## Reporting On

### Jurisprudence of Zion

Page | 1

On the fifth day of May, The Judahite received the task elements for this topical presentation, another conceptual layer for transitioning, as Judah and Israel are planning to depart. This presentation has structural design components; as such, the thrust of this presentation revolves around Isaiah 59:19. However, the scope of the topic covers Isaiah chapters 58, 59, 60, 61, and 62.

So shall they fear the name of the LORD from the west, and his glory from the rising of the sun: for he shall come as a rushing stream, which the breath of the LORD driveth. Isiah 59:19

## Chapter 59's Highlights

### Reconstructing 59:19

“So shall they fear the name of the LORD from the west,  
and his glory from the rising of the sun: for **he** will come as a pent-up  
stream ...

**WHO?** (1) “But I could not let their enemies boast that they had defeated my people, when it was I myself who had crushed them.” Deut 32: 27  
(2) And when ye go to war in your land against the adversary that oppresseth you, then ye shall sound an alarm with the trumpets; and ye shall be remembered before the LORD your God, and ye shall be saved from your enemies. Numbers 10:9  
(3) In anger God tears me limb from limb; he glares at me with hate. Job 19:6

... that the breath of the LORD drives along.” Isaiah 59:19

God's breath of disgust comes in the release of pent-up rivers--dams, and the disgust overflow takes different judicial forms of judgments.

- Even though now there are as many people of Israel as there are grains of sand by the sea, only a few will come back. Destruction is in store for the people, and it is fully deserved. Isa 10:22
- For the Lord GOD of Hosts will carry out the destruction decreed upon the whole land. Isa 10:23

The Five chapters of Isaiah, 58, 59, 60, 61, and 62, present an exposition on the social system of capitalism/imperialism, having the legal authority to kill, steal, and depravity—a built-in device of spiritual self-destruction.

The chapters' scope present Judah as the answer within the jurisprudence of Zion, though the final solution rest in the judicial Decree of Eden, as the Serpent's descendants will become immobilized.

### Judicially Revealed.

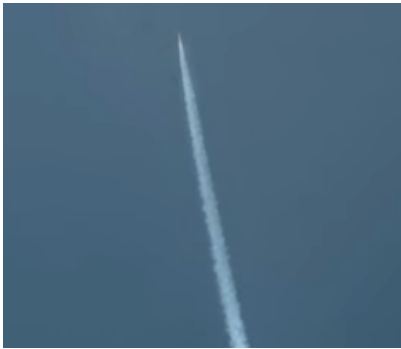

### May 5's affirmation

Behold, the name of the LORD cometh from far, burning with his anger, and in thick rising smoke: his lips are full of indignation, and his tongue is as a devouring fire: Isaiah 30:27

## A Comparative View

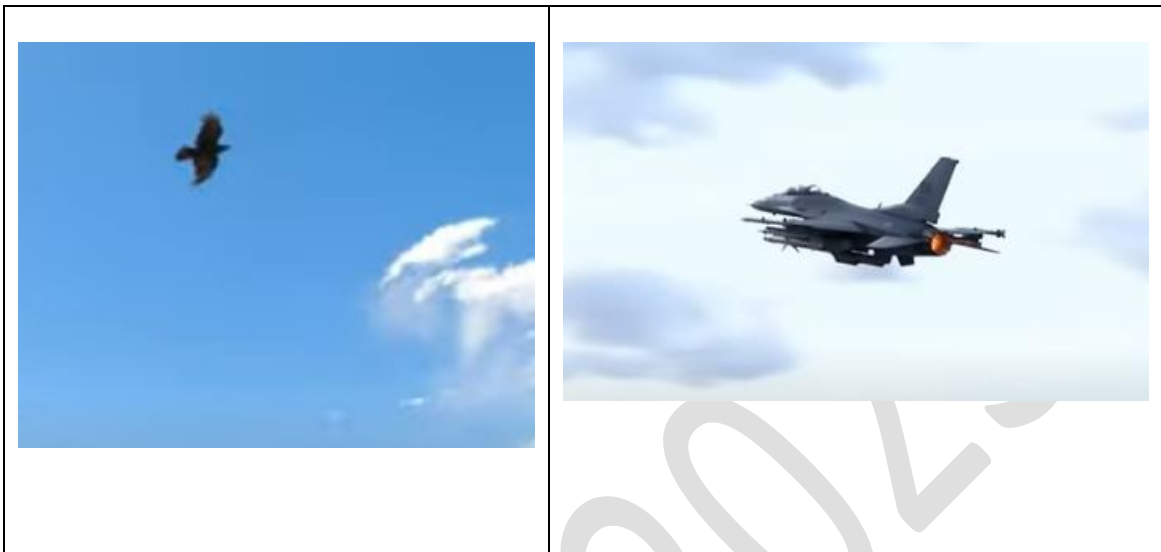

Millions of people see chemtrails and or contrail every day. The Judahite sees white gas or gases in the sky about three times a month from his windows. The Judahite uses an artificial node system to determine airplane travel time from one node to the next. NO, the timing observation has nothing to do with measuring speed.

However, on May 5, the phenomenon of a flying Raven automatically forced a comparative view that would never seek time comparison. Such is the basis for a limited qualified statement.

### **How is it possible for a Raven to outfly a fighter jet?**

A Raven flew without wing movement faster than an airplane to the East non-stop—as far as the eyes could see. The Judahite could not believe his eyes, meaning seeing the unexpected phenomenon, never a question about the urgent significance.

### **The Raven flew to the East**

- “And there I saw coming from the east the dazzling light of the presence of the God of Israel. God's voice sounded like the roar of the sea, and the earth shone with the dazzling light.” Ezekiel 43: 2
- “And I will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke” Joel 2:30 &31

Behold, the name of the LORD cometh from far [West or North America], burning with his anger, and in thick rising smoke: his lips are full of indignation, and his tongue is as a devouring fire: Isaiah 30:27
