

CONVOCATION B

Prophetic Adjustments from the Old to the New

Statutory Dates

- I. Apostle Paul assigned the hour at the start of the Feast of Trumpet fulfillment when Trump won the 2017 election.
- II. Jeremiah's seventy-year Proclamation Day occurred in 2017.
- III. Revelation 12 sign identified 2017 as the year of Man's childbirth.
- IV. Two years later, the Red Dragon appeared according to Revelation 12. In application, China's ambassador to Israel died in Israel. Per Revelation, The Executive Body of Israel will rule with an iron rod over the Chinese Ishmaelites and the system of Imperialism.

2017 represents the Divine order of perfection.

The Feast of Trumpet, Pentecost, and Tabernacle are appointed Feast Days that had yet to be fulfilled.

They are umbrella Feast Days specifically marked for after Yeshua's ascension for him to send down Divine Blessings.

Yahawah, God of Israel, systematically redefines his relationship
With
Israel and Judah through covenants.

Yahawah

The Judahite established prophetic jurisdiction over Israel in December 2017. Per the Statutory Dates, President Trump acted as The Judahite's envoy and delivered the service of process through which the Executive Body of Israel has standing before the Court of Heaven.

A different orientation.

July 7, 2019, a car in tow with an iron chain snapped directly in front of The Judahite, leaving one end standing in a vertical anti-gravity position.

Analogy

Judah's 400-year jurisdictional restriction ended with the snap of an chain. A milestone in world history.

The Sound of Trumpet Propelled Recasting Relations.

- e. On July 4, 2019, first time in America's history, a military parade in Washington, DC. Although, traditional American democratic values prohibit military parades in the nation's capital.
- f. July 7, 2019, the Magistrate of Heaven's court calendar ordered Judah's iron chain cut, lifting Judah's jurisdictional restrictions.

- g. On July 12, 2019, lady Naphtali suffocated. The meaning: 1) Putting the old system of capitalism inside the storage trunk of history. Jacob's tithing-blessing reached its expiration date. 2) Within Trumpet, the Ten Tribes of Israel end political correctness in all forms that do not conform to the new moral standards. 3) the prophetic role of Naphtali certified—DEATH, on the one hand, and on the other, the rallying cry of life—recasting new relationships for breathing a new spirit in a new environment.
- h. On July 13, 2019, New York City experienced an electrical blackout as a certified notice of where the sequence count will start in the transfer of wealth to the Trust Account in Jerusalem. The Federal Reserve Bank of New York will be the first in line. New York is a financial hub within the system of imperialism. Joshua knew the nature of The Judahite's war plan when he directed: "O sun, stand still over Gibeon, O moon, over the valley of Aijalon." London and New York are the two major banking centers of the world. Joshua notes the war plan would be financial.
- i. July 30, 2019, the day of Jubilee. The long-awaited day for thousands of years came on July 30, 2019. Wherever The Judahite traveled around the city, milk flowed supernaturally. What a great day. Hallelujah!! 1) The Congregation received the official date to start counting for the next fifty years. 2) The principles of Jubilee became available for The Judahite to exercise theoretically.

Soundwave25 Drove 2020 Relational Transfigurations per Christ's Mission Statement.

Christ's Mission Statement has two applications. The correct understanding is in Edenic Judicial Rendering. Whereas the Serpent's descendants will crush the head of Adam, and Adam's descendants will immobilize the Serpent's descendants. Predominantly, Christ became the victim of the first part of the Decree. The ascension marks the period when predominantly Adam's descendants will immobilize the Serpent's descendants. However, in both the first part and the second part of the Decree, there is no either--or, for fighting is reciprocal, having the same intent (each party using the other's weapon in suitable condition to inflict damage). The ascension marked the period when Christ's followers would gain the upper hand and cut the Serpent's heels.

Christ Mission Statement:

- The Sovereign LORD has filled me with his Spirit. He has chosen me and sent me To bring good news to the poor, To heal the broken-hearted, To announce release to captives And freedom to those in prison.
Isaiah 61:1

Being the forerunner, paving the way for Christ's ministry, John was delighted to see the fruits of his labor. John was a publisher and a Librarian besides his evangelistic ministry. Therefore, he knew from Isaiah, Enoch, Daniel, and other prophets that a second part had to come involving the political and economic arrangement, putting Israel's rulership over the Gentiles. Thus, the question to Christ:

'... to ask Jesus, "Are you the one we should be looking for?

