprise. However, after a few minutes, The Judahite positioned the camera for another look through the lens and saw a water stream with waves floating horizontally. Happy Birthday, Yeshua!

### **FOOTNOTE (See page 13)**

Job's first group of offspring consists of seven sons and three daughters. His second group of offspring consists of seven boys and three girls. The Judahite referred to the seven daughters of Job with insight into the Pleiades.

There are several mythologies about the Pleiades. For example, the seven sisters. However, within the biblical context, the question to Job: "Can you bind the sweet influences of Pleiades? (Job 38:31). The answer was No. Job could neither secure nor interconnect the multi-level functions of the Pleiades around and on the earth.

Elohim's question introduces us to Astrophysics. In a two-part question, Job, can you "loose the bands of Orion?"

In short, we see the constellations of Orion and Pleiades corresponding to the earth's weather seasons as the earth moves and interfaces with twelve constellations. Moreover, as a reflective illustration of Israel's birth and developmental stages of evolution, "sweet influences of the Pleiades" acknowledge Enoch's contribution to giving us an exoskeletal understanding of the Congregation's relationship with the LORD of sheep, Jesus. These relations are defined by Enoch's time marker monuments found at different locations on the earth. Thus, there is no such thing as a hit-and-miss guessing game.

We can correctly assume that Enoch went to the Pleiades and Orion. Now, we look to Job to give us the endoskeleton operations with the exoskeletal. Being an operative link himself, Job tells us with 100% absoluteness about his face-to-face encounter with the Redeemer at the end of day.

As another operational link, we embrace as a whole Job's six daughters and Job's second wife as the seven "sweet influences" within the Congregation's first and second life cycles.

Job lived one hundred and forty years after his ordeal and saw his grandchildren and great-grandchildren. His legacy endures. He told them about the pre-flood days' wickedness and his experience onboard the Ark. Most importantly, he told them about his family interaction with the Elohim, who blessed Noah and his brothers after the flood.

The Pleiades are our pivotal reference for the interconnections about the Congregation's milestones in its evolutionary journey on the earth. Generically, the Pleiades have multi-level influences around and on the planet. **Job's daughters** continue to interface with Zion as "sweet influences."

Unlike today's world, which is full of foolishness at all divisional levels of society, the people of old knew the future by looking up into the heavens, where they reference the truth. The Congregation's destiny is written in the heavens, nothing no man can do to reverse the inevitable. Yeshua being Alpha and Omega says it all—he is the Author.
