

July 23, 2022

The Spirit of July 21 gave The Judahite promising signs for closing the chapter on July 23, or from a different view, taking material steps for squaring away personal matters for transitioning, in a word, doing the necessary things for writing the epilogue.

- The Judahite planned his day around going shopping for Gilgal II's meal celebration. On the menu:
 - 1) beef chuck riblets BBQ with roasted garlic sauce (that has been around for seventy years or longer).
 - 2) corn on the cob.
 - 3) a Caesar salad with Ranch dressing.
 - 4) baked beans.
 - 5) Strawberry Parfait.
 - 6) Triple berry pie (black, blue, and raspberries).
 - 7) Chocolate Cannoli with Ricotta cheese.
 - 8) Margarita (non-alcoholic).
 - 9) milk.

- As usual, Sabbath service.

With the expectation of a different tomorrow, The Judahite's energy level of excitement reached new levels corresponding to the Feast Days' resolutions. Even with high energy levels, The Judahite received a sign reminding him of the existence of the unity of negatives and positives, wherewith each step forward in constructing the Commonwealth of Israel, there must be those who must drink from the wine cup of wrath.

The classes of punishment have been delineated. For example, as stated in Feast Days' resolutions, the waste dumping method is reserved for the useless blocking destiny's pathway for constructing the Commonwealth of Israel.

OUTSIDE THE Building Going to the bus stop

The Judahite gives an account of his feelings, observations, and interpretative thoughts of the phenomenon in real-time.

On the way to the bus stop, The Judahite saw some men standing by the bus stop, continuing in progression; the men were standing next to a caravan of SUVs; continuing to advance enabled a fuller view of the situation and seeing men with firearms. Continuing to progress toward the bus stop, The Judahite at no time experienced apprehension because he stood in violation of no laws. However, The Judahite had no clue to account for heavy law enforcement visibility. Before stepping outside the building's fence, The Judahite got a signal notice from Michael or his department not to be concerned about the situation.

Crossing the street to wait for the bus, The Judahite scanned the area to take in more phenomenal observations, such as an SUV parked in front of the building near the street corner. Down the street was unusual activities, like a stakeout or a staging area. From the looks, the building was surrounded.

About ten minutes later, a white two-door limousine pulled into the front entrance of the Apartment Building. The limo did not appear to be funeral related—more like carrying a dignitary due to its style.

A thought occurred: maybe, the limo came to pick up someone for a funeral. Still, the situation did not fit with the traditional trapping of a funeral. For example, where is the police motorcycle?

The security police officers standing by their **SUVs** by the buss top were not from the Police Department nor the Sheriff's Department but from a different city's Department. Yes, a separate City agency.

Once the limo backed out of the driveway parking lot, the SUVs followed with all the emergency lights on.

The pictures below present could be situations. The Judahite had no idea what was happening and still is without knowledge.

What to make of the situation?

There are two meaningful explanations. First, the actual operation is unknown to The Judahite, maybe a funeral related to a special person.

Secondly, without guessing, the visibility appears in ramifications of the truth. Sometimes God works in mysterious ways so that the facts cannot be denied and distorted. In conclusion, The Judahite sees the operation as illustrative feedback of God's action plan.

An Insight

Archangel Michael or his office gave The Judahite a recognizable sign that all was under control before stepping outside the building's gate. The discussion is endless when it comes to the topic of Angels.

The Judahite separates himself from the claims' associations with angels *without* prejudice because God can do anything. Still, we all must adhere to the warning of Satan's ability to masquerade as the angel of light.

- *And no marvel; for Satan himself is transformed into an angel of light.* 2 Cor 11:14

The Judahite embraces the theological paradigm of angels' end times actions and response performances; thus, always standing on solid grounds, which gives us predictability and understandable outcomes logic.

As foretold about the end times, each week much confusion comes online regarding the correct times we live in. There is no need to be confused. Look, we are traveling on one main highway of history as depicted by Daniel's Man statue. Each new road appears at transitional stages, from one social system to the other down to Israel's feet, which will be hit by a stone from a mountain without human causation, forcing all gentile social systems to fall over in destruction.

Usually, the Elohim appoints two persons to lead. One person occupies the principal role, and the other occupies the secondary position. Beyond the LORD's given criterion of each progressive stage toward the new world order, The Judahite puts all incoming inputs on a shelf. The given criterion is for evaluating claims of light.

Such an attitude keeps with a long tradition of God's servants to stay focused and only interact with others under predefined parameters.

At hand, the topic is about Archangel Michael, the interstellar military general, tasked with protecting the Israelites and the nation of Israel. He engages according to prophetic statutory codes, *to the letter*, regardless of period.