Or must we wait for someone else?" (Matt. 11:3)

The dialog between Christ and John is an excellent example of knowing one's defining purpose. Before departing earth, Elijah knew his defined purpose for returning to the world because the Magistrate Court of Heaven ordered him to pave the way for Yeshua's ministry.

John the Baptizer, the forerunner, continues his divine role. Look, billions of people fully know Christ through Holy Baptism.

Christ clarified to John the first-half results of his Mission:

- So, He replied, "Go back and report to John what you have seen and heard: The blind receive sight, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, and the good news is preached to the poor. Luke 7:22

Yeshua announced the second part of his Mission Statement for those living in the American Empire according to the second half of the Edenic Judicial Decree.

Soundwave25

"The Spirit of the Lord is on Me, because He has anointed Me to preach good news to the poor. He has sent Me to proclaim liberty to the captives and recovery of sight to the blind, to release the oppressed." Luke 4:18

Soundwave25

Yeshua announced his return of completion through sound wave frequency technology not found on earth. The skillet glass lid shattered, as having the objective to end the entire social system of the Gentiles. Clearly seen, Soundwave25 is the **STONE**, falling from the mountain to break the toes and feet causing the Gentiles' social systems to fall over!!

**2020 came as a Leap Year
February 29 is the extra day.**

The extra day came before The Judahite in an assortment of unnatural arrangements to convey divine purposes:

The Prelude

- a). Hearing the alert sounds.
- b). Attacking pesters, intruders, and thieves.

MISSION STATEMENT

Soundwave25 arrived at 8:30 pm on Earth,
shattering the glass lid of
oppression; "to release the oppressed."

