**His Mission Statement**

*“And she brought forth a man child, who was to  
rule all nations with an iron rod.”*

Revelation 12:5

## On September 23, 2017, The Man-child returned to the earth to carry out his Mission Statement.

- ❖ “Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel.” Psalm 2:9,10

The Man-child returned on September 23, 2017, under the prevailing arrangement:

- “Another mysterious sight appeared in the sky. There was a huge red dragon with seven heads and ten horns and a crown on each of his heads.” Revelation 12:3

Directly to the point, the seven-headed Red Dragon with crowns represents seven sovereign states with chief executive officers, i.e., kings, prime ministers, and presidents. Remember President, Andrew Jackson, became the seventh president of the Union. The ten horns represent the Popes, who influenced the seven CEO(s) of national states. Ten is a biblical number of wholeness.

### Terms

1. Dragon= monster, fire-thrower, demon, tyrannous, murderous, harmful, heartless, impulsively reactive to devour.  
The Dragon personifies the social system of imperialism and the seven sovereign states that benefit the most from finance capitalism.
2. The Dragon's tail. Those seven countries tied to finance capitalism are an integral component of fascism, functioning as the rear, not the head. Once they held the status of independent nationhood, and then a third of the star nations fell to the ground when Satan got kicked out of heaven—now underfoot of imperialism.
3. The neck. “In his neck, strength shall dwell { **global corporations & their industries determine employment and unemployment** }. Decisions on when and where to invest capital come from the head and travel from the neck to the writing hands. In some form or fashion, they cause despair and personal grief to many workers. (See migration on the last page).
4. Neck & body. “The flakes of his flesh are joined together: They are firm upon him; they cannot be moved { **the inter-interlocking of banking capital with global financial institutions such as the World Bank and IMF** }. Job 41:23.
5. The heart. The heart is cold-blooded—a stone, “as hard as a stone, and as firm as a smith's anvil.” There is no empathy for those who are not within transnational corporations. Now and in the projected future, the human eyes are captured by endless innovative gimmickry, paralyzing the human heart and leaving it to wither into a state of spiritual deprivation. The interminable gimmickry drives the insatiable desire to despiritualize the world. In the New Testament, the question is raised: what good is there for a person to gain the world and loses his soul—where will you spend eternity?

**Dan, the serpent, and the Red Dragon  
Mutually accepted each other's offer  
Despite mutual dislike for each other.**

Independent of the investment capitalistic, the regulatory codes of capitalism compel self-reproduction. Biblically, the Ishmaelites are driven to recreate disharmony among countries out of self-interest and to the detriment of all.

The Snake knew it would be hard to control the dragon despite economic controls on dragon imperialism through trade bodies and bilateral treaties. Still, Dan was forced to arouse the Red Dragon out of financial necessity, knowing eventually, the Red Dragon had to take his road toward final destiny.

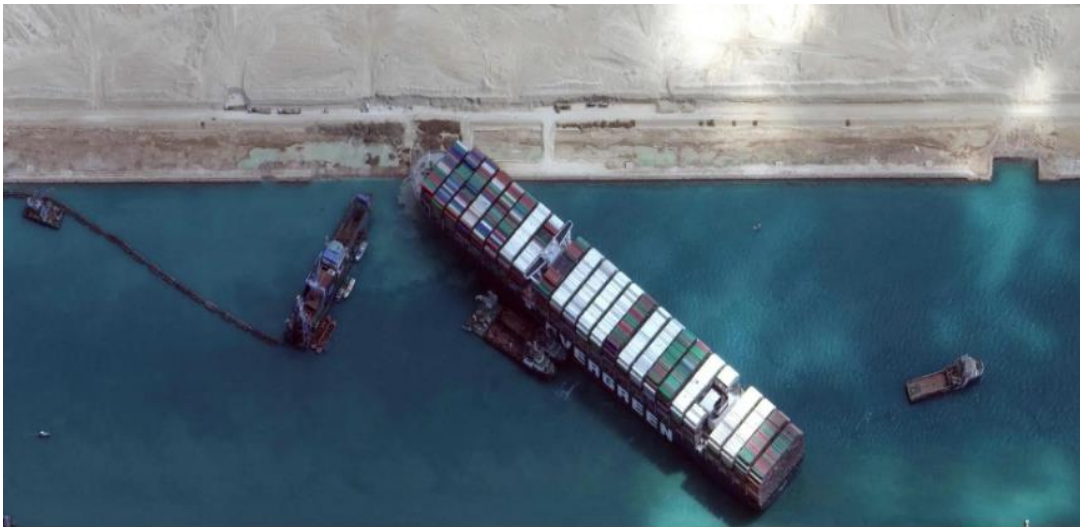

Job forewarned:

- ❖ May it be cursed by those who curse the day--those prepared to rouse Leviathan. Job 3:8
- ❖ When it rises up, the mighty are terrified, out of fear; in countries under the dragon's control, congregational members will purify themselves, seeking to seek the face of the LORD. Job 41:25

“But the LORD sent out a great wind into the sea, and there was a mighty tempest in the sea, so that the ship was like to be broke.” Jonah 1:4

The winds forced Evergreen to block the Suze Canal

## Imperialistic Red Dragon

We go back to the Edenic Judicial Decree for historical reference. The “old serpent” will coil around anyone who is dispirited and stand against the righteousness of God.

- ❖ And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. Revelation 12:9

According to the second part of the Edenic Judicial Decree, the Man-child will rule over the dragon and its associates with an iron rod.

The dragon was furious with the woman and went off to fight against the rest of her descendants, all those who obey God's commandments and are faithful to the truth revealed by Jesus. 18 And the dragon stood on the seashore. Revelation 12:17.

Still, Dan was forced to arouse the Red Dragon, knowing eventually he could not restrict the Red Dragon. Because the Ishmaelites are biblically driven to recreate disharmony among countries out of self-interest.

Job forewarned:

- ❖ May it be cursed by those who curse the day--those prepared to rouse Leviathan. Job 3:8
