## May 27 Convocation

### Introduction

Being newly birth, Shavuot has yet to be fully clothed in all aspects of ceremonial religious service and ritualized programs. The Feast of Weeks or Shavuot, or Pentecost, has an institutionalized date, May 27, as the index of the New Covenant.

A body of many people will be appointed to institutionalize the proceedings. Allow a work-in-progress to produce a finished standard.

At this stage, activity dates have been legitimated. Precisely, the order of priority. The Convocation's outlined presentations of this series focus on the divine dates that legitimate May 27 Pentecost.

As an emerging new social order, the Stone Kingdom, it is crucial for 144k and Firstfruits to know in the concrete how the Congregation evolved from the Old Covenants to operate with a clear, purposeful prioritized plan of action.

In review, when Judah returned from the Babylonian captivity, he had many challenges with efforts to reconstitute the Temple and the city of Jerusalem. Making their work effort sustainable before all the problems, they transported their governance system for social stability. Acceptable to God, the priesthood had to purge members within its ranks because they adopted impurities not allowed within the Levites, who were appointed to stand before God.

The pending exilic returnees must know a few basics to ensure a relatively smooth transition to the Lands of Promise. A New Covenant exists for the entire Congregation. However, new covenants are being established with the Ten Tribes and Judah now in progress. The watchword: know which covenant applies to you.

Deuteronomy 30:4-9 outlines the Commonwealth Covenant for all exilic returnees.

### Back in focus

Convocation A, B, and C. **A** is in the rough but could be posted soon. Written in short sequences allows for musical insertions and appropriate scriptural reading. **B**, before us, drives our understanding of how the New Covenant emerged. **C** is fast in content and will be posted within the next day or two. **C** is attached to the two presentations on Pentecost and the Ratification of Pentecost of 2021.