Different class warriors of angels have operational missions, for example, the Army, Navy, and Airforce. Michael doesn't usually get involved with the personalized protection of an individual per se. His personalized involvement is directly associated with Israel and Judah or in combination prophetic interest. For example, when he appeared to Joshua, he gave Joshua the plan of action for the fall of Jericho, which came from the High Court of Heaven, not the Magistrate Court.

Michael and Gabriel and the King of Salem came to Abraham with the plans of salvation and destruction of Sodom and Gomorrah and the Cities of the Plains (the **five cities: Sodom**, Gomorrah, Admah, Zeboiim, and Zoar). Michael entertained Abraham's proposal to spare Sodom if only ten righteous people existed in the city. Because of pervasive wickedness within the Cities of the Plains, **divine** destruction came as pre-determined.

Lot's slow movement to depart his house forced Gabriel to take his family by the hands to lead them outside the city. As the sun rose over Zoar, all the cities were hit with brimstones, a form of nuclear radiation.

When Michael appeared before Balaam with his drawn sword in hand, he **swore in** Balaam to qualify his standing before the heavenly Courts to know if acting contrary to the Court's rulings, he would die. Indeed, Joshua's soldiers killed him as they were deputized to do so.

Balaam did just the opposite of his prophecies after the appellate hearings. He used his knowledge of the equation to defeat Israel and thereby God's plans to make lots of money and receive a position of authority.

Moreover, General Michael commanded the operation to unblock Gabriel's passage to Daniel, caused by Lucifer's soldier. We know with 100% certainty that Gabriel and Michael interface directly with the Throne Room of Heaven. Thus, we can deduce that other Angels take assignments from either. *"The chariots of God are twenty thousand, even thousands of angels."* Psalm 68:17

The exception. In the Second Heaven Magistrate Court, the order of arrangement is different.

The Bible gives many examples of the interdimensional reality around us.

The Judahite is not interested in explaining the technology of interdimensional reality because he cannot. However, The Judahite will share a few things.

"The LORD break forth upon them."

"Break forth." The descriptive declaratory phase says a lot about interdimensional reality. Naturally, Moses understood the interdimensional fact.

About a year ago, The Judahite saw air fluttering movement forming a vortex from which a representative warrior angel of protection emerged. Part of the body appeared first, and the rest became visible in one second. Precisely, the appearance came as a request from The Judahite. Hence, the dimensional “break forth.”

On different occasions, the movement of air formed a vortex. On balance, many messages come to The Judahite out of thin air, without a vortex.

Judah and the Israelites are approaching a stage of maturity to understand better how the interdimensional reality works with permission from Yeshua.

It is apparent that the human **eyes are limited or blocked** from seeing other dimensions, a fact of life. Thus, the waste of time to rediscuss the topic.

Consider:

- 1) “Then Elisha prayed and said, ‘O LORD, please open his eyes that he may see.’ So, the LORD opened the eyes of the young man, and he saw, and behold, the mountain was full of horses and chariots of fire all around Elisha.” 2 kings 6:17.

EYESIGHT—OPEN and CLOSE

- 2) “And when they came down to him, (the Syrian Army) Elisha prayed unto the LORD, and said, smite this people, I pray thee, **with blindness**. And he smote them with blindness according to the word of Elisha.” 2 Kings 6:18-20
- 3) “Then God **opened her eyes**, and she saw a well of water. So, she went and filled the skin with water and gave the boy a drink.” Genesis 21:19
- 4) “As they were walking along and talking together, suddenly a chariot of fire with horses of **fire appeared** and separated the two of them, and Elijah went up into heaven in a whirlwind.” 2 Kings 2:11
- 5) “Only I, Daniel, saw the vision; the men with me **did not see it**, but a great terror fell upon them, and they ran and hid themselves.” [Daniel 10:7] “*The LORD break forth upon them*” is a good explanation for the “**great terror fell upon them**.” Out of thin air, they saw something that could not be rationally explained—terror, terror. Similarly, when Saul fell off his horse on his way to Damascus, the men with him could not explain rationally what they saw and fear fell on them, a paralyzing fear.

The Angels encamp around The Judahite and the 144K

- 6) “The angel of the LORD encamped round about them that fear him and delivered them.” Psalm 34:7

He =The Judahite

“He that dwelleth in the secret place of the Most-High shall abide under the shadow of the Almighty. I will say of the LORD, He is my refuge and my fortress: my God; in him will I trust.” Psalm 91:1-2

- He shall cry to me, and I will hear him: I am with him in tribulation, I will deliver him, and I will glorify him. Psalm 91:15

(Anyone of the 144k can make the substitution for HE = _____ insert your name)

Undercover Police

Upon entering the bus, The Judahite saw someone unusual, the revelation came out during the day. Police officers who regularly wear their uniforms went undercover. The Judahite’s shopping trip attracted many undercover police officers around and about.