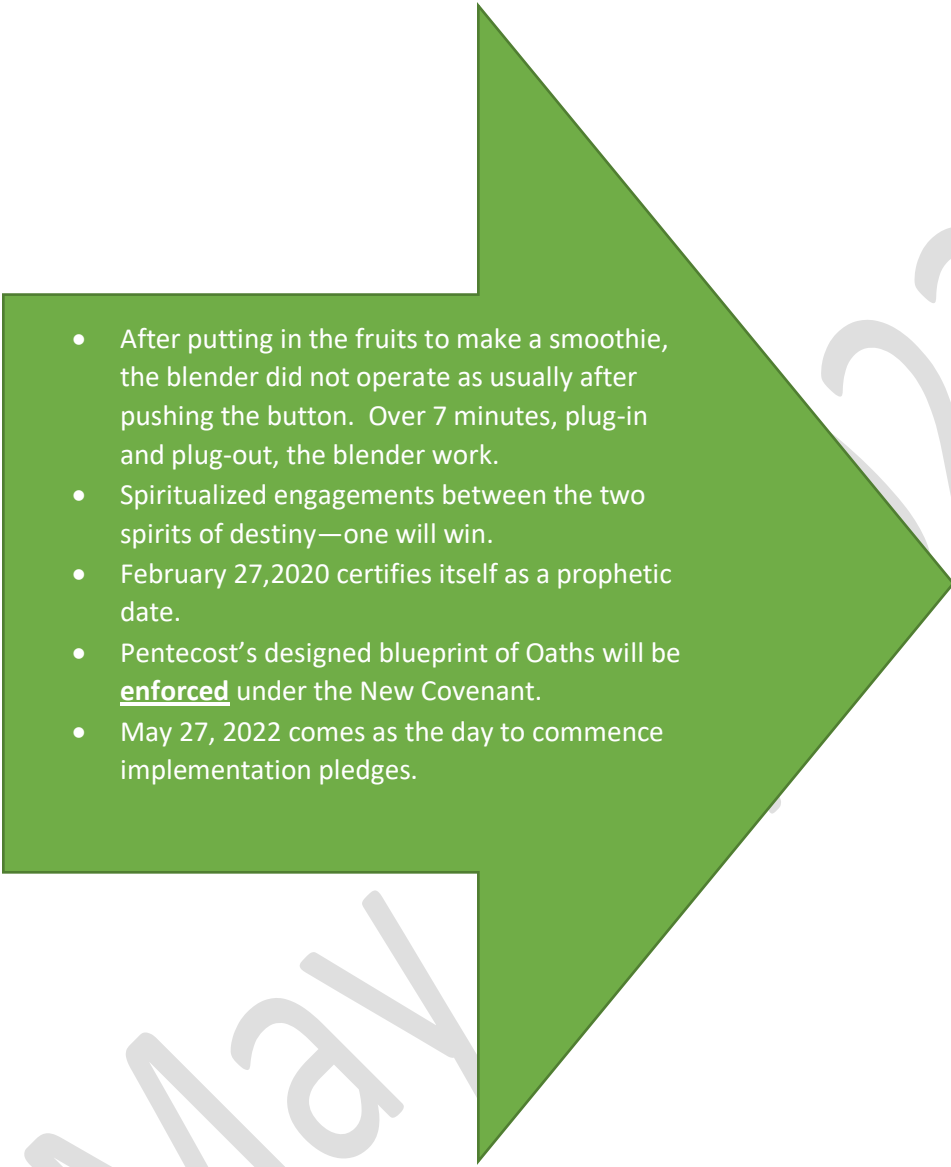

February 25

Ash Wednesday comes 46 days before Easter. The Faithful, knowing their mortality, expressed their repentance through personalized sacrificial offerings.

Vs.

As Wednesday comes to Judah as the time of conscious renewal to fight the serpent's descendants per the Edenic Judicial Decree combined with Yeshua's Mission Statement to release the oppressed.

February 26

- 
- After putting in the fruits to make a smoothie, the blender did not operate as usually after pushing the button. Over 7 minutes, plug-in and plug-out, the blender work.
 - Spiritualized engagements between the two spirits of destiny—one will win.
 - February 27, 2020 certifies itself as a prophetic date.
 - Pentecost's designed blueprint of Oaths will be enforced under the New Covenant.
 - May 27, 2022 comes as the day to commence implementation pledges.

February 27

May 23, 2020, the traditional date for observing Pentecost.

May 23, 2020 comes with some complexity because traditional Pentecost had an obligation to prepare for its own negation, giving over to prophetic Pentecost.

Paramagnetic is a term used in the application for understanding the divine meaning given by the Holy Spirit within The Judahite's candle model.

At the Midnight Pentecost Service, the Holy Spirit confirmed the model's validity by tearing open an aluminum candle and allowing the wax to encase the candle. Thus, the continuous flow dimmed light until it went out.

Insightfully, the Holy Spirit used February 27, 2021 as the paramagnetic substance for appreciating Abraham's date of birth and the birth of the Congregation's New Covenant. Only the Holy Spirit can configure paramagnetism before the eyes of The Judahite.

Divine Coherency

Angular transitioning from the Old to the New Covenant. The Old Covenant was encased in wax with its light dimming until time extinguished it.

Prophetic May 25, 2020

In 2018, The Judahite received May 25 as a milestone date. The specific context was not provided at that time, though the overall expectation of significant events would push the Congregation to return to the Lands of Promise. Only time revealed the perfect match: the year, month, and day.

May 25's Highlights

- a.) Time and place pre-selected the land of Issachar for the dramatization to play out because the architected designed model caters to the prophetic players in mutual interdependency.

- b.) George Floyd's death comes with mixed emotions due to the video. Objectively he played his role in the triangulation to bring fresh air to the oppressed, as seen as a satire. Issachar's astro-theological role is to distinguish the subjective from the objective between the sets of interdependent parties. Floyd's criminal act triggered the policeman's criminal act. Yet, both parties were united within The Judahite's predesigned model.
- c.) Lady Naphatali, George, and the young camera lady, all from the tribe of Naphatali, announced Yeshua's Mission Statement to the Congregation. Two of the Naphtalites were suffocated, as a wrestling paradox to breathe yet having the power to transcend the SYSTEM of oppression.
- d.) The wrestling paradox. The Judahite purposefully used in his designed model the appearance, by eyesight, of a counterfeit one hundred dollar banknote to trigger the transfer of assets under the Abrahamic Covenant.
- e.) The police, the Federal Reserve Bank, and the U.S. Treasury Department determined that the Judahite's claim was legitimate and returned the one hundred dollar banknote. **Not by sight**, but under the scrutiny of the Treasury Dept, whose responsibility to assign denominate numbers. As a prophetic number, biblical one hundred would become operational in the reclamation joining the ten tribes with Judah.
- f.) On March 13, 2021, the Floyd family settle with the city of Minneapolis for 27 million dollars, emenable under current procedures to determine settlement amount in wrongful death cases.
- g.) With special attention, when divine prophecy unfolds, critical parties perform according to purpose. No less is the case in the award of 27 million dollars.
- h.) It is easy to see that 27 is the golden number of breathing, enjoying all of life's wholeness.
- i.) **Consequences.** As an act of reproof, The Judahite petitioned the Magistrate Court of Heaven to reduce the 27 million dollars to 22 million dollars and to mark the separation between those who hold to Black Lives Matter vs. the Congregational fold embracing The Judhaite's pre-designed model of which tribal Naphtali's suffocation conform to.
- j.) Lighting struck Floyd's mural in Ohio, and the reduced amount will continue.

