

**February 9, 2023**

**A day that displays God's hand again to move time forward and reverse.**

In and out (and the reverse); here and there (and the reverse); back and front (and the reverse), down and up (and the reverse), The Judahite's received illustrations seemingly magnified incoherency. Like Daniel, everyone must acquire skills to appreciate God's hand in the exchangeability of space and time.

Today, The Judahite presents, in part, theoretical aspects of mathematics, the chemistry of diamagnetic, and a touch of physics. However, the representation of the theory for today. Another day will allow more time for topical discussions.

**Today is the 9th of February, yet the message starts with a numeric ten.**

- *John told the truth about him when he cried out, "This is the person about whom I said, 'The one who comes after me ranks higher than me, because he existed before me.'" John 1:15*

Today, the theme is spiritual growth and satisfaction given by John.

- On the last and most important day of the festival, Jesus stood up and shouted, "If anyone is thirsty, let him come to me and drink! John 7:37
- The one who believes in me, as the Scripture has said, will have rivers of living water flowing from his heart." John 7:38
- The Spirit and the bride say, "Come!" Let everyone who hears this say, "Come!" Let everyone who is thirsty come! Let anyone who wants the water of life take it as a gift!

### **Biblical Nine**

Theologically, biblical nine, in part, lists nine gifts of the Spirit. See 1 Corinthians 12:8-10. Galatian 5:22 lists nine fruits of the Spirit.

Had the cardinal numbers continued, say, 7, 8,9, and 10, then nine should have been listed before the numeric ten per the illustrations given to The Judahite.

In the late Morning, The Judahite received another date code of TEN with base **three**. Again, later in the morning, The Judahite received in combination ten and nine.

Look. On February 7, the cardinal number 8 was indexed to 7. The content of eight appeared to come first. Yet, seven still validated itself on the seventh. Likewise, nine on the 9th.

For clarity, the biblical numbers seven, ten, and nine combined. Seven tells us about the completed step. Eight emerged out of seven as the beginning of a different stage. Then, nine comes to evaluate how to arrange the placements of elements for the beginning steps.

Auspiciously, The Judahite encountered, as predetermined, the omnipresence energetic flow of prosperity and accumulation of goodness of **ideals** due to the principle of cause and effect, reaping what you sow driven by biblical eight.

Moreover, the principle of positive energies accompanies the energetic flow of prosperity and accumulated goodness of ideals. We all must think positively about all and uplift our views toward others. Such a new world outlook is essential to nine. People carry the energetic flow of prosperity. While at the same time, we must always have the discernment to call a snake a snake.

**Nine affirms the following:**

- a.) Due to cause and effect under the Abrahamic Covenant, we share the accumulation of wealth with **others** to enlarge the Commonwealth of Israel to the glory of Yeshua.
- b.) The restoration of Judah is sealed.
- c.) Transplanting the Ten Tribes in the Lands of Promises is sealed.
- d.) Celebration is coming for future families.
- e.) What is seen in Turkey and Syria will continue in many places around the world. Major cities worldwide have received a preview of what is coming, a 100% certainty. Twain underlines the confidence as told and seen years ago.

**Overall**

Seven brings about the ending of a completed cycle. Eight identifies the elements composing the new regime, and nine evaluates the order of placement to drive the transitional process. And numeric ten certifies the administrative makeup proposed by biblical nine.