But, they didn’t know that The Judahite knew who they were. What? At no time did The Judahite feel harassed. **Actually**, The Judahite saw operational security concerns for the city, cutting down on crime, by their presence. So, at no time did The Judahite view the situation as overbearing, no disruptions. They blended in with the people, staying on the down-low.

As a review:

- When Archangel Michael appeared before Balaam with his drawn sword in hand, he swore in Balaam to stand before the heavenly Courts to know if acting contrary to the Court’s rulings, he would die. Indeed, Joshua’s soldiers were deputized to kill Balaam sometime after the appellate process.

Michael’s military department, as recorded, uses the armies of heaven against nations in the interest of the Israelites to maintain the course of history. For example, 185 thousand Assyrian soldiers were killed in a few seconds as they planned an attack on Jerusalem the following day. The Persians should have defeated Alexander the Great but could not. The Spanish Armada is another example. Also, the Confederates should have won the American Civil War because they had the best generals. Yet, another example, the American military had the state-of-the-art equipment to wipe out Germany’s bases in Antarctica. Americans went back home in defeat. Surprise!

In focus, Michael's Military War Department uses an array of agents to protect prophetic end **time processes**, which are many. Thus, it can be said that the city's police department acted as a deputized agent according to Michael's War Department.

A point of clarification

The Judahite fully understands the genuine concern of overreaching electronic surveillance as a privacy violation.

At this moment, The Judahite will address the subject again but on two levels. The discussion serves to clarify the necessity for retaking the ten crowns, symbolic of the ten tribes of Israel to assume governance of their tribal nations.

Level one. In America, progressive Hebrews who advocated democratic changes have always been subject to targeted electronic surveillance, a mainstay of state and federal security agencies, nothing has changed, and nothing is new. Why?

Back in the 1930s, the core thinking among strategic policymakers of the global elite took the policy position that blacks are much more pro-socialist than other groups. The labor movement was on the rise, and the U.S. Congress was led by non-governmental policymakers to believe a communistic takeover was imminent. Thus, all democratic demands were automatically assumed to be communistically inspired. Yet, white terrorism ran out of control.

Most importantly, they want to keep an eye open for the "black messiah." Dr. King and countless other mainstream leaders and artists were physically and electronically surveilled. The secretly recorded tapes were used to blackmail Dr. King to shut up and withdraw. Instead, he told the FBI Director to watch what "I do" and continued with his social obligations.

Time has caught up with the evildoers of the Beast system. Mass shootings and countless evil acts are threats to internal stability. The old erroneous belief that the Hebrew Israelites are the most significant danger to the internal security of America's social order has become less of a priority due to 9/11. Yet, the practice continues covering all demographics because of annual budget allocation to keep people busy. On balance, the emphasis is on Islamic terrorists, tomorrow there will be a different political focus.

The elite strategic policymakers are not in Washington, DC, but stand above America and have purposefully misled the U.S. Congress into thinking arms overthrowing the nation's capital for more spending for law enforcement agencies. Such silliness is not the thinking of Abraham's 400 years prophecy of Abraham. In other words, The Judahite draws a divisional line separating Gentiles, regardless of color, from the Congregation's destiny.

Consider The Judahite's COVID-19, which is more like the plagues of Egypt and the seven vials of Revelation. Yet, no need for guns to push policy changes. Those in power are helpless to stop COVID-19. If need be, a new wave of COVID-19 can come tomorrow to bring nations to their knees.

Overall, electronic surveillance covers everyone.

The Mark of the Beast must be seen in phases. Overall, think of the Mark as the interplay between commerce and religion. John of Revelation says that all will be subject to the supreme council that rules over society. While true, the exception is the exilic Israelites and Judah.

Because of the electronic nature of the economy, it is much easier to monitor and track everyone using a convenient political reason. Such has been the case of strategists to mislead the public, thinking one way but acting differently to advance a new world order of total control of society. State and federal legislative bodies are in the same network under the supreme council of darkness. Microchipping is ready to roll out, but COVID-19 forced them to push the date back.

The Supreme Council of Darkness controls all central governments worldwide. If any security personnel violate the codes of the Council, they will be imprisoned at the drop of a hat.

