August, September, & October 2025

Trustworthy calendar dates. The Judahite fully understands that there is a learning curve involved in truly understanding these dates. The dates originate from the Second Heaven Magistrate, where prophetic cases are judged concerning punishments of enemies of Judah and Israel under the Abrahamic and Mosaic Covenants, as well as prophetic cases under biblical statutes.

Many prophetic cases are handled before the Magistrate. Some are clear and easy to understand, while others involve complex, multi-layered processes that are visible but poorly understood because of limited knowledge of the broader social order's dysfunction. Remember, Jacob's tithing blessing to the Gentiles' four social systems has expired, creating urgency to accelerate the mark of the beast.

Overall, while the Gentiles aim to maintain the social order, Judah and Israel must keep focusing on the Transitional Movement Relocation. For example, we now observe a new special day: the Feast of Leavened Bread. Each person must continue to identify and connect with their tribal nation. Select your tribal nation.

a) Judah; b) Reuben; c) Gad; d) Asher; e) Naphtali; f) Manasseh; g) Simeon;
h) Levi; i) Issachar; j) Ephraim; k) Dan; l) Zebulun; m) Benjamin.

We have an agenda to align ourselves with the Israel Commonwealth of Labor, never to be bound by wage labor. Thus, our creative efforts must be directed toward the Stone Kingdom that will have no need, yet it will crush all Gentiles' social systems.

The calendar dates

The dates show the intensification of many ongoing processes, while new policy approaches are emerging to replace the old ones. For those under the New Covenants, look forward to the Messianic Age instead of wasting time on gimmicks to reform a political system that is dying.

A report is coming on July 4.
