

Planning: putting the organizational structure in place.

On March 31, 2025, Angel Raphael sanctioned the Stone Council on Foreign Relations as a division of the Executive Body of Israel in Exile.

March 31, 2025, a personalized visit from Raphael to give assurance in offensive organizational planning.

- *And it came to pass, when Joshua was by Jericho, that he lifted up his eyes and looked, and, behold, there stood a man over against him with his sword drawn in his hand: and Joshua went unto him, and said unto him, Art thou for us, or for our adversaries? Joshua 5:13*
- *So He said, "No, but as Commander of the army of the LORD I have now come." And Joshua fell on his face to the earth and worshiped, and said to Him, "What does my Lord say to His servant?"*
- *Then the Commander of the LORD's army said to Joshua, "Take your sandal off your foot, for the place where you stand is holy." And Joshua did so. Joshua 5:15*

Historical records show that returning exiles always faced theological issues regarding who to align with for state internal and external security. At Jericho, Rahab gave the spies protection, and in return, Joshua saved her and her family. The Gibeonites heard of the Israelites' power at the Red Sea, and how the Israelites' God destroyed the Egyptian Arms, so they tricked the Israelites into making a treaty with them out of self-preservation. Later, Joshua discovered the Gibeonites deceived them.

Upon returning from Babylonia's captivity, local tribal groups wanted to form a working alliance with the Judeans to rebuild the Temple. The refusal generated much hostility to the degree that construction work ceased for a period. There are biblical relationships that we must preserve. For example, Iran as a nation will be preserved. Although the question before us, current affairs, could be confusing, though it is not.

Fundamentally, all governments are representative of special interests because they directly or indirectly control industries and the flow of currency. It is easy to put any face on any national government. In the case of Iran, it is religion, Islam. From the Christian Bible, we know that Mohammad is a false prophet.

From a biblical perspective, the religious system in Iran will be overthrown. That is the first step. Will those in the Islamic faith be killed? Yes and no. For example, if those religious leader holding state power were to give up their power tomorrow and move to distant land, they would live. Or is it conceivable that some will convert to Christianity? There are many Christians in Iran.

Judah is predestined to occupy a quarter of Iran in a confederacy. Prophetically, the Executive Body of Israel in Exile must carefully work out the relations with Israel's prophetic associates. It is not The Judahite but Raphael who has approved Susan Rice to head the Stone Council on Foreign Relations with delegated authority. The Stone Kingdom, a social system, is poised for significant growth and to occupy the world. Susan will focus on the Middle East regarding Judah's national relationships. Thus, selecting people to work within your organizational system is the priority.

Congratulations! The Angel Corps of Heaven, a respected body within our organization, has approved of your role. This approval signifies their confidence in your abilities and the importance of your position.