Transhumanism

Efforts are now underway to remove about 80% of the world population as part of a plan to birth a new technological society, a paradise on the earth for the serpent race. In short, current technology has advanced society to levels where, in their view, justification of preserving the current existence of humanity is without any rational reason. in its current state. Efforts are now underway to remove about 80% of the world population as part of a plan to birth a new technological society, a paradise on the earth for the serpent race.

Given that transhumanism is a black operation, little is known. But what is known suggests that human replacement can be accelerated at any time. Indeed, the plan is well underway to return to the pre-flood era.

Fallen messengers from heaven with their failing plans, repeating history as foretold by Yeshua. When seeing the increased senseless evil each week around the world, The Judahite concludes Archangel Michael has locked all portals leaving the earth to the Second Heaven. If correct, hell is just getting started, according to Revelation. Still, the Congregation will be preserved.

Is there a genuine conflicting view regarding personal security?

No. The Bible gives instances of textual contradictions. When contradictory texts appear and two different views express a reality, it is an informational clue and not a cause for aggression!

Consider the life of *Zedekiah*.

Ezekiel says

vs.

Jeremiah says

<p><i>“But I will spread out my net and trap him in it. Then I will take him to the city of Babylon, where he will die without having seen it.” Ezekiel 12:12</i></p>	<p>Jeremiah chapters 38 & 39</p> <p>Your friends cannot help you. <i>“Obey, I beseech thee, the voice of the LORD, which I speak unto thee so it shall be well unto thee, and they soul shall live.: 38:20</i></p> <p><i>Then the king of Babylon slew the sons of Zedekiah in Riblah before his eyes: also, the king of Babylon slew all the nobles of Judah. Jeremiah 39:6</i></p> <p><i>Moreover, he put out Zedekiah’s eyes, and bound him with chains, to carry him to Babylon. 39:7</i></p>
---	---

Is it a case of **interpretation** or contradiction? Ezekiel says Zedekiah will not see Babylon, and Jeremiah thinks he will see the full authority of Babylon—the King face to face.

Zedekiah’s interpretation of Jeremiah’s instructions reveals the King’s final determination. The King had a **clear option**: give up and do not resist King Nebuchadnezzar, and you and your household shall live.

The real question is, why did the King decide to make a run or escape?

THE ANSWER

Zedekiah operated above the LAW, above all laws, and stood

In

Contempt of personal accountability.

PART TWO

**The Framework for understanding and interpreting seemingly
Conflicting views,
Although each view is valid.**

The military aspect of Trumpet

- When you enter battle in your land against an adversary who attacks you, sound short blasts on the trumpets, and you will be remembered before the LORD your God and saved from your enemies. Numbers 10:9

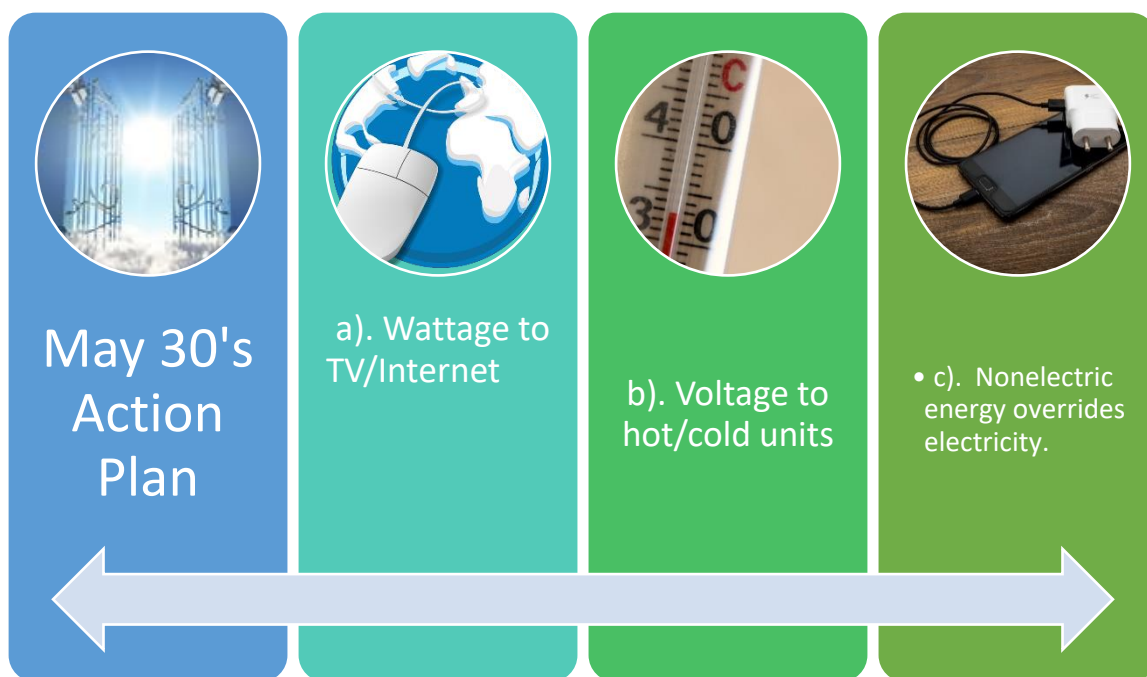

The Congregation can take comfort in knowing communications will continue even though the enemy will be without manufactured electricity, just like the Egyptians who were struck by darkness at noon. Yet, the Israelites had daylight.