New York Displayed Contradictory Relationships Of mutual interdependency.

Issachar best depicts opposing interests between two parties, although the parties mutually operate under the same concept of an umbrella. Issachar certifies his prophetic role as being the right environment of mutual interdependency.

0030. Parallelism. On May 25, two opposing persons met in a public park where signs are posted restricting dogs' mobility under regulatory codes. The man and woman share the same last name, mutual interdependency, but have no kinship.

0031. The woman violated the city ordinance. When informed of her violation, she ignored the verbal notice. Why? There are two reasons. One. She wanted her dog to run free to chase the birds for fun. The Congregation should assume she had a habit of unleashing her dog without anyone giving her notice of violation, although she always knew she was in violation. Still, she counted on disinterested people to continue ignoring the birds' safety and freedom.

0032. The second reason. The man and woman are of different races. When the man took out his phone camera to film her, she reacted.

0033. At this point, Soundwave25 contrasts its internal dynamics. New York's theatrics frequency wave extends contradictory relationships of consciousness, a recap of Minneapolis' theatrical events. **Organically, Isachar and Zebulun combine to express a transportable concept globally.**

Therefore, New York theatrics under Zebulun promulgates, far and wide, the doctrine of spiritualized segregation. Nat Turner vs. Margaret Whitehead best illustrates the biblical precept in the national administration of governance. As such, Lady Liberty, the Statue of Liberty, symbolism has no moral and political values to the Congregation of Israel. Lady Liberty is the moral symbolism of defamation of the LAW of Moses.

0034. The Naphtalites used the phone camera to hold the perpetrators to account.

- The demonic spirit took control of the cop and encouraged him to do wrong before the camera.
- The same demonic spirit that possessed the cop took hold of the woman.
 - a. She questioned the Naphtalite's social standing for holding her to account. Look. Many people belong to her community of breaking the law out of commonality, lovers of their dogs. Does this mean she is a racist? **No.** She thought the City's Codes did not apply to her and acted to remove the accountability.
 - b. Look, like the cop, the demonic spirit took control of her. Some say the cop is a racist. From the evidence seen thus far, he is not a racist. The cop and Floyd once worked together. Within law vs. acting outside the law is a contradiction.
 - c. For many dog lovers, it is hard to see the woman strangling her dog as it fought to breathe. Instead of putting the dog on its leash, she decided to choke it or **break its neck** before the camera.
 - d. She authenticated the situation when she aggressively approached the Naphtalite while the dog attempted to wrestle free from her chokehold.
 - e. The strangler.
 - f. Killing two birds with one stone, she called the New York police with a false report that a man had assaulted her and threatened her dog.

Overall, on May 25, the Naphtalites' camera aided in pushing the Soundwave25 Mission Statement far and wide among the Congregation.

The Two-steps Resolution Post May 25

The woman was working for a multinational investment corporation on May 25 during her encounter with the Naphtalite. She filed a false police report that made international news. Her employer learned she acted without any moral integrity.

Her situation presents some complexity. She had to go from the corporate perspective because the Corporation has over 1.5 trillion dollars in holdings, accounting for integrity in its business dealings.

A year later, the same woman sued her ex-employer *under racial and gender discrimination, emotional distress damages, etc..*

Back to the One Hundred Dollars Bill

The one hundred dollar bill stands as a prophetic recorder free of any association with illegalities. When The Judahite visited the New York Federal Reserve Bank claiming assets ownership, his assertion stood free from any criminality.

Summarizing May 25's Features

Satan drives his spiritualized motives. He leaves the perpetrators to deal with the material consequences of *his* controlled actions from the Second Heaven, where the good and bad angels share different jurisdictional realms of authority.

Foretold, Satan would bruise Adam's descendants' heads. The Naphtalites re-announced the Edenic Judicial Decree through the deprivation of oxygen flowing to the brain. Within one minute, the brain dies, followed by the other organs.

Soundwave25's Mission Statement moves Judah to cut the heels of Satan's descendants. The Ten tribes and Judah's Trust Fund Account continue to receive in-flow of funds to reach 27 trillion dollars. In direct proportion, as the amounts in the Trust Fund Account increase, the serpent becomes immobilized, eventually biting the dust.

Archangel Raphael announced to The Judahite that the Trust Account holds a financial "reserve strategically."
