

Calendar Updates

August, September, October, and November

The New Normal

We receive calendar updates as the dynamics of realities' fast-moving pace. Without question, some coming events will be dramatic. However, the calendar updates free us from being myopic, a mindset that focuses on one or two occasions. Naturally, some people love to sensationalize anything. But, for us engaged in the new millennium construction for the Commonwealth of Israel, we see the calendar updates as interactive dynamics regarding dates that are on the critical path of unfolding events or events having reached task completion.

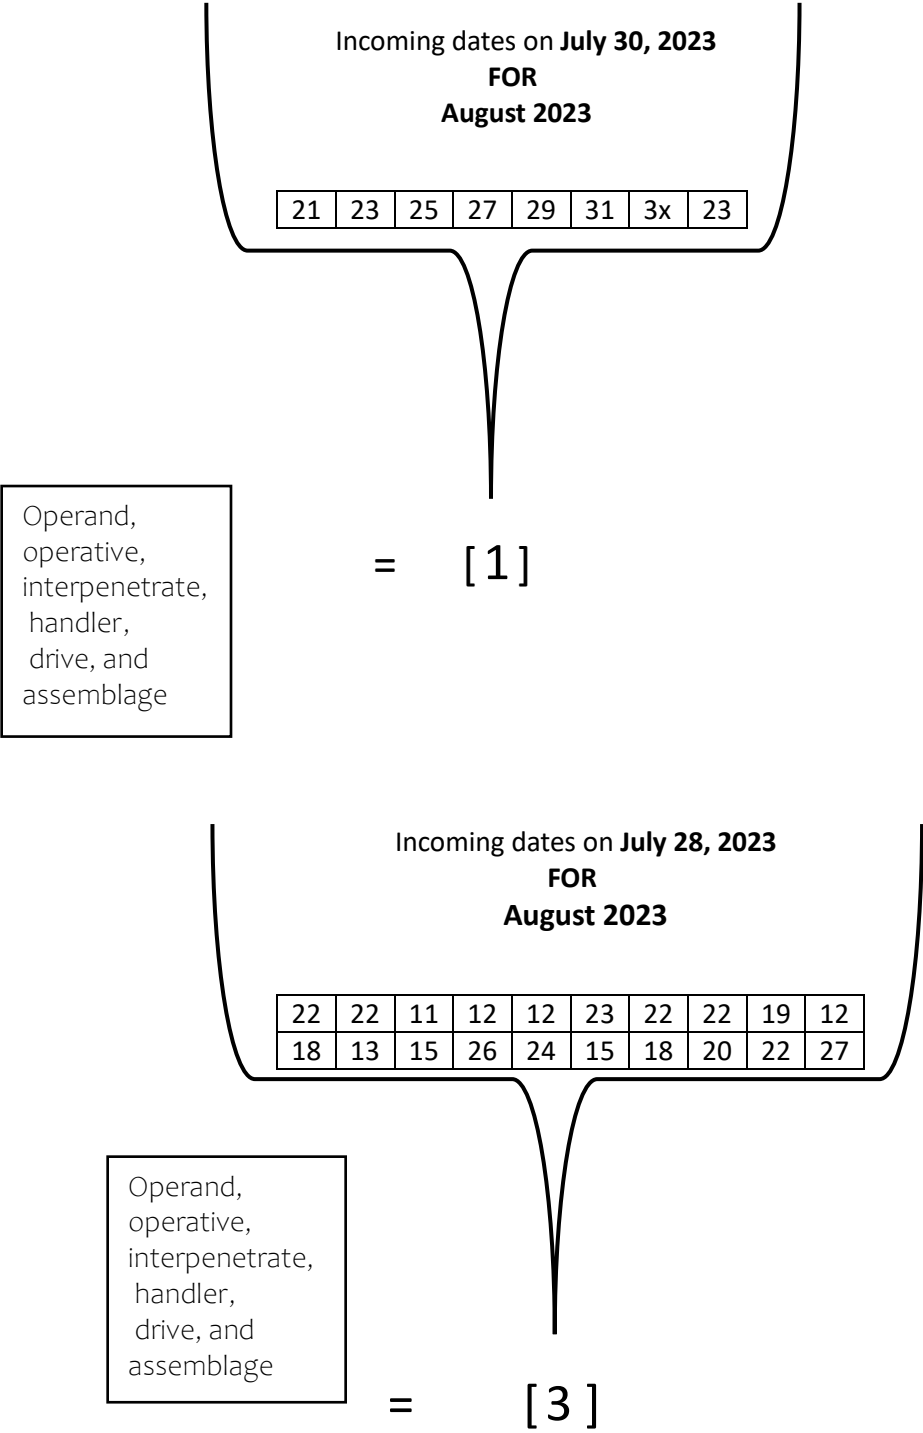

The calendar's date scope is global, meaning we are all impacted by the dates directly and indirectly. Thus, because one is not part of the operational dates, one should only assume the dates have consequences and positive results.

To better understand the biblical and prophetic calendar dates, the operand gives one a much more in-depth of daily phenomena. Often, the meaning of the calendar dates is directly in our faces, and we cannot see real-time happenings.

The enclosed box of terms should assist as a tool to understand the calendar dates better.

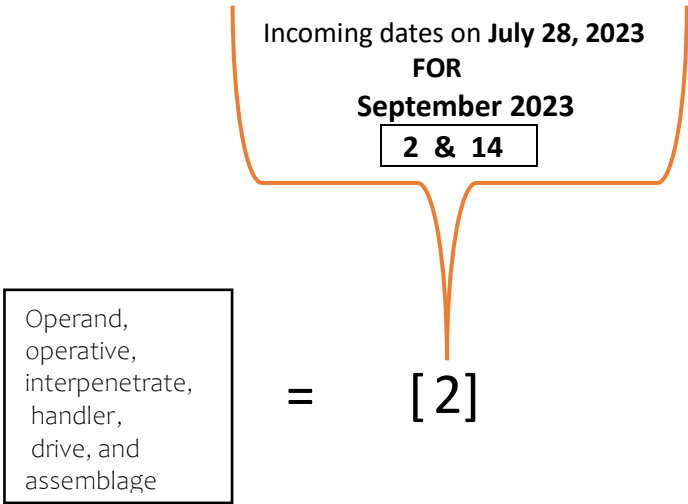

Operand, operative, interpenetrate, handler, drive, and assemblage

Use the terms to see each number's character through the events in real-time.
Advanced intelligence and understanding the fourth dimension in our daily realities are requisite.
Such is the new normal in calendar updates.