The List of interconnections is military tactical tools. Once power is cut off, there is nothing that man can do to override nonelectric power. The systems of monitoring will change hands to the Executive Body of Israel.

The Judahite has already given an account of nonelectric power. And telecommunications without the internet.

Naturally, we all expect that once earth's electromagnetic field is closed airplanes will fall out of the sky.

Whereas attention might be given to a), b), or c) in separation at any given time, The Judahite's focus is on the Master Action Plan approved by the Magistrate Court of Heaven. a), b), or c) are conditional, tactical.

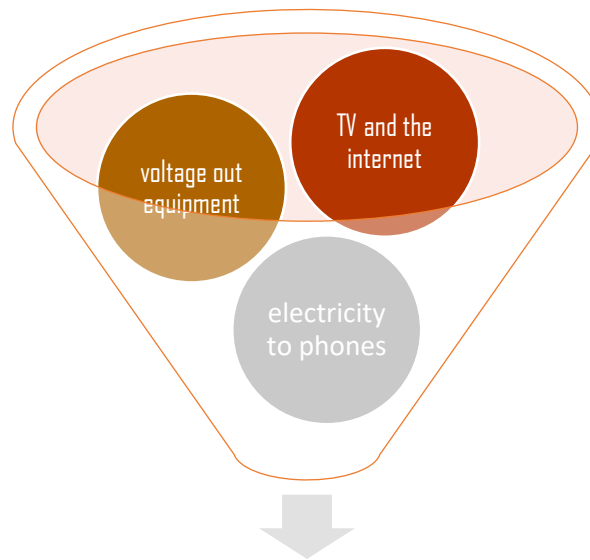

(Taken from UPDATE: Trumpets begin on June 16 and run through July 3)

People have premonitions, and heaven has always given people an inside view of what to expect.

In most cases, however, there are no dates, just events. While true, premonitions should be taken seriously. The person or group should have an internal alert or secondary system to corroborate the predictive event.

On the other hand, The Judahite's wine cup given to the intended will know what to expect and when.

- I. While working on the June 15, 2022, draft UPDATE: Trumpets begin on June 16 and run through July 3, the Archangel's office re-avowed the weaponization of 1.) wattage to TV and the internet, 2.) voltage to all energy equipment, and 3.) electricity to phones and all telecommunication devices.

Wrath mixed with Fire

(Taken from June 15, eve of Trumpet)

- I. Over the past three years, the office of the Archangel repeatedly avowed to go against the nations to whom The Judahite **will force** to drink from the wine cup of wrath. On Trumpet's eve, the office of the Archangel **re-avowed** to The Judahite that the wine cup of wrath will be given to the nations according to Jeremiah. Thus, the Scriptures maintain the list of parties to receive the wine cup of wrath:

003). The wine cup of wrath: *"then a third angel followed them, saying with a loud voice, "If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb." Revelation 14:9*

004). The LORD, the God of Israel, said to me, *"Here is a wine cup filled with my anger. Take it to all the nations to whom I send you and make them drink from it."* Jeremiah 25:15

005). *I have laid a snare for you; You have indeed been trapped, O Babylon, and you were not aware; You have been found and also caught, because you have contended against the LORD. Jere 50:24*

006). I have *opened the place where my weapons are stored*, and out of indignation, I have taken them out, because I, the Sovereign LORD Almighty, have work to do in Babylonia. Jer 50:25

007). *"A sword is against the Chaldeans," says the LORD, "Against the inhabitants of Babylon, And against her princes and her wise men." Jer. 50:35-38.*

008). *“And thou my servant Jacob, fear not and be not thou dismayed, O Israel: for behold I will save thee from afar off, and thy seed out of the land of thy captivity: and Jacob shall return and be at rest, and prosper: and there shall be none to terrify him Jeremiah 46:27-28
I will come to you and save you. I will destroy all the nations where I have scattered you, but I will not destroy you. I will not let you go unpunished; but when I punish you, I will be fair. I, the LORD, have spoken.”*
